 RULE TITLE: Mitigation Retrofits Required

PURPOSE AND EFFECT: Modify, enhance and clarify cost effective means to incorporate mitigation related elements in existing buildings that are subject to permitted work.

The Florida Building Commission has determined that this rule is to be adopted without a Rule Development Workshop based on the immediate public need for the relief afforded by the clarifications and modifications, the nature of the action as being one primarily clarifying the Commission's intent with regard to the initial adoption of the rule, and the fact that the action has been discussed at two noticed public meetings, The Commission's telephonic meeting of January 8, 2008, and the meeting of the Hurricane Mitigation Work Group on December 12, 2007.

Pages of the Application that are not revised or otherwise changed may not be resubmitted, except that documents executed by third parties must be submitted in their entirety, including all attachments and exhibits referenced therein, even if only a portion of the original document was revised. With regard to paragraphs (a) and (b) above, the Board shall consider the facts and circumstances of each Applicant's request and any credit underwriting report, if available, prior to determining whether to grant the requested change.

(15) A Development will be withdrawn from funding and any outstanding commitments for funds will be rescinded if at any time the Board of Directors determines that the Applicant's Development or Development team is no longer the Development or Development team described in the Application, and the changes made are prejudicial to the Development or to the market to be served by the Development.

(16) If an Applicant or any Principal, Affiliate or Financial Beneficiary of an Applicant or a Developer has any existing Developments participating in any Corporation programs that remain in non-compliance with the IRC, this rule chapter, or applicable loan documents, and any applicable cure period granted for correcting such non-compliance has ended as of the time of submission of the Application or at the time of issuance of a Credit Underwriting Report, the requested allocation will, upon a determination by the Board of Directors that such non-compliance substantially increases the likelihood that such Applicant will not be able to produce quality affordable housing, be denied and the Applicant and the Affiliates of the Applicant or Developer will be prohibited from new participation in any of the Corporation's programs for the subsequent cycle and continuing until such time as all of their existing Developments participating in any Corporation programs are in compliance.

(17) When two or more Applications receive the same numerical score, the Applications will be ranked as outlined in the Application instructions.

(18) At no time during the Application, scoring and appeal process may Applicants or their representatives contact members of the Board of Directors concerning their own Development or any other Applicant's Development. At no time from the Application Deadline until after issuance of the final scores as set forth in subsection (9) above, may Applicants or their representatives verbally contact Corporation staff concerning their own Application or any other Applicant's Application. If an Applicant or its representative does contact a member of the Board of Directors

in violation of this section, the Board of Directors shall, upon a determination that such contact was deliberate, disqualify such Applicant's Application.

(19) Applicants may withdraw an Application from consideration only by submitting a written notice of withdrawal to the Corporation Clerk. Applicants may not rescind any notice of withdrawal that was submitted to the Corporation Clerk. For ranking purposes, the Corporation shall disregard any withdrawal that is submitted after 5:00 p.m., Eastern Time, 14 Calendar Days prior to the date the Board of Directors is scheduled to convene to consider approval of the final rankings of the Applications and such Application shall be included in the ranking as if no notice of withdrawal had been submitted. After the Board of Directors has approved the final ranking, any notice of withdrawal submitted during the time period prohibited above and before the Board of Directors approves the final ranking, shall be deemed withdrawn immediately after Board approval of the final ranking. If an Applicant has applied for two or more programs, the withdrawal by the Applicant from any one program will be deemed by the Corporation to be a withdrawal of the Application from all programs.

(20) The name of the Development provided in the Application may not be changed or altered after submission of the Application during the history of the Development with the Corporation unless the change is requested in writing and approved in writing by the Corporation. The Corporation shall consider the facts and circumstances of each Applicant's request and any credit underwriting report, if available, prior to determining whether to grant such request.

(21) If an Applicant or any Affiliate of an Applicant has offered or given consideration, other than the consideration to provide affordable housing, with respect to a local contribution and this is discovered prior to Board of Directors approval of the ranking, the Corporation shall reject the Application and any other Application submitted by the same Applicant and any Affiliate of the Applicant. If discovered after the Board of Directors approves final ranking, any tentative funding or allocation for the Application and any other Application submitted in the same cycle by the same Applicant and any Affiliate of the Applicant will be withdrawn. Such Applicant and any of such Applicant's Affiliates will be ineligible for funding or allocation in any program administered by the Corporation for a period of up to two years, which will begin the date the Board of Directors issues a final order on such matter in a proceeding conducted pursuant to Sections 120.569 and 120.57, F.S.

(22) The Corporation shall initiate TEFRA Hearings on the proposed Developments whose Applications were Received by the Application Deadline. Neither the TEFRA Hearing, the invitation into Credit Underwriting, nor the Acknowledgment Resolution obligate the Corporation to finance the proposed Development in any way.

(23) Upon receipt of the Credit Underwriting Report, the Corporation shall submit the Application to its Financial Advisor for a preliminary recommendation of the method of bond sale for each Development pursuant to Rule 67-21.0045, F.A.C.

(24) Proposed Developments that are ranked, but not selected by the Board of Directors to enter Credit Underwriting, shall remain on the ranked list in the event State Bond Allocation becomes available to fund additional Developments. If the current year's State Bond Allocation designated by the Board of Directors for the MMRB Program is insufficient to fully finance a Development, subject to the provisions of subsection 67-21.003(10), F.A.C., permitting reduction of the requested amount, a new Application must be filed to be eligible for a future year's State Bond Allocation.

(25) The Corporation shall notify the Applicant, in writing, of the Board of Directors determination related to approval of the Credit Underwriting Report and require the Applicant to submit one-half of the Good Faith Deposit within 7 Calendar Days from the receipt of such notice.

(26) Upon favorable recommendation of the Credit Underwriting Report and preliminary recommendation of the method of bond sale from the Corporation's Financial Advisor, the Board of Directors shall designate by resolution the method of bond sale considered appropriate for financing. 67-21.0035 Applicant Administrative Appeal Procedures.

(1) At the conclusion of the review and scoring process established by Rule 67-21.003, F.A.C., each Applicant will be provided with its final score and notice of rights, which shall constitute the point of entry to contest any issue related to the Applicant's Application for the MMRB Program.

(2) Each Applicant that wishes to contest its final score must file a petition with the Corporation within 21 Calendar Days after the date the Applicant receives its notice of rights. The petition must conform to subsection 28-106.201(2) or 28-106.301(2), and subsection 67-52.002(3), F.A.C., and specify in detail each issue and score sought to be challenged. If the petition does not raise a disputed issue of material fact, the challenge will be conducted pursuant to Section 120.57(2), F.S. If the petition raises one or more disputed issues of material fact, a formal administrative hearing will be conducted pursuant to Section 120.57(1), F.S. At the conclusion of any administrative hearing, a recommended order shall be entered by the designated hearing officer which will then be considered by the Board of Directors.

(3) Any Applicant who wishes to challenge the findings and conclusions of the recommended order entered pursuant to a Section 120.57(2), F.S., proceeding concerning its own Application shall be allowed the opportunity to submit written arguments to the Board of Directors. Any written argument should be typed and double-spaced with margins no less than one inch in either Times New Roman 14-point or Courier New 12-point font and may not exceed five (5) pages, excluding the caption and certificate of service. Written arguments must be filed with Florida Housing Finance Corporation's Clerk at 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329, no later than 5:00 p.m., Eastern Time, no later than five (5) Calendar Days from the date of issuance of the recommended order. Failure to timely file a written argument shall constitute a waiver of the right to have a written argument considered by the Board of Directors. Parties will not be permitted to make oral presentations to the Board in response to recommended orders.

(4) Following the entry of final orders in all petitions filed pursuant to Section 120.57(2), F.S., and in accordance with Rule Chapter 67-21, F.A.C., the Corporation shall issue final rankings. For an Applicant that filed a petition pursuant to Section 120.57(1), F.S., which challenged the scoring of its own Application but has not had a final order entered as of the date the final rankings are approved by the Board of Directors, the Corporation shall, if any such Applicant ultimately obtains a final order that modifies the score so that its Application would have been in the funding range of the applicable final ranking had it been entered prior to the date the final rankings were presented to the Board of Directors, provide the requested allocation from the next available allocation, whether in the current year or a subsequent year. Nothing contained herein shall affect any applicable Credit Underwriting requirements.

(5) Each Applicant will be provided with a final ranking of all Applications and notice of rights, which shall constitute the point of entry to contest any ranking or scoring issue related to any other Applications for the MMRB Program. An Applicant that wishes to contest the final ranking or score of another Applicant may do so only if:

(a) The competing Applicant files a petition on or before the 21st Calendar Day after the receipt of the notice of rights pursuant to this subsection (5). The petition must conform to subsection 28-106.201(2) or 28-106.301(2), and subsection 67-52.002(3), F.A.C., and specify in detail each issue, score or ranking sought to be challenged.

(b) For any Application cycle closing after January 1, 2002, if the contested issue involves an error in scoring, the contested issue must (i) be one that could not have been cured pursuant to subsection 67-21.003(14), F.A.C., or (ii) be one that could have been cured, if the ability to cure was not solely within the Applicant's control. The contested issue cannot be one that was both curable and within the Applicant's sole control to cure. With regard to curable issues, a petitioner must prove that the contested issue was not feasibly curable within the time allowed for cures in subsection 67-21.003(6), F.A.C.

(c) The competing Applicant alleges facts in its petition sufficient to demonstrate that, but for the specifically identified threshold, scoring or ranking errors in the challenged Application, its Application would have been in the funding range at the time the Corporation provided the Applicant with its final ranking.

(d) If the petition does not raise a disputed issue of material fact, the appeal will be conducted pursuant to Section 120.57(2), F.S. If the petition raises one or more disputed issues of material fact, a formal administrative hearing will be conducted pursuant to Section 120.57(1), F.S. At the conclusion of any administrative hearing, a recommended order shall be entered which will then be considered by the Board of Directors.

(6) Any Applicant who wishes to challenge the findings and conclusions of the recommended order entered pursuant to a Section 120.57(2), F.S., proceeding as described in subsection (5) above concerning the final ranking of another Application, shall be allowed the opportunity to submit written arguments to the Board of Directors. Any written arguments should be typed and double-spaced with margins no less than one inch in either Times New Roman 14-point or Courier New 12-point font and may not exceed five (5) pages, excluding the caption and certificate of service. Written arguments must be filed with Florida Housing Finance Corporation's Clerk at 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329, no later than 5:00 p.m., Eastern Time, no later than five (5) Calendar Days from the date of issuance of the recommended order. Failure to timely file a written argument shall constitute a waiver of the right to have a written argument

considered by the Board of Directors. Parties will not be permitted to make oral presentations to the Board of Directors in response to recommended orders.

(7) For those Applicants that have filed a petition pursuant to subsection (5) above, the Corporation shall, if any such Applicant ultimately obtains a final order that demonstrates that its Application would have been in the funding range of the applicable final ranking, provide the requested allocation from the next available allocation, whether in the current year or a subsequent year. Nothing contained herein shall affect any applicable credit underwriting requirements. The filing of a petition pursuant to subsection (5) above shall not stay the Corporation's provision of funding to Applicants per the final rankings referenced in subsection (4) above.

