**NOTICE TO CONSTRUCTION MANAGERS**

Florida A & M University (FAMU), announces that construction management services will be required for: Project No.: FM-318, Rural Diversity Healthcare Center, Crestview, Florida

The facility was constructed in 1937 as a manufacturing plant building. The textile facility assisted the area economy during the post depression era and produced various items including military clothing during WWII. This project consists of the design and renovations of 39,200 gsf of space into teaching labs, classrooms and offices. The university design solutions will involve the restoration of the historical aspects of the building, while redesigning the building's interior square

footage into classrooms, teaching labs and offices for the professional schools of Nursing, Allied Health Sciences and Pharmacy. Construction Budget \$7,000,000.

The contract for construction management services will consist of two phases. Phase one is pre-construction services, for which the construction manager will be paid a fixed fee. Phase one services include value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) at 75% Construction Document phase. If the GMP is accepted, phase two, the construction phase, will be implemented. In phase two of the contract, the construction manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for phase one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement may result in the termination of the construction manager's contract.

Selection of finalists for interviews will be made on the basis of construction manager qualifications, including experience and ability; past experience; bonding capacity; record-keeping/administrative ability, critical path scheduling expertise; cost estimating; cost control ability; quality control capability; qualification of the firm's personnel, staff and consultants; and ability to meet the minority business enterprise participation requirements. Finalists will be provided with a copy of the building program, the latest documentation prepared by the project architect/engineer and a description of the final interview requirements. The Selection Committee may reject all proposals and stop the selection process at any time. The construction manager shall have no ownership, entrepreneurial or financial affiliation with the selected architect/engineer involved with this project.

Firms desiring to provide construction management services for the project shall submit a letter of application and a completed FAMU "Construction Manager Qualifications Supplement." Proposals must not exceed 80 pages, including the Construction Manager Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals which do not comply with these requirements or do not include the requested data will not be considered. No submittal material will be returned.

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected construction management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of

\$25,000 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

The FAMU Construction Manager Qualifications Supplement forms and the Project Fact Sheet may be obtained by contacting: Samuel Houston, Director of Planning, Office of Facilities Planning and Construction by E-Mail: samuel.houston@famu.edu and/or Ph: (850)599-8001, FAX: (850)561-2289.

Eight (8) ring, comb or coil/spiral (no hard, solid or tack) bound copies of the required proposal data shall be submitted to: Samuel J. Houston, Director of Planning, Office of Facilities Planning and Construction, Florida A & M University, Plant Operations Facility, Building A, Suite 100, 2400 Wahnish Way, Tallahassee, FL 32307.

Submittals must be received in the Facilities Planning and Construction Office by 11:00 a.m. (Local Time), July 22, 2010. Facsimile (FAX) or E-Mail submittals are not acceptable and will not be considered.

#### NOTICE TO DESIGN BUILDERS

The University of Central Florida announces that Design Build Services will be required for the project listed below:

Project No.: UCF-551, Project and Location: Classroom Building II, Main Campus, University of Central Florida 32816-3020

Project Description: The project consists of the new construction of the Classroom Building II with ROTC on the main campus of the University of Central Florida, Orlando, Florida. The new construction will consist of approximately 91,464 GSF.

The selected Design Build (DB) team will provide design, construction documents, and construction administration services with a two (2) year warranty. The new building is to consist of:

Classrooms: 36,143 NSF; Research Labs: 1,500 NSF; Auditorium: 12,000 NSF; Offices: 10,000 NSF Support: 4,000 NSF

Total 63,643 net square feet 91,464 gross square feet

Major building systems, including mechanical and the building envelope, will be commissioned by an independent consultant, with whom the Design Builder shall plan and coordinate its efforts. Silver LEED (Leadership in Energy and Environmental Design) accreditation by the US Green Building Council is a mandatory minimum. The proposed team shall include at least one LEED-certified design professional and one LEED-certified field construction professional that will work with the university's LEED administration.

