DEPARTMENT OF EDUCATION

Notice of Bid/Request for Proposal

NOTICE TO PROFESSIONAL CONSULTANTS

Florida State University, State of Florida, announces that professional services in the discipline of architecture will be required for the project listed below:

Project No. FS-248

Project and Location: William H. Johnston Building

Remodeling and Expansion

Florida State University, Tallahassee, Florida

The project consists of the design and construction of approximately 78,000 square feet of building expansion and approximately 65,000 square feet of building remodeling and renovation. The building is located between Honors Way and Convocation Way, and just north of University Way. The existing connector between the east and west wings is expected to be demolished to make way for the expansion, which will be physically connected to the recently renovated East Wing of the Johnston Building (Suwannee Room) and the existing West Wing of the Johnston Building. The Johnston Building Remodel and Expansion will provide shared common and support spaces including classrooms, computer labs, reading rooms as well as student and faculty lounges. The project delivery system will be construction management. The design professional is expected to create a sustainable project including, but not limited to LEED certification. The selected firm will provide design, construction documents and administration for the referenced project which has a construction budget of approximately \$42,900,000.00. Blanket professional liability insurance will be required for this project in the amount of \$1,000,000, and will be provided as a part of Basic Services.

Location will be scored as follows:

Florida firms will receive a score of "1", and out of state, firms will receive a score of "0".

INSTRUCTIONS

Firms desiring to apply for consideration shall submit a letter of application.

The letter of application should have attached:

1. A completed Florida State University "Professional Qualifications Supplement," dated August, 2003. Applications on any other form, or on versions dated prior to 8/03, will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Submit six copies of the above requested data bound in the order listed above. Applications which do not comply with the above instructions may be disqualified. Application materials will not be returned.

The plans and specifications for Florida State University projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or

consultant in excess of \$50,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Professional Qualifications Supplement forms, descriptive project information, and selection criteria may be obtained through our website, www.fpc.fsu.edu, or by contacting: Lynetta Mills, Facilities Design and Construction, 109 Mendenhall Maintenance Building A, Florida State University, Tallahassee, Florida 32306-4152, (850)644-2843 telephone, (850)644-8351 facsimile.

For further information on the project, contact James M. Reynolds, Project Manager, at the address and phone listed above.

Submittals must be received in the above office, by 2:00 p.m. (Local Time), on December 11, 2007. Facsimile (FAX) or electronic submittals are not acceptable and will not be considered.

NOTICE TO DESIGN/BUILD FIRMS

The University of Central Florida on behalf of its Board of Trustees announces that Professional Services in the discipline of design/build will be required for the project listed below:

Project No. UCF-TBA Thermal Energy storage Tank

Project and Location: Thermal Energy Storage Tank, University of Central Florida, Main Campus, Orlando, Florida 32816-3020.

The combined project cost is to be determined for planning, construction and furnishings/equipment. There will be one design/build contract for this project.

The projects consist of the design and construction of a new Thermal Energy Storage Tank, the storage capacity will be approximately 20,000 ton-hrs and the media will be water. The projected project cost is approximately \$2,200,000.

FORM OF PROPOSALS

It is the University's intention to have professionals in the disciplines of design/build for this project.

This facility will be in the early planning phase in the fiscal year 2007-08. The selected design/build firm will provide design, construction documents, and administration for the referenced project. Blanket professional liability insurance for the design/build firm will be required for this project in the amount of \$250,000 and will be provided as a part of Basic Services.

Five (5) bound copies of the required proposal data shall be submitted to: Mr. David Norvell, Physical Plant, 4000 Central Florida Blvd., Post Office Box 163600, Orlando, FL 32816-3600. Submittals must be received by 5:00 p.m. (Local Time), on Friday, December 10, 2007. Facsimile (FAX) submittals are not acceptable and will not be considered. Late submissions will not be accepted.

The committee members have elected not to meet with proposed firms.

INSTRUCTIONS FOR DESIGN/BUILDERS

Design/Build firms desiring to apply for consideration must include a letter of application and should have attached:

1. The most recent version of the Florida Board of Education "Professional Qualifications Supplement" (PQS) dated 7/03, completed by the applicant. Do not alter the PQS form.
2. A copy of the firm's current Professional Registration Certificates from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.
3. The most recent version of the Florida Board of Education "Revised Construction Manager Qualifications Supplement" (CMQS) dated 02/02. Do not alter the CMQS form.

Applications that do not comply with all instructions may be disqualified. Application materials will not be returned.

Selection of finalists for interviews will be made on the basis of design/build firm's qualifications separately, including experience and ability; past experience; bonding capacity; cost estimating; qualification of the firm's personnel, staff and consultants; and ability to include minority business enterprise participation. Finalists will be provided with a description of the final interview topics. The Selection Committee may reject all proposals and stop the selection process at any time.

The plans and specifications for Florida Board of Education projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of placement on the convicted vendor list.