The Applicant shall pay all costs and expenses incurred by the Corporation in connection with the issuance of the Bonds, the expenditure of the MMRB Loan proceeds, and provision of Credit Enhancement, if any, even if such costs and expenses exceed the Cost of Issuance Fee. 67-21.014 Credit Underwriting Procedures.

(1) An invitation into Credit Underwriting shall require that the Applicant submit the Credit Underwriting and Appraisal Fee and information required to complete the Credit Underwriting, to the Credit Underwriter in accordance with the schedule established by the Corporation upon the recommendation of the Credit Underwriter. Failure to submit the Credit Underwriting and Appraisal Fee or meet the deadlines as set forth in the schedule shall result in the immediate termination of Credit Underwriting activities and the Application shall be moved to the bottom of the ranked list.

(2) The Credit Underwriter shall in Credit Underwriting analyze and verify all information in the Application, or any proposed changes made subsequent thereto, in order to make a recommendation to the Board of Directors on the feasibility of the Development, without taking into account the willingness of a Credit Enhancer to provide Credit Enhancement. Credit Underwriting services shall include, for example, a comprehensive analysis of the Applicant, the real estate, the economics of the Development, the ability of the Applicant and the Development team to proceed, and the evidence of need for affordable housing in order to determine that the Development meets the MMRB Program requirements. The Credit Underwriter shall determine a recommended Bond amount that should be made to a Development, whether an initial loan or a refunding.

(a) If the Credit Underwriter determines that special expertise is required to review information submitted to the Credit Underwriter which is beyond the scope of normal underwriting procedures, the cost of such expertise shall be borne by the Applicant.

(b) The Credit Underwriter shall review the proposed financing structure to determine whether the MMRB Loan is feasible.

(c) In addition to operating expenses, the Credit Underwriter must include an estimate for replacement reserves when calculating the final net operating income available to service the debt. A minimum amount of ~~\$250~~ ~~\$200~~ per unit must be deposited annually in the replacement reserve account for all Developments. An Applicant may choose to fund a portion of the replacement reserves at closing from moneys other than the proceeds of the Bonds. This partial funding cannot exceed 50 percent of the required replacement reserves for two years and must be placed in escrow with the Bond Trustee at closing. Applicants with Credit Enhancement may employ a different replacement reserve structure with the Corporation's approval.

(d) The Corporation shall consider the following when determining the need for construction completion guarantees based on the recommendations of the Credit Underwriter:

1. Liquidity of any guarantee provider.

2. Applicant's, Developer's and General Contractor's history in successfully completing Developments of similar type.

3. The past performance of the Applicant, Developer, General Contractor, or management agent, in developing, constructing or managing Developments financed by the Corporation or its predecessor, including, by way of example and not limitation, nonpayment of fees and noncompliance with program requirements.

4. Percentage of the Corporation's funds utilized compared to Total Development Costs. At a minimum, the corporate general partner of the borrowing entity shall provide a personal guarantee for completion of construction. In addition, a letter of credit or payment and performance bond shall be required if the Corporation determines upon recommendation of the Credit Underwriter after evaluation of conditions in subparagraphs 1. through 3., above, that additional surety is needed.

(e) The Credit Underwriter shall review and make a recommendation to the Corporation whether the number of existing loans and construction commitments of the Applicant and its Principals will impede its ability to proceed with the successful development of each proposed Corporation Development.

(f) The Credit Underwriter shall consider the appraisal of the Development and other market study documentation to make a recommendation as to whether the market exists to support both the demographic and income restriction set-asides committed to within the Application. The Credit Underwriter shall consider the market study and other documentation to make a recommendation of whether to approve or disapprove an allocation when the proposed Development would financially impair an existing Development previously funded by the Corporation.

(g) If the Credit Underwriter requires additional clarifying materials in the course of the underwriting process to complete the Credit Underwriting Report, the Credit Underwriter shall notify the Corporation and request the information from the Applicant. Such requested information shall be submitted within ten business days of receipt of the request therefor. Failure for any reason to submit required information on or before the specified deadline shall result in the Application being moved to the bottom of the ranked list.

(h) At a minimum, the Credit Underwriter shall require the following information during Credit Underwriting:

1. For Credit Enhancers, audited financial statements for their most recent fiscal year ended, if published; otherwise the previous year's audited statements will be provided until the current statements are published or Credit Underwriting is complete.

2. For guarantors, audited financial statements or financial statements compiled or reviewed by a licensed Certified Public Accountant for the most recent fiscal year ended, credit check,

banking and trade references, and deposit verifications. If audited financial statements are not available, unaudited financial statements prepared within the last 90 days and reviewed by the Credit Underwriter in accordance with Part III, Sections 604 through 607, of the Fannie Mae Multifamily Delegated Underwriting and Servicing (DUS) Guide, effective November 6, 2003, which is incorporated by reference and available on the Corporation's Website under the 2008 ~~2007~~ Universal Application link labeled Related Information and Links, and the two most recent years tax returns. If the entities are newly formed (less than 18 months in existence as of the date that credit underwriting information is requested), a copy of any and all tax returns with related supporting notes and schedules.

3. For the General Contractor, audited financial statements or financial statements compiled or reviewed by a licensed Certified Public Accountant for the most recent fiscal year ended, credit check, banking and trade references, and deposit verifications. The audited or compiled statements may be waived if a payment and performance bond equal to 100 percent of the total construction cost is issued in the name of the General Contractor by a company rated at least "A-" by AMBest & Co.

4. For the Applicant and General Partner, audited financial statements or financial statements compiled or reviewed by a licensed Certified Public Accountant for the most recent fiscal year ended, credit check, banking and trade references, and deposit verifications. If the entities are newly formed (less than 18 months in existence as of the date that Credit Underwriting information is requested), a copy of any and all tax returns with related supporting notes and schedules.

(j) The Credit Underwriter shall also require environmental indemnity and recourse obligation guarantees.

(i) The Credit Underwriter shall require an operating deficit guarantee. (k) Required appraisals, market studies, pre-construction analyses, physical needs assessments, and environmental studies (other than Phase I Environmental Site Assessments) shall be completed by professionals approved by the Credit Underwriter. Approval of appraisers and contractors to complete market and environmental studies shall be based upon review of qualifications, professional designations held, references and prior experience with similar types of Developments.

(l) A full or self-contained appraisal as defined by the Uniform Standards of Professional Appraisal Practice, which is adopted and incorporated herein by reference, and a separate

market study shall be ordered by the Credit Underwriter from an appraiser qualified for the geographic area and product type not later than when an Application enters Credit Underwriting. The Credit Underwriter shall review the appraisals to properly evaluate the MMRB Loan request in relation to the property value.

(m) Appraisals and separate market studies which have been ordered and submitted by third party Credit Enhancers or syndicators and which meet the above requirements and are acceptable to the Credit Underwriter may be used instead of the appraisal or market study referenced above.

(n) The Credit Underwriting Report shall include a thorough analysis of the proposed Development and a statement as to whether a MMRB Loan is recommended, and if so, the amount recommended. The Credit Underwriter or the Corporation may request such additional information as is necessary to properly analyze the credit risk being presented to the Corporation and the Bond holders.

(3) The Applicant shall review and provide written comments on the draft Credit Underwriting Report to the Corporation and the Credit Underwriter within the time frame established by the Corporation. The Corporation shall provide comments on the draft report and, as applicable, on the Applicant's comments to the Credit Underwriter. The Credit Underwriter shall then review and incorporate the Corporation's and, if deemed appropriate, the Applicant's comments and release the revised report to the Corporation and the Applicant. Any additional comments from the Applicant shall be received by the Corporation and the Credit Underwriter within the established time frame. Then, the Credit Underwriter shall provide a final report, which shall address comments made by the Applicant to the Corporation.

(4) After approval by the Board of Directors following presentation of the Credit Underwriting Report and payment of one-half of the Good Faith Deposit, Corporation staff and Special Counsel shall begin negotiations of the MMRB Loan Commitment with the Applicant.

(5) At a minimum, a 10 percent retainage will be held by the Trustee or the servicer administering the construction loan funds until the Development is 50 percent complete. At 50 percent completion, no additional retainage will be held from the remaining draws. The total retainage dollars will be held by the Trustee or the servicer and released pursuant to the terms of the construction loan agreement.

(3) Each submitted Application shall be evaluated and preliminarily scored using the factors specified in the Universal Application Package and these rules. Preliminary scores shall be transmitted to all Applicants.

Each NOPSE is limited to the review of only one Application’s score. Any NOPSE that seeks the review of more than one Application’s score will be considered improperly filed and ineligible for

review. There is no limit to the number of NOPSEs that may be submitted. The Corporation's staff will review each written NOPSE Received timely.

(5) The Corporation shall transmit to each Applicant the NOPSEs submitted by other Applicants with regard to its Application. Pages of the Application that are not revised or otherwise changed may not be resubmitted, except that documents executed by third parties must be submitted in their entirety, including all attachments and exhibits referenced therein, even if only a portion of the original document was revised. Where revised or additional information submitted by the Applicant creates an inconsistency with another item in that Application, the Applicant shall also be required in its submittal to make such other changes as necessary to keep the Application consistent as revised. Notwithstanding the foregoing, any deficiencies in the mandatory elements set forth in subsection (14) below can be identified at any time prior to sending the final scores to Applicants and will result in rejection of the Application. The Corporation shall then transmit final scores to all Applicants.

(10) The availability of any remaining funds or Allocation Authority shall be noticed or offered to a Development as approved by the Board of Directors. With respect to the HC Program, in the event there remains Allocation Authority after the Corporation has exhausted its waiting list of Applications during a Funding Cycle and time requirements preclude an Application Period and notice thereof, the Corporation shall allocate any unused Allocation Authority to any eligible Development meeting the requirements of Section 42 of the IRC and in accordance with the Qualified Allocation Plan.

#### 67-48.005 Applicant Administrative Appeal Procedures.

(1) At the conclusion of the review and scoring process established by Rule 67-48.004, F.A.C., each Applicant will be provided with its final score and notice of rights, which shall constitute the point of entry to contest any issue related to the Applicant's Application for the SAIL Program, the HOME Program or the HC Program.

(2) Each Applicant that wishes to contest its final score must file a petition with the Corporation within 21 Calendar Days after the date the Applicant receives its notice of rights. The petition must conform to subsection 28-106.201(2) or 28-106.301(2), and subsection 67-52.002(3), F.A.C., and specify in detail each issue and score sought to be challenged. If the petition does not raise a disputed issue of material fact, the challenge will be conducted pursuant to Section 120.57(2), F.S. If the petition raises one or more disputed issues of material fact, a formal administrative hearing will be conducted pursuant to Section 120.57(1), F.S. At the conclusion of any administrative hearing, a recommended order shall be entered by the designated hearing officer which will then be considered by the Board.

(3) Any Applicant who wishes to challenge the findings and conclusions of the recommended order entered pursuant to a Section 120.57(2), F.S., proceeding concerning its own Application shall be allowed the opportunity to submit written arguments to the Board. Any written argument should be typed and double-spaced with margins no less than one inch in either Times New Roman 14-point or Courier New 12-point font and may not exceed five (5) pages, excluding the caption and certificate of service. Written arguments must be filed with Florida Housing Finance Corporation's Clerk at 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329, no later than 5:00 p.m., Eastern Time, no later than five (5) Calendar Days from the date of issuance of the recommended order. Failure to timely file a written argument shall constitute a waiver of the right to have a written argument considered by the Board. Parties will not be permitted to make oral presentations to the Board in response to recommended orders.

