Section V Petitions and Dispositions Regarding Rule Variance or Waiver

DEPARTMENT OF LAW ENFORCEMENT

Mr. Carrafiello wishes to be re-employed under a temporary employment authorization without waiting the required four years since he left his last TEA.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Grace A. Jaye, P. O. Box 1489, Tallahassee, FL 32302, or telephoning (850)410-7676. Comments on the petition may be directed to the above.

DEPARTMENT OF HIGHWAY SAFETY AND MOTOR VEHICLES

NOTICE IS HEREBY GIVEN THAT on January 22, 2008, the Department of Highway Safety and Motor Vehicles has issued an order.

Notice is hereby given that the Department of Highway Safety and Motor Vehicles issued an Order Granting Rule Variance or Waiver under Section 120.542, Florida Statutes, on January 22, 2008, to the C.O.R.E. Program and Peggy Cioffi. The petition requesting the variance or waiver was received by DHSMV on October 28, 2007. Notice of receipt of the petition requesting the waiver was published in Volume 33, Number 46, of the F.A.W., on November 16, 2007. No public comment was received.

The Petitioner sought variance from or waiver of paragraph 15A-10.014(2)(d), Florida Administrative Code, which states as follows:

Contributions to retirement cannot exceed the percentage of gross compensation contributed by the employer of members of the Regular Class of the Florida Retirement System pursuant to Section 121.071, Florida Statutes.

The Order rules that the percentage of gross compensation contributions under the Florida Retirement System had significantly decreased since implementation of the rule and as now applied imposes a significant hardship in that it requires a significant reduction to the Petitioner's contribution rates to employee retirement. The order also rules that the underlying purpose of Section 322.292(2), Florida Statutes, providing for Department oversight of a DUI Program's Financial Management is accomplished by other applicable provisions within the statutes.

A copy of the Order may be obtained by contacting: Mark J. Hiers, Assistant General Counsel, Department of Highway Safety and Motor Vehicles, Neil Kirkman Building, 2900 Apalachee Parkway, Room A432, Tallahassee, Florida 32399.

NOTICE IS HEREBY GIVEN THAT on January 28, 2008, the Department of Highway Safety and Motor Vehicles has issued an order.

Notice is hereby given that the Department of Highway Safety and Motor Vehicles issued an Order Granting Rule Variance or Waiver under Section 120.542, Florida Statutes, on January 28, 2008, to Marilyn Price. The petition requesting the variance or waiver was received by DHSMV on October 28, 2007. Notice of receipt of the petition requesting the waiver was published in Vol. 33, No. 47, of the F.A.W., on November 21, 2007. No public comment was received. The Petitioner sought a variance from or waiver of subsection 15A-10.026(2), Florida Administrative Code, which states as follows:

In regards to Certificates of Completion and Student Status Report, HSMV Form 77057, education and evaluation components shall be completed within 90 days of enrollment. If a client fails to complete either or both of the components by the end of that 90 day period, the program shall submit the Student Status Report, HSMV Form 77057 to the Department indicating that the client has failed to complete DUI. If a client returns to the program more than 90 days after the original enrollment to complete the program, the client shall be required to pay the entire registration fee and complete both the education and evaluation components.

The Order rules that the Petitioner's employment and unique family responsibilities, positive feedback from the DUI Program as well as her participation at the Florida Detoxification Center demonstrates that the strict application of the rule will impose a significant hardship in her circumstances and that the underlying purpose of the applicable statutes will be served by granting the variance or waiver of subsection 15A-10.026(2), Florida Administrative

Code. The Order grants the Petition for Variance or Waiver from the rule and directs the Petitioner to complete the evaluation component within 30 days of the date of the order.

A copy of the Order may be obtained by contacting: Mark J. Hiers, Assistant General Counsel, Department of Highway Safety and Motor Vehicles, Neil Kirkman Building, 2900 Apalachee Parkway, Room A432, Tallahassee, Florida 32399.

These rules are intended to protect the water resources of the state by limiting discharges of fresh water to estuarine waters and curtailing interbasin diversion. FISH AND WILDLIFE CONSERVATION

NOTICE IS HEREBY GIVEN THAT on December 21, 2007, the Florida Fish and Wildlife Conservation Commission has issued an order.

The order grants a temporary variance, with conditions, from subparagraph (2)(a)4. of the Sarasota County manatee protection rule (Rule 68C-22.026, Florida Administrative Code) to the Sarasota Ski-A-Rees, Inc. ("Ski-A-Rees"). The petition was filed with the Commission on October 1, 2007, and a notice of petition was published in the F.A.W. on November 21, 2007. No public comments were received. The variance authorizes Ski-A-Rees to operate motorboats above regulated speeds while engaged in show-ski operations and training within a portion of the Slow Speed zone near City Island. The variance applies through December 7, 2012. A variance was granted because the Commission determined that a substantial hardship exists and because the purposes of Section 370.12(2), F.S., would be achieved by other means, specifically through the setting of conditions and limitations on the activities.

A copy of the Order may be obtained by contacting: Scott Calleson, Florida Fish and Wildlife Conservation Commission, Imperiled Species Management Section (6A), 620 South Meridian Street, Tallahassee, Florida 32399.
