NOTICE TO CONSTRUCTION MANAGERS

Florida State University announces that construction management services will be required for the continuing service contract listed below:

Project and Location: Minor Projects

Florida State University
Tallahassee, Florida

Project Description: The construction manager will be a single point of responsibility for performance of minor project construction contracts, functioning as an independent contractor; publicly bidding trade contracts. The construction manager may be required to perform a project utilizing the Design/Build method of delivery. A minor project is defined as a project with a construction budget estimated to be less than \$2,000,000 or studies for which the fee for professional

services is \$200,000 or less. Accordingly, the selected firm(s) minimum bonding capacity should be \$2,000,000 and be sufficient to contract multiple concurrent projects. The University intends to award multiple contracts for the upcoming fiscal year through June 30, 2011 with an option to renew for two additional one year periods.

Selection of finalists for interviews will be made on the basis of construction manager qualifications, including experience and ability; past experience; bonding capacity; record-keeping /administrative ability, critical path scheduling expertise; cost estimating; cost control ability; quality control capability; qualification of the firm's personnel, staff and consultants. Finalists will be provided with a description of the final interview requirements and a copy of FSU's standard construction management agreement for minor projects. The Selection Committee may reject all proposals and stop the selection process at any time. The construction manager shall have no ownership, entrepreneurial or financial affiliation with the architect/engineers under contract with the University to provide services on minor projects.

INSTRUCTIONS:

Firms desiring to provide construction management services for the project shall submit a letter of application and the completed Florida State University "Construction Manager Qualifications Supplement." Proposals must not exceed 80 pages, including the Construction Manager Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals that do not comply with these requirements or do not include the requested data will not be considered. No submittal material will be returned. All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application.

The Florida State University Construction Manager Qualifications Supplement form and the Project Fact Sheet may be obtained on line at: www.fpc.fsu.edu or by contacting: Lynetta Mills, Facilities Design & Construction, 109 Mendenhall Building A, Florida State University, Tallahassee, FL 32306-4152, (850)644-2843, (850)644-8351 Facsimile.

Five (5) bound copies of the required proposal data shall be submitted. Submittals must be received at the above location by 2:00 p.m. (Local Time), Tuesday, March 16, 2010. Facsimile (FAX) submittals are not acceptable and will not be considered.

For further information on campus service projects, contact: Bill Lamb at the address and phone number above. The plans and specifications for campus service projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for

a public entity crime committed within the past 36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$50,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

NOTICE TO PROFESSIONAL CONSULTANTS

Florida State University, State of Florida, announces that professional services for minor projects are required in the discipline of civil engineering. Minor projects are specific projects for construction, renovation, alterations or additions that have a basic construction budget estimated to be \$2,000,000 or less; or studies for which the fee for professional services is \$200,000 or less. Campus Service contracts for minor projects provide that the consultant will be available on an as-needed basis. The University intends to award multiple contracts for the upcoming fiscal year through June 30, 2011. At the option of the University and the consultant, the contract may be renewed for up to two additional one year periods.

INSTRUCTIONS:

Firms desiring to provide professional services shall apply by letter specifying the campus service agreement for which they are applying. Proximity of location will be a prime factor in the selection of the firm.

Attach to each letter of application:

1. A completed Florida State University "Professional Qualifications Supplement," August, 2003. Applications on any other form, on versions dated prior to August, 2003 or exceeding the 40 page limit will not be considered.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered in the State of Florida to practice the required profession at the time of application. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit five (5) copies of the above requested data bound in the order listed above. Applications that do not comply with the above instructions will not be considered. Application material will not be returned.

Submittals must be received at the above location, by 2:00 p.m. (Local Time), Wednesday, March 17, 2010. Facsimile (FAX) submittals are not acceptable and will not be considered.

Professional Qualification Supplements, descriptive project information, and selection criteria may be obtained through our website: www.fpc.fsu.edu or by contacting: Lynetta Mills, Facilities Design & Construction, 109 Mendenhall Building A, Florida State University, Tallahassee, Florida 32306-4152, (850)644-2843, (850)644-8351 Facsimile.

For further information on campus service projects, contact: Bill Lamb at the address and phone number above.

The plans and specifications for campus service projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$50,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

CALL FOR QUALIFICATIONS

ATHLETIC FACILITIES MASTER PLAN – 09PQS-18ES

The University of West Florida Board of Trustees is soliciting sealed Professional Qualifications submittals for design services for an Athletic Facilities Master Plan. The selected firm will provide professional services to conduct a comprehensive assessment of the current and future needs of the University’s athletic program and develop an Athletic Department Facilities Master Plan that will serve as the facilities “road map” for its strategic planning, design, budget and construction into the future.

The UWF Professional Qualifications Solicitation (UWF-PQS) outlines the minimum requirements the firm will submit for this proposed master-planning design service. The solicitation, project fact sheet and related information may be downloaded from <http://uwf.edu/procurement>.

A formal presentation to the evaluation committee will be required from each firm short-listed as a part of the selection process. Short listed applicants will be informed of the final interview date, time, and place and will be provided additional project information, if available.

Sealed submittals will be received until February 25, 2010, 2:00 p.m. (CST), Department of Procurement and Contracts, Bldg. 90, Room 133, University of West Florida, 11000 University Parkway, Pensacola, FL 32514.

Solicitation number 09/PQS-18/ES must be marked on outside of sealed submittal. The University will not be responsible for unopened submittals when the package is not properly identified.

All inquiries must be submitted in writing: Elaine Smith at email: etsmith@uwf.edu.

NOTICE TO PROFESSIONAL CONSULTANTS

The Florida International University Board of Trustees announces that Professional Services in the discipline of BUILDING CODE PLANS REVIEW AND CONSTRUCTION INSPECTION will be required for all projects at FIU.

Project Location: Modesto A. Maidique Campus (MMC), Biscayne Bay Campus (BBC), Engineering Center (EC), and Wolfsonian Museum & Annex.

Project Description: This Continuing Services Contract will support the University’s comprehensive program for compliance with the Florida Building Code (FBC), as required by Chapter 553, Florida Statutes, and the current edition of the FBC. These services will be required for the University’s construction program for new, remodeled, renovated and altered buildings. Specific services will include plans review for code compliance and inspection of construction activities per each discipline of the FBC.

Instructions:

Professional Qualifications: Employees of consultants or sub-consultants who are providing these services must have the appropriate State of Florida license to perform building code plans review, and/or building inspections as per the license categories and requirements of Chapter 468, Florida Statutes.

Term of Contract: Any contract resulting from the selection of a professional consultant (or consultants) to provide these services shall require the consultant to be available on an as-needed basis for the Fiscal Year, July1 – June 30. Two (2) contracts will be awarded to two (2) different firms. This will be a multiple award contract for an initial period of one-year with Owner’s option to renew the contract, at its sole discretion, for additional one-year periods, however, in no event to exceed a total of five successive years.

Firms desiring to provide professional services shall apply by letter specifying their area(s) of specialty and their intent to provide services for those specialties. Proximity of location will be a prime factor in the selection of the firm. Design ability will not be considered for this selection. Blanket professional liability insurance will be required per the following State University System requirements. This professional liability insurance shall be provided as a part of Basic Services:

Projects < \$1,000,000	no coverage required
\$1,000,000 to \$4,999,999	\$250,000 required
\$5,000,000 to \$9,999,999	\$500,000 required
Projects \$10,000,000 and up	\$1,000,000 required
Projects > \$15,000,000 and special risk projects,	limits set individually

Firms desiring to apply for consideration shall submit a letter of application. The letter of application should have attached:

1. A completed “Florida International University Professional Qualifications Supplement (FIUPQS).” FORMER BOARD OF REGENTS PQS FORMS ARE NO LONGER ACCEPTED. The official FIUPQS forms must be downloaded from the project web site at <http://facilities.fiu.edu/projects/CodeConsultant.htm>. Applications on any other form will not be considered.
2. A copy of the applicant’s current Professional Registration Certificate from the appropriate Governing board. An applicant must be properly registered at the time of application to practice its profession in the State of

Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit Seven (7) bound copies of the required proposal data and one CD copy in Adobe Acrobat PDF format of the requested qualifications to: Selection Committee, Florida International University, Real Estate Development and Planning, Campus Support Complex, 11555 S. W. 17th St., Room CSC142, Modesto A. Maidique Campus, Miami, Florida 33199.

Applications that do not comply with the above instructions will not be considered. Application material will not be returned. The University reserves the right to suspend or discontinue the selection process at any time and to return or reject any or all submissions of qualifications without obligation to the respondent.

Any plans and specifications prepared by the consultant are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

The Project Fact Sheet, describes the selection process schedule for this Project and additional information regarding the Project scope, and may be obtained from the project web site <http://facilities.fiu.edu/projects/CodeConsultant.htm>.

In order to minimize the possibility of unethical pressures or influences on the recommendations of the Selection Committee, direct contact with the committee members is not permitted. Requests for meetings by individual firms will not be granted. Committee members and selection schedule milestone dates can be found in the Project Fact Sheet.

Any question or explanation desired by an applicant regarding the project or any part of the process must be requested in writing to griffith@fiu.edu or via Fax: (305)348-0579. Responses to questions and requests for information will be posted on the project web site. An effort will be made to respond to all applicant questions; however, the University is not obligated to and may choose not to answer every question. The last day questions or inquiries will be considered for this project is Wednesday, March 10, 2010, 12:00 Noon.

Should a change in schedule become necessary, updated information will be posted on the project web site: <http://facilities.fiu.edu/projects/CodeConsultant.htm>.

All future notices will be posted on the web site. Applicants should check the web site daily.

Submittals must be received between 8:30 a.m. – 12:30 p.m. or 1:30 p.m. – 4:00 p.m. (Local Time), Tuesday, March 16, 2010. Submittals will not be accepted before or after the times and date stated above. Facsimile (FAX) submittals are not acceptable and will not be considered.

WATER MANAGEMENT DISTRICTS

Request for Proposals 09/10-018 LM

NON-NATIVE, INVASIVE WEED CONTROL

The Suwannee River Water Management District (District) is seeking proposals for treatment of terrestrial non-native, invasive weeds that are classified by the Florida Exotic Pest Plant Council as Categories I and II on District-owned lands. Proposals should be based on hourly rates. Treatment for the widely scattered and relatively small infestations will require either chemical or mechanical methods and shall follow recommendations outlined in Florida's Invasive Species Management Plan (<http://weedext.ifas.ufl.edu/>). Most treatments will not require a full day to complete.

The initial contract shall be for a period of one year with the potential for two subsequent one-year renewals based upon the mutual agreement of the District and the Contractor and no changes to the billing rates. Proposals are due at District Headquarters in Live Oak prior to 11:00 a.m., March 2, 2010. Proposals must be hard copy. Fax transmittals will not be accepted.

Additional information is available and RFP packages may be downloaded from the District website: www.mysuwannee-river.com. Questions should be addressed to: Project Manager, Beau Willsey at (386)362-1001 or bjw@srwmd.org.

Request for Proposals 09/10-019 LM

Development of R. O. Ranch Business Plan

R. O. Ranch, Inc., is issuing a Request for Proposals (RFP) for development of a Business Plan for an equestrian-based camping facility at the R. O. Ranch (Ranch).

In order for the Ranch to achieve its full potential, staff must be employed, facilities maintained and user fees collected, and the Ranch will need to be operated like a business. For the Ranch to be viable, user fees collected must exceed the cost of operation on an annual basis. The selected consultant shall develop a business plan for the Ranch that will accomplish this goal.