Carefully review the Design/Build Contract and General Condition's documents. Submitting a proposal for this project constitutes complete agreement with and acceptance of the terms and conditions contained within these documents. These documents can be found on our website at www.fp.ucf.edu with the advertisement.

INSTRUCTIONS FOR DESIGN/BUILDERS

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past

36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

DESIGN/BUILD CONTRACT

The contract for design/build services will consist of two phases. Phase one will consist of the development of construction documents and the development of a Guaranteed Maximum Price (GMP) at 50% construction documents. If the GMP is accepted, phase two, the construction phase, will be implemented. In phase two of the contract, the design/builder becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable GMP within the time provided in the agreement may result in the termination of the design/builder's contract.

PROJECT FACT SHEET

Project Fact Sheet contains the selection criteria which is the primary basis for determining the shortlist. The Project Fact Sheet, Professional Qualifications Supplement forms, Construction Manager Qualifications Supplement forms, descriptive project information, and selection criteria may be obtained by contacting: Mr. David Norvell, University of Central Florida, phone (407)823-0970, e-mail: dnorvell@mail.ucf.edu, Web site: www.fp.ucf.edu.

CLARIFICATIONS/REVISIONS: Before award, the Buyer reserves the right to seek clarifications or request any information deemed necessary for proper evaluation of submissions from all respondents deemed eligible before Contract award. Failure to provide requested information may result in rejection of the response.

The Department reserves the right to accept or reject any or all proposals received and reserves the right to make an award with or without further discussion of the proposals submitted or accept minor informalities or irregularities in the best interest of the State of Florida, which are considered a matter of form and not substance, and the correction or waiver of which is not prejudicial to other proposers. Minor irregularities are defined as those that will not have an adverse effect on the Department's interest and will not affect the price of the proposal by giving a proposer an advantage or benefit not enjoyed by all other proposers. It is understood the proposal will become a part of the Department's official file, without obligation to the Department. Proposals may be rejected if found to be irregular or not in conformance with the requirements and instructions contained herein. A proposal may be found to be irregular or non-responsive by reasons that include, but are not limited to failure to utilize or complete in their entirety prescribed forms, conditional proposals, incomplete proposals, ambiguous proposals, and improper, missing and/or undated signatures.

The Non-Technical Specifications Level IV and V are considered to be applicable to this solicitation and award of contract when made and are made a part hereof.

The State of Florida, Department of Military Affairs, objects to and shall not consider any additional terms or conditions submitted by a respondent, including any appearing in documents attached as part of a respondent's response. In submitting its response, a respondent agrees that any additional terms or conditions; whether submitted intentionally or inadvertently, shall have no force or effect. Failure to comply with terms and conditions, including those specifying information that must be submitted with a response, shall be grounds for rejecting a response.

STATE OF FLORIDA
DEPARTMENT OF COMMUNITY AFFAIRS
In re: CITY OF MARATHON LAND
DEVELOPMENT REGULATIONS
ADOPTED BY ORDINANCE NO. 2007-14

FINAL ORDER

The Department of Community Affairs (the “Department”) hereby issues its Final Order, pursuant to § 380.05(6), Fla. Stat., and § 380.0552(9), Fla. Stat. (2006), partially approving and partially rejecting a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

- 1. The Florida Keys Area is a statutorily designated area of critical state concern, and the City of Marathon is a local government within the Florida Keys Area.
2. On August 24, 2007, the Department received for review City of Marathon (“City”) Ordinance No. 2007-14 (“Ord. 2007-14”).
3. The purpose of Ord. 2007-14 is to amend and restate the City’s previously existing Land Development Regulations (“LDR”) applicable to the Interim Comprehensive Plan with revised LDRs specific to the City’s adopted and approved Comprehensive Plan as required by § 163.3202, Fla. Stat. (2006). Ord. 2007-14 amends and restates Chapters 103, 104, 106, and 107 of the LDRs of the City of Marathon City Code, and provides for the repeal of all code provisions and ordinances inconsistent with Ord. 2007-14.
4. In Final Order No. DCA07-087, the Department found the previously proposed LDRs, with the exception of Sections 104.01, 106.27 and 106.38, consistent with the Principles for Guiding Development as set forth in § 380.0552(7), Fla. Stat. Ord. 2007-14 is in response to the Department’s Final Order No. DCA 07-087, and intended to address other issues that have arisen in the interim period. Ord. 2007-14 amends and restates Chapter 103 – Zoning Districts; Chapter 104 – Specific Use Regulations; Chapter 106 – Natural and Historic Resources Protection; and Chapter 107 – General Development Standards; of the City’s LDRs. With the exception of the specifically identified portions of Table 103.15.2 and Section 104.01, the remaining Chapters are consistent with the City’s Comprehensive Plan.
5. Table 103.15.2 is amended to include density for affordable housing within the Residential Low (RL) zoning designation and is inconsistent with the City of Marathon Comprehensive Plan Table 1-1, Future Land Use Densities and Intensities, allocating zero units per acre for affordable housing for the Residential Low Future Land Use Category.
