DEPARTMENT OF EDUCATION

NOTICE TO PROFESSIONAL CONSULTANTS:

The University of Florida Board of Trustees announces that Professional Services in the discipline of architecture will be required for the project listed below:

Project: UF-331, Southwest Recreational Center Expansion (Gainesville, FL)

The project consists of proposed project is for a 37,000 GSF addition, and renovation of 6,600 GSF to the Southwest Recreational Center. The construction/renovation of the facilities is necessary to fulfill a growing demand for intramural sports, personal training, and other recreation sports uses. The current facilities are used extensively with daily overcrowding and lines formed for use of the equipment and facilities. The proposed project will alleviate the immediate problem and establish a framework for future growth and ultimate build-out of the complete recreation sports center complex.

The estimated construction budget is approximately \$11M. The project will be delivered using the Construction Manager At-Risk method. A minimum of Silver LEED (Leadership in Energy and Environmental Design) certification by the U.S. Green Building Council is mandatory.

The selected firm will provide design, construction documents and construction administration services for the referenced project. Blanket professional liability insurance will be required for this project in the amount of \$2,000,000, and will be provided as a part of Basic Services. Plans and specifications for University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

Applicants will be evaluated on the basis of their past performance, location, related experience, personnel, design ability, references, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

At the time of application, the applicant and engineering consultants must possess current design licenses from the appropriate governing board and be properly registered to practice its profession in the State of Florida. If the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida.

Applicants desiring to provide professional services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be limited to 40 single-sided, consecutively-numbered pages OR 20 double-sided, consecutively-numbered pages and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, design intent, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. A completed, project-specific "Professional Qualifications Supplement" (PQS) proposal with signed certification. Applications on any other form will not be considered.
3. Resumes, LEED accreditation, and other pertinent credentials for all proposed staff (applicant and consultants).
