**NOTICE TO PROFESSIONAL CONSULTANTS:**

The University of Florida Board of Trustees announces that Professional Services in the disciplines of engineering and architecture for Total Building Commissioning will be required for the project listed below:

Project: UF-352, Florida Innovation Hub at UF (City of Gainesville, Florida)

This facility is programmed to be approximately 46,000 GSF. The major part of this facility will serve as a business incubator for the many new companies being developed around university discoveries. It will provide flexible dry and wet laboratory and office space and a number of spaces for common use. The facility will also house a UF program that brings together the many components critical to expediting new company formation in our state. The scope of services shall include design phase peer review, maintenance of the Owner's Project Requirement (OPR) document, development of the Commissioning Plan and Commissioning Specifications, and construction phase pre-functional, functional, and performance testing for mechanical, electrical, building automation and all associated point connections for plumbing and fire protections, and building envelope systems and

completion of systems manual. The consultant shall also support project efforts to achieve higher-than-normal energy efficiency and attain minimum GOLD LEED certification.

Blanket professional liability insurance will be required from the applicant and ALL sub-consultants for this project in the amount of \$1,000,000.00 each.

**INSTRUCTIONS:**

Firms desiring to apply for consideration shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet for Commissioning Consultants, and other background information. The proposal shall be limited to 10 double-sided, consecutively-numbered pages, with no hard covers, no laminated sheets, no plastic dividers, and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services.
2. A completed Commissioning Services Proposal Form using the project-specific version available at the UF Facilities Planning and Construction website. Applications on any other form will not be considered.
3. Resumes and copies of the applicant's (each firm's) current Professional Registration Certificate(s) from the appropriate governing board, a copy of corporate charter(s) if applicable, LEED accreditation, and other pertinent credentials.

At the time of application, the applicant must possess current design Professional Registration Certificate(s) from the appropriate governing board; must be properly registered to practice its profession in the State of Florida; and, if the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida. As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected applicant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Incomplete proposals will be disqualified. Submittal materials will not be returned.

Additional information to assist the applicant in preparing a complete proposal, including the Commissioning Services Proposal Form, Project Fact Sheet, UF Design Services Guide, UF Design and Construction Standards, FP&C non-technical specifications, standard University of Florida Owner-Commissioning Consultant agreement, and other project and process information can be found on the Facilities Planning and Construction website. Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received in the Facilities Planning and Construction office by 3:00 p.m. (Local Time), November 13, 2009. Facsimile (FAX) submittals are not acceptable and will not be considered.

#### NOTICE TO CONSTRUCTION MANAGERS

The Florida International University Board of Trustees announces that construction management services are required for the project identified below:

**PROJECT NAME & NUMBER:** BT-876 Science Classroom Complex

**PROJECT LOCATION:** Modesto A. Maidique Campus (MMC), Miami, Florida

**PROJECT DESCRIPTION:** The Science Classroom Complex will provide specialized classrooms for teaching science, vivarium, BSL2 labs, flexible research space, scientific receiving and stock room, study rooms for graduate student cubicles, offices, and faculty/student gathering spaces that promote collaborative work. A Data Center will provide the technology backbone for the Academic Health Science Center (AHSC). Chem-Store, Scientific Receiving and Stock Room areas will provide regulatory compliant management of scientific materials, equipment, and chemicals (including but not limited to flammable and hazardous chemical, biological and radiological materials) serving as the transit point for the receipt, temporary storage, tracking, distribution, and/or transfer to hazardous materials haulers for the AHSC. The project consists of site development and construction of a multi-story facility sited north of the existing Chemistry-Physics Building #09. The building will connect at the fifth level via a bridge to the new College of Nursing and Health Sciences. Completion for this project is slated for May of 2012. The firm of Perkins + Will is the Architect of Record for the Project, which is currently in the Programming Phase.

The total building construction cost is approximately \$35.2 million with a total gross square footage of 121,000. Total funding is in the amount of \$50,000,000 of PECO funds.

**INSTRUCTIONS:** Firms desiring to provide construction management services for the project shall submit a letter of application and a completed Construction Manager Qualifications Supplement form. Proposals must not exceed 80 pages, including the Construction Manager Qualifications Supplement and letter of application. Pages must be numbered

consecutively. Submittals, which do not comply with these requirements or do not include the requested data, will not be considered. No submittal material will be returned.

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Submit seven (7) bound copies of the required proposal data and one CD copy of the complete proposal in Adobe Acrobat PDF format of the above requested data bound in the order listed. Applications that do not comply with the above instructions will not be considered. Application material will not be returned. The University reserves the right to suspend or discontinue the selection process at any time and to return or reject any or all submissions of qualifications without obligation to the respondent. The award of this contract is subject to availability of funds.

The Construction Manager Qualifications Supplement (CMQS) form and the Project Fact Sheet, which describes the selection process schedule for this Project and additional information regarding the Project scope, may be obtained from the web-site: <http://facilities.fiu.edu/projects/BT-876.htm>. Requests for meetings by individual firms will not be granted. Once the firm acquires the required forms, questions may be directed to: Real Estate Development and Planning at (305)348-4090 or via email: [griffith@fiu.edu](mailto:griffith@fiu.edu).

**SUBMIT QUALIFICATIONS TO:** Selection Committee, Florida International University, Real Estate Development and Planning, Campus Support Complex, 11555 S. W. 17th St., Room #142, Modesto A. Maidique Campus, Miami, Florida 33199. Submittals must be received between 8:30 a.m. and 12:30 p.m. or 1:30 p.m. and 4:00 p.m. (Local Time), Friday, November 20, 2009.

Submittals will not be accepted before or after the times and date stated above. Facsimile (FAX) submittals are not acceptable and will not be considered.

### DEPARTMENT OF TRANSPORTATION

To ensure adequate time has been allowed for the public to provide comments on the concept of a Pilot Project on Interstate 75 between the Georgia State Line and the beginning of the Turnpike at Wildwood, the Department of Transportation announces an extension of the comment period to Friday, October 30, 2009. The pilot project is intended to result in a general reduction in the number of non-conforming outdoor advertising billboards in the sensitive scenic areas on the corridor. The pilot will also test a potential change in Federal regulations which currently prohibit modifications to a non-conforming sign. Under the pilot the Department will allow one-time modifications to non-conforming signs in lesser impacted areas when signs are removed from the more sensitive areas. It is anticipated that this pilot will result in a corridor with a much improved visual character, making it more attractive to motorists.

A copy of the draft pilot project document may be obtained from the Department's web site at <http://www.dot.state.fl.us/rightofway/documents/I75PILOTPROJECT10052009.pdf> by writing: Ms. Juanice Hagan, Florida Department of Transportation, Office of Right of Way, 605 Suwannee Street, Mail Station #22, Tallahassee, Florida 32399-0450, or by e-mail: [Juanice.Hagan@dot.state.fl.us](mailto:Juanice.Hagan@dot.state.fl.us).
