This variance will authorize the dissolved oxygen levels in the deeper portions of a manmade lake to fall below the minimum levels set by Rule 62-302.530, F.A.C. The manmade lake is proposed to be constructed at a new limestone mine in Levy County. The proposed construction will require an environmental resource permit which has been assigned a different file number, File No. 0294967-003, and is not the subject of this intent to issue a variance.

The project is located in Section 19 of Township 13 South, Range 19 East in Levy County, Florida. The street address is the junction of County Road 323 (Northeast 200th Avenue) and East Levy Street (Northeast 130th Street), Williston, Florida 32696. The manmade lake will be constructed across property lines such that the lake will have more than one property owner. The proposed manmade lake will be subject to the water quality standards provided in Rule 62-302.530, F.A.C.

The Department's file on this matter is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the Department of Environmental Protection, Bureau of Mining and Minerals Regulation, 2051 East Paul Dirac Drive, Tallahassee, Florida 32310, Telephone: (850)488-8217.

Intervention will be permitted only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

The petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition for an Administrative Hearing within the appropriate time period shall constitute a waiver of that person's right to request an Administrative Determination (Hearing) under Sections 120.569 and 120.57, F.S.

A petition that disputes the material facts on which the Department's action is based must contain the following information: (a) the name and address of each agency affected and each agency's file or identification number, if known; (b) the name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests are or will be affected by the agency determination; (c) a statement of when and how the petitioner received notice of the agency decision; (d) a statement of all disputed issues of material fact.