(4) Following the entry of final orders in all petitions filed pursuant to Section 120.57(2), F.S., and in accordance with the prioritization of the QAP and Rule Chapter 67-48, F.A.C., the Corporation shall issue final rankings. For an Applicant that filed a petition pursuant to Section 120.57(1), F.S., which challenged the scoring of its own Application but has not had a final order entered as of the date the final rankings are

approved by the Board, the Corporation shall, if any such Applicant ultimately obtains a final order that modifies the score so that its Application would have been in the funding range of the applicable final ranking had it been entered prior to the date the final rankings were presented to the Board, provide the requested funding, allocation, or both, from the next available funding, allocation, or both, whether in the current year or a subsequent year. If the final order is executed on or before the Corporation issues the current year's final scores, the funding, allocation, or both, will come from the current year. If the final order is executed after the Corporation issues the current year's final scores, the funding, allocation, or both, will come from the subsequent year. Funding refers to SAIL or HOME and allocation refers to HC. Nothing contained herein shall affect any applicable credit underwriting requirements.

(5) Each Applicant will be provided with a final ranking of all Applications and notice of rights, which shall constitute the point of entry to contest any ranking or scoring issue related to any other Applications for the SAIL Program, the HOME Program or the HC Program. An Applicant that wishes to contest the final ranking or score of another Applicant may do so only if:

(a) The competing Applicant files a petition on or before the 21st Calendar Day after the receipt of the notice of rights pursuant to this subsection (5). The petition must conform to subsection 28-106.201(2) or 28-106.301(2), and subsection 67-52.002(3), F.A.C., and specify in detail each issue, score or ranking sought to be challenged.

(b) For any Application cycle closing after January 1, 2002, if the contested issue involves an error in scoring, the contested issue must (i) be one that could not have been cured pursuant to subsection 67-48.004(14), F.A.C., or (ii) be one that could have been cured, if the ability to cure was not solely within the Applicant's control. The contested issue cannot be one that was both curable and within the Applicant's sole control to cure. With regard to curable issues, a petitioner must prove that the contested issue was not feasibly curable within the time allowed for cures in subsection 67-48.004(6), F.A.C.

(c) The competing Applicant alleges facts in its petition sufficient to demonstrate that, but for the specifically identified threshold, scoring or ranking errors in the challenged Application, its Application would have been in the funding range at the time the Corporation provided the Applicant with its final ranking.

(d) If the petition does not raise a disputed issue of material fact, the appeal will be conducted pursuant to Section 120.57(2), F.S. If the petition raises one or more disputed issues of material fact, a formal administrative hearing will be conducted pursuant to Section 120.57(1), F.S. At the conclusion of any administrative hearing, a recommended order shall be entered which will then be considered by the Board.

(6) Any Applicant who wishes to challenge the findings and conclusions of the recommended order entered pursuant to a Section 120.57(2), F.S., proceeding as described in subsection (5) above concerning the final ranking of another Application, shall be allowed the opportunity to submit written arguments to the Board. Any written arguments should be typed and double-spaced with margins no less than one inch in either Times New Roman 14-point or Courier New 12-point font and may not exceed five (5) pages, excluding the caption and certificate of service. Written arguments must be filed with Florida Housing Finance Corporation's Clerk at 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329, no later than 5:00 p.m., Eastern Time, no later than five (5) Calendar Days from the date of issuance of the recommended order. Failure to timely file a written argument shall constitute a waiver of the right to have a written argument considered by the Board. Parties will not be permitted to make oral presentations to the Board in response to recommended orders.

(7) For those Applicants that have filed a petition pursuant to subsection (5) above, the Corporation shall, if any such Applicant ultimately obtains a final order that demonstrates that its Application would have been in the funding range of the applicable final ranking, provide the requested funding, allocation, or both from the next available funding, allocation, or both, whether in the current year or a subsequent year. If the final order is executed on or before the Corporation issues the current year's final scores, the funding, allocation, or both, will come from the current year. If the final order is executed after the Corporation issues the current year's final scores, the funding, allocation, or both, will come from the subsequent year. Funding refers to SAIL or HOME and allocation refers to HC. Nothing contained herein shall affect any applicable credit underwriting requirements. 67-48.0072 Credit Underwriting and Loan Procedures.

The credit underwriting review shall include a comprehensive analysis of the Applicant, the real estate, the economics of the Development, the ability of the Applicant and the Development team to proceed, the evidence of need for affordable housing in order to determine that the Development meets the program requirements and determine a recommended SAIL or HOME loan amount, Housing Credit allocation amount or a combined SAIL loan amount and Housing Credit Allocation amount, if any. Corporation funding will be based on appraisals of comparable developments, cost benefit analysis, and other documents evidencing justification of costs. As part of the credit underwriting review, the Credit Underwriter will consider the applicable provisions of Rule Chapter 67-48, F.A.C.

(1) After the final rankings are approved by the Board, the Corporation shall offer all Applicants within the funding range an invitation to enter credit underwriting. The Corporation shall select the Credit Underwriter for each Development.

(2) For SAIL and HOME Applicants and Applicants eligible for a supplemental loan, the invitation to enter credit underwriting constitutes a preliminary commitment.

(3) A response to the invitation to enter credit underwriting must be received by the Corporation and the Credit Underwriter not later than seven (7) Calendar Days after the date of the letter of invitation.

(4) If the credit underwriting invitation is accepted:

(a) The Applicant shall submit the credit underwriting fee to the Credit Underwriter within seven (7) Calendar Days of the date of the letter of invitation.

(b) Failure to submit the required credit underwriting fee by the specified deadline shall result in withdrawal of the invitation and issuance of an invitation to the next eligible

Applicant as outlined in the Universal Application instructions. For HOME Applicants that apply and qualify as a Non-Profit entity, the Corporation shall bear the cost of the credit underwriting review and environmental review. However, if the HOME commitment is canceled for failure to adhere to rule deadlines or for reasons within the Applicant's control, the Development will be responsible for reimbursing the Corporation for fees incurred for credit underwriting and environmental review processing.

(c) For SAIL and HOME Applicants and Applicants eligible for a supplemental loan, the loan(s) must close within 14 months of the issuance of the preliminary commitment. Applicants may request one (1) extension of up to 10 months. All extension requests must be submitted in writing to the program administrator and contain the specific reasons for requesting an extension and shall detail the time frame to close the loan. The written request will then be submitted to the Corporation's Board for consideration. The Board shall consider the facts and circumstances of each Applicant's request and any credit underwriting report, if available, prior to determining whether to grant the requested extension. The Corporation shall charge a non-refundable extension fee of 1 percent of each loan amount if the Board approves the request to extend the commitment beyond the initial 14 month period. In the event the loan does not close within 24 months of the issuance of the preliminary commitment, the preliminary commitment or firm commitment, as applicable, will be deemed void and the funds will be deobligated.

~~(d) A Tax-Exempt Bond-Financed Development that has previously received an allocation of Competitive HC for the proposed Development shall, as part of its acceptance to enter credit underwriting for SAIL (if the proposed Development will be funded with Local Government-issued tax-exempt bonds) or MMRB and SAIL (if the proposed Development will be funded with Corporation-issued tax-exempt bonds and SAIL), also acknowledge to the Corporation that it is returning any previously received allocation of Competitive HC for the proposed Development.~~

(5) The Credit Underwriter shall verify all information in the Application, including information relative to the Applicant, Developer, Housing Credit Syndicator, General Contractor, and, if an ALF, the service provider(s), as well as other members of the Development team.

(6) If an Applicant or Developer or Housing Credit Syndicator or any Financial Beneficiary of an Applicant or Developer has been a party of any Development which has been or is in the process of being foreclosed upon or is in arrears to the Corporation or any agent or assignee of the Corporation, the Credit Underwriter will consider this and other past performance issues in determining whether or not to provide a positive recommendation.

(7) The Credit Underwriter shall report any inconsistencies or discrepancies or changes made to the Applicant's Application during credit underwriting.

(8) The Applicant will be responsible for all fees in connection with the documentation submitted to the Credit Underwriter.

(9) If the Credit Underwriter determines that special expertise is required to review information submitted to the Credit Underwriter which is beyond the scope of the Credit Underwriter's expertise, the fee for such services shall be borne by the Applicant.

(10) A full or self-contained appraisal as defined by the Uniform Standards of Professional Appraisal Practice and a separate market study shall be ordered by the Credit Underwriter, at the Applicant's expense, from an appraiser qualified for the geographic area and product type not later than completion of credit underwriting. The Credit Underwriter shall review the appraisal to properly evaluate the proposed property's financial feasibility. Appraisals which have been ordered and submitted by third party credit enhancers, first mortgagors or Housing Credit Ssyndicators and which meet the above requirements and are acceptable to the Credit Underwriter may be used instead of the appraisal referenced above. The market study must be completed by a disinterested party who is approved by the Credit Underwriter. The Credit Underwriter shall consider the market study, the Development's financial impact on Developments in the area previously funded by the Corporation, and other documentation when making its recommendation of whether to approve or disapprove a loan, a Housing Credit Allocation, a combined SAIL loan and Housing Credit Allocation, or a Housing Credit Allocation and supplemental loan. The Credit Underwriter shall also review the appraisal and other market documentation to determine if the market exists to support both the demographic and income restriction set-asides committed to within the Application.

(11) The proposed Development must demonstrate, based on current rates, that it can meet minimum 1.10 debt service coverage (DSC) requirements with all first and second mortgages for Competitive Housing Credits and non-competitive Housing Credits without SAIL. For HOME Applications, the minimum debt service coverage shall be 1.10 for the HOME loan, including all superior mortgages. For SAIL Applications, the minimum debt service coverage shall be 1.10 for the SAIL loan, including all superior mortgages. However, if the Applicant defers at least 35 percent of its developer fee for at least six (6) months following construction completion, the minimum debt service coverage shall be 1.00 for the SAIL loan, including all superior mortgages. For SAIL and HOME Applications, the maximum debt service coverage shall be 1.50 for the SAIL or HOME loan, including all superior mortgages. In extenuating circumstances, such as when the Development has deep or short term subsidy, the debt

service coverage may exceed 1.50 if the Credit Underwriter's favorable recommendation is supported by the projected cash flow analysis. Developments receiving first mortgage funding from the United States Department of Agriculture Rural Development (RD) are not required to meet the debt service coverage standards if RD is providing rental assistance and has acknowledged that rents will be set at an amount sufficient to pay all operating expenses, replacement reserve requirements and debt service on the first and second mortgages.

(12) The Corporation's assigned Credit Underwriter shall require a guaranteed maximum price or stipulated sum construction contract, which may include change orders for changes in cost or changes in the scope of work, or both, if all parties agree, and shall order, at the Applicant's sole expense, and review a pre-construction analysis for all new construction or a physical needs assessment for Rehabilitation or Substantial Rehabilitation and review the Development's costs.

(13) In addition to operating expenses, the Credit Underwriter must include an estimate for replacement reserves and operating expense reserves deemed appropriate by the Credit Underwriter when calculating the final net operating income available to service the debt. A minimum amount of \$250 ~~\$200~~ per unit must be used for all Developments. However, the amount may be increased based on a physical needs assessment. An Applicant may choose to fund a portion of the replacement reserves at closing. The amount cannot exceed 50 percent of the required replacement reserves for two (2) years and must be placed in escrow at closing.