Conceptual and advanced schematic design phases shall take place at the University of Central Florida employing an interactive style format. The design team shall prepare graphic illustrations of design concepts for review and will participate in the presentation of those concepts.

The total project budget for this project is \$23,475,601, which includes planning, construction, and furniture and equipment.

The contract for design build services will consist of two phases. Phase One is for pre-construction services, for which the design builder will be paid a fixed fee. Phase One services include value engineering, constructability analyses, and development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) at 75% Construction Document phase. If the GMP is accepted, Phase Two, the construction phase, will be implemented. The Design Builder is the single point of responsibility for performance of the design and construction of the project and shall publicly bid trade contracts, encouraging the inclusion of Minority Business Enterprises. Failure to negotiate an acceptable fixed fee for phase one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement may result in the termination of the design builder's contract.

Selection of finalists for interviews will be made on the basis of the design builder's qualifications, including experience and ability, past experience, bonding capacity, cost estimating, and qualification of the firm's personnel, staff and consultants. Finalists will be provided with a copy of the final interview requirements, a copy of the University of Central Florida Design and Construction Standards, and the University of Central Florida Design Build agreement. The Selection Committee may reject all proposals and stop the selection process at any time.

Carefully review the Design Build Contract and General Conditions documents. Submitting a proposal for this project constitutes complete agreement with and acceptance of the terms and conditions contained within these documents. These documents can be found on our website at [www.fp.ucf.edu](http://www.fp.ucf.edu) with the advertisement. Please note that the University of Central Florida will not compensate for lodging, food, or travel associated with this project.

Firms desiring to provide design build services for the project shall submit a letter of application and a completed University of Central Florida "Design Builder Qualifications Supplement." Proposals must not exceed 40 pages, including the Design Builder Qualifications Supplement and letter of application. Pages must be numbered consecutively. Submittals, which do not comply with these requirements or do not include the requested data, will not be considered. No submittal material will be returned.

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a design build firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected design build firm must warrant that it will neither

utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of placement on the convicted vendor list.

The University of Central Florida Design Builder Qualifications Supplement forms and the Project Fact Sheet which contains the Selection Criteria may be obtained by contacting: Gina Seabrook, Office of Facilities Planning, University of Central Florida, 4000 Central Florida Boulevard, Post Office Box 163020, Orlando, FL 32816-3020, Phone: (407)823-2166, Fax: (407)823-5141, Email: gseabroo@mail.ucf.edu or on our website: www.fp.ucf.edu.

Five (5) bound copies of the required proposal data shall be submitted to: Mrs. Gina Seabrook, Facilities Planning, 4000 Central Florida Blvd., Post Office Box 163020, Orlando, FL 32816-3020. Submittals must be received by 4:30 p.m. (Local Time), Friday, July 23, 2010. Facsimile (FAX) submittals are not acceptable and will not be considered. Late submissions will not be accepted. This project is contingent on the availability of funds.

#### NOTICE TO ARCHITECTS AND CONSTRUCTION MANAGERS

The University of Central Florida on behalf of its Board of Trustees announces that Professional Services in the disciplines of architecture and construction management will be required for the project listed below:

Project No.: UCF-554 and Location: Interdisciplinary Research Incubator Facility, University of Central Florida, Orlando, Florida.

The projects consist of the design and construction of a new facility. The space categories to be designed and constructed are as follows:

Classroom: 16,835 NSF; Research Labs: 33,570 NSF; Offices: 16,835 NSF

Total 67,240 net square feet and 101,010 gross square feet

The combined project cost will be approximately \$45,700,836 depending on approval of funding for planning, construction and furnishings/equipment. The total project budget includes planning, construction and furniture and equipment. There will be two (2) separate contracts for this project, one for the Architect (A/E) and one for the Construction Manager (CM).

