(c) through (f) No change.

(3) The Office of the Secretary has designated the Bureau of Policy Management and Inmate Grievance Appeals to receive, review, investigate, evaluate and respond to appeals and direct grievances filed with the Office of the Secretary. Appeals and direct grievances to the Office of the Secretary shall be turned over that same date to the Bureau of Policy Management and Inmate Grievance Appeals which shall ensure that the grievance is date-stamped in on the date of receipt. Upon receipt of the appeal or direct grievance by the Bureau of Policy Management and Inmate Grievance Appeals, the following shall occur:

(f) The response shall state whether the appeal or direct grievance is approved, denied, or being returned and shall also state the reasons for the approval, denial, or return. The criteria considered in approving, denying, or returning an appeal or direct grievance will vary with the facts of the grievance.

(5) Grievance appeals – If the grievance appeal is not a direct grievance to the Office of the Secretary, the inmate shall:

(a) Attach a copy of his formal grievance and response.;

(b) Attach a copy of his informal grievance and response, except when appealing grievances on inmate bank issues, sentence structure, disciplinary action (excluding corrective consultations), medical issues, admissible reading material, placement in close management and subsequent reviews, violation of the Americans with Disabilities Act, grievances regarding the return of incoming mail governed by subsection 33-210.101(14), F.A.C., or grievances involving gain time governed by Rule 33-601.101, F.A.C., Incentive Gain Time.;

(6) Direct Grievances.

(a) Emergency grievances and; grievances of reprisals, ~~or grievances of a sensitive nature~~ may be filed directly with the Office of the Secretary using the Request for Administrative Remedy or Appeal, Form DC1-303. The following shall apply:

1. The inmate shall state at the beginning of Part A of Form DC1-303 that the grievance concerns either an emergency; or is a grievance of a reprisal, ~~or a grievance of a sensitive nature~~. When alleging HIPAA violations, the inmate shall state that the grievance concerns HIPAA at the beginning of Part A of Form DC1-303.

2. The disclosure of medical information in a grievance authorizes staff to review the information and to use and disclose the medical

information necessary to investigate in order to respond. Following preparation of a response and signature of the responding employee, the grievance shall be returned to the Bureau of Policy Management and Inmate Grievance Appeals to ensure appropriate filing and routing.

(c) Grievances filed directly with the Office of the Secretary that are grievances of reprisal, ~~grievances of a sensitive nature~~, or a grievance alleging a violation of HIPAA shall be responded to according to established time frames.

(d) Upon receipt of the direct grievance and following review of the same, if it is determined that the grievance is not an emergency grievance, a grievance of reprisal, ~~or a grievance of a sensitive nature~~, or a grievance alleging a violation of HIPAA, the grievance shall be returned to the inmate with the reasons for return specified advising the inmate to resubmit his or her grievance at the appropriate level. The other applicable procedures in Rule 33-103.007, F.A.C., governing the processing of appeals to the Office of the Secretary shall apply to these four types of grievances.

(7) No change.

(a) The original copy of the grievance shall be returned to the inmate. The response shall be stamped “MAILED/FILED WITH AGENCY CLERK” along with the date mailed; the response shall be mailed on the same date that it is stamped. If the inmate is transferred, it is his or her responsibility to notify the Bureau of Policy Management and Inmate Grievance Appeals.

(b) One copy of the grievance shall be sent to the warden of the institution or facility the inmate is assigned to for review and forwarding for inclusion in the inmate file.

69A-37.065	Programs of Study and Vocational Courses

PURPOSE AND EFFECT: The purpose of these amendments is to address statutory changes in Section 633.081(8), F.S. relative to the firesafety inspector certification process. Further, the Department adopts a certification renewal application.

SUMMARY: The application for the special firesafety inspector is not necessary as this particular certification class was repealed by Chapter 2011-79, Laws of Florida. Additionally, Rule Chapter 69A-39, F.A.C., will be amended to include the program of study requirements for firesafety inspector certification. As a result, the requirements are being removed from Rule Chapter 69A-37, F.A.C. Lastly, the Department adopts a certification renewal application.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The Department lacks the rulemaking authority to retain the rule provisions governing the certification and training of special firesafety inspectors pursuant to Chapter 2011-79, Laws of Florida. Those individuals seeking to conduct firesafety inspections must obtain a certification as a firesafety inspector. All of the necessary requirements for those

certifications will be in Rule Chapter 69A-39, F.A.C. once amended. The Division of State of Fire Marshal conducted an analysis of the proposed rule’s potential economic impact and determined that it did not exceed any of the criteria established in Section 120.541(1), F.S. and is therefore does not require legislative ratification pursuant to Section 120.541(3), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Section V.B.7

