Section VII Notices of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

NOTICE IS HEREBY GIVEN that the Division of Alcoholic Beverages and Tobacco, Department of Business and Professional Regulation, State of Florida has declined to rule on the petition for declaratory statement filed by Astor Post No. 9986 Veterans of Foreign Wars of the United States, Inc., DS 2011-072 on September 9, 2011. The following is a summary of the agency's declination of the petition:

Based upon the facts set out in the submitted Petition for Declaratory Statement, Petitioner is currently operating the proposed business model specified in the Statement. According to Florida Case Law, the purpose of a declaratory statement is to allow a petitioner to select a proper course of action in advance, and a petition for declaratory statement which seeks approval or disapproval of conduct which has already occurred is properly denied. Therefore, this Petition for Declaratory Statement is denied. Accordingly, this conclusion has no application in the event that the factual circumstances and/or relationships among the entities described herein are incorrect or change.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk, Department of Business and Professional Regulation, Division of Alcoholic Beverages and Tobacco, 1940 North Monroe Street, Tallahassee, Florida 32399-2217.

Please refer all comments to: Michael Ross, Chief Attorney, Department of Business and Professional Regulation, Division of Alcoholic Beverages and Tobacco, 1940 North Monroe Street, Tallahassee, Florida 32399-2202.

The Petitioner does not state in his request which statute the Petitioner seeks the Board to interpret. The Notice of Petition for Declaratory Statement was published in Vol. 37, No. 42, of the October 21, 2011, Florida Administrative Weekly and sought the agency's opinion as to the recent Notice of Intent to Issue an Environmental Resource Permit, File No. 09-0302742-001, to the Southwest Florida Water Management District to fill approximately 0.85 acres of freshwater marsh in order to construct a new 425-linear foot tie-back berm with an associated access road and 12-foot wide airboat slide within Potts Preserve in Citrus County. The petitioner also appeared to request the Department to "survey and identify" the location of sovereignty submerged lands and the mean high water line at the location of the proposed project through the Petition for Declaratory Statement. The

Department's Final Order Denying Petition for Declaratory Statement filed on November 18, 2011, stated that a declaratory statement is not the proper forum to resolve property issues and cannot be used to determine whether the conduct of a third-party occurs on sovereignty lands.