#### FORM OF PROPOSALS

It is the University's intention to have professionals in the disciplines of architecture and construction management to submit proposals separately one for architect and one for construction manager. Proposal reviews, selection and interviews will be conducted separately.

This facility will be in the early planning phase in the fiscal year 2010-11. The selected architect and construction manager will provide program verification, design, construction documents, and administration for the referenced project.

Blanket professional liability insurance for the Architect/Engineer will be required for this project in the amount of \$2,000,000 and will be provided as a part of Basic Services.

Five (5) bound copies of the required proposal data shall be submitted to: Mrs. Gina Seabrook, Facilities Planning, 4000 Central Florida Blvd., Post Office Box 163020, Orlando, FL 32816-3020. Submittals must be received by 5:00 p.m. (Local Time), July 23, 2010. Facsimile (FAX) submittals are not acceptable and will not be considered. Late submissions will not be accepted.

The selection committee members have elected not to meet with proposed firms. Please do not contact the selection committee.

#### INSTRUCTIONS FOR ARCHITECT AND CONSTRUCTION MANAGEMENT

Architects and Construction Management firms desiring to apply for consideration must include a letter of application and should have attached:

1. The most recent version of the Florida Board of Education "Professional Qualifications Supplement" (PQS) dated 7/03, completed by the applicant. Do not alter the PQS form.
2. A copy of the firm's current Professional Registration Certificates from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.
3. The most recent version of the Florida Board of Education "Revised Construction Manager Qualifications Supplement" (CMQS) dated 02/02. Do not alter the CMQS form.

Applications that do not comply with all instructions may be disqualified. Application materials will not be returned.

Selection of finalist for interviews will be made on the basis of architect/engineer and construction manager qualifications separately, including experience and ability; past experience; bonding capacity; cost estimating; qualification of the firm's personnel, staff and consultants; and ability to include minority business enterprise participation. Finalists will be provided with a description of the final interview topics. The Selection Committee may reject all proposals and stop the selection process at any time.

The plans and specifications for Florida Board of Education projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor,

or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of placement on the convicted vendor list.

Carefully review the Architect/Engineer, Construction Management Contract and General Condition's documents. Submitting a proposal for this project constitutes complete agreement with and acceptance of the terms and conditions contained within these documents. These documents can be found on our website at [www.fp.ucf.edu](http://www.fp.ucf.edu) with the advertisement. Please note that the University of Central Florida will not compensate for lodging, food, or travel associated with this project.

**INSTRUCTIONS FOR CONSTRUCTION MANAGERS**

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a construction management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. **METROPOLITAN PLANNING ORGANIZATIONS****REQUEST FOR PROPOSALS  
TO PROFESSIONAL CONSULTANTS**

The Pinellas County Metropolitan Planning Organization (MPO) request that qualified consultants submit Proposals for consideration in the competitive selection of professional transportation planning services on the following project:

**PROJECT: GENERAL PLANNING CONSULTANTS (GPC)**

The MPO requires the services of one or more Consultants to provide production support to the MPO transportation planning activities set forth in the Unified Planning Work Program (UPWP). The MPO receives grant funding from the Federal Highway Administration, the Federal Transit Administration, the Florida Department of Transportation and the Florida Commission for the Transportation Disadvantaged. The length of contract is three years with three one-year options for renewals. The maximum contract value for each selected consultant is \$1.5 million. The work involves providing assistance to the MPO staff on a work assignment basis in a variety of technical, graphical, public involvement and product review activities. The Consultant(s) shall assist the MPO staff by providing additional resources to accomplish assignments authorized by the MPO. The Scope of Services outlines tasks that may be assigned to Consultant(s) under one or more general planning Consultant contracts. Consideration will be given to only those firms that have been prequalified by the FDOT to perform the indicated MAJOR Type(s) of Work.

