NOTICE TO PROFESSIONAL CONSULTANTS:

The University of Florida Board of Trustees announces that Professional Services in the discipline of architecture will be required for the project listed below:

Project: UF-299, Renovation of the Medical Sciences Building Autopsy Suite at the University of Florida J. Hillis Miller Health Science Center in Gainesville, Florida.

The project consists of the renovation and remodeling of approximately 1,245 gross square feet of interior space on the ground floor level of the Medical Sciences Building, the first of twelve buildings that currently make up the J. Hillis Miller Health Science Center complex. The area is question has functioned since 1956 as an autopsy suite in support of educational programs provided by the College of Medicine, and provides post mortem diagnostic services for Shands HealthCare. The goal for design and construction is to provide an operational facility that meets all current standards and functionality. This will require a complete gut and reconstruction of the necropsy area with new utilities infrastructure, including air conditioning and HEPA filtered exhaust systems, upgrading of electrical and plumbing services, new equipment specifically designed for autopsy functions, a security system, and cadaver cold room.

The estimated construction budget is approximately \$1,124,200. The project will be delivered using the Construction Manager at Risk method.

The selected firm will provide design, construction documents and construction administration services for the referenced project. Blanket professional liability insurance will be required for this project in the amount of \$1,000,000, and will be provided as a part of Basic Services. Plans and specifications for University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

Applicants will be evaluated on the basis of their past performance, experience, personnel, design ability, references, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time. At the time of application, the applicant and its engineering

consultants must possess current design licenses from the appropriate governing board and be properly registered to practice its profession in the State of Florida. If the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida.

Applicants desiring to provide professional services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be limited to 40 single-sided, consecutively-numbered pages and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, design intent, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. A completed, project-specific "Professional Qualifications Supplement" (PQS) proposal with signed certification. Applications on any other form will not be considered.
3. Resumes, LEED accreditation, and other pertinent credentials for all proposed staff (applicant and consultants).
4. Proof of the applicant's corporate status in Florida (if applicable) and copies of current licenses for applicant and all engineering and landscape architecture consultants from the appropriate governing board.
5. Proof of the applicant's and all engineering consultants' ability to be insured for the level of professional liability coverage demanded for this project.

As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected professional must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Unsigned proposals or proposals containing expired or invalid licenses will be disqualified. Submittal materials will not be returned.

The project-specific PQS form, instructions, Project Fact Sheet, facilities program, UF Design Services Guide, UF Design and Construction Standards, standard University of Florida Owner-Professional agreement, and other project and process information can be found on the Facilities Planning & Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning and Construction office by 3:00 p.m. (Local Time), Friday, June 6, 2008. Facsimile (FAX) submittals are not acceptable and will not be considered.

The project will include 8 general classroom spaces of approximately 850-900 square feet to house 25 student stations for grades 5-9, a larger general purpose room for music and movement instruction, and a basic science lab that would not require the use or storage of hazardous materials or fume hoods. The project will total approximately 16,000 gross square feet. The project shall be handicap accessible. Total construction budget is approximately \$4,150,200.00. The selected firm will provide programming, schematic design, design development, construction documents and construction administration for the referenced project. This project will be delivered via a construction manager at risk. Blanket professional liability insurance will be required for this project in the amount of \$250,000.00, and will be provided as a part of Basic Services.

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a letter of application.

The letter of application should have attached:

1. A completed "Florida Atlantic University Professional Qualifications Supplement" (FAUPQS Revised January 2004). Applications on any other form may not be considered.

Selection of finalists for interview will be made on the basis of professional qualifications, including experience and ability; past experience; design ability; volume of work; and distance from project.

A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Submit (five) 5 sets of the above requested data bound in the order listed above. Applications which do not comply with the above instructions may be disqualified. Application materials will not be returned. The plans and specifications for the State of Florida University projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$10,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Sole Point of Contact: The FAU Professional Qualifications Supplement, and the Project Fact Sheet are available online at <http://wise.fau.edu/facilities/uavp/AE-CM-advertise-home.php> or by contacting the University's Sole Point of Contact for this project: Ms. Jill Rosen, Department of Facilities Planning at (561)297-4110, Fax (561)297-2260, or e-mail jrosen58@fau.edu.