Effective July 1, 2011, pursuant to 409.908 (23)(a), subsequent to all rate reductions, if the rate setting unit cost is equal to or less than the April 2011 unit cost, no additional reduction in rates is necessary. Subsequent to all rate reductions, if the rate setting unit cost is greater than the April 2011 unit cost, then rates shall be reduced by an amount until the rate setting unit cost is equal to the April 2011 unit cost, but shall not be reduced below the April 2011 unit cost. The methodology is designed to reduce individual Medicaid Intermediate Care Facility rates proportionally until the required reduction is achieved. The

unit cost comparison ensures no increase in statewide expenditures as mandated by Section 409.908(23)(a), F.S., as the April 2011 unit cost and the rate setting unit cost are derived from statewide expenditures divided by total Medicaid Days.

The Board of Accountancy hereby gives notice of the issuance of an Order regarding the Petition for Waiver or Variance, filed on December 22, 2011, by Michael Thomas Maguire. The Notice of Petition for Waiver or Variance was published in Vol. 38, No. 3, January 20, 2012, Florida Administrative Weekly. Petitioner sought a waiver or variance of subsection 61H1-27.0041(2), F.A.C., entitled "One Year of Work Experience," which requires that the supervisor, in his or his report to the Department, shall certify that the applicant rendered such services as are customarily performed by full-time, regularly employed staff employees. Petitioner also sought a waiver or variance of subsection 61H1-27.0041(4), F.A.C., which requires that documentation of one year of work experience shall be made using the Certification of Work Experience form, which is to be signed by the applicant's supervisor. The Board considered the instant Petition at a duly-noticed public telephonic meeting, held March 9, 2012.

The Board's Order, filed on April 6, 2012, granted the petition finding that Petitioner had established that the purpose of the underlying statute, Section 473.308(4), Florida Statutes, would be met by granting a variance or waiver from subsections 61H1-27.0041(2) and (4), F.A.C. The Board further found that Petitioner established that applying the requirements of the aforementioned rule to his circumstances would violate principles of fairness and impose substantial hardship.

A copy of the Order or additional information may be obtained by contacting: Veloria Kelly, Division Director, Board of Accountancy, 240 N. W. 76th Dr., Suite A, Gainesville, Florida 32607.

**DEPARTMENT OF HEALTH**

The Board of Clinical Social Work, Marriage and Family Therapy and Mental Health Counseling hereby gives notice of the issuance of an Order regarding the Petition for Waiver or Variance, which was filed on November 18, 2011, by Shirley St. Amour. The Notice of Petition for Waiver or Variance was published in Vol. 38, No. 10, of the March 9, 2012, Florida Administrative Weekly. The Board considered the instant Petition at a duly-noticed public meeting, held February 9, 2012, in Tampa, Florida.

The Board further finds that Petitioner failed to establish that applying the requirements of the aforementioned Rule to her circumstances would violate principles of fairness and impose substantial hardship.

A copy of the Order or additional information may be obtained by contacting: Sue Foster, Executive Director, Board of Clinical Social Work, Marriage and Family Therapy and Mental Health Counseling, 4052 Bald Cypress Way, Bin #C08, Tallahassee, Florida 32399-3258.

### DEPARTMENT OF STATE

May 1, 2012 – June 29, 2012

The Division of Historical Resources' Historic Preservation Grants-in-Aid Program announces a May 1 – June 29, 2012 grant application solicitation to award grants to hold one of four Regional Florida Certified Local Government (CLG) Training programs throughout the State of Florida. These regional historic preservation training programs, which may take the form of workshops, conferences, seminars, and hands-on educational activities or combinations thereof, will be funded with Federal Fiscal Year 2012 Historic Preservation Funds. The Division will award four grants each in the amount of \$16,500 to the selected CLGs for the purpose of holding one of the four Regional Florida CLG Training Programs. The selected CLGs will enter into a Grant Award Agreement with the Division of Historical Resources to provide the services described below. No match is required for this solicitation.