**MAJOR TYPE OF WORK:**

- 13.3 Policy Planning
- 13.4 Systems Planning
- 13.5 Subarea/Corridor Planning
- 13.6 Land Planning/Engineering
- 13.7 Transportation Statistics

**SCOPE OF SERVICES:**

- A. Public Participation (UPWP Task 2.1): Consultants will assist the MPO with public outreach activities. Work may include organizing and facilitating public workshops and meetings, identifying potential stakeholders, production of professional quality graphics, displays, publications and PowerPoint presentations and implementation of surveys and analysis of results. Consultants will assist MPO staff in complying with state and federal requirements by incorporating visualization techniques into their work products.
- B. Land Use and Socioeconomic Data Activities (UPWP Task 3.1): Work related to this task includes the monitoring of transportation-related socioeconomic, school enrollment and land use data variables on a continual basis to support the update and amendments to the MPO's Long Range Transportation Plan (LRTP) and local governments' comprehensive plans so that the Tampa Bay Regional Demand Model and other models

developed for specific projects can project future travel demand conditions in the most accurate manner possible. Consultant resources may be utilized in soliciting and collecting data items through various sources; developing zonal data for the MPO's LRTP regional model validation; assisting FDOT in the development of a dynamic Tampa Bay Urban Land Use Allocation Model to be used in socioeconomic data development; and continuing to facilitate involvement of the Pinellas County School Board and Pinellas County Economic Development staff as well as municipal representatives in developing the aforementioned data.

- C. Transportation System Surveillance and Database Management (UPWP TASK 3.2): Work activity anticipated in this task includes all of the data collection, transportation system monitoring and transportation database management activities needed to support the MPO Program. Consultant resources may be used to assist the MPO in all aspects of its system monitoring activities including its ongoing efforts to refine socioeconomic data such as future employment, school enrollment, and seasonal population data. Consultant tasks may also include data collection to assess the performance and operations of the transportation facilities and services, such as traffic counts using Survey Processing Software, accident data, vehicle occupancy data, trail usage surveys, and other related activities. The Consultant may be utilized to assist with some of the related tasks such as the implementation of the Congestion Management Process (CMP), Safety and annual Level of Service Reports.
- D. Financial Resource and Legislative Management (UPWP TASK 3.3): Work activity anticipated in this task includes the identification and evaluation of existing transportation funding sources to ensure availability of funds necessary for the development and implementation of both long and short-range transportation programs. Additional tasks may include, but are not limited to; analysis of legislative proposals; periodic reports to the MPO; developing position statements; and communications with state and federal legislators and regulatory officials.
- E. Congestion Management Process (UPWP TASK 4.1): Consultants may be used to assist the MPO with the update and implementation of the federal and state mandated CMP including the development of corridor plans for congested roadways/sub-areas, State of the System Report updates; review, evaluation, and refinement of performance measures; continuing monitoring and evaluation of the effectiveness of implemented strategies; assistance with the Regional CMP activities (and integration of congestion and concurrency management strategies through provision of technical support to local governments.)

