DEPARTMENT OF EDUCATION

NOTICE TO PROFESSIONAL CONSULTANTS

Florida State University announces that Professional Services in the discipline of Architecture will be required for the project listed below:

- Project No. FS-211
- College of Education Multipurpose Teaching Facility
- Florida State University, Tallahassee, Florida

The project consists of constructing approximately 47,000 gross square feet of indoor tennis courts and support space for the College of Education. The new construction will be built at the University’s southwest campus, adjacent to the newly constructed Morcom Aquatics Center. It is intended that this will allow sharing and blending of site features, such as entry drives and parking. The selected firm will be asked to suggest the optimum building footprint and to manage other aspects of the site design, including adjacency to residential properties, stormwater, and the relationship to future tennis facilities to be constructed on Orange Avenue. Interior components to be considered include court lighting, playing surfaces, and energy efficiency. Indoor environmental quality will be an important aspect of the design, since this project is expected to support the University’s goal of developing sustainable projects. The design professional will be expected to develop the design utilizing LEED concepts and produce a final product capable of achieving LEED certification. The architectural firm will be required to provide design, construction documents and construction administration for the referenced project, which is currently budgeted at \$4,500,000 for construction. The project delivery system will be by construction management. Blanket professional liability insurance will be required for this project in the amount of \$500,000 and must be provided as a part of Basic Services. Location will be scored as follows: Florida firms will receive a score of “1”, and out of state firms will receive a score of “0”.

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a letter of application.

The letter of application must have attached:

1. A completed Florida State University “Professional Qualifications Supplement”, dated August, 2003. Applications on any other form, or on versions dated prior to August 2003, will not be considered.
2. A copy of the applicant’s current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Submit seven (7) copies of the above requested data bound in the order listed above. Applications which do not comply with the above instructions may be disqualified. Application materials will not be returned.

The plans and specifications for State University System projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or

consultant in excess of \$50,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Professional Qualifications Supplement forms, descriptive project information, and selection criteria may be obtained through our website, www.fpc.fsu.edu, or by contacting: Lynetta Mills, Facilities Design and Construction, 109 Mendenhall Building A, Florida State University, Tallahassee, Florida 32306-4152, (850)644-3591 telephone, (850)644-8351 facsimile

For further information on the project, contact Kim Ball, Project Manager, at the address above or at (850)644-1290. Copies of the Program may be obtained at the Applicant's expense by contacting: Target Copy, 635 W. Tennessee St., Tallahassee, FL, (850)224-3007.

Submittals must be received in the above office, by 2:00 p.m. (Local Time), Thursday, July 17, 2008. Facsimile (FAX) or electronic submittals are not acceptable and will not be considered.

NOTICE TO CONSTRUCTION MANAGERS

The University of Central Florida, announces that construction management services will be required for the project listed below:

Project No. UCF-TBD

Project and Location: UCF CREOL HVAC Retrofit, University of Central Florida, Orlando, Florida 32816-3020.

The project consists of the phased HVAC retrofit of the CREOL Building.

The construction cost will be approximately \$3,000,000 +/-.

The contract for construction management services will consist of two phases. Phase one is pre-construction services, for which the construction manager will be paid a fixed fee. Phase one services include value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) at 100% Construction Document phase. If the GMP is accepted, phase two, the construction phase, will be implemented. In phase two of the contract, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts, encouraging the inclusion of Minority Business Enterprises (MBEs). Failure to negotiate an acceptable fixed fee for phase one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement may result in the termination of the construction manager's contract.

Selection of finalists for interviews will be made on the basis of construction manager qualifications, including experience and ability; past experience; bonding capacity; record-keeping/administrative ability; qualification of the firm's personnel, staff and consultants. Finalists will be provided with a copy of the HVAC study and the latest documentation prepared by the project engineer, a description

of the final interview requirements and a copy of the standard University of Central Florida construction management agreement. The Selection Committee may reject all proposals and stop the selection process at any time. The construction manager shall have no ownership, entrepreneurial or financial affiliation with the selected architect/engineer involved with this project.

Firms desiring to provide construction management services for the project shall submit a letter of application and a completed University of Central Florida "Construction Manager Qualifications Supplement." Proposals must not exceed 40 pages, including the Construction Manager Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals which do not comply with these requirements or do not include the requested data will not be considered. No submittal material will be returned.

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of placement on the convicted vendor list.

The Construction Manager Qualifications Supplement forms and the Project Fact Sheet may be obtained by contacting: Gina Seabrook, Office of Facilities Planning, University of Central Florida, 4000 Central Florida Boulevard, Orlando, FL 32816-3020, (407)823-2166, Fax (407)823-5141, email gseabroo@mail.ucf.edu.