Applications must be submitted in hard copy and will be available for download and printing at the Division's Grant Program website: [www.flheritage.com/grants](http://www.flheritage.com/grants), beginning May 1, 2012. Grant applications must be received in-person by 5:00 p.m., Friday, June 29, 2012, or must be postmarked by 11:59 p.m., Friday, June 29, 2012. Six paper copies of the application and all required application attachments (one original and five duplicates) must be delivered to the Grants Program at: Bureau of Historic Preservation, Grants Program, 4th Floor, R.A. Gray Building, 500 South Bronough Street, Tallahassee, Florida 32399-0250, by this deadline. Applications will be reviewed, ranked, and selected for funding approval by a five-member 2013 CLG Training Program Grant Selection Subcommittee of the Florida Historical Commission (FHC) on Monday, July 23, 2012. Following selection, all applicants will be notified in writing of the award decisions.

#### WHO IS ELIGIBLE TO APPLY

Eligible applicants are limited to the historic preservation and planning sections of Certified Local Governments. Visit: [http://www.flheritage.com/preservation/clg/docs/CLG\\_list.pdf](http://www.flheritage.com/preservation/clg/docs/CLG_list.pdf) for a list of currently designated CLGs.

#### FUNDS AVAILABLE

These CLG grant funds are comprised of Florida's 2012 Federal Fiscal Year Historic Preservation Fund apportionment. A total of \$66,000 shall be awarded for this CLG Training Program Grants solicitation. Awards will be limited to four grant awards each totaling \$16,500.00. Applicants shall not receive more or less than this \$16,500 award amount. Applicants may apply for only one grant. Applicants are not required to supply matching funds for this solicitation.

Note: Applicants may request to apply up to 10% (\$1,650) of the \$16,500 award to pay for direct program management and administration costs. If requested, direct program management and administration costs must be included in the budget section of the grant application.

#### LENGTH OF GRANT

Awarded grants will begin October 1, 2012, and will expire June 30, 2013. No grant funds may be expended before or after these dates.

Projects selected for grant awards will be announced following the Monday, July 23, 2012, application review and selection meeting. Grant award agreements will be forwarded to grantees in September of 2012, and project work may not be initiated until a formal grant award agreement between the grantee and the Department is executed.

#### SOLICITATION PRIORITIES

The purpose of this grant solicitation is to provide regional historic preservation training to historic preservation staff, board members, and volunteers currently serving Florida Certified Local Governments and those local governments interested in applying for the CLG program. All communities statewide must have a fair opportunity to attend a training event within their community's general geographic region. To ensure this geographic distribution priority is addressed, the 2013 CLG Training Grant Application Selection Subcommittee of the FHC will make every practicable effort to select one training program to serve each of the four following general geographic regions of the state: North Florida, Central Florida, Southeast Florida, and Southwest Florida. Please identify the geographic region your training program will serve in the grant application.

#### REQUIRED PROGRAM ELEMENTS

The following elements and services must be included in each training program and, consequently, these requirements must be sufficiently addressed in the grant application to be eligible for this funding opportunity:

\*Training programs must be limited to historic preservation topics.

\*Trainings programs must last at least two consecutive business days.

\*While the trainings will be targeted toward CLG historic preservation and planning staff, boards, and volunteers, other local governments interested in the CLG program and interested members of the general public will also be encouraged to attend.

\*At least one two-hour session must be reserved for historic preservation training topics of local or regional concern to be selected by the applicant.

\* At least one two-hour session must be an open discussion period in which participants discuss local and regional preservation issues and concerns. Training program attendees shall be encouraged to bring discussion topics with them to prepare for this session.

\*The applicant must hold a two-hour networking reception as part of the training program. It will be the responsibility of the applicant to provide food, drink, and entertainment as these costs are not allowable grant award expenditures. Note: While training program registration fees may be charged, such fees must be minimal and may only be collected to recuperate expenses directly related to the program. Because food, drink, and entertainment may not be purchased using grant award funds, it is recommended that applicants use the proceeds earned from program registration fees to pay for these expenses.

\*At least \$3,000.00 of the \$16,500.00 grant award must be reserved for travel stipends for training program attendees. The purpose of this requirement is to encourage the largest attendance possible, especially from CLG representatives from the surrounding region. The applicant is responsible for both the recruitment of recipients of these travel stipends and the management of the use of the minimum \$3,000 travel stipend allotment. Recipients of the travel stipends may use the funds to pay for travel to and from the training location and for travel accommodations. Travel stipend funds may not be used to pay for food, drink, or entertainment.

