Petitions and Dispositions Regarding Rule
Variance or Waiver**

DEPARTMENT OF LAW ENFORCEMENT

NOTICE IS HEREBY GIVEN that on February 29, 2012, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of subsection 11B-27.00212(14), F.A.C., from Indialantic Police Department on behalf of Sergeant Theodore Baker for the 2008 (7/1/2006 – 6/30/2008) mandatory firearms requalification reporting cycle.

Subsection 11B-27.00212(14), F.A.C., requires officers to requalify with a firearm every two years on a course of fire mandated by Commission rule and supervised by a CJSTC-certified firearms instructor. The petition supports the requested waiver by stating that Sergeant Baker completed the course of fire for the 2008 reporting cycle, however, his requalification shoot was not supervised by a CJSTC-certified firearms instructor. Petitioner states that Sergeant Baker will suffer a substantial hardship if his certification is rendered inactive as a result of this situation. Petitioner further states that it would violate the principles of fairness to fail to recognize that Sergeant Baker, himself a CJSTC-certified firearms instructor, did successfully complete the requirement, his only deficiency being that he was supervised by non-CJSTC-certified firearms instructors for the 2008 mandatory reporting cycle.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302 or by telephoning (850)410-7676.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

The Department of Environmental Protection, South District hereby gives notice that on March 7, 2012, the Department issued an order granting a variance to the City of Cape Coral (Petitioner). The petition was received on September 22, 2012, and the notice of receipt of this petition was published in the Florida Administrative Weekly on October 21, 2011. The petition requested a variance from paragraph 62-604.400(2)(a), F.A.C. The Petitioner requested a variance for this provision but will use alternative methods and portable generators that is more cost-effective and provides similar assurances of continued operation during emergencies. No public comment was received. The Order, file number [OGC Case No.: 11-1357], granted the Petition for the variance, based on a showing that Petitioner demonstrated that a strict application of the rule

would result in substantial hardship to Petitioner or would affect Petitioner differently than other similarly situated applicants and because Petitioner had successfully fulfilled the requirements of the underlying statute.

A copy of the Order or additional information may be obtained by contacting: Gary Maier, Department of Environmental Protection, South District Office, P. O. Box 2549, Ft. Myers, FL 33902, (239)334-5664, gary.maier@dep.state.fl.us.