(14) For SAIL, HOME, and HC Applications, the underwriters may request additional information, but at a minimum for SAIL and HOME, the following will be required during the underwriting process:

(a) For credit enhancers, audited financial statements for their most recent fiscal year ended, if published; otherwise the previous year's audited statements will be provided until the current statements are published or credit underwriting is complete. The audited statements may be waived if the credit enhancer is rated at least "A-" by Moody's, Standard and Poor's or Fitch.

(b) For the Applicant, general partner(s), and guarantors, audited financial statements or financial statements compiled or reviewed by a licensed Certified Public Accountant for the most recent fiscal year ended, credit check, banking and trade references, and deposit verifications. If audited financial statements or financial statements compiled or reviewed by a licensed Certified Public Accountant are not available, unaudited financial statements prepared within the last 90 days and reviewed by the Credit Underwriter in accordance with Part III, Sections 604 through 607, of the Fannie Mae Multifamily Delegated Underwriting and Servicing (DUS) Guide, effective November 6, 2003, which is incorporated by reference and available on the Corporation's Website under the 2008 ~~2007~~ Universal Application link labeled Related

Information and Links, and the two most recent years' tax returns. If the entities are newly formed (less than 18 months in existence as of the date that credit underwriting information is requested), a copy of any and all tax returns with related supporting notes and schedules.

(c) For the General Contractor, audited financial statements or financial statements compiled or reviewed by a licensed Certified Public Accountant for the most recent fiscal year ended, credit check, banking and trade references, and deposit verifications. The audited or compiled statements may be waived if a payment and performance bond equal to 100 percent of the total construction cost whose terms do not adversely affect the Corporation's interest, and is issued in the name of the General Contractor by a company rated at least "A-" by AMBest & Co.

(15) The Credit Underwriter shall consider the following when determining the need for construction completion guarantees:

(a) Liquidity of the guarantor.

(b) Developer and General Contractor's history in successfully completing Developments of similar nature.

(c) Problems encountered previously with Developer or contractor.

(d) Exposure of Corporation funds compared to Total Development Cost.

At a minimum, the Credit Underwriter shall require a personal guarantee for completion of construction from the principal individual or the corporate general partner of the borrowing entity. In addition, a letter of credit or payment and performance bond whose terms do not adversely affect the Corporation's interest will be required if the Credit Underwriter determines after evaluation of paragraphs (a)-(d) in this subsection that additional surety is needed. However, a completion guarantee will not be required if SAIL funds are not drawn until evidence of lien free completion is provided.

(16) For all Developments, the Developer fee and General Contractor's fee shall be limited to:

(a) The Developer fee shall be limited to 16 percent of Development Cost. A Developer fee of 18 percent of Development Cost shall be allowed if the proposed Development is qualified for Housing Credits pursuant to Rule 67-48.027, F.A.C., pertaining to Tax-Exempt Bond-Financed Developments. ~~However, the Developer fee shall be limited to 10 percent of Development Cost for those Developments involving Rehabilitation or Substantial Rehabilitation of buildings which have received a Corporation funding commitment or a Final Housing Credit Allocation for other construction work within 14 years of the Application Deadline.~~

(b) The General Contractor's fee shall be limited to a maximum of 14 percent of the actual construction cost.

(17) The General Contractor must meet the following conditions:

(a) Employ a Development superintendent and charge the costs of such employment to the general requirements line item of the General Contractor's budget;

(c) Secure building permits, issued in the name of the General Contractor;

(d) Secure a payment and performance bond whose terms do not adversely affect the Corporation's interest (or approved alternate security for General Contractor's performance, such as a letter of credit), issued in the name of the General Contractor, from a company rated at least "A-" by AMBest & Co.;

(e) Ensure that none of the General Contractor duties to manage and control the construction of the Development are subcontracted; and

(f) Ensure that not more than 20 percent of the construction cost is subcontracted to any one entity unless otherwise approved by the Board for a specific Development.

(18) For SAIL and HOME Applications, the Credit Underwriter shall require an operating deficit guarantee, to be released upon achievement of 1.10 debt service coverage for a minimum of six (6) consecutive months for the combined permanent first mortgage and SAIL or HOME loan. An operating deficit guarantee, to be released upon achievement of 1.00 debt service coverage for a minimum of six (6) consecutive months for the combined permanent first mortgage and SAIL or HOME loan will be required for Developments receiving first mortgage funding from the United States Department of Agriculture Rural Development (RD) if RD is providing rental assistance and has acknowledged that rents will be set at an amount sufficient to pay all operating expenses, replacement reserve requirements and debt service on the SAIL or HOME loan and all superior mortgages.

(19) Contingency reserves which total no more than 5 percent of hard and soft costs for new construction and no more than 15 percent of hard and soft costs for Rehabilitation or Substantial Rehabilitation may be included within the Total Development Cost for Application and underwriting purposes. Contingency reserves shall not be paid from SAIL or HOME funds.

(20) The Credit Underwriter will review and determine if the number of loans and construction commitments of the Applicant and its Principals will impede its ability to proceed with the successful development of each proposed Corporation-funded Development.

(21) All Applicants must provide the items required by the Credit Underwriter within 10 months of the Applicant's acceptance to enter credit underwriting. For HC Developments, all preliminary items required for the Credit Underwriter's preliminary HC allocation recommendation must be provided to the Credit Underwriter within 21 Calendar

Days of the date of the invitation to enter credit underwriting. Unless an extension is approved by the Corporation in writing, failure to submit the required credit underwriting information by the specified deadline(s) shall result in withdrawal of the preliminary commitment or, if applicable, the HC invitation to enter credit underwriting, and the funds will be distributed as outlined in the Universal Application instructions. The Board shall consider the facts and circumstances of each Applicant's request and any credit underwriting report, if available, prior to determining whether to grant the requested extension.

(22) If the Credit Underwriter requires additional clarifying materials in the course of the underwriting process, the Credit Underwriter shall request same from the Applicant and shall specify deadlines for the submission of same. Failure to submit required information by the specified deadline, unless a written extension of time has been approved by the Corporation, shall result in rejection of the Application. If the Application is rejected, the Corporation will select additional Application(s) as outlined in the Universal Application instructions.

(23) The Credit Underwriter shall complete its analysis and submit a written draft report and recommendation to the Corporation. Upon receipt, the Corporation shall provide to the Applicant the section of the written draft report consisting of supporting information and schedules. The Applicant shall review and provide written comments to the Corporation and Credit Underwriter within 48 hours of receipt. After the 48 hour period, the Corporation shall provide to the Credit Underwriter comments on the draft report and, as applicable, on the Applicant's comments. Then, the Credit Underwriter shall review and incorporate, if deemed appropriate, the Corporation's and Applicant's comments and release the revised report to the Corporation and the Applicant. Any additional comments from the Applicant shall be received by the Corporation and the Credit Underwriter within 72 hours of receipt of the revised report. Then, the Credit Underwriter will provide a final report, which will address comments made by the Applicant, to the Corporation.

(24) For SAIL and HOME Applications and HC Applications eligible for a supplemental loan, the Credit Underwriter's loan recommendations will be sent to the Board for approval.

(25) After approval of the Credit Underwriter's recommendation for funding by the Board, the Corporation shall issue a firm loan commitment.

(26) For SAIL and HOME Applications and HC Applications eligible for a supplemental loan, these loans and other mortgage loans related to the construction of the Development ~~and the loan(s)~~ must close within 60 Calendar Days of the date of the firm loan commitment(s) unless an extension is approved by the Board. All extension requests must be submitted in writing to the program administrator and contain the specific reasons for requesting an extension and

shall detail the time frame to close the loan. The Board shall consider the facts and circumstances of each Applicant’s request and any credit underwriting report, if available, prior to determining whether to grant the requested extension. For SAIL and HOME Applications, the Corporation shall charge an extension fee of one-half of one percent of the SAIL or HOME loan amount if the Board approves the request to extend the SAIL or HOME commitment beyond the period outlined in this rule chapter.

(27) At least five (5) Calendar Days prior to any loan closing:

(a) The Applicant must provide evidence of all necessary consents or required signatures from first mortgagees or subordinate mortgagees to the Corporation and its counsel, and

(b) The Credit Underwriter must have received all items necessary to release its letter confirming that all closing contingencies have been met, including the finalized sources and uses of funds and Draw schedule.

(28) For Housing Credit Applications, the Credit Underwriter shall use the following procedures during the credit underwriting evaluation:

(a) The Credit Underwriter, in determining the amount of Housing Credits a Development is eligible for when using the qualified basis calculation, shall use a Housing Credit percentage of:

1. Thirty (30) basis points over the percentage as of the date of invitation to credit underwriting up to 9 percent for 9 percent credits for new construction and Rehabilitation Developments;

2. Fifteen (15) basis points over the percentage as of the date of invitation to credit underwriting up to 4 percent for 4 percent credits for acquisition and federally subsidized Developments. A percentage of 15 basis points over the percentage as of the date of invitation to final credit underwriting up to 4 percent will be used for Developments receiving tax-exempt bonds.

(b) Costs such as syndication fees and brokerage fees cannot be included in eligible basis. All consulting fees must be paid out of the Developer fee. Consulting fees cannot cause the Developer fee to exceed the maximum allowable fee as set forth in subsection 67-48.0072(16), F.A.C.

(c) All contracts for hard or soft Development Costs must be itemized for each cost component.

(d) The allocation amount for acquisition Housing Credits shall be limited to the lesser of the sale price or the appraised value of the building(s).

~~(e)~~ If the Credit Underwriter is to recommend a Competitive Housing Credit allocation, the recommendation will be the lesser of (i) the qualified basis calculation result, (ii) the gap calculation result, or (iii) the Applicant’s request amount. In the event the Credit Underwriter is making a

recommendation for non-competitive Housing Credits, the recommendation will be the lesser of the qualified basis calculation result or the gap calculation result.

(29) If the Credit Underwriter recommends that Housing Credits be allocated to the Development, the Corporation shall determine the credit amount, if any, necessary to make the Development financially feasible and viable throughout the Housing Credit Extended Use Period and shall issue a Preliminary Allocation certificate or a Preliminary Determination of Housing Credits in the case of Tax-Exempt Bond-Financed Developments. If the Credit Underwriter recommends that no credits be allocated to the Development and the Executive Director accepts the recommendation, the Applicant shall be notified that no Housing Credits will be allocated to the Development. No Preliminary Allocation certificate shall be issued on a RD (formerly FmHA) Development which competed for Housing Credits within the RD set-aside and has not received an Obligation of Funding (Form RD 3560-51, Rev. 02-05), an Assumption Agreement (Form RD 3560-21, Rev. 02-05), a Reamortization Agreement (Form RD 3560-16, Rev. 02-05), or a combination of these RD forms by October 1st of the year the Applicant is invited into credit underwriting. The RD Forms 3560-51, 3560-21 and 3560-16 are adopted and incorporated herein by reference and available on the Corporation’s Website under the 2008 2007 Universal Application link labeled Related Information and Links. (4) At a minimum, the percentage of set-aside units committed to in the Application must be held for Very Low-Income persons or households for a period of time equal to the greater of the following:

(a) The term of the SAIL loan; or

(b) 12 years; or

(c) Such longer term agreed to by the Applicant in the Application.

