DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

Notice of Bid/Request for Proposal

As a Contractor, you are invited to submit a bid to the FLORIDA DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES, DIVISION OF ADMINISTRATION, hereinafter referred to as Owner, for an electrical system upgrade project for the Mayo Building located at 407 S. Calhoun Street, Tallahassee, Florida. The Project Budget is estimated to be: \$630,000.00.

The contractor shall provide all materials, labor, equipment, permits and inspection fees necessary for the completion of the project in accordance with the terms and conditions of the Invitation to Bid.

PROJECT NAME AND LOCATION: Electrical system upgrade project for the Mayo Building located at 407 S. Calhoun Street, Tallahassee, Florida.

SOLICITATION DOCUMENT: The entire solicitation document may be viewed and downloaded from the Vendor Bid System at <http://myflorida.com>, click on Business, Doing Business with the State of Florida, Everything for Vendors and Customers, Vendor Bid System, Search Advertisements, Bid Number ITB/DA-07/08-07, or by calling the Purchasing Office at (850)487-3727. Plans and specifications are available through Pinnacle Engineering Group, P.A., 3303 Thomasville Road, Suite 102, Tallahassee, Florida 32308, (850)422-1763, Fax (850)422-1502.

MANDATORY PRE-BID CONFERENCE/SITE VISIT: Each bidder must, before submitting a bid, attend the mandatory pre-bid conference/site visit. The pre-bid conference/site visit will be held on August 23, 2007, 10:00 a.m., 407 S. Calhoun Street, Tallahassee, Florida 32399. During the pre-bid

conference a site visit will be held for prospective bidders. It is the bidders' responsibility to consider any and all site conditions or requirements for the project.

PUBLIC ENTITY CRIME INFORMATION STATEMENT: A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, F.S., for Category Two for a period of 36 months from the date of being placed on the convicted vendor list.

DISCRIMINATION; DENIAL OR REVOCATION FOR THE RIGHT TO TRANSACT BUSINESS WITH PUBLIC ENTITIES: An entity or affiliate who had been placed on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity.

PERFORMANCE BOND AND LABOR AND MATERIAL PAYMENT BOND: If the construction contract award amount is \$100,000.00 or less, a Performance Bond and a Labor and Material Payment Bond are not required.

Sealed bids will be received, publicly opened and read aloud on:

DATE AND TIME: September 7, 2007, 2:00 p.m.

PLACE: Department of Agriculture and Consumer Services, 407 S. Calhoun Street, SB8 Mayo Building, Tallahassee, Florida 32399, (850)487-3727.

CONTRACT AWARD: The official Notice of Award Recommendation will be by electronic posting at http://fcn.state.fl.us/owa_vbs/owa/vbs_www.main_menu. Failure to file a protest within the time prescribed in Section 120.57(3), Florida Statutes, shall constitute a waiver of proceedings under Chapter 120, Florida Statutes. If no protest is filed the contract will be awarded to the qualified, responsive low bidder in accordance with Chapter 60D-5, F.A.C., by the Owner.

DEPARTMENT OF EDUCATION

NOTICE TO PROFESSIONAL CONSULTANTS:

The University of Florida Board of Trustees announces that Professional Services in the disciplines of architecture and engineering will be required for the project listed below:

Project: UF-206, Graduate Studies Building (Hough Hall), Gainesville, FL

The project consists of a new, freestanding building to house classrooms and office, meeting, event, study/lounge, and support space for graduate programs in the Warrington College of Business Administration. The new facility, which is estimated at roughly 54,000 GSF, must fit contextually in the historic district of campus with a thoughtful and high-performance design that enhances the “front door” to the University. Hough Hall and a second new building will be located atop an existing surface parking lot, so comprehensive site planning must account for revised traffic patterns, accessibility, routing of utilities, landscape and hardscape elements, and views to and from existing buildings.

The estimated construction budget is approximately \$18,700,000. To ensure occupancy prior to January 2010, site preparation and utilities infrastructure shall be designed and executed as an “early start” package in late summer of 2008 using Construction Manager At-Risk delivery. The University is interested in utilizing Building Information Modeling (BIM) as a tool for improving quality, cost, and schedule by aiding coordination of trades, reducing field conflicts, and generally enhancing the construction process itself. Silver or higher LEED (Leadership in Energy and Environmental Design) certification by the U.S. Green Building Council is mandatory.