- F. Miscellaneous Technical Studies (UPWP TASK 4.2): The activities associated with this task are included in the MPO's Unified Planning Work Program as studies that are prompted on short notice as the result of a special need identified during the course of carrying out the metropolitan planning program. Illustrative tasks may include special trip generation studies, technical support to other transportation agencies, review and analysis of other planning studies, etc.
- G. Transit Operations Planning (UPWP TASK 4.3): Consultants may be used to assist the MPO and the Pinellas Suncoast Transit Authority with transit operations planning activities including an update to the Ten-Year Transit Development Plan for the PSTA, assistance with transit corridor planning studies, development of service plans for new transit corridors and under performing routes, route analysis, assistance with promotional and public involvement activities, and implementation of transit-friendly design standards. Consultants may also be utilized to provide services to the FDOT District 7 Public Transportation Office and regional transit planning authorities in their efforts to develop and update public transportation programs and plans for Pinellas County, West Central Florida and the Tampa Bay region.
- H. Transportation Disadvantaged Planning (UPWP TASK 4.4): Consultant tasks may include evaluating services to the transportation disadvantaged population to ensure adequacy of service and compliance with applicable federal and state rules. Tasks may include, conducting the annual Community Transportation Coordinator evaluation, update of the TD Program Service Plan and Tri-County Access Plan, evaluating and implementing, where feasible, strategies to provide more cost-effective transportation services to the TD Program customers, including Medicaid consumers. Work may also include on-site TD, Job Access Reverse Commute and New Freedom program provider inspections.
- I. Pinellas Mobility Initiative Planning (UPWP TASK 4.5) Consultants may be used for premium transit planning activities associated with Federal Transit Administration Small Starts and New Starts initiatives. Premium transit may include Bus Rapid Transit and fixed guideway technologies. Tasks may include FTA grant application development, ridership forecasting, route and station planning, feasibility studies, technology analysis, capital resource assessment, operations and maintenance planning, etc.
- J. Bicycle and Pedestrian Planning Program (UPWP TASK 4.6): Consultant tasks may include planning efforts relative to trails, inter/intra-county transportation activities, bike amenities, cross streets, sidewalk and pedestrian improvements, enhanced bicycle amenities and implementation of the MPO Bicycle and Pedestrian LRTP Policies. Consultant tasks may also include planning and implementation of education, safety and awareness strategies for bicyclist, pedestrians and motorists. Usage studies for off-road facilities may be conducted as well.
- K. Management and Operations Planning (UPWP TASK 4.7): Consultant tasks may include work associated with the Advanced Transportation Management System (ATMS) plan for Pinellas County that is consistent with federal Intelligent Transportation System requirements. Consultant resources may also be utilized to assist the MPO and its advisory committees in developing and implementing ITS strategies affecting various travel modes. Development of short-range transportation system management strategies.
- L. Transportation Demand Management Planning (UPWP TASK 4.8): Consultant tasks may include assisting the MPO in the implementation and integration of Transportation Demand Management (TDM) programs and strategies to discourage the use of single-occupant vehicle trips, encourage transportation alternatives (e.g., car pooling, riding the bus, telecommuting, bicycling, and walking), reduce congestion and improve air quality in Pinellas County.
- M. Local Government Comprehensive Plan Coordination, Technical Assistance and Livable Communities Planning (UPWP TASK 4.9): This task includes activities associated with the MPO's technical support to the local governments in the development and implementation of local comprehensive plans, concurrency management systems, livable communities initiatives, the Countywide Mobility Plan, etc. Consultant tasks may include the provision of data and technical support to local governments in carrying out their comprehensive planning responsibilities for transportation and other related elements. The consultant may also provide assistance, as requested, to local governments in the development of transportation concurrency strategies, review of traffic impact studies and livable community land development standards.
- N. Transportation Improvement Program Development and Maintenance (UPWP Task 5.1): This task involves the development of a Transportation Improvement Program (TIP) document that meets federal and state metropolitan planning requirements used in identifying federal, state, and locally funded transportation projects consistent with the MPO LRTP and ensuring that modifications and/or amendments to the adopted TIP will be coordinated with local Comprehensive Plans.
- O. Long Range Transportation Plan Maintenance and Update/Air Quality Planning (UPWP Task 6.1) This task involves work with the ongoing maintenance and update of the LRTP in accordance with the federal and state requirements. Tasks may include both long-range and