From the date of issuance of this Notice until a final selection of a consultant is made or a notice of cancellation is posted, the consultant must not make available or discuss its proposal, or any part thereof, with any member of the Selection Committee, unless permitted by the Sole Point of Contact, in writing, for purposes of clarification only, as set forth herein.

Any individual associated with a consultant who contacts members of the Selection Committee, regarding any aspect of this project, whether such contact be in person, telephone, or through electronic or written correspondence, may be determined to have violated the terms and conditions of this solicitation. If that determination is made, any proposal received from such an individual OR their company may be rejected as non-responsive and not subject to evaluation. If there are any changes or additions to the Sole Point of Contact information at any time in the process, participating consultants will be notified via an addendum to the Notice.

Questions regarding the Notice and/or process should be submitted via fax or email to the Sole Point of Contact. No oral communications shall be considered as a change to the Notice.

FAU may respond to questions deemed by the University to be material in nature via a written addendum to the Notice. Interpretation of the wording of this document shall be the responsibility of the FAU and that interpretation shall be final. All postings referred to in this Notice will be posted electronically on the FAU Facilities website: <http://wise.fau.edu/facilities/uavp/AE-CM-advertise-home.php>. At all times it shall remain the responsibility of the consultants participating in this solicitation to check the website for postings of addenda, short lists, and award decisions. DEPARTMENT OF COMMUNITY AFFAIRS

DCA Final Order No.: DCA08-OR-110A
STATE OF FLORIDA

DEPARTMENT OF COMMUNITY AFFAIRS

In Re: MONROE COUNTY LAND DEVELOPMENT REGULATIONS ADOPTED BY MONROE COUNTY ORDINANCE NO. 002-2008

AMENDED FINAL ORDER

The Department of Community Affairs (the "Department") hereby issues its Final Order, pursuant to §§ 380.05(6), Florida Statutes, and § 380.0552(9), Florida Statutes (2007), rejecting a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

1. The Florida Keys Area is a statutorily designated area of critical state concern, and Monroe County is a local government within the Florida Keys Area.

2. On February 13, 2008 the Department received for review Monroe County Ordinance No. 002-2008 ("Ord. 002-2008"), adopted by Monroe County on January 16, 2008.
3. The purpose of the Ordinance is to adopt amendments to the text of the Monroe County Code to provide incentives to owners of mobile home parks to maintain the property as affordable housing.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are enacted, amended, or rescinded by any local government in the Florida Keys Area of Critical State Concern. § 380.05(6), Florida Statutes, and § 380.0552(9), Florida Statutes (2007).
5. Monroe County is a local government within the Florida Keys Area of Critical State Concern. § 380.0552, Florida Statutes (2007) and Rule 28-29.002 (superseding Chapter 27F-8), Florida Administrative Code.
6. "Land development regulations" include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Florida Statutes (2007). The regulations adopted by Ord. 002-2008 are land development regulations.
7. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles") as set forth in § 380.0552(7), Florida Statutes See Rathkamp v. Department of Community Affairs, 21 F.A.L.R. 1902 (Dec. 4, 1998), aff'd, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.
8. Ord. 002-2008 allows for the transfer of market rate Rate of Growth Ordinance (ROGO) exempt allocations off-site to receiving properties in exchange for maintaining an equal or greater number of deed restricted affordable dwelling units within Monroe County with the sender site either donated or sold to Monroe County, or appropriately deed-restricted. Monroe County would assign affordable housing ROGO allocations from the ROGO pool to the mobile home park in exchange for the underlying land or appropriate long-term deed-restriction.
9. Ord. 002-2008 fails to properly address the transfer of ROGO exempt units and does not limit the receiver sites to Tier III or IIIA properties identified in Section 9.5-120.3, Land Development Regulations, to ensure that no clearing of habitat is required. Ord. 002-2008 fails limit the receiver sites of the ROGO exempt units to areas not located within a Velocity Zone. Ord 002-2008 is inconsistent with the following Principles:
