**Section II
Proposed Rules**

DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

Division of Marketing and Development

RULE NOS.:	RULE TITLES:
5H-2.003	Assessments; Collections
5H-2.004	Rate of Assessments; Exemptions

PURPOSE AND EFFECT: These changes will implement HB 7103. A referendum of citrus growers was held and passed in November 2009 to increase the assessment rate to a maximum of \$.03 per box and to establish the Citrus Research and Development Foundation as the research advisory council to the Department. Florida Statute 573 was amended accordingly. A referendum of tobacco growers was held and passed unanimously in May 2009 to increase the assessment rate to a maximum of \$1.00 per 100 pounds of tobacco. The Citrus Research and Development Foundation serving as the advisory council recommended commencement of rule making by the Department as may be appropriate to administer the changes.

SUMMARY: Recent tobacco and citrus marketing order referendums passed with overwhelming industry support. The proposed rules are being developed to update the assessment and collection procedures of commodity marketing orders. The proposed amendments to Rule 5H-2.003, F.A.C., would permit the Department to adjust or suspend the assessment rates upon recommendation of the commodity advisory council. The

proposed amendments also clarify the rule by removing the assessment amounts language from the rule. The assessment amounts are set by the marketing order and not by Department rule. This rulemaking also proposes to repeal existing Rule 5H-2.004, F.A.C., which has become outdated. No additional assessments will be collected under these rules.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. An SERC has not been prepared by the agency.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 573.118(2), 573.119 FS.

LAW IMPLEMENTED: 573.112, 573.118(2), 573.119 FS.

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAW.

RULE TITLE: Suitability and Disclosure in Annuity
Contracts – Forms Required

PURPOSE AND EFFECT: The purpose of the proposed rule amendment is to revise the existing rule to reflect certain provisions of Senate Bill 2176, a general insurance bill passed by the 2010 Legislature. The relevant statute, Section 626.99(4)(c), F.S., has been amended to require cover pages for fixed and variable annuity contracts. The effect of the proposed rule is to provide clear and concise information to consumers regarding the circumstances under which an annuity contract may be cancelled for an unconditional refund. In addition to mandatory formatting requirements, the proposed rule amendment requires annuity cover pages to contain specific cautionary language that informs consumers of the risks, policy features and contact sources for those seeking additional information or to report complaints.

SUMMARY: The proposed rule amendment sets forth the requirements for the design and content for annuity cover pages.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS: The Division has prepared a Statement of estimated Regulatory Costs which indicates that the proposed rule will not have an impact on small business.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Section IV Emergency Rules

Section V Petitions and Dispositions Regarding Rule Variance or Waiver

DEPARTMENT OF LAW ENFORCEMENT

NOTICE IS HEREBY GIVEN that on July 7, 2011, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of subsection 11B-27.00212(14), F.A.C., from Boca Raton Police Department on behalf of certain officers. Subsection 11B-27.00212(14), F.A.C., requires officers to requalify with a firearm every two years on a course of fire mandated by Commission rule. The petition supports the requested waiver by stating that the officers did successfully complete the course of fire, however, the CJSTC form 86A for each officer was not

signed by a CJSTC certified firearms instructor for every officer during the 2008 reporting cycle. Petitioner states that the agency's officers will suffer a substantial hardship if their certifications are rendered inactive as a result of this situation. Petitioner further states that it would violate the principles of fairness to fail to recognize that the officers affected by this situation did successfully complete the requirement simply because their instructors had failed to sign their CJSTC form 86A for their requalification shoots during the 2008 reporting cycle.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302 or by telephoning (850)410-7676.

NOTICE IS HEREBY GIVEN that on July 7, 2011, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of subsection 11B-27.00212(14), F.A.C., from Eatonville Police Department on behalf of 18 officers. Subsection 11B-27.00212(14), F.A.C., requires officers to requalify with a firearm every two years on a course of fire mandated by Commission rule. The petition supports the requested waiver by stating that the officers did successfully complete the course of fire, however, the firearms instructors who supervised the shoots were not fully certified firearms instructors during the 2008 and 2010 reporting cycles. The instructors had not completed their internships with certified firearms instructors prior to supervising the officer's completion of the mandatory firearms requalifications. Petitioner states that the agency's officers will suffer a substantial hardship if their certifications are rendered inactive as a result of this situation. Petitioner further states that it would violate the principles of fairness to fail to recognize that the officers affected by this situation did successfully complete the requirement simply because their instructors had failed to complete their instructor internships prior to supervising the 18 officers' mandatory firearms retraining.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302 or by telephoning (850)410-7676.

