### Section III Notices of Changes, Corrections and Withdrawals

**DEPARTMENT OF STATE**

**Division of Historical Resources**

RULE NO.:	RULE TITLE:
1A-37.001	Use or Rental of Mission San Luis Facilities

NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with Section 120.54(3)(d)1., F.S., published in Vol. 36, No. 42, October 22, 2010 issue of the Florida Administrative Weekly.

In response to comments received from the Joint Administrative Procedures Committee, reference to Section 267.14, Florida Statutes, as implementing authority is removed and substantive changes have been made to subsections (1) and (5), and a new subsection (6) is created to incorporate language previously published as part of subsection (5) and then revised so those subsections will read as follows:

(1) General provisions. Pursuant to Section 267.17, F.S., the grounds and facilities buildings of Mission San Luis (Mission) are may be made available for visitation and rental. Such visitation and rental activities are coordinated by through an agreement with the Friends of Mission San Luis, Inc. (FOMSL) through a written agreement with the Department of State's Division of Historical Resources. The FOMSL is established pursuant to Section 267.17, F.S., to provide primary assistance, funding and promotional support including any activities necessary or derived to organize and operate the Mission and its programs.

Paragraphs (a)-(g) of subsections (1) and (2)-(4), and paragraph (5)(a) are not substantively changed.

(5) Rental process.

(b) An application shall be denied if:

1. The event involves political fundraising activities.

2. The event interferes with or does not uphold the historic nature of the Mission.

3. The applicant has failed to comply with terms and conditions of a previous use or rental of the Mission including specific facility or grounds.

(c) Subsequent to approval, an approved event shall be cancelled if it is determined that:

1. The event interferes with or otherwise does not uphold the historic nature of the Mission.

2. The event involves or includes an outside vendor selling to guests or attendees for which prior written authorization was not obtained. Authorization shall be granted if it is determined that Mission resources are not adversely affected, that existing contractual relationships are not impaired or adversely affected, that a needed visitor service or product is provided, and that the provision of the product and/or service is consistent with MSL management practices as set out in this rule.

(6) Fees and expenses.

(a) The fee and expense schedule shall be published on the Mission's website at: [www.missionsanluis.org](http://www.missionsanluis.org) (accessible also through the Division's website), and posted conspicuously on the Mission's Visitor's Center. Any proposed change to the current schedule shall be advertised in the Florida Administrative Weekly, published on the Mission's website at:

[www.missionsanluis.org](http://www.missionsanluis.org), and posted conspicuously on the Mission's Visitor Center. A hearing on the schedule shall be held upon request. Any proposed change to the fee schedule shall be approved by the Division before it becomes final. The schedule in effect may be obtained at <http://www.missionsanluis.org/>, or the Division's website, or by visiting or writing to the Mission at 2100 West Tennessee Street, Tallahassee, Florida 32304.

(b) The fee and expense schedule shall be based on the:

1. Cost of managing and operating the Mission site.

2. Type of facility rented.

3. The needs or requirements for protecting the historical and archeological value of the Mission site.

4. Peak season(s) of the year.

5. Market demand and competition with other similar rental space providers and providers of services in the area to promote and secure use of the facilities and generate funding for the Mission.

6. Costs to cover special services, needs or requirements that an event may require including but not limited to the use of the Mission's audio-visual equipment, special staffing, set-up, and clean-up, or the need for valet parking service, shuttle service and security personnel for after normal business hours activities.

(c) Additional fees and expenses for rental may apply based on the:

1. Nature, duration and extent of the event held.

2. Costs to cover special services, needs, or requirements of the event, not otherwise listed in the fee schedule.

NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with Section 120.54(3)(d)1., F.S., published in Vol. 36, No. 34, August 27, 2010 issue of the Florida Administrative Weekly.

9N-3.007 Product Approval by the Commission.

(1) Approval of a product or system of construction for state acceptance shall be performed by the Commission through the following steps:

(a) through (c) No change.

(d) Product Application that rely upon a product certification mark or listing from an approved certification agency shall be approved for use statewide in accordance with its approval and limitations of use to demonstrate compliance with the Code as follows:

1. An application of a product submitted for state acceptance pursuant to paragraph 9N-3.005(1)(a), F.A.C., shall be approved by the Department after the Program System Administrator (the "Administrator") verifies that the application and required documentation as per Rule 9N-3.006, F.A.C., are complete.