The selected firm will provide program verification via interactive workshops with users and other stakeholders, site planning, conceptual studies, cost modeling, design, rendering and modeling, construction documents, and construction administration services for the referenced project. Blanket professional liability insurance will be required for this project in the amount of \$3,000,000, and will be provided as a part of Basic Services. Plans and specifications for University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

Applicants will be evaluated on the basis of their past performance, experience, personnel, design ability, references, workload, and responses to questions posed both in the shortlist and interview phases. Finalists may be provided with supplemental interview requirements and criteria as needed, and the Selection Committee may reject all proposals and stop the selection process at any time.

Applicants desiring to provide professional services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be limited to 40 single-sided, consecutively-numbered pages and shall include:

1. A Letter of Application that concisely illustrates the applicant’s understanding of the scope of services, design intent, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. Company information and signed certification.

3. A completed, project-specific “Professional Qualifications Supplement” (PQS) proposal with signed certification. Applications on any other form will not be considered.
4. Resumes and copies of the applicant’s current Professional Registration Certificate(s) from the appropriate governing board, corporate charter(s) if applicable, LEED accreditation, and other pertinent credentials.

At the time of application, the applicant must possess current design Professional Registration Certificate(s) from the appropriate governing board; must be properly registered to practice its profession in the State of Florida; and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected professional must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Unsigned proposals or proposals containing expired or invalid licenses will be disqualified. Submittal materials will not be returned.

The project-specific PQS form, instructions, Project Fact Sheet, facilities program, UF Design Services Guide, UF Construction Standards, standard University of Florida Owner-Professional agreement, and other project and process information can be found on the Facilities Planning & Construction website.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning & Construction office by 3:00 p.m. local time, on Friday, September 7, 2007. Facsimile (FAX) submittals are not acceptable and will not be considered.

NOTICE TO CONSTRUCTION MANAGERS:

The University of Florida Board of Trustees announces that CM-At-Risk services will be required for the project listed below:

Project: UF-313, Veterinary Education and Clinical Research Center at the University of Florida College of Veterinary Medicine – Gainesville, Florida.

This project is an expansion of the College of Veterinary Medicine Small Animal Hospital. The proposed project is envisioned as a 3-story, approximately 93,000 gross square

foot, addition to the Small Animal Hospital (SAH). It will function as an educational, research and clinical facility and allow the SAH to relieve space deficiencies, which are currently causing a less efficient hospital function. In addition, the proposed growth will allow the SAH to increase its caseload, provide a new linear accelerator facility, and to create a healthier environment for patients and clinicians.

The project is to be located at the current College of Veterinary Medicine Small Animal Hospital site, on the south side of S.W. 16th Avenue adjacent to Shealy Drive on the University of Florida campus. The proposed expansion will occupy the current Patient parking lot directly north of the Small Animal Hospital patient receiving area.

The total project construction budget is \$44,623,000, including site improvements and utility infrastructure. Construction shall be "fast-tracked" to begin by 30 September 2008 and be substantially complete in February 2010. Silver LEED (Leadership in Energy and Environmental Design) certification by the U.S. Green Building Council is a mandatory minimum.

The contract for construction management services will consist of two phases, pre-construction and construction. Pre-construction services will begin during the Conceptual Design stage and will include production of cost studies and estimates; value engineering; analysis of the design documents for constructability, coordination, detailing, materials, and systems; development and maintenance of the construction schedule; production of detailed jobsite management plans; development of strategies for the procurement of trade contracts; and development of a Guaranteed Maximum Price (GMP) proposal based on 60% or 100% Construction Documents (to be determined by the Owner during the design phase), for which the design/builder will be paid a fixed fee. If the GMP proposal is accepted and executed, the construction phase will be implemented. In this phase, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for phase one of the contract, or failure to arrive at an acceptable GMP budget within the time provided in the agreement may result in the termination of the construction manager's contract.

Applicants will be evaluated on the basis of their past performance, experience, personnel, references, bonding capacity, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

Applicants desiring to provide construction management services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact

Sheet, and other background information. The proposal shall be limited to 60 single-sided (or 30 pages front and back), consecutively-numbered pages and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, schedule, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. Company information and signed certification.
3. A completed, project-specific "CM Qualifications Supplement" (CMQS) proposal. Applications on any other form will not be considered.
4. Resumes, copies of the applicant's contracting license, corporate charter(s) if applicable, proof of the firm's bonding capacity, LEED accreditation, and other pertinent credentials.