NOTICE IS HEREBY GIVEN that on July 8, 2011, the Criminal Justice Standards and Training Commission, received a petition for a temporary variance of paragraph 11B-30.006(2)(a), F.A.C., by William M. Lamb. Paragraph 11B-30.006(2)(a), F.A.C., requires individuals wishing to take the State Officer Certification Examination to first pass basic recruit training within four years of commencing such training. The Petitioner wishes to be granted a variance for six months to permit him to: complete the one class (defensive tactics) he needs to pass basic recruit training; take and pass the State Officer Certification Examination; and, gain employment in

Florida as a law enforcement officer. The Petitioner states as a reason for granting the waiver that he has been out-of-state for nearly three years caring for an ailing stepparent. The Petitioner states that he is facing a hardship of being considered an out of state student if he is forced to recommence basic recruit training.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302 or, by telephoning (850)410-7676.

NOTICE IS HEREBY GIVEN that on July 7, 2011, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of subsection 11B-27.00212(14), F.A.C., from Ocoee Police Department on behalf of certain officers. Subsection 11B-27.00212(14), F.A.C., requires officers to requalify with a firearm every two years on a course of fire mandated by Commission rule. The petition supports the requested waiver by stating that the officers did successfully complete the course of fire, however, the instructors who supervised the mandatory shoots were not fully certified as CJSTC firearms instructors at the time of the officers' requalifications. Petitioner states that the agency's officers will suffer a substantial hardship if their certifications are rendered inactive as a result of this situation. Petitioner further states that it would violate the principles of fairness to fail to recognize that the officers affected by this situation did successfully complete the requirement simply because their instructors had failed to comply with all administrative aspects of firearms instructor certification.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302 or by telephoning (850)410-7676.

DEPARTMENT OF COMMUNITY AFFAIRS

DCA Final Order No.: DCA11-OR-137
 In Re: CITY OF MARATHON LAND
 DEVELOPMENT REGULATIONS
 ADOPTED BY ORDINANCE NO. 2011-04

FINAL ORDER

The Department of Community Affairs (the "Department") hereby issues its Final Order, pursuant to §§ 380.05(6), Florida Statutes, and § 380.0552(9), Florida Statutes (2010), approving a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

1. The Florida Keys Area is a statutorily designated area of critical state concern, and the City of Marathon ("City") is a local government within the Florida Keys Area.
2. On June 3, 2011, the Department received for review City of Marathon Ordinance No. 2011-04 ("Ord. 2011-04") that was adopted by the City of Marathon Board of City Commissioners on April 12, 2011. The purpose of Ord. 2011-04 is to amend Section 106.28, Table 106.28.1 Water Resource and Wetland Buffers to consolidate and clarify regulations regarding shoreline setbacks by incorporating changes to setback requirements that have been adopted into the Marathon Comprehensive Plan.
3. Ord. 2011-04 is consistent with the City's 2010 Comprehensive Plan including Goal 1-3 Manage Growth and Objective 4-1.4 Protect and Preserve Wetlands; Policy 4-1.4.2 Maintain a 50 Foot Buffer Adjacent to Wetlands; Policy 4-1.4.9 Principal Structure Shoreline Setbacks; and Policy 4-1.4.10 Accessory Structure Shoreline Setbacks.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are enacted, amended or rescinded by any local government in the Florida Keys Area of Critical State Concern. §§ 380.05(6), Florida Statutes, and § 380.0552(9), Florida Statutes (2010).
5. The City of Marathon is a local government within the Florida Keys Area of Critical State Concern. § 380.0552, Florida Statutes (2010) and Rule 31-31.002 (superseding Chapter 27F-8), Florida Administrative Code.
6. "Land development regulations" include local zoning, subdivision, building and other regulations controlling the development of land. § 380.031(8), Florida Statutes (2010). The regulations adopted by Ord. 2011-04 are land development regulations.
7. All land development regulations enacted, amended or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles") as set forth in § 380.0552(7), Florida Statutes See *Rathkamp v. Department of Community Affairs*, 21 F.A.L.R. 1902 (Dec. 4, 1998), *aff'd*, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.
8. Ord. 2011-04 is consistent with the following Principle:
 - (b) To protect shoreline and marine resources, including mangroves, coral reef formations, seagrass beds, wetlands, fish and wildlife, and their habitat.
 - (c) To protect upland resources, tropical biological communities, freshwater wetlands, native tropical vegetation (for example, hardwood hammocks and pinelands), dune ridges and beaches, wildlife, and their habitat.

(e) To limit the adverse impacts of development on the quality of water throughout the Florida Keys.

(f) To enhance natural scenic resources, promoting the aesthetic benefits of the natural environment, and ensuring that development is compatible with the unique historic character of the Florida Keys.

9. Ord. 2011-04 is neutral with respect to the remaining Principles. Ord. 2011-04 is consistent with the Principles for Guiding Development as a whole.

WHEREFORE, IT IS ORDERED that Ord. 2011-04 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Weekly unless a petition is filed as described below.