short-range strategies and actions that lead to the development of an integrated intermodal transportation system that facilitates the efficient movement of people and goods. Those tasks may include travel demand modeling support for project development and environmental studies and update of travel demand models; technical support to conduct the Efficient Transportation Decision Making (ETDM) planning process and to evaluate potential sociocultural effects of projects including social, economic, land use, mobility, aesthetics, and relocation. Technical support may also include development of a fiscally constrained financial plan that demonstrates how the adopted transportation plan can be implemented by relating the cost/revenue information to year of expenditure, and highlighting the requirements for classification of major projects (regarding their monetary threshold and the development of a Project Management Plans). Support may also be sought to develop LRTP public participation outreach material. Technical support may include the compilation of all the information produced through the LRTP development and public involvement processes to draft the final report of the LRTP update for adoption and submittal to the state and federal agencies. This task also includes activities associated with county and region-wide air quality planning. Support may include review of the Pinellas County Emissions Inventory for ozone precursors and greenhouse gases in coordination with the Pinellas County Air Quality Division, Department of Environmental Management and the Florida Department of Environmental Protection. Monitor VMT and mobile source emissions; trends on vehicle type, fuel usage, and air toxics in coordination with the Pinellas County Division of Air Quality. Development of a conformity report.

- P. Regional Planning (UPWP Tasks 7.1 and 7.2) This task involves activities associated with regional transportation planning including work on the update or amendment of the West Central Florida MPOs Chairs Coordinating Committee regional long range transportation plan, transit plan, multi-use trail element, public participation plan, congestion management process, etc. The consultant may need to coordinate with staff from regional planning and transit agencies, Citrus County, the Polk County TPO and MPOs from Sarasota/Manatee, Pasco, Hernando and Hillsborough. This task may also involve the production of print materials for regional purposes, such as brochures, newsletters, summaries, etc.

This RFP will be conducted pursuant to the provisions of Section 287.055, F.S., and 49 USC Sections 5303, 5309, 5316 and 5317. State of Florida, Federal Highway Administration and Federal Transit Administration terms will be incorporated in to the GPC contracts with the MPO.

**RESPONSE EVALUATION:** All respondents will be evaluated in accordance with Section 287.055(4), F.S., and must be determined by the MPO and the FDOT as qualified to do business in Florida and qualified to perform the advertised work requirements.

Lobbying of MPO employees and elected officials regarding this RFP by any member of a Proposer's staff, or those people who are members of, or employed by, any legal entity affiliated with an organization that is responding to the RFP is strictly prohibited. Such actions may cause your proposal, or the proposal you are supporting, to be rejected.

**SUBCONSULTANT OPPORTUNITY:** Subconsultants that are not pre-qualified by the FDOT shall be subject to compensation restrictions as specified in Chapter 14-75, F.A.C. Any such subconsultant utilized must be technically qualified by the FDOT before work may commence. Preference points will be given in the technical proposal evaluation for certified DBE consultants and non-DBE consultants who propose certified DBE subconsultants.

**NOTIFICATION OF CRIME CONVICTION:** Each applicant shall notify the FDOT within 30 days after a conviction of a contract crime applicable to it or any officers, directors, executive, shareholders active in management, employees, or agents of its affiliates. Under Section 337.164, F.S., the privilege of conducting business with the FDOT shall be denied to applicants so convicted until such applicant is properly reinstated pursuant to Section 337.165, F.S., and Chapter 14-75, F.A.C.

**FEDERAL DEBARMENT:** By signing and submitting a Letter of Response, the consultant certifies that no principal (which includes officers, directors, or executives) is presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation on this transaction by any federal department or agency.

**EQUAL OPPORTUNITY AND DISADVANTAGED BUSINESS ENTERPRISE PROGRAM STATEMENT:**

The MPO does not discriminate on the basis of race, color, national origin, sex, age, disability, family or religious status, as provided by Title VI of the Civil Rights Act of 1964, as amended 42 USC 2000d to 2000d-4, and Title 49 CFR, Part 21, the Civil Rights Restoration Act of 1987 and the Florida Civil Rights Act of 1992. No person shall be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination or retaliation under any MPO program or activity. In addition, no person shall be discriminated on the basis of sexual orientation, in accordance with Pinellas County Code Chapter 70, as amended. The MPO ensures, in accordance with 49 CFR Part 26, that certified FDOT Disadvantaged Business Enterprise Program (DBE) participants have an equal opportunity to receive and participate in DOT assisted contracts. More information on the MPO's DBE Program may be found at: [www.pinellascounty.org](http://www.pinellascounty.org)

