In re: MONROE COUNTY LAND  
DEVELOPMENT REGULATIONS ADOPTED  
BY MONROE COUNTY  
ORDINANCE NO. 019-2008

FINAL ORDER

The Department of Community Affairs (the "Department") hereby issues its Final Order, pursuant to Section 380.05(6), Florida Statutes, and Section 380.0552(9), Florida Statutes (2007), approving a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

1. The Florida Keys Area is a statutorily designated area of critical state concern, and Monroe County is a local government within the Florida Keys Area.
2. On September 23, 2008, the Department received for review Monroe County Ordinance No. 019-2008 ("Ord. 019-2008"), adopted by Monroe County on August 20, 2008.
3. The purpose of the Ordinance is to amend Section 9.5-266 of the Monroe County Code to increase the deed restriction period for affordability for inclusionary housing to 99 years; eliminating the average square footage requirement while maintaining the minimum square footage requirement for affordable dwelling units.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are enacted, amended, or rescinded by any local government in the Florida Keys Area of Critical State Concern. Section 380.05(6), Florida Statutes, and Section 380.0552(9), Florida Statutes (2007).
5. Monroe County is a local government within the Florida Keys Area of Critical State Concern. Section 380.0552, Florida Statutes (2007) and Rule 28-29.002 (superseding Chapter 27F-8), Florida Administrative Code.
6. "Land development regulations" include local zoning, subdivision, building, and other regulations controlling the development of land. Section 380.031(8), Florida Statutes (2007). The regulations adopted by Ord. 019-2008 are land development regulations.
7. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles") as set forth in Section 380.0552(7), Florida Statutes. See *Rathkamp v. Department of Community Affairs*, 21 F.A.L.R. 1902 (Dec. 4, 1998), *aff'd*, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.
8. Ord. 019-2008 promotes and furthers the following Principles:
  - (a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.
  - (d) To ensure the maximum well being of the Florida Keys and its citizens through sound economic development.
  - (j) To make available adequate affordable housing for all sectors of the population of the Florida Keys.
9. Ord. 019-2008 is consistent with the Principles for Guiding Development as a whole.
10. Ord. 019-2008 is consistent with the Monroe County Comprehensive Plan Goal 601, relating to the adoption of programs and policies to facilitate access by all current

and future residents to adequate and affordable housing; Policy 601.1.12, encouraging density bonuses, impact fee waiver programs and other possible regulations to encourage affordable housing; Objective 601.2, to adopt programs and policies to encourage housing of various types, sizes and price ranges to meet the demands of current and future residents; and Objective 601.6, to formulate affordable housing implementation programs.

WHEREFORE, IT IS ORDERED that Ord. 019-2008 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Weekly unless a petition is filed as described below.

DONE AND ORDERED in Tallahassee, Florida.