Consultants interested in submitting a Proposal will be given an opportunity to inspect the facilities and supporting engineering plans, construction documents, and other pertinent information as a part of the MANDATORY pre-proposal conference scheduled for 10:00 a.m., Thursday, February 18, 2010. Proposals should evaluate the site conditions, capital improvements, operating cost assumptions and revenue assumptions in order to determine the feasibility of the Ranch being operated as viable business entity.

Proposals are due at District headquarters by 2:00 p.m., March 11, 2010. Proposals received after this time, for any reason, will be rejected.

Additional information is available and RFP packages may be downloaded from the District website: www.mysuwannee-river.com.

Questions should be addressed to: Pennie Flickinger, Business Resource Specialist at (386)362-1001 or pff@srwmd.org.

CANAVERAL PORT AUTHORITY

The Canaveral Port Authority (CPA) is requesting technical proposals and qualifications from consulting firms interested in providing planning and engineering Design Services for **NORTHSIDE LAND IMPROVEMENTS** for Port Canaveral and to provide technical support to staff at Port Canaveral – located in Brevard County, Florida. These services will be acquired in compliance with the Consultants Competitive Negotiations Act, Section 287.055, F.S. The A & E consulting firm will be required to display a recurring knowledge of cargo, container yards, and bulk handling facilities and marine terminal design. The Consultant will be asked to provide master planning of the entire North Cargo Area in addition to planning, design, and permitting of roads, stormwater, utilities,

fire protection, and lighting for a 56-acre + parcel. The intended use of this parcel is a combination of General Cargo, Bulk Cargo and an expansion to an existing container facility. The project is to be phased and constructed as development progresses.

MINIMUM CRITERIA

As a minimum, the firms proposing shall have at least ten (10) years experience in work of a similar nature with airports/seaports and military installations. Consultant must provide references of at least 5 prior successful projects of a similar nature.

It is recommended that the firm have an office within reasonable proximity to the Canaveral Port Authority and/or demonstrate that they would be able to provide services in a timely manner.

PROPOSAL CONTENT

Each responding consulting firm shall provide six (6) copies and one (1) CD (containing complete proposal in pdf format) of their proposal, giving detailed information on the following:

Firm history, location, capabilities, etc.

GSA Standard Form 330 or equivalent

Five (5) examples of previous experience with providing similar services in the recent past. Include a brief description of the work and individuals to be contacted with telephone numbers.

A list of services which would not be performed in-house and a list of consultants, which would provide these services for the firm.

A schedule of current commitments and the degree of completion of each.

An organization chart and other information which will be useful in evaluating the proposal service.

Outline of methodology for implementation of the proposed scope of work.

Resumes of key individuals to be involved in the various aspects of the project and an explanation of each individual's role in the project.

Evidence of coverage with at least one million dollars of professional liability insurance.

Provide evidence that firm is licensed to do business in the State of Florida.

SUBMITTAL SCHEDULE

Firms desiring to provide such professional services to the CPA must furnish six (6) copies and one (1) CD (containing complete proposal in pdf format) of their expression of interest to:

Canaveral Port Authority

Attn.: Peggy Gooch, Sr. Administrative Assistant, Engineering

P. O. Box 267

445 Challenger Road

Cape Canaveral, FL 32920.

All proposals shall be delivered to the Canaveral Port Authority no later than 3:00 p.m., on Tuesday, March 2, 2010. The selected firm will be required to perform all contract services under a standard CPA service contract, a sample of which may be requested by contacting: Peggy Gooch, Senior Administrative Assistant, Engineering, Canaveral Port Authority by email: pgooch@portcanaveral.com or via phone at (321)783-7831, ext. 218. All notices will be posted on our website: <http://www.portcanaveral.com/general/bids/php>.

SELECTION PROCESS

A committee established by the Chief Executive Officer will meet to review and recommend for approval a ranking of qualified firms to the CPA Commission at their regularly scheduled meeting to be held at 2:00 p.m., March 17, 2010, at which time selections will be established.