At the time of application, the applicant must be licensed to practice as a general contractor in the State of Florida and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction manager must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Unsigned proposals or proposals containing expired or invalid licenses will be disqualified. Submittal materials will not be returned.

The project-specific CMQS forms, instructions, Project Fact Sheet, facilities program, UF Design Services Guide, UF Construction Standards, standard University of Florida Owner-CM agreement, and other project and process information can be found on the Facilities Planning & Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning & Construction office by 3:00 p.m. local time on Friday, August 31, 2007. Facsimile (FAX) submittals are not acceptable and will not be considered.

- Mandatory pre-qualification conference: At 10:00 a.m., Thursday August 30, 2007
- Response Deadline: by 5:00 p.m., Thursday September 13, 2007

For additional information on submitting letters of interest, location of meeting and other project details, go to the Authority website at www.tampaairport.com; Quick Links, Airport Business, RFP/RFQ Information.

**Section XII
Miscellaneous**

DEPARTMENT OF HIGHWAY SAFETY AND MOTOR VEHICLES

**Notice of Publication for a New Point
Franchise Motor Vehicle Dealer in a County of More
than 300,000 Population**

Pursuant to Section 320.642, Florida Statutes, notice is given that Moto Dealer Import, LLC, intends to allow the establishment of ADS-Auto Discount Sales, Inc., as a dealership for the sale of motorcycles manufactured by Shanghai JMSTAR Motorcycle Co. Ltd. (JMST) at 3265 West New Haven Avenue, West Melbourne (Brevard County), Florida 32904, on or after July 27, 2007.

The name and address of the dealer operator(s) and principal investor(s) of Moto Dealer Import, LLC are dealer operator(s): Art Stockdale, 3265 West New Haven Avenue,

West Melbourne, Florida 32904; principal investor(s): Art Stockdale, 3265 West New Haven Avenue, West Melbourne, Florida 32904.

The notice indicates intent to establish the new point location in a county of more than 300,000 population, according to the latest population estimates of the University of Florida, Bureau of Economic and Business Research.

Certain dealerships of the same line-make may have standing, pursuant to Section 320.642, Florida Statutes, to file a petition or complaint protesting the application.

Written petitions or complaints must be received by the Department of Highway Safety and Motor Vehicles within 30 days of the date of publication of this notice and must be submitted to: Nalini Vinayak, Administrator, Dealer License Section, Department of Highway Safety and Motor Vehicles, Room A-312, MS 65, Neil Kirkman Building, 2900 Apalachee Parkway, Tallahassee, Florida 32399-0635.

A copy of such petition or complaint must also be sent by U.S. Mail to: Caesar Guan, Manager, Moto Dealer Import, LLC, 4998-B South Royal Atlanta Drive, Tucker, Georgia 30084.

If no petitions or complaints are received within 30 days of the date of publication, a final order will be issued by the Department of Highway Safety and Motor Vehicles approving the establishment of the dealership, subject to the applicant's compliance with the provisions of Chapter 320, Florida Statutes.

**Notice of Publication for a New Point
Franchise Motor Vehicle Dealer in a County of Less
than 300,000 Population**

Pursuant to Section 320.642, Florida Statutes, notice is given that Porsche Cars North America, Inc., intends to allow the establishment of All Pro Auto Group, LLC d/b/a Porsche of Destin, as a dealership for the sale of Porsche automobiles and trucks (PORS) at 808 Airport Road, Destin (Okaloosa County), Florida 32541, on or after August 22, 2007.

The name and address of the dealer operator(s) and principal investor(s) of All Pro Group, LLC d/b/a Porsche of Destin are dealer operator(s): Bryan Myers, 3330 North 95th Avenue, Ocala, Florida 34482; principal investor(s): Bryan Myers, 3330 North 95th Avenue, Ocala, Florida 34482 and Andre Wadsworth, 14003 North 99th Way, Scottsdale, Arizona 85260.

The notice indicates intent to establish the new point location in a county of less than 300,000 population, according to the latest population estimates of the University of Florida, Bureau of Economic and Business Research.

Certain dealerships of the same line-make may have standing, pursuant to Section 320.642, Florida Statutes, as amended by Chapter 88-395, Laws of Florida, to file a petition or complaint protesting the application.