(5) Unless the Board approves a competitive allocation process outside the Universal Cycle, an Applicant is not eligible to apply for SAIL Program funding if any of the following pertain to the proposed Development:

(e) The proposed Development site or any part thereof is subject to any Land Use Restriction Agreement or Extended Use Agreement, or both, in conjunction with any Corporation affordable housing financing, ~~excluding Predevelopment Loan Program funds~~, intended to foster the development or maintenance of affordable housing, with two exceptions. Those exceptions being (i) a LURA recorded in conjunction with the Predevelopment Loan Program, and (ii) a LURA recorded in conjunction with a Multifamily Mortgage Revenue Bond Program loan closed after January 1, 2006.

(6) The SAIL Minimum Set-Aside Requirement is:

(b) 40 percent of the SAIL Development's units set-aside for residents with annual household incomes at or below 60 percent of the area, MSA or state or county median income, whichever is higher, adjusted for family size. (c) 100 percent of the SAIL Development's units set aside for residents with annual household incomes below 120 percent of the state or local median income, whichever is higher, adjusted for family size. Sponsors of SAIL-funded Developments shall have the option of selecting this minimum set-aside only if the SAIL Development is located in the Florida Keys Area. 67-48.0095 Additional SAIL Application Ranking and Selection Procedures.

(1) During the first six (6) months following the publication date of the first Notice of Funding Availability published each year within the state of Florida, SAIL funds shall be allocated in accordance with the ranking and selection process set forth in the Universal Application Package and based upon the requirements specified in Section 420.5087(3), F.S., which specifies the required funding within the four demographic categories of:

- (a) Family;
- (b) Elderly;
- (c) Homeless; and
- (d) Commercial Fishing Workers and Farmworkers.

(2) 10 percent of the funds reserved for Applicants in the Elderly category shall be reserved to provide loans to Sponsors of housing for the Elderly for the purpose of making life-safety or security-related repairs or improvements to such housing which are required by federal, state or local regulation, as further specified in Section 420.5087, F.S.

(3) Program funds designated for Commercial Fishing Workers and Farmworkers will be allocated through a request for proposal (RFP), the Universal Application Package, or both.

(4) The Corporation shall assign, in order of ranking, tentative loan amounts to the Applications in each demographic and geographic category, up to the total amount available. However, the Corporation shall make adjustments to ensure that minimum funding distribution levels by geographic category are met, as required by Section 420.5087(1), F.S., and further described in the SAIL Notice of Funding Availability.

(5) In the event that the 10 percent of program funds required to be allocated to counties with a population of 100,000 or less remains unallocated at the conclusion of a successive three-year cycle, the unallocated funds shall be equitably distributed pursuant to the instructions included in the Universal Application Package.

(6) Selection for SAIL Program participation is contingent upon fund availability at the conclusion of the appeals process as set forth in Rule 67-48.005, F.A.C.

67-48.010 Terms and Conditions of SAIL Loans.

(1) The proceeds of all SAIL loans shall be used for new construction or Substantial Rehabilitation of affordable, safe and sanitary multifamily rental housing units.

(2) The SAIL loan may be in a first, second, or other subordinated lien position. For purposes of this rule, mortgages securing a letter of credit as credit enhancement for the bonds financing the first mortgage shall be considered a contingent

liability and part of the first mortgage lien, provided that the Applicant's counsel furnishes an opinion regarding the contingent nature of such mortgage satisfactory to the Corporation and its counsel.

(3) The loans shall be non-amortizing and shall have interest rates as follows:

(a) 0 percent simple interest per annum on loans to Developments that set aside at least 80 percent of their total units for residents qualifying as Farmworkers, Commercial Fishing Workers or Homeless, over the life of the loan;

(b) 0 percent simple interest per annum on loans based on the pro rata share of units set aside for Homeless residents if the total of such units is less than 80 percent of the units and 1 percent simple interest per annum on the remaining units;

(c) 1 percent simple interest per annum on loans to Developments other than those identified in paragraphs (a) and (b) above;

(4) Except as provided in Section 420.5087(5), F.S., the amount of any superior mortgages combined with the SAIL mortgage shall be less than the appraised value of the Development. Any debt service reserve requirement associated with a superior mortgage shall be excluded from the amount of the superior mortgage for purposes of this calculation.

(5) Payment on the loans shall be based upon the Development Cash Flow, as determined pursuant to the SAIL Cash Flow Reporting Form SR-1. Any distribution or payment to the Principal(s) or any Affiliate of the Principal or to the Developer or any Affiliate of the Developer, whether paid directly or indirectly, which was not expressly disclosed in determining debt service coverage in the Board approved final credit underwriting report, will be added back to the amount of cash available for the SAIL loan interest payment, as calculated in the SAIL Cash Flow Reporting Form SR-1, for the purpose of determining interest due. Interest may be deferred as set forth in subsection 67-48.010(8), F.A.C., without constituting a default on the loan.

(6) The loans described in subsection 67-48.010(3), F.A.C., above shall be repaid from all Development Cash Flow, and if the SAIL loan is not a first mortgage loan, each year, subject to the provisions of subsection (8) below, Development Cash Flow shall be applied to pay the following items in order of priority:

(a) All superior mortgage fees and debt service;

(b) Development Expenses on the SAIL loan, including up to 20 percent of total Developer fees per year;

(c) Interest payment on SAIL loan balance equal to 1 percent as stated in paragraphs (3)(b) and (c) above over the life of the SAIL loan;

(d) Interest payments on the SAIL loan deferred from previous years;

(e) Mandatory payment on subordinate mortgages.

After the full SAIL loan interest has been paid, the Applicant shall retain all remaining monies, unless the Applicant chooses to prepay a portion of the loan balance.

(7) If the SAIL loan is secured by a first mortgage lien, each year, subject to the provisions of subsection (8) below, Development Cash Flow shall be applied to pay the following items in order of priority:

(a) First mortgage fees and interest payment on the SAIL loan balance equal to the percentages stated in subsection (3) above over the life of the SAIL loan;

(b) Development Expenses on the SAIL loan including up to 20 percent of total Developer fees per year;

(c) Interest payments on the SAIL loan deferred from previous years;

(d) Mandatory payment on subordinate mortgages.

After the full SAIL loan interest has been paid, the Applicant shall retain all remaining monies, unless the Applicant chooses to prepay a portion of the loan balance.

(8) The determination of Development Cash Flow, determination of payment priorities, and payment of interest on SAIL loans shall occur annually. Any payments of accrued and unpaid interest due annually on SAIL loans shall be deferred to the extent that Development Cash Flow is insufficient to make said payments pursuant to the payment priority schedule established in this rule chapter. If Development Cash Flow is under-reported and such report causes a deferral of SAIL interest, such under-reporting shall constitute an event of default on the SAIL loan. A penalty of 5 percent of any required payment shall be assessed.

(a) By May 31 of each year of the SAIL loan term, the Applicant shall provide the Corporation with audited financial statements and a certification detailing the information needed to determine the annual payment to be made. However, this certification requirement will be waived until May 31 following the calendar year within which the first unit is occupied. The certification shall require submission of audited financial statements and the SAIL annual reporting form, Cash Flow Reporting Form SR-1, Rev. 9/05, which is incorporated by reference. Form SR-1 can be obtained from the Credit Underwriter acting as the assigned servicer or on the Corporation's Website under the 2008 ~~2007~~ Universal Application link labeled Related Information and Links. The audited financial statements are to be prepared in accordance with generally accepted accounting principles for the 12 months ended December 31 and shall include:

1. Comparative Balance Sheet with prior year and current year balances;

2. Statement of revenue and expenses;

3. Statement of changes in fund balances or equity;

4. Statement of cash flows; and

5. Notes.

The financial statements referenced above should also be accompanied by a certification of the Applicant as to the accuracy of such financial statements. A late fee of \$500 will be assessed by the Corporation for failure to submit the required audited financial statements and certification by May 31 of each year of the SAIL loan term. If the Applicant has not submitted the required audited financial statements, the Corporation servicer shall deem the Development Cash Flow sufficient and issue a billing for interest due on the SAIL loan for the immediately preceding calendar year by July 31. After receipt of the audited financial statements, the Corporation servicer shall issue revised billing, if necessary. Failure to submit the required audited financial statements and certification by May 31 of each year of the SAIL loan term shall constitute an event of default on the SAIL loan. The Applicant shall furnish to the Corporation or its servicer, unaudited statements, certified by the Applicant's principal financial or accounting officer, covering such financial matters as the Corporation or its servicer may reasonably request, including without limitation, monthly statements with respect to the Development.

For SAIL loans applied for prior to February 22, 2001, the Corporation will extend the annual filing deadline for submission of the audited financial statements and certification detailing the information needed to determine the annual payment to be made, pursuant to subsection 67-48.010(8), F.A.C., to May 31 of each year of the SAIL loan term. The Corporation servicer shall issue a billing for interest due on the SAIL loan for the immediately preceding calendar year by July 31 of each calendar year of the SAIL loan. In addition, for SAIL loans applied for prior to December 23, 1996, so long as the executed loan agreements contain a provision to assess a late fee for failure to provide the audited financial statement and certification detailing the information needed to determine the annual payment due, such fee will be assessed by the Corporation as outlined above.

(b) The Corporation servicer shall issue a billing for interest due on the SAIL loan for the immediately preceding calendar year by July 31 of each calendar year of the SAIL loan.

(c) The Applicant shall remit the interest due to the Corporation servicer no later than August 31 of each year of the SAIL loan term. The first payment of SAIL interest will be due no later than August 31 following the calendar year within which the first unit is occupied. The first payment of interest shall include all interest for the period which begins accruing on the date of the first Draw and ends on December 31 of the calendar year during which the first unit is occupied.

(9) After maturity or acceleration, the Note shall bear interest at the Default Interest Rate from the due date until paid. Unless the Corporation has accelerated the SAIL loan,

the Applicant shall pay the Corporation a late charge of 5 percent of any required payment that is not received by the Corporation within 15 days of the due date.

(10) The final billing for the purpose of payoff of the SAIL loan shall also include a billing for compliance fees to cover monitoring of SAIL Program requirements beyond the maturity date of the Note. Such fees shall be computed by determining the present value of the annual compliance monitoring fee and multiplying that by the number of years for which the Development will have a set-aside for Very Low-Income persons or households beyond the repayment date. The present value discount rate shall be 2.75 percent per annum. Such amount shall be reduced by the amount of any compliance monitoring fees for other programs collected by the Corporation for the Development provided:

(a) The compliance monitoring fee covers some or all of the period following the anticipated SAIL loan repayment date; and

(b) The Development has substantially equivalent set-asides for Very Low-Income persons or households mandated through another Corporation program for which the compliance monitoring fee was collected.

(11) The SAIL loans shall be serviced either directly by the Corporation or by the servicer on behalf of the Corporation.

(12) The Corporation shall monitor compliance of all terms and conditions of the SAIL loan and shall require that certain terms and conditions be embodied in the Land Use Restriction Agreement and recorded in the public records of the county wherein the Development is located. Violation of any material term or condition of the documents evidencing or securing the SAIL loan shall constitute a default during the term of the SAIL loan. The Corporation shall take appropriate legal action to effect compliance if a violation of any material term or condition relative to the set-asides of units for Very Low-Income persons or households is discovered during the course of compliance monitoring or by any other means.