2. No change.

3. Upon approval by the Department, the Administrator shall add approved products to the list of the state-approved products maintained by the BCIS. Approvals by the Department shall be reviewed and ratified by the Commission's Program Oversight Committee ("POC") except for a showing of good cause that a review by the full Commission is necessary. The Department shall schedule review of products it approves for the next POC meeting noticed in the Florida Administrative Weekly. Comments concerning such products shall be accepted utilizing the BCIS.

4. For the purpose of curing deficiencies identified within product applications approved under this section, the following steps will be undertaken:

a. If a comment is received on a Department approved Product, the Administrator shall immediately evaluate the comment and determine whether the comment is technically relevant;

b. If the comment as determined by the Administrator is technically significant, the Administrator shall post the comment received in the comment box for the application;

c. The Administrator shall immediately notify the manufacturer of the comment received on his or her application requesting that the manufacturer respond to the comment and revise the application as deemed necessary; and

d. ~~Any outstanding~~ comment(s) shall be subject to review and determination by the POC whether the matter demonstrates good cause for review by the Commission, except for a showing of good cause that a review and determination by the full Commission is necessary. Any party in disagreement with the POC action on a comment is authorized to bring the matter before the Commission by providing public comment to the Commission during its meeting following POC consideration.

e. The Commission shall review the products as recommended by the POC and comments submitted in opposition to the POC recommendation and either ratify the Department's approval of the product or direct further action by the POC, the Administrator or the applicant as necessitated by the particular circumstances.

**NOTICE OF CHANGE**

Notice is hereby given that the following changes have been made to the proposed rule in accordance with Section 120.54(3)(d)1., F.S., published in Vol. 36, No. 39, October 1, 2010 issue of the Florida Administrative Weekly.

In response to comments from the Joint Administrative Procedures Committee, Chapter 14-57, F.A.C., is being amended to remove all references to any future amendments to incorporated materials, recommendations, a non-functioning website, clarify language, and incorporate Form 850-040-20 under Rule 14-57.014, F.A.C.

14-57.013

(2) Minimum Active Grade Crossing Traffic Control Devices. All new public railroad-highway grade crossings shall have, as a minimum, roadside flashing lights and gates on all roadway approaches to the crossing, usually placed on the right of approaching traffic. Lamp units shall be in accordance with the standards recommended by the MUTCD. The location of the roadside flashing lights and gates shall be in accordance with the Department’s *Design Standards for Design, Construction, Maintenance and Utility Operations on the State Highway System*, “Railroad Grade Crossing Traffic Control Devices,” with the primary emphasis being the visibility of the flashing lights and gates. The Department’s 2010 *Design Standards for Design, Construction, Maintenance and Utility Operations on the State Highway System*, “Railroad Grade Crossing Traffic Control Devices,” is hereby incorporated by

this rule and made a part of the rules of this Department. Copies of this document ~~and any amendments thereto~~ are available at <http://www.dot.state.fl.us/officeofdesign>.

(3) Cantilevered Flashing Lights. ~~The Department recommends for rail safety that traffic signals be placed on cantilevers along with grade crossing flashing lights if the original placement of the traffic signal obstructs the visibility of the flashing lights.~~ Pairs of flashing lights placed on cantilevered arms extended over traffic lanes shall be employed when any one or more of the following conditions exist:

(7)(a) When a new public railroad-highway grade crossing over an industrial spur track is allowed a delay in the installation of active grade crossing traffic control devices, the Department will require the crossing to be manually flagged. A delay in the installation of active grade crossing traffic control devices may occur when there are two trains or less per day at the crossing and the Department determines that the characteristics of the highway (e.g., two lanes, the average daily traffic is less than 5000 vehicles, the vehicle operating speed is less than 30 mph) are conducive to requiring a flagman. When train movements require manual flagging at night, the grade crossing must be illuminated. ~~A new railroad-highway grade crossing over an industrial spur track may be considered for a delay in the installation of active grade crossing traffic control devices when train movements are two trains per day or less, and if the Department determines that the characteristics of the highway traffic is conducive to requiring a flagman; the Department will require the crossing to be manually flagged (e.g., two lane highway, average daily traffic is less than 5,000 vehicles, less than vehicular operating speed is less than 30 mph crossing must be illuminated). When train movements require manual flagging at night, the grade crossing must be illuminated.~~

(8) Public Railroad-Highway Grade Crossing Traffic Control Devices. All public railroad-highway grade crossing traffic control devices shall conform to the Department’s *Design Standards for Design, Construction, Maintenance and Utility Operations on the State Highway System*, “Railroad Grade Crossing Traffic Control Devices.” Copies of this document ~~and any amendments thereto~~ are available at <http://www.dot.state.fl.us/officeofdesign>.
