

treatment plant staffing requirements in subsection 62-699.311(10), F.A.C. Petitioner petitioned for, and requested, the variance in order to provide a level of water treatment plant operator staffing that is less than what is required or allowed by the above rules. The notice of receipt of the petition was published in the Florida Administrative Weekly on September 19, 2008. No public comment was received. Petitioner demonstrated that this variance was appropriate and meets the underlying purpose of the statutes, which is protection of public health, because Petitioner can properly operate its water treatment plants by staffing them at the level discussed in the Petition and request. Petitioner demonstrated a substantial hardship because a strict application of the above rules would result in a significant amount of unneeded staffing at Petitioner's water treatment plants, resulting in a financial hardship to the Petitioner.

A copy of the Order may be obtained by contacting: Virginia Harmon, DEP, MS #3520, 2600 Blair Stone Rd., Tallahassee, FL 32399-2400, (850)245-8630.

1. The issuer shall not cancel or nonrenew the policy solely on the ground of health status of the individual.

2. The issuer shall not cancel or nonrenew the policy for any reason other than nonpayment of premium or material misrepresentation.

3.a. If the Medicare supplement policy is terminated by the group policyholder and is not replaced as provided under subparagraph 69O-156.0075(1)(e)5., F.A.C., the issuer shall offer certificateholders an individual Medicare supplement policy which, at the option of the certificateholder:

(I) Provides for continuation of the benefits contained in the group policy; or

(II) Provides for benefits that otherwise meet the requirements of this rule.

b. In either case, if the group policy was issued on an issue age basis, the individual Medicare supplement policy is issued at the original issue age of the terminated certificateholder, and is at the duration of the terminated certificate at the time of conversion.

4. If an individual is a certificateholder in a group Medicare supplement policy and the individual terminates membership in the group, the issuer shall:

a. Offer the certificateholder the conversion opportunity described in subparagraph 69O-156.0075(1)(e)3., F.A.C.; or

b. At the option of the group policyholder, offer the certificateholder continuation of coverage under the group policy.

5.a. If a group Medicare supplement policy is replaced by another group Medicare supplement policy purchased by the same policyholder, the issuer of the replacement policy shall offer coverage to all persons covered under the old group policy on its date of termination. Coverage under the new policy shall not result in any exclusion for preexisting conditions that would have been covered under the group policy being replaced.

b. If the terminated group policy was issued on an issue age basis and the policy reserves are transferred to the new insurer, the new group certificates shall retain the original issue ages of the insureds and shall commence at the same duration as the terminated certificates.

6. If an individual Medicare supplement policy/certificate is issued to replace an existing issue age rated policy/certificate of the same insurer, the replacing policy/certificate shall be issued at the original issue age of the policyholder/certificateholder, and is at the duration of the terminated policy/certificate at the time of replacement.

(f) Termination of a Medicare supplement policy or certificate shall be without prejudice to any continuous loss which commenced while the policy was in force, but the extension of benefits beyond the period during which the policy was in force may be conditioned upon the continuous total disability of the insured, limited to the duration of the policy benefit period, if any, or payment of the maximum benefits. Receipt of Medicare Part D benefits will not be considered in determining a continuous loss.

(g)1. A Medicare supplement policy or certificate shall provide that benefits and premiums under the policy or certificate shall be suspended at the request of the policyholder or certificateholder for the period (not to exceed twenty-four (24) months) in which the policyholder or certificateholder has applied for and is determined to be entitled to medical assistance under Title XIX of the Social Security Act, but only if the policyholder or certificateholder notifies the issuer of the policy or certificate within ninety (90) days after the date the individual becomes entitled to assistance.

2. If suspension occurs and if the policyholder or certificateholder loses entitlement to medical assistance, the policy or certificate shall be automatically reinstated (effective as of the date of termination of entitlement) as of the termination of entitlement if the policyholder or certificateholder provides notice of loss of entitlement within

ninety (90) days after the date of loss and pays the premium attributable to the period, effective as of the date of termination of entitlement.