(13) The Corporation shall require adequate insurance to be maintained on the Development as determined by the first mortgage lender or the Corporation's servicer, but which shall, in any case, include fire, hazard and other insurance sufficient to meet the standards established in Part V, Section 106 of the Fannie Mae DUS Guide, effective August 10, 2006, which is adopted and incorporated herein by reference and available on the Corporation's Website under the 2008 2007 Universal Application link labeled Related Information and Links.

(14) The SAIL loan term shall be for a period of not more than 15 years. However, if both a SAIL loan and federal Housing Credits are to be used to assist a Development, the Corporation may set the SAIL loan term for a period commensurate with the investment requirements associated with the Housing Credit syndication. The term of the loan may also exceed 15 years if the lien of the Corporation's

encumbrance is subordinate to the lien of another mortgagee, in which case the term may be made coterminous with the longest term of the superior loan.

(15) After accepting a preliminary commitment, the Applicant shall not refinance, increase the principal amount, or alter any terms or conditions of any mortgage superior or inferior to the SAIL mortgage without prior approval of the Corporation's Board of Directors. However, an Applicant may reduce the interest rate on any superior or inferior mortgage loan without the Board's permission, provided that no other terms of the loan are changed. The Corporation must be notified in writing of any such change.

Following construction completion, the Board shall deny requests to increase the amount of any superior mortgage, unless the criteria outlined in subsection 67-48.0105(5), F.A.C., are met, the original combined loan to value ratio for the superior mortgage and the SAIL mortgage is maintained or improved, and a proportionate amount of the increase in the superior mortgage is used to reduce the outstanding SAIL loan balance. To calculate the proportionate amount of the increase in the superior mortgage which must be paid toward the reduction of the SAIL loan balance, the following calculation shall be used: divide the amount of the original SAIL mortgage by the combined amount of the original SAIL mortgage and the original superior mortgage; then multiply the quotient by the amount of the increase in the superior mortgage from the current balance after deducting refinancing costs. For example, if the amount of the original SAIL mortgage is \$2,000,000, the original superior mortgage is \$4,000,000, with a current balance of \$3,000,000, a proposed new superior mortgage of \$5,000,000, and refinancing costs of \$200,000, then the amount of the increase in the superior mortgage after deducting refinancing costs would be \$1,800,000, and the proportionate amount of the increase in the superior mortgage which must be paid toward the reduction of the SAIL loan balance would be \$594,000. This \$594,000 would be applied first to accrued interest and then to principal.

(16) All SAIL loans shall be in conformance with applicable federal and state statutes, including the Fair Housing Act as implemented by 24 CFR Part 100, which is adopted and incorporated herein by reference, and Titles II and III of the Americans with Disabilities Act of 1990 as implemented by 28 CFR Part 35, which is adopted and incorporated herein by reference. These provisions are available on the Corporation's Website under the 2008 ~~2007~~ Universal Application link labeled Related Information and Links. The Corporation shall allow units dedicated to occupancy by the Elderly in a Development designed for occupancy by elderly households pursuant to authorization by HUD under the Fair Housing Amendments of 1988 as implemented by 24 CFR Part 100.

(17) Rent controls shall not be allowed on any Development except (i) as required in conjunction with the issuance of tax-exempt bonds or federal Housing Credits and

(ii) when the Sponsor has committed to set aside units for ELI Persons, in which case rents for such units shall be restricted at the level applicable for federal Housing Credits.

(18) The documents creating, evidencing or securing each SAIL loan must provide that any violation of the terms and conditions described in Rule Chapter 67-48, F.A.C., constitutes a default under the SAIL loan documents allowing the Corporation to accelerate its loan and to seek foreclosure as well as any other remedies legally available to it.

(19) A failure to pay any principal or interest due under the terms of this section shall constitute a default on the SAIL loan.

(20) If, after a four-month rent-up period commencing after issuance of the last certificate of occupancy on the units, an Applicant is unable to meet the agreed-upon demographic commitment for Elderly, Homeless, Farmworker or Commercial Fishing Worker, the Applicant may request to rent such units to Very Low-Income persons or households without demographic restriction.

(a) The written request must provide documentation of marketing efforts implemented over the past four-month period which demonstrate the inclusion of sources of potential residents, advertising to be used, other means of encouraging residents to rent at the Development, and priority to the original targeted group of residents. If the Corporation determines that prior marketing efforts were insufficient, a revised plan which is satisfactory to the Corporation must be submitted and implemented for a four-month period prior to reconsideration.

(b) The Board will require Applicants to provide additional amenities or resident programs suitable for the proposed resident population.

(c) The Board will require Applicants with 0 percent loans, as described in paragraphs 67-48.010(3)(a) and (b), F.A.C., to modify loan documents to conform to the terms and conditions of 1 percent loans, as described in paragraphs 67-48.010(3)(b) and (c), F.A.C., or to accelerate payments of SAIL loan principal or interest.

(21) The Applicant shall provide to the Corporation an annual budget of income and expenses for the Development, certified as accurate by an officer of the Development, no later than 30 days prior to the beginning of the Development's fiscal year.

(22) Failure to provide the Corporation and its servicer with the SAIL available Cash Flow Statement detailing the information needed to determine the annual payment to be made pursuant to this rule chapter shall constitute a default on the SAIL loan.

(23) For SAIL loans applied for prior to March 17, 2002, at the borrower's request, the Corporation will include up to 20 percent of total Developer fees per year as a Development Expense when calculating the interest due on the SAIL loan for the 2003 calendar year for the billing issued in 2004 pursuant

to paragraph 67-48.010(8)(b), F.A.C., and for the billing for interest due each calendar year thereafter. Development Expense will not include Developer fees for determination of payment of interest on SAIL loans applied for prior to March 17, 2002 for the 2002 calendar year or any previous calendar year. For purposes in this paragraph, Development Expense has the same meaning as Project Expense and Eligible Project Expense as those terms are used in SAIL loans applied for prior to March 17, 2002.

(24) The Compliance Period for a SAIL Development shall be, at a minimum, a period of 12 years from the date the first residential unit is occupied. For SAIL Developments that ~~which~~ contain occupied units at the time of closing ~~to be Substantially Rehabilitated~~, the Compliance Period shall begin not later than ~~60 days from~~ the termination of the last ~~annual~~ lease executed prior to in effect at the time of closing of the SAIL loan.

67-48.0105 Sale, Transfer or Refinancing of a SAIL Development.

(1) Any sale, conveyance, assignment, or other transfer of interest or the grant of a security interest in all or any part of the title to the Development other than a superior mortgage shall be subject to the Corporation's prior written approval. The Board shall consider the facts and circumstances of each Applicant's request and any credit underwriting report, if available, prior to determining whether to grant such request.

(2) The SAIL loan shall be assumable upon sale or transfer of the Development if the following conditions are met:

(a) The proposed transferee meets all specific Applicant identity criteria which were required as conditions of the original loan;

(b) The proposed transferee agrees to maintain all set-asides and other requirements of the SAIL loan for the period originally specified or longer; and

(c) The proposed transferee and release of transferor receives a favorable recommendation from the Credit Underwriter and approval by the Board of Directors of the Corporation.

All assumption requests must be submitted in writing to the Director of Special Assets and contain the specific details of the transfer and assumption. In addition to any related professional fees, the Corporation shall charge a non-refundable assumption fee as outlined in the Universal Application instructions.

(3) If the SAIL loan is not assumed since the buyer does not meet the criteria for assumption of the SAIL loan, the SAIL loan (principal and any outstanding interest) shall be repaid from the proceeds of the sale in the following order of priority:

- (a) First mortgage debt service, first mortgage fees;
- (b) SAIL compliance and loan servicing fees;
- (c) An amount equal to the present value of the compliance monitoring fee, as computed by the Corporation and its servicer, times the number of payment periods for which the Development will have a set-aside for Very Low-Income persons or households beyond the repayment date. The present value discount rate shall be 2.75 percent per annum. Such amount shall be reduced by the amount of any compliance monitoring fees collected by the Corporation for the Development, provided:

1. The compliance monitoring fee covers some or all of the period following the anticipated SAIL repayment date; and

2. The Development has substantially equivalent set-asides for Very Low-Income persons or households mandated through another program of the Corporation for which the compliance monitoring fee was collected.

(d) Unpaid principal balance of the SAIL loan;

(e) Any interest due on the SAIL loan;

(f) Expenses of the sale;

(g) If there will be insufficient funds available from the proposed sale of the Development to satisfy paragraphs (3)(a)-(f) above, the SAIL loan shall not be satisfied until the Corporation has received:

1. An appraisal prepared by an appraiser selected by the Corporation or the Credit Underwriter indicating that the purchase price for the Development is reasonable and consistent with existing market conditions;

2. A certification from the Applicant that the purchase price reported is the actual price paid for the Development and that no other consideration passed between the parties and that the Development Cash Flow reported to the Corporation during the term of the SAIL loan was true and accurate;

3. A certification from the Applicant that there are no Development funds available to repay the SAIL loan, including any interest due, and the Applicant knows of no source from which funds could or would be forthcoming to pay the SAIL loan; and

4. A certification from the Applicant detailing the information needed to determine the final billing for SAIL loan interest. Such certification shall require submission of financial statements and other documents that may be required by the Corporation and its servicer.

(4) The Corporation may renegotiate and extend the loan in order to extend or retain the availability of housing for the target population. Such renegotiations shall be based upon:

(a) Performance of the Applicant during the SAIL loan term;

(b) Availability of similar housing stock for the target population in the area;

(c) Documentation and certification by the Applicant that funds are not available to repay the Note upon maturity;

(d) A plan for the repayment of the loan at the new maturity date;

(e) Assurance that the security interest of the Corporation will not be jeopardized by the new term(s); and

(f) Industry standard terms which may include amortizing loans requiring regularly scheduled payments of principal and interest.

All loan renegotiation requests, including requests for extension, must be submitted in writing to the Director of Special Assets and contain the specific details of the renegotiation. In addition to any related professional fees, the Corporation shall charge a non-refundable renegotiation fee as outlined in the Universal Application instructions.

(5) The Board shall approve requests for mortgage loan refinancing only if Development Cash Flow is improved, the Development's economic viability is maintained, the security interest of the Corporation is not adversely affected, and the Credit Underwriter provides a positive recommendation.

(6) The Board shall deny requests for mortgage loan refinancing which require extension of the SAIL loan term or otherwise adversely affect the security interest of the Corporation, unless the criteria outlined in subsection 67-48.0105(5), F.A.C., are met, the Credit Underwriter recommends that the approval of such a request is crucial to the economic survival of the Development, or unless the Board determines that public policy will be better served by the extension as a result of the Applicant agreeing to further extend the Compliance Period or provide additional amenities or resident programs suitable for the resident population. Further, the Board shall limit any approved extension to a minimum term which makes the Development feasible and which does not exceed an industry standard term.

The Board shall deny requests to increase the amount of any superior mortgage, unless the criteria outlined in subsection 67-48.010(15), F.A.C., are met, the original combined loan to value ratio for the superior mortgage and the SAIL mortgage is maintained or improved, and a proportionate amount of the increase in the superior mortgage is used to reduce the outstanding SAIL loan balance.

