Variance or Waiver
Petitions and Dispositions Regarding Rule

DEPARTMENT OF LAW ENFORCEMENT

NOTICE IS HEREBY GIVEN THAT on October 7, 2008, the Criminal Justice Standards and Training Commission, has issued an order.

The order grants the petition for waiver of subsection 11B-27.002(4), F.A.C., requested by St. Petersburg Police Department and Mr. Christopher Dixon. The rule requires Petitioner Dixon to become employed within four years of beginning basic recruit training. The Petitioner's request to be permitted to become certified despite being over the four-year limit was granted upon consideration of all of the evidence presented. The Commission found that the strict application of the rule to the Petitioner's case would violate the principles of fairness and cause substantial hardship to Petitioner Dixon, the St. Petersburg Police Department, and the St. Petersburg community. The Petitioner was granted seven months from the date of this order to complete the employment process with the St. Petersburg Police Department.

A copy of the Order may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302-1489, (850)410-7676.

NOTICE IS HEREBY GIVEN THAT on October 7, 2008, the Criminal Justice Standards and Training Commission has issued an order.

The order grants the petition for waiver of subsection 11B-27.00212(14), F.A.C., requested by Metropolitan Police Institute, Miami-Dade Police Department and Roberto A. Gonzalez. The rule requires all law enforcement officers to complete firearms training by June 30, 2008, and every two years thereafter. Petitioner Gonzalez was injured on duty and failed to meet his qualification on time. When he returned to duty, he had a "break-in-service" for the few weeks between June 30, 2008, and the day he returned to duty. The Petitioners wished to have this "break-in-service" deleted from Petitioner Gonzalez's officer records. The petition was granted upon consideration of all of the evidence presented. The Commission found that the strict application of the rule to the Petitioner's case would violate the principles of fairness and

cause substantial hardship to the Petitioners. The "break-in-service" was ordered removed from Petitioner Gonzalez's records.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

Notices for the Department of Environmental Protection between December 28, 2001 and June 30, 2006, go to <http://www.dep.state.fl.us/> under the link or button titled "Official Notices."

NOTICE IS HEREBY GIVEN THAT on September 12, 2008, the Florida Department of Environmental Protection has issued an order.

On April 28, 2008, the Department received a petition from Freeport 860, LLC, for a waiver under Section 120.542, Florida Statutes, from the provisions of subsection 62-312.080(7), Florida Administrative Code, which restricts the Department when issuing a permit for dredging and filling in Class II or III waters approved for shellfish harvesting. Notice of receipt of this petition and a corrected notice of receipt were published in the Florida Administrative Weekly on May 16 and May 30, 2008. No public comment was received. The Department entered a final order (OGC File No. 08-0771) granting the petition for a waiver for construction of an eight slip multi-family dock, because the petitioner demonstrated that the purpose of the underlying statute to protect shellfish waters and public consumption of shellfish would be achieved by other means and that application of the rule would violate principles of fairness. This notice corrects the original notice of disposition published in the Florida Administrative Weekly on October 3, 2008 (Vol. 34, No. 40), which inadvertently left out the name of the petitioner.

A copy of the Order may be obtained by contacting: Susan Radford, Florida Department of Environmental Protection, Northwest District Office, 160 Governmental Center, Pensacola, Florida 32501, (850)595-8300, ext. 1133.

NOTICE IS HEREBY GIVEN THAT on October 8, 2008, the Department of Environmental Protection, Bureau of Beaches and Coastal Systems has issued an order.

A petition for a variance was received from Lewis Barton on June 11, 2008, and a subsequent Notice was published in the Florida Administrative Weekly on September 5, 2008. The petition requested a variance from the criteria contained in subsection 62B-33.013(3), F.A.C., which provides for one three-year time extension to complete activities permitted by the Department. No public comment was received. The Order, file number IR-522M2 V, granted the variance request based on a showing that Petitioner demonstrated that a strict application of the rule would result in substantial technical and legal hardship to the Petitioner. The petitioner has also demonstrated that a time extension of the permit expiration date is consistent with the intent of the statute in that it allows DEP to authorize completion of the construction subject to the facts and circumstances surrounding the application.

A copy of the Order may be obtained by contacting: Rosaline Beckham at (850)488-7815, Department of Environmental Protection, Bureau of Beaches and Coastal Systems, 3900 Commonwealth Blvd., MS 300, Tallahassee, Florida 32399, or by e-mail at: rosaline.beckham@dep.state.fl.us.