#### INELIGIBLE EXPENDITURES

The following expenses are not allowable for grant reimbursement:

- Project administrative and management expenditures which in aggregate exceed 10% of the requested grant award amount. Note: Applicants may request to apply up to 10% (\$1,650) of the \$16,500 award to pay for direct program management and administration costs. If requested, direct program management and administration costs must be included in the budget section of the grant application.

- Entertainment, food, beverages, plaques, awards, or gifts.

The booklet will be similar in layout to preceding issues in the Florida Heritage Trail series also developed through historic preservation grant funding, such as Florida Native American Heritage Trail, Florida World War II Heritage Trail, Florida Women's Heritage Trail, Florida Black Heritage Trail, and the Florida Civil War Heritage Trail. For copies of these booklets, please contact the Division of Historical Resources at 1(800)847-7278. ##### 3. Florida Main Street Program

Newly selected Florida Main Street communities will be eligible for non-matching Main Street "start-up" grants of \$10,000.

#### GENERAL PRIORITIES

##### Historic Preservation

The goal of the Bureau is to locate, identify and protect the significant historic properties of the state as rapidly as possible to provide a basis for effective preservation planning throughout the state. In accordance with the application evaluation criteria outlined in Chapter 1A-39, Florida Administrative Code ("Division of Historical Resources Grants Programs"), projects within each category shall be compatible with the following priorities:

##### A. Survey Priorities

1. Surveys to identify, evaluate and document historic properties and archaeological sites associated with Florida's minority heritage.

2. Surveys of broad areas where no previous surveys have been undertaken.

3. Surveys located in areas subject to intensive development pressure.

4. Surveys designed to complete comprehensive coverage of areas in which partial surveys have been made.

5. Surveys that address historic themes not covered or under-represented in previous surveys.

#### B. Registration (National Register) Priorities

2. Development of plans for informing the public as to the economic and other benefits of preserving historical resources.

3. Development of protection tools, such as local ordinances.

4. Implementation of automated information systems to facilitate the recording of site data or information on other historic preservation subjects.

#### D. Community Education Priorities

1. Historic preservation education programs for school children.

2. Projects having to do with minority historic preservation.

3. General publications about preservation.

4. Self-guided tours of historic areas.

#### E. Acquisition and Development Priorities

Applications for all types of eligible projects are earnestly solicited and encouraged and will be judged on their merits according to the criteria in Section 1A-39.008, Florida Administrative Code.

#### SPECIAL CONSIDERATION

Priority ranking during the Acquisition and Development review will be given to projects whose objective is in accordance with the first priority for Acquisition and Development projects: The stabilization or other appropriate preservation treatments for properties which are in imminent danger of being lost due to physical deterioration or planned development.

#### MATCH REQUIREMENTS AND PROJECT SUPPORT

Applications submitted by local governments and not-for-profit organizations for projects located in Rural Economic Development Initiative (REDI)-designated communities are eligible to request a waiver of all matching requirements as per Section 288.06561, Florida Statutes. Please visit <http://www.florida-redi.com> to view a list of all currently-designated REDI counties and communities.

In addition to REDI applications, Non-Matching Special Projects and CLG applications do not require matching contributions from applicants. All other applications require a 1:1, equivalent match. That is, grant funds will be given to support up to 50% of the cost of an eligible project, with the other 50% provided by the grant recipient (grantee) in the form of cash match or match in the form of allowable in-kind services and materials with a specified cash value. The required match must include a minimum cash match contribution of 25%. In valuing in-kind and donated services, please be sure to use a value that reflects a typical fair market value you would pay if you were purchasing such services. All match contributions must occur during the July 1, 2013 – June 30, 2014 grant period. Any expenditures or donations made prior to the grant period are not allowable match contributions. Further, in computing grant match, please note that, while direct administrative and project management costs for conducting grant activities may be considered allowable, indirect administrative charges or overhead are not allowable as match and are not reimbursable grant expenditures.

It is important that the applicant document support for the project for which funding is requested. Several letters of support, endorsements, resolutions, and other documentation evidencing local, regional or statewide support for the project contribute significantly to the application review.

#### APPLICATION REVIEW AND PROJECT SELECTION

All eligible applications will be evaluated on a competitive basis by Grant Review Panels appointed by the Secretary of State in a public meeting scheduled for August 15 and 16, 2012.

