RULE NO.: RULE TITLE:
60BB-2.025 Reports Required of Liable Employers; Filing of Reports by Electronic Means

NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the proposed rule in Vol. 35, No. 48, December 4, 2009 issue of the Florida Administrative Weekly.

The Summary of Statement of Estimated Regulatory Costs should say:

The agency has determined that this rule will have an impact on small business. A SERC has been prepared by the agency. The agency will upgrade a position to handle the additional workload created by the legislation. That upgrade will be federally funded, so rule changes will have no impact on agency costs. The Agency does not anticipate any direct or indirect additional cost to other state and local government entities as a result of the rule amendment. It is not expected that the proposed changes will result in any increase or decrease in the amount of wages subject to unemployment compensation taxes, and thus should have no impact on state or local revenues. The proposed rule changes increase the frequency of reporting from biannual to quarterly and amend the information that must be reported. Employee leasing companies with 30 or more client companies will be required to file the report electronically with the United States Bureau of Labor Statistics. The cost of submitting electronic reports will vary depending on the existing capabilities of each employee leasing company. The Agency believes that the following factors will impact costs: a) Whether an employee leasing company currently has the capability to file electronic reports; b) The cost to design, program, and test an electronic data system; c) The cost to contract out the services to a private vendor to develop the technical design, and perform the necessary programming and testing; and d) For those employee leasing companies that already use an outside vendor for reporting, the cost to develop a system to submit these reports. Employee leasing companies with less than 30 client companies may file the required report by submitting a completed paper form to the Agency. The U.S. Bureau of Labor Statistics estimates that it takes one hour to complete the form. This should result in minimal cost to those employee leasing companies that file paper reports. The proposed rule changes are not expected to impact municipalities or counties.

Any person who wishes to provide information regarding the statement of estimated regulatory costs, or to provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS: Karen Bishop, Assistant General Counsel, Agency for Workforce Innovation, Office of General Counsel, 107 East Madison Street, MSC #110, Tallahassee, Florida 32399-4128, (850)245-7150

12DER09-15 Disclosure and Certification of Compliance; Filing of Documents Relating to Millage Levy Compliance Commencing 2009

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Chapter 2008-173 (Senate Bill 1588), Laws of Florida, authorized the Department of Revenue to adopt emergency rules that could remain in effect for 18 months and that could be renewed. These acts further provided that all conditions imposed by Chapter 120, Florida Statutes, were deemed to be met.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: The Legislature expressly authorized the Department of Revenue to adopt emergency rules that implement the provisions of and Chapter 2008-173 (Senate Bill 1588), Laws of Florida. The law provides that these emergency rules remain in effect for a period of 18 months and that they may be renewed. The forms included here are based on the requirements of Chapter 2008-173 (Senate Bill 1588), Laws of Florida, as passed by the Legislature, and will replace the forms used in previous years. The Department of Revenue has taken several actions to inform interested parties about the forms, procedures, and emergency rules that are being developed to implement this new law, and to give such parties an opportunity to review and comment. These interested parties include Property Appraisers and the professional associations that represent them, taxing authorities, including counties, municipalities, and independent districts, school districts, their associations, and practitioners who have told the Department that they want to receive all information associated with property tax rulemaking. The actions that the Department has taken include: making the proposed drafts available via the Internet for public review and comments, establishing a new Department email address to make it easier for interested parties to submit comments and questions to the agency; emailing copies of the draft forms to interested parties, as well as receiving and incorporating public comments on the drafts of forms.

SUMMARY: Chapter 2008-173 (Senate Bill 1588), Laws of Florida, authorized the Department of Revenue to adopt emergency rules that could remain in effect for 18 months and that could be renewed. The purpose of these emergency rules is to renew previous emergency rules on the same subject matter. These rules renew and replace emergency rules as listed, and these rules will remain in effect during the pendency of procedures to adopt rules addressing the subject matter of these emergency rules. Rule 12DER09-06 (Denials and Late Filed Applications for Transfer of Assessment Limitation Differential (Portability)) will replace Rule 12DER08-25. This rule provides the procedure and forms for applicant taxpayers