The project fact sheet for the CREOL HVAC Retrofit may be found on the Facilities Planning home page. Our Internet address is: www.fp.ucf.edu.

Four (4) bound copies of the required proposal data shall be submitted to: Mrs. Gina Seabrook, Facilities Planning, 4000 Central Florida Blvd., Post Office Box 163020, Orlando, FL 32816-3020. Submittals must be received by 5:00 p.m. (Local Time), Tuesday, July 8, 2008. Facsimile (FAX) submittals are not acceptable and will not be considered. Late submissions will not be accepted. The committee members have elected not to meet with proposed firms.

NOTICE TO CONSTRUCTION MANAGERS

New College of Florida announces that construction management services will be required for the project listed below:

Project No.: NCF-03
 Project: Phase I – New Academic/Administration Building
 Phase II – New International and Area Studies Building
 New College of Florida
 Sarasota, Florida

Estimated Construction Budget: Phase I – \$8,480,000
 Phase II – \$1,770,000

Phase I of the project consists of the construction of a new Academic/Administration Building to replace the existing Palmer A, C, D and E buildings on New College Campus

Phase II of the project consists of the construction an academic facility to functions supporting International and Area Studies. It is anticipated that project funding for this Phase will be fully in hand no later than the summer of 2008. However, since Phase II of this project is contingent upon private funding as well as State of Florida appropriations not yet in hand, the project can not proceed until full funding is received. As such, the College reserves the right, at any time, to defer or terminate this project and/or initiate a separate Construction Manager selection process.

The contract for construction management services for each Phase of the work will consist of two phases. Phase one is pre-construction services, for which the construction manager will be paid a fixed fee. Phase one services include value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP). The development of the GMP is planned at the completion of the 50% Construction Document phase. If the GMP is accepted, phase two, the construction phase, will be implemented. In phase two of the contract, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts, encouraging the inclusion of Minority Business enterprises (MBEs). Failure to negotiate an acceptable fixed fee for phase one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement may result in the termination of the construction manager's contract.

RESPONSE DUE DATE: By 4:00 p.m. (Local Time), July 9, 2008

Proposals are to be sent to: Mr. Ken Perlowski, Director, Facilities Planning and Construction, 5800 Bay Shore Road, PHS 104, Sarasota, FL 34243-2109, (941)487-4690.

INSTRUCTIONS

Submit ten (10) bound copies and one (1) PDF copy on a compact disk with a Table of Contents and tabbed sections in the following order:

1. Letter of Interest detailing the firm's qualification to meet the above referenced selection criteria.

2. A current New College Experience Questionnaire and Contractor's Financial Statement.
3. Résumés of proposed staff and staff organizations.
4. Any examples of project reporting manuals, schedules, past experience and examples of similar projects completed by the firm.
5. References from prior clients received within the last five years.

The New College Experience Questionnaire and Contractor's Financial Statement as well as instructions and the project fact sheet are available from New College Facilities Planning and Construction at the address shown on the bottom of this advertisement or may be downloaded from New College's website www.ncf.edu/facilities. Proposals must not exceed 80 pages, including the Construction Manager Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals that do not comply with these requirements or do not include the requested data will not be considered. All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

All proposal information submitted becomes the property of New College of Florida, will be placed on file, and not returned. Applications that do not comply with the instructions set forth above and/or do not include the qualification data required will be considered improper and disqualified. Proposals submitted by qualified firms shall be evaluated in accordance with regulations of the Florida Board of Governors. **SHORTLIST SELECTION PROCESS:** From the proposals selected, the College shall shortlist a minimum of three (3) firms and a maximum of five (5) firms for further interviews.

The selected firm or firms will be required to be registered with MyFloridaMarketPlace before a contract can be executed. However they will be exempt from the one percent fee.

WATER MANAGEMENT DISTRICTS

Approved Surveyor List

To ensure a consistent level of quality in surveying services and reduce administrative costs, the Suwannee River Water Management District (District) is compiling a list of surveyors who are pre-qualified for District assignments. The District expects to choose a diverse group of surveying firms for this list. The list will be reviewed annually and may, at the District's option, be recommended for re-approval for up to two additional years.

Surveyors or surveying firms interested in being considered for District surveying work should complete the Surveyor Respondent Form which is located on the District's website www.mysuwanneeriver.com and return it to: Gwen Lord, Administrative Assistant, Suwannee River Water Management District, 9225 CR 49, Live Oak, FL 32060 prior to 4:00 p.m., July 2, 2008.

A mandatory pre-qualification meeting will be held at 2:00 p.m., June 11, 2008, at District headquarters in Live Oak, Florida. Only those surveyors or surveying firms who attend this meeting will be considered for the Approved Surveyor List.

The selection committee will present its list of qualified appraisers to the Governing Board for approval at the August 12, 2008, Governing Board meeting.