67-48.013 SAIL Construction Disbursements and Permanent Loan Servicing.

(1) SAIL loan proceeds shall be disbursed during the construction phase in an amount per Draw which does not exceed the ratio of the SAIL loan to the Total Development Cost, unless approved by the Credit Underwriter.

(2) Ten (10) business days prior to each Draw, the Applicant shall supply the Corporation's servicer, as agent for the Corporation, with a written request executed by the

Applicant for a Draw. The request shall set forth the amount to be paid and shall be accompanied by documentation specified by the Corporation's servicer including claims for labor and materials to date of the last inspection.

(3) The Corporation and its servicer shall review the request for a Draw, and the servicer shall provide the Corporation with approval of the request or an alternative recommendation, after the title insurer provides an endorsement to the policy of title insurance updating the policy to the date of the current Draw and increasing the insurance coverage to an amount equal to the sum of all prior Draws and the current Draw, without additional exceptions, except those specifically approved in writing by the Corporation.

(4) The Corporation shall disburse construction Draws through Automated Clearing House (ACH). The Applicant may request disbursement of construction Draws via a wire transfer. The Applicant will be charged a fee of \$10 for each wire transfer requested. This charge will be netted against the Draw amount.

(5) The Corporation shall elect to withhold any Draw or portion of any Draw, notwithstanding any documentation submitted by the Applicant in connection with the request for a Draw, if

(a) The Corporation or the Corporation's servicer determines at any time that the actual cost budget or progress of construction differs from that as shown on the loan documents; or

(b) The percentage of progress of construction of the improvements differs from that shown on the request for a Draw.

(6) The servicer may request submission of revised construction budgets.

(7) Based on the Applicant's progress of construction, if the Corporation determines that further analysis by the Credit Underwriter is required prior to the release of the final Draw, the Applicant shall pay to the Credit Underwriter a fee based on an hourly rate determined pursuant to the contract between the Corporation and the Credit Underwriter.

(8) Retainage in the amount of 10 percent per Draw shall be held by the servicer during construction until the Development is 50 percent complete. At 50 percent completion, no additional retainage shall be held from the remaining Draws. Release of funds held by the Corporation's servicer as retainage shall occur pursuant to the SAIL loan agreement.

## PART III HOME INVESTMENT PARTNERSHIPS PROGRAM

## 67-48.014 HOME General Program Procedures and Restrictions.

(1) Unless otherwise provided in the Application instructions, the Corporation shall utilize up to 10 percent of the HOME allocation for administrative costs pursuant to 24 CFR Part 92.

(2) The Corporation shall utilize at least 15 percent of the HOME allocation for CHDOs pursuant to 24 CFR Part 92. In order to apply under the CHDO set-aside, the CHDO must have at least 51 percent ownership interest in the Development held by the General Partner entity and meet all other CHDO requirements as defined by HUD in 24 CFR Part 92 and other Corporation requirements identified in the CHDO Checklist. The CHDO Checklist is adopted and incorporated herein by reference, effective 10-17-06, and is available on the Corporation's Website under the 2008 2007 Universal Application link labeled Related Information and Links or by contacting the HOME-Rental Program at 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329.

(3) Within the rental cycle administered pursuant to Rule Chapter 67-48, F.A.C., the Corporation will distribute funds as provided in the Universal Application instructions, through a competitive request for proposal (RFP) process, or both.

(4) The maximum per-unit subsidy amount of HOME funds that the Corporation shall invest on a per-unit basis in affordable housing shall not exceed the per-unit dollar limits established by the Corporation as identified in the current Application instructions and included on the HOME Rental FHFC Subsidy Limits chart, which is adopted and incorporated by reference, effective 10-1-2007 10-16-06. A copy of such chart is available on the Corporation's Website under the 2008 2007 Universal Application link labeled Related Information and Links or by contacting the HOME-Rental Program at 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329.

(5) The minimum amount of HOME funds that must be invested in a Rental Development is \$1,000 times the number of HOME-Assisted Units in the Development.

(6) A Development qualifies as affordable housing and for HOME funds if, with respect to income and occupancy:

(a) 80 percent of the HOME-Assisted Units are occupied by families whose annual income does not exceed 60 percent of the median family income for the area, as determined by HUD, with adjustments for family size, and

(b) 20 percent of the HOME-Assisted Units are occupied by families whose annual income does not exceed 50 percent of the median family income for the area, as determined by HUD, with adjustments for family size.

(c) When the income of a resident increases above 80 percent of area median income, the next unit that becomes available in the Development must be rented to a HOME

income-eligible resident. If the income of a Very Low-Income household increases above the limits for a Very Low-Income household, then the Developer must rent the next available unit to a Very Low-Income household. The amount of rent the resident whose income has increased must pay is the lesser of the amount payable by resident under state or local law or 30 percent of the adjusted monthly income for rent and utilities.

(d) High HOME rent means 80 percent of the HOME-Assisted Units in a Development must have rents set at no more than the lesser of the Section 8 Fair Market Rent (FMRs) or rents that are 30 percent for a Family at 65 percent of median income limit, minus resident-paid utilities. Low HOME rent means 20 percent of the HOME-Assisted Units in a Development must have rents set at no more than the lesser of the Section 8 Fair Market Rent (FMRs), or 30 percent of the gross income of a Family at 50 percent of the area median income, minus resident-paid utilities. With respect to rent limits, the HOME Rent Chart at 65 percent or 50 percent, or the Fair Market Rent, less the applicable utility allowance, is the maximum rent that can be charged for a HOME Rent-Restricted Unit. HOME-Assisted Units with Section 8 subsidy must compare the Section 8 gross rent (resident rent, subsidy amount, and utility allowance) to the maximum applicable HOME high or low rent limit minus utilities. However, Developments with project-based rental assistance may utilize the project-based rents as compared to the HOME High and Low rents. Compliance with the HOME rent restrictions will take precedence over the Developer's acceptance of a full Section 8 (resident-based) subsidy for the HOME-Assisted Units.

(e) The minimum Compliance Period for Rehabilitation Developments is 15 years from the date the first residential unit is occupied. For Developments that contain occupied units at the time of closing, the Compliance Period shall begin the earlier of (i) not later than 60 days from the termination of the last annual lease executed prior to in effect at the time of closing of the HOME loan or (ii) at project completion as defined in 24 CRF § 92.2. The Compliance Period will be extended until the loan is repaid as enumerated in subsection 67-48.020(1), F.A.C.

(f) The minimum Compliance Period for newly-constructed rental housing is 20 years from the date the first residential unit is occupied. The Compliance Period will be extended until the loan is repaid as enumerated in subsection 67-48.020(1), F.A.C.

(g) The minimum percentage of HOME-Assisted Units within a Development must be at least equal to the percentage (ratio) calculated by dividing the HOME loan amount by the Total Development Cost. This percentage will be utilized to determine the minimum number of HOME-Assisted Units required within a Development. HOME-Assisted Units must be identified at the time of Application. For purposes of meeting affordable housing requirements for a Development,

the HOME-Assisted Units counted may be changed over the Compliance Period, so long as the total number of HOME-Assisted Units remains the same, and the substituted units are, at a minimum, comparable in terms of size, features, and number of bedrooms to the original HOME-Assisted Units.

(h) The Development will remain affordable, pursuant to commitments documented within the executed Land Use Restriction Agreement without regard to the term of the mortgage or to transfer of ownership.

(7) The Development must comply with all applicable provisions of 24 CFR Part 92 and Rule Chapter 67-48, F.A.C.

(8) A Development that is under construction may be eligible to apply for HOME funds only if the final building permit is dated no earlier than six (6) months prior to the Application Deadline, the Development is able to provide evidence of compliance with federal labor standards (if 12 or more HOME-Assisted Units are developed under a single contract) for any work already completed, and the Development is able to provide evidence of compliance with HUD environmental requirements as well as all other federal HOME regulations as listed in Rule 67-48.014, F.A.C., and 24 CFR Part 92. The federal requirements may require completion of activities prior to submission of an Application for HOME funding.

(9) Any single contract for the development (rehabilitation or new construction) of affordable housing with 12 or more HOME-Assisted Units under the HOME Program must contain a provision requiring that not less than the wages prevailing in the locality, as predetermined by the United States Secretary of Labor pursuant to the Davis-Bacon Act, 40 U.S.C. §§ 3142 – 3144, 3146 and 3147 (2002), which is adopted and incorporated herein by reference, 24 CFR § 92.354, 24 CFR Part 70 (volunteers), which is adopted and incorporated herein by reference, and 40 U.S.C. § 3145 (2002), which is adopted and incorporated herein by reference, will be paid to all laborers and mechanics employed for the construction or rehabilitation of the Development, and such contracts must also be subject to the overtime provisions of the Contract Work Hours and Safety Standards Act, 40 U.S.C. §§ 3701 – 3706 and 3708 (2002), which is adopted and incorporated herein by reference, the Copeland Act (Anti-Kickback Act), 40 U.S.C. § 3145 (2002), and the Fair Labor Standards Act of 1938, as amended (29 U.S.C. § 201 et seq.), which is adopted and incorporated herein by reference. The foregoing provisions are available on the Corporation's Website under the 2008 ~~2007~~ Universal Application link labeled Related Information and Links.

67-48.020 Terms and Conditions of Loans for HOME Rental Developments.

All HOME Rental Development loans shall be in compliance with the Act, 24 CFR Part 92 and, at a minimum, contain the following terms and conditions:

(1) The HOME loan may be in a first, second, or subordinated lien position. The term of the loan shall be for a minimum period of 15 years for Rehabilitation Developments and 20 years for new construction Developments. The term of

the HOME loan may be extended to coterminate with the first mortgage term upon the recommendation of the Credit Underwriter and approval by the Corporation.

(2) The annual interest rate will be determined by the following:

(a) All for-profit Applicants that own 100 percent of the ownership interest in the Development held by the general partner entity will receive a 1.5 percent per annum interest rate loan.

(b) All qualified non-profit Applicants that own 100 percent of the ownership interest in the Development held by the general partner entity will receive a 0 percent interest rate loan. For purposes of determining the annual HOME interest rate, the definition of Non-Profit found at Rules 67-48.002 and 67-48.0075, F.A.C., shall not apply; instead, qualified non-profit Applicants shall be those entities defined in 24 CFR Part 92, Section 42(h)(5)(c), subsection 501(c)(3) or 501(c)(4) of the IRC and organized under Chapter 617, F.S., if a Florida corporation, or organized under similar state law if organized in a jurisdiction other than Florida.

(c) All Applicants consisting of a non-profit and for-profit partnership will receive a 0 percent interest rate loan on the portion of the loan amount equal to the qualified non-profit's ownership interest in the Development held by the general partner entity. A 1.5 percent interest rate shall be charged for loans on the portion of the loan amount equal to the for-profit's interest in the Development held by the general partner entity. After closing, should the Applicant sell any portion of the Development ownership, the loan interest rate ratio will be adjusted to conform to the new percentage of ownership.

(3) The loans shall be non-amortizing and repayment of principal shall be deferred until maturity, unless otherwise recommended by the Credit Underwriter and approved by the Corporation. Interest payments on the loan shall be paid to the Corporation's servicer annually on the date specified in the Note.