**TO RESPOND:** Firms, qualified to conduct business in the State of Florida, are asked to submit five copies of the Proposal to the MPO office and copy to the FDOT office by 4:30 p.m. (EST), Friday, July 9, 2010. The outside of the envelope containing the Proposal must be marked "PROPOSAL TO PROVIDE GENERAL PLANNING CONSULTANT SERVICES TO THE PINELLAS COUNTY MPO". ## **EXPRESSWAY AUTHORITIES**

### **NOTICE TO PROFESSIONAL ENGINEERING CONSULTANTS DESIGN CONSULTANT SERVICES FOR SYSTEMWIDE TRAFFIC MONITORING STATIONS**

Project No.: 599-511, Contract No.: 000716

The Orlando-Orange County Expressway Authority requires the services of a Professional Engineering Consultant in connection with the design of Systemwide Traffic Monitoring Stations identified as Project No.: 599-511, Contract No.: 000716.

Shortlist consideration will be given to only those firms who are qualified pursuant to law, and as determined by the Authority, based on information provided by the firms, and who have been pre-qualified by FDOT to perform the indicated Types of Work.

**MAJOR TYPES OF WORK:** Consultants shall be pre-qualified by FDOT in the following work groups: 6.3.1, Intelligent Transportation Systems Analysis and Design; 6.3.2, Intelligent Transportation Systems Implementation; 6.3.3, Intelligent Transportation Systems Traffic Engineering Systems Communications. Use of subconsultants to perform major types of work will not be allowed.

**ADDITIONAL TYPES OF WORK REQUIRING PRE-QUALIFICATION:** Consultants may use pre-qualified subconsultants for the following work groups: 8, Survey and Mapping; 9, Soil Exploration, Material Testing and Foundations; 12, Right of Way Survey and Mapping.

**DESCRIPTION:** These services include the design of a systemwide deployment of radar-based Traffic Monitoring Stations that provides:

- Full coverage of each interchange ramp
- Redundant coverage of the expressway mainline at each interchange
- Redundant coverage of each mainline toll plaza
- Redundant coverage of the expressway mainline between each interchange

It is estimated that approximately 475 sensor sites will be required to provide full system coverage.

The selected consultant and its subconsultants, if any, shall not enter into any other contract with the Authority during the term of the Contract which would create or involve a conflict of interest with the services to be provided.

**LETTERS OF INTEREST SUBMITTAL REQUIREMENTS:** Consultants wishing to be considered shall submit six (6) sets of a Letter of Interest package. The letter shall be a maximum of ten (10) pages exclusive of attachments and resumes. The packages shall include the following:

1. Firms Experience – Details of specific experience for at least three (3) projects, similar to those described above that involve radar-based traffic sensor design, civil support for ITS design, and power and communications design completed by the consultant’s Project Manager and other key project team members including the name of client contact person, telephone number, and physical address;
2. Personnel Experience – Resumes of the consultant’s proposed Project Manager and other key personnel presently employed by the consultant who will be assigned to the project. The Project Manager shall have at least five (5) years of experience administering similar types of consultant contracts;
3. Project Team – Anticipated subconsultants shall be identified and the roles that each will play in providing the required services. Resumes should be provided for subconsultants that may be involved in key roles;
4. Prequalification Documentation – A copy of the Notice of Qualification issued by the FDOT showing current qualification in the Types of Work specified above;
5. Office Location – The office assigned responsibility and its physical address shall be identified. It is required that the consultant have an office and key staff located within the Orlando area.

Failure to submit any of the above required information may be cause for rejection of the package as non-responsive.