3. Each Medicare supplement policy shall provide that benefits and premiums under the policy shall be suspended (for any period that may be provided by federal regulation) at the request of the policyholder if the policyholder is entitled to benefits under Section 226 (b) of the Social Security Act and is covered under a group health plan (as defined in Section 1862 (b)(1)(A)(v) of the Social Security Act). If suspension occurs and if the policyholder or certificateholder loses coverage under the group health plan, the policy shall be automatically reinstated (effective as of the date of loss of coverage) if the policyholder provides notice of loss of coverage within ninety (90) days after the date of the loss and pays the premium attributable to the period, effective as of the date of termination of enrollment in the group health plan.

4. Reinstitution of coverages as described in Subparagraphs 2. and 3.:

1. Shall not provide for any waiting period with respect to treatment of preexisting conditions;

2. Shall provide for resumption of coverage that is substantially equivalent to coverage in effect before the date of suspension; and

3. Shall provide for classification of premiums on terms at least as favorable to the policyholder or certificateholder as the premium classification terms that would have applied to the policyholder or certificateholder had the coverage not been suspended.

(2) Standards for Basic (Core) Benefits Common to Medicare Supplement Insurance Benefit Plans A, B, C, D, F, F with High Deductible, G, M, and N. Every issuer of Medicare supplement insurance benefit plans shall make available a policy or certificate including only the following basic "core" package of benefits to each prospective insured. An issuer may make available to prospective insureds any of the other Medicare Supplement Insurance Benefit Plans in addition to the basic core package, but not in lieu of it.

(3) Standards for Additional Benefits. The following additional benefits shall be included in Medicare supplement benefit Plans B, C, D, F, F with High Deductible, G, M, and N as provided by Rule 69O-156.0085, F.A.C.

(f) Medically Necessary Emergency Care in a Foreign Country: Coverage to the extent not covered by Medicare for eighty percent (80%) of the billed charges for Medicare-eligible expenses for medically necessary emergency hospital, physician and medical care received in a foreign country, which care would have been covered by Medicare if provided in the United States and which care began during the first sixty (60) consecutive days of each trip outside the United States, subject to a calendar year deductible of \$250, and a lifetime maximum benefit of \$50,000. 69O-156.020 Prohibition Against Use of Genetic Information and Requests for Genetic Testing.

This rule applies to all policies and certificates with policy years beginning on or after May 21, 2009.

(1) An issuer of a Medicare supplement policy or certificate:

(a) Shall not deny or condition the issuance or effectiveness of the policy or certificate (including the imposition of any exclusion of benefits under the policy based on a preexisting condition) on the basis of the genetic information with respect to such individual; and

(b) Shall not discriminate in the pricing of the policy or certificate (including the adjustment of premium rates) of an individual on the basis of the genetic information with respect to such individual.

(2) Nothing in subsection 69O-156.020(1), F.A.C., shall be construed to limit the ability of an issuer, to the extent otherwise permitted by law, from:

(b) Increasing the premium for any policy issued to an individual based on the manifestation of a disease or disorder of an individual who is covered under the policy (in such case, the manifestation of a disease or disorder in one individual cannot also be used as genetic information about other group members and to further increase the premium for the group).

(3) An issuer of a Medicare supplement policy or certificate shall not request or require an individual or a family member of such individual to undergo a genetic test.

(4) Subsection 69O-156.020(3), F.A.C., shall not be construed to preclude an issuer of a Medicare supplement policy or certificate from obtaining and using the results of a genetic test in making a determination regarding payment (as defined for the purposes of applying the regulations promulgated under part C of title XI and section 264 of the Health Insurance Portability and Accountability Act of 1996, as may be revised from time to time) and consistent with subsection 69O-156.020(1), F.A.C.

1. Compliance with the request is voluntary; and

2. Non-compliance will have no effect on enrollment status or premium or contribution amounts.

(c) No genetic information collected or acquired under this Subsection shall be used for underwriting, determination of eligibility to enroll or maintain enrollment status, premium rates, or the issuance, renewal, or replacement of a policy or certificate.

(d) The issuer notifies the Secretary in writing that the issuer is conducting activities pursuant to the exception provided for under this Subsection, including a description of the activities conducted.