(4) As approved by the Board of Directors, loans which finance demonstration Developments or Developments located in a state or federally declared disaster area may be provided with forgivable terms.

(5) The accumulation of all Development financing, including the HOME loan and all existing debt within a Development, may not exceed the Total Development Cost, as determined and certified by the Credit Underwriter.

(6) Before disbursing any HOME funds, there must be a written agreement with the Applicant ensuring compliance with the requirements of the HOME Program pursuant to this rule chapter and 24 CFR Part 92.

(7) A representative of the Applicant and the managing agent of the Development must attend a Corporation-sponsored training session on income certification and compliance procedures.

(8) If the Development has 12 or more HOME-Assisted Units to be developed under a single contract, the General Contractor and all available subcontractors shall attend a Corporation-sponsored preconstruction conference regarding federal labor standards provisions.

(9) The Corporation shall require adequate insurance to be maintained on the Development as determined by the first mortgage lender or the Corporation's servicer, but which shall, in any case, include fire, hazard and other insurance sufficient to meet the standards established in Part V, Section 106 of the Fannie Mae DUS Guide, effective August 10, 2006, which is adopted and incorporated herein by reference and available on the Corporation's Website under the 2008 ~~2007~~ Universal Application link labeled Related Information and Links.

(10) All loans must provide that any violation of the terms and conditions described in this rule chapter or 24 CFR Part 92 constitute a default under the HOME loan documents allowing the Corporation to accelerate its loan and seek foreclosure as well as any other remedies legally available to it.

(11) If a default on a HOME loan occurs, the Corporation will commence legal action to protect the interest of the Corporation. The Corporation shall acquire real and personal property or any interest in the Development if that acquisition is necessary to protect any HOME loan; sell, transfer, and convey any such property to a buyer without regard to the provisions of Chapters 253 and 270, F.S.; and, if that sale, transfer, or conveyance cannot be consummated within a reasonable time, lease the Development for occupancy by Eligible Persons.

(12) The Corporation or its servicer shall monitor the compliance of each Development with all terms and conditions of the HOME loan and shall require that such terms and conditions be recorded in the public records of the county where the Development is located. Violation of any term or condition shall constitute a default during the term of the HOME loan.

(13) The Applicant shall not refinance, increase the principal amount, or alter any terms or conditions of any mortgage superior or inferior to the HOME mortgage without prior approval of the Corporation's Board of Directors. However, an Applicant may reduce the interest rate on any superior or inferior mortgage loan without the Board's permission, provided that no other terms of the loan are changed. The Corporation must be notified of any such change. Following construction completion, the Board shall deny requests to increase the amount of any superior mortgage, unless the criteria outlined in subsection 67-48.0205(3), F.A.C., are met, the original combined loan to value ratio for the superior mortgage and the HOME mortgage is maintained or improved, and a proportionate amount of the increase in the superior mortgage is used to reduce the outstanding HOME loan balance. To calculate the proportionate amount of the increase in the superior mortgage which must be paid toward the reduction of the HOME loan balance, the following

calculation shall be used: divide the amount of the original HOME mortgage by the combined amount of the original HOME mortgage and the original superior mortgage; then multiply the quotient by the amount of the increase in the superior mortgage from the current balance after deducting refinancing costs. For example, if the amount of the original HOME mortgage is \$2,000,000, the original superior mortgage is \$4,000,000, with a current balance of \$3,000,000, a proposed new superior mortgage of \$5,000,000, and refinancing costs of \$200,000, then the amount of the increase in the superior mortgage after deducting refinancing costs would be \$1,800,000, and the proportionate amount of the increase in the superior mortgage which must be paid toward the reduction of the HOME loan balance would be \$594,000. This \$594,000 would be applied first to accrued interest and then to principal.

67-48.0205 Sale, Transfer or Refinancing of a HOME Development.

(1) The HOME loan shall be assumable upon Development sale, transfer or refinancing if the following conditions are met:

(a) The proposed transferee meets all specific Applicant identity criteria which were required as conditions of the original loan;

(b) The proposed transferee agrees to maintain all set-asides and other requirements of the HOME loan for the period originally specified; and

(c) The proposed transferee and Application receives a favorable recommendation from the Credit Underwriter and approval by the Corporation's Board of Directors.

All assumption requests must be submitted in writing to the Director of Special Assets and contain the specific details of the transfer and assumption. In addition to any related professional fees, the Corporation shall charge a non-refundable assumption fee as outlined in the Universal Application instructions.

(2) If the Development is sold and the proposed transferee does not meet the criteria for assumption of the loan, the HOME loan shall be repaid from the proceeds of the sale. If there will be insufficient funds available from the proposed sale of the Development, the HOME loan shall not be satisfied until the Corporation has received:

(a) An appraisal prepared by an appraiser selected by the Corporation indicating that the purchase price for the Development is reasonable and consistent with existing market conditions;

(b) A certification from the Applicant that the purchase price reported is the actual price paid for the Development and that no other consideration passed between the parties and that the income reported to the Corporation during the term of the loan was true and accurate; and

(c) A certification from the Applicant that there are no Development funds available to repay the loan and the Applicant knows of no source from which funds could or would be forthcoming to pay the loan.

(3) The Board shall approve requests for mortgage loan refinancing only if Development cash flow is improved, the Development's economic viability is maintained, the security interest of the Corporation is not adversely affected, and the Credit Underwriter provides a positive recommendation.

(4) The Board shall deny requests for mortgage loan refinancing which require extension of the HOME loan term or otherwise adversely affect the security interest of the Corporation unless the criteria outlined in subsection 67-48.0205(3), F.A.C., are met, the Credit Underwriter recommends that the approval of such a request is crucial to the economic survival of the Development or unless the Board determines that public policy will be better served by the extension as a result of the Applicant agreeing to further extend the Compliance Period or provide additional amenities or resident programs suitable for the resident population. Further, the Board shall limit any approved extension to a minimum term which makes the Development feasible and which does not exceed an industry standard term.

The Housing Credit Extended Use Period for any building shall terminate upon the date a building is acquired through foreclosure or instrument in lieu of foreclosure or if no buyer can be found who is willing to maintain the Housing Credit Set-Aside of the Development. In the event the Applicant is unable to locate a buyer willing to maintain the set-aside provisions of the Extended Use Agreement, the following steps shall be taken, as set forth in Section 42(h)(6) of the IRC, before a building is converted to market-rate use:

(1) After the fourteenth year of the Compliance Period, unless otherwise obligated under the Extended Use Agreement, a Land Use Restriction Agreement under another Corporation program, or if Applicant has already knowingly and voluntarily waived its right to request the Corporation find a buyer to acquire the Applicant's interest in the Housing Credit Set-Aside portion of the building, an Applicant may submit a written request to the Corporation to find a buyer to acquire the Applicant's interest in the Housing Credit Set-Aside portion of the building. When submitting a written request, Applicants shall utilize the Qualified Contract Package in effect at the time of the written request and shall remit payment of the required Qualified Contract Package fee. The Qualified Contract Package consists of the forms and instructions, obtained from the Corporation at 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329, or on the Corporation's Website under the 2008 ~~2007~~ Universal Application link labeled Related Information and Links, which shall be completed and submitted to the Corporation in accordance with this rule chapter in order to request the Corporation find a buyer to acquire the Applicant's interest in the Housing Credit Set-Aside portion of the building. The Qualified Contract Package, Rev. 09-07 ~~09-06~~, is adopted and incorporated herein by reference.

(2) All information contained in a Qualified Contract Package request is subject to independent review, analysis and verification by the Corporation or its agents. The Corporation shall request additional information to document the qualified contract price calculation or other information submitted, if the submitted documentation does not support the price indicated by the certified public accountant (CPA) hired by the owner. The Corporation shall then engage its own CPA to perform a

qualified contract price calculation. Cost of such service shall be paid for by the owner. Following the Corporation's receipt and complete review of the completed Qualified Contract Package, the Corporation shall have one year to present a "qualified contract", as defined in Section 42(h)(6)(F) of the IRC, for the Development. The one year time period shall commence upon the Corporation's receipt and final review of all of the accompanying information required by the Qualified Contract Package and the Corporation and the owner have agreed to the qualified contract price in writing.

(3) The Corporation shall not agree to the qualified contract price in writing until the Applicant has satisfied any financial obligations for which the Applicant or Principal, Affiliate or Financial Beneficiary of an Applicant or a Developer is in arrears to the Corporation or any agent or assignee of the Corporation.

(4) The Applicant is responsible for all real estate broker fees incurred from the sale of the Development.

(5)(3) At the conclusion of the review process established by Rule 67-48.031, F.A.C., each Applicant will be provided with its qualified contract price calculation and notice of rights.

(6)(4) Written arguments to any recommended order entered pursuant to a Section 120.57(2), F.S., proceeding concerning its qualified contract price calculation shall be typed and double-spaced with margins no less than one inch in either Times New Roman 14-point or Courier New 12-point font and may not exceed five (5) pages, excluding the caption and certificate of service. Written arguments must be filed with Florida Housing Finance Corporation's Clerk at 227 North Bronough Street, Suite 5000, Tallahassee, Florida 32301-1329, no later than 5:00 p.m., Eastern Time, no later than five (5) Calendar Days from ~~on~~ the date of issuance of ~~contained in~~ the recommended order. Failure to timely file a written argument shall constitute a waiver of the right to have a written argument considered by the Board. The one year time period the Corporation has to present a "qualified contract" will toll upon the filing of a petition to contest a qualified contract price calculation and will recommence upon the issuance of the Board's final order.

(7)(5) The Applicant shall cooperate with the Corporation and its agents with respect to the Corporation's efforts to present a "qualified contract" for the purchase of the Applicant's interest in the Housing Credit Set-Aside portion of the Development and the Applicant's failure to cooperate will toll the one year time period the Corporation has to present a "qualified contract". The Corporation shall actively seek to obtain a qualified buyer for acquisition of the Housing Credit Set-Aside portion of the building for an amount not less than the Applicable Fraction as specified in the Extended Use Agreement of:

(a) The sum of the outstanding indebtedness secured by the building;

(b) The adjusted investor equity in the building; and

(c) Other capital contributions not reflected in the amounts above, and reduced by cash distributions from the Development.

~~(8)(6)~~ If the Corporation presents a "qualified contract" and the Applicant fails to enter into a bona fide contract to acquire the Development, as defined in Section 42(h)(6)(F) of the IRC, the Applicant shall irrevocably waive any right to further request that the Corporation present a "qualified contract" for the purchase of the Applicant's interest in the Housing Credit Set-Aside portion of the Development and the Development will remain subject to the requirements of the Extended Use Agreement.

~~(9)(7)~~ In the event no buyer is found to acquire the Housing Credit Set-Aside portion of the building within one year as described herein, the Housing Credit Extended Use Period shall be terminated, and the units converted to market-rate.

~~(10)(8)~~ Pursuant to Section 42(h)(6)(E)(ii) of the IRC, the termination of an Extended Use Agreement shall not be construed to permit the termination of a tenancy, the eviction of any existing resident of any set-aside unit, or any increase in the gross rent with respect to any set-aside unit before the close of the three-year period following such termination. In no case shall any portion of a Housing Credit Development be disposed of prior to the expiration of the Extended Use Agreement.