**SELECTION / NEGOTIATIONS:** The Authority’s Evaluation Committee will shortlist firms based on its evaluation and scoring of the Letters of Interest and qualifications information received. Scoring of the submittals will be as follows: Firms Experience – 25 points; Personnel Experience – 30 points; Project Team – 25 points; Prequalification Documentation – 10 points; Office Location – 10 points. The three (3) firms with the highest point totals will be shortlisted. More than 3 firms may be shortlisted at the Committee’s option. If less than 3 firms submit responses, the Authority, at its sole discretion, may elect to continue the selection process or re-advertise the project.

Shortlisted firms will proceed to the next step in the process which includes preparation and submittal of a Technical Proposal and an oral presentation. The Authority will provide the shortlisted firms with a Scope of Services for use in preparing the Technical Proposal. Each firm will be evaluated and ranked by the Authority’s Evaluation Committee based on

the Technical Proposal and oral presentation. As part of its evaluation process, the Committee will also consider the consultant’s willingness to meet time requirements, consultant’s projected workload, and consultant’s use of Minority/Women Owned Businesses.

**CODE OF ETHICS:** All consultants selected to work with the Authority are required to comply with the Authority’s Code of Ethics, a copy of which may be obtained by contacting the Authority.

**EQUAL OPPORTUNITY STATEMENT:** The Orlando-Orange County Expressway Authority, in accordance with the provisions of Title VI and Title VII of the Civil Rights Act of 1964, hereby notifies all firms and individuals that it will require affirmative efforts be made to ensure participation by minorities.

**MINORITY / WOMEN / DISADVANTAGED BUSINESS ENTERPRISE PARTICIPATION:** Minority / Women / Disadvantaged Business Enterprises will not be discriminated against on the basis of race, color, sex, or national origin in consideration for qualification or an award by the Authority.

**NON-SOLICITATION PROVISION:** From the first date of publication of this notice, no person may contact any Authority Board Member, Officer or Employee or any selection committee member, with respect to this notice or the services to be provided, except as related to the Submittal Requirements detailed above. Reference is made to the lobbying guidelines of the Authority for further information regarding this Non-Solicitation Provision.

**NOTICE OF INTENT TO FIND PUBLIC SCHOOLS  
INTERLOCAL AGREEMENT CONSISTENT WITH  
SECTION 163.31777(2), FLORIDA STATUTES  
DCA DOCKET NO.: 01-03**

The Department gives notice of its intent to find the Public Schools Interlocal Agreement ("Agreement") executed between the Alachua County School Board the City of Archer, pursuant to Section 163.31777, F.S., to be consistent with the minimum requirements of Sections 163.31777(2), F.S.

The Agreement is available for public inspection Monday through Friday, except for legal holidays, during normal business hours, at the City of Archer, 16870 S. W. 134th Avenue, Archer, Florida 32618-0039.

Any affected person, as defined in Section 163.31777(3)(b), F.S., has a right to petition for an administrative hearing to challenge the proposed agency determination that the Agreement is consistent with the minimum requirements of Section 163.31777(2), F.S. The petition must be filed within twenty-one (21) days after publication of this notice in the Florida Administrative Weekly, and must include all of the information and contents described in Uniform Rule 28-106.201, F.A.C. The petition must be filed with the: Agency Clerk, Department of Community Affairs, 2555 Shumard Oak Boulevard, Tallahassee, Florida 32399-2100, and a copy mailed or delivered to Alachua County School Board and the City of

Archer. Failure to timely file a petition shall constitute a waiver of any right to request an administrative proceeding as a petitioner under Sections 120.569 and 120.57, F.S. If a petition is filed, the purpose of the administrative hearing will be to present evidence and testimony and forward a recommended order to the Department. If no petition is filed, this Notice of Intent shall become final agency action.

If a petition is filed, other affected persons may petition for leave to intervene in the proceeding. A petition for intervention must be filed at least twenty (20) days before the final hearing and must include all of the information and contents described in Uniform Rule 28-106.205, F.A.C. A petition for leave to intervene shall be filed at the: Division of Administrative Hearings, Department of Management Services, 1230 Apalachee Parkway, Tallahassee, Florida 32399-1550.