The Grant Review Panels will prioritize all applications and recommend a level of funding (full or partial) for each project. In accordance with the Government Performance and Accountability Act of 1994, the Division of Historical Resources is mandated to increase the number of historic and archaeological properties protected or preserved for public use.

Please note that many projects may not be recommended for the full amount requested; rather, the Grant Review Panel members may recommend an amount intended as a significant contribution to the project. Final project selection will be made by the Department of State and will depend heavily upon the Grant Review Panels' recommendations.

Projects selected for grant awards will be announced by July 1, 2013. Grant award agreements will be forwarded to grantees by July 1, 2013. No project work may be initiated until the grant award agreement between the grantee and the Department is executed. No work begun before July 1, 2013, will be eligible for grant reimbursement.

## DEPARTMENT OF ENVIRONMENTAL PROTECTION

The Department of Environmental Protection gives notice of its intent to grant a variance under Sections 373.414(17) and 403.201, F.S., from the provisions of Subsection 3.2.5 of the Basis of Review for Environmental Resource Permit Applications within the Southwest Florida Water Management District adopted by reference in paragraph 62-330.200(3)(e), F.A.C., to Charlotte County Board of County Commissioners, 7000 Florida Street, Punta Gorda, Florida 33950, (File No. 08-0211351-005-EVSH) to allow the dredging of approximately 33,000 cubic yards of material from the Myakka River and entrance channels to the Northwest Port Charlotte subdivision, creating a 25-foot wide navigational channel to a depth of -5.0 feet mean low water, within Class II Outstanding Florida Waters, conditionally approved for shellfish harvesting, within Sections 7, 8 and 18, Township 40 South, Range 21 East, Charlotte County. This variance is sought in conjunction with the application for a permit to conduct the same activities described above (File No.: 08-0211351-004-EI05). The Department's file on this matter is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the Department of Environmental Protection, South District Office, 2295 Victoria Avenue, Suite 364, Fort Myers, Florida 33902. Please contact Jeannie Gerhart (239)344-5645 or by email: Jeannie.Gerhart@dep.state.fl.us, to schedule an appointment.

A person whose substantial interests are affected by the Department's action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57,

Florida Statutes. The petition must contain the information set forth below and must be filed (received by the clerk) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000.

Mediation under Section 120.573, F.S., is not available.

Under subsections 28-106.111(3) and 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000, before the applicable deadline. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon. If a request is filed late, the Department may still grant it upon a motion by the requesting party showing that the failure to file a request for an extension of time before the deadline was the result of excusable neglect.

In the event that a timely and sufficient petition for an administrative hearing is filed, other persons whose substantial interests will be affected by the outcome of the administrative process have the right to petition to intervene in the proceeding. Any intervention will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

In accordance with subsection 28-106.111(2) and paragraph 62-110.106(3)(a), F.A.C., petitions for an administrative hearing by the applicant must be filed within 14 days of receipt of this written notice. Petitions filed by any persons other than the applicant, and other than those entitled to written notice under Section 120.60(3), F.S., must be filed within 14 days of publication of the notice or within 14 days of receipt of the written notice, whichever occurs first. Under Section 120.60(3), F.S., however, any person who has asked the Department for notice of agency action may file a petition within 14 days of receipt of such notice, regardless of the date of publication.

The petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The failure of any person to file a petition for an administrative hearing within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S.

A petition that disputes the material facts on which the Department's action is based must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests are or will be affected by the agency determination; (c) A statement of when and how the petitioner received notice of the agency decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate; (e) A concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency's proposed action; and (f) A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes; (g) A statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts on which the Department's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C. Under Sections 120.569(2)(c) and (d), F.S., a petition for administrative hearing must be dismissed by the agency if the petition does not substantially comply with the above requirements or is untimely filed.

This intent to grant a variance constitutes an order of the Department. Subject to the provisions of Section 120.68(7)(a), Florida Statutes, which may require a remand for an administrative hearing, the applicant has the right to seek judicial review of the order under Section 120.68, Florida Statutes, by the filing of a notice of appeal under Rule 9.110, Florida Rules of Appellate Procedure, with the Clerk of the Department in the Office of General Counsel, 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000; and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate district court of appeal. The notice of appeal must be filed within 30 days from the date when the order is filed with the Clerk of the Department. The applicant, or any party within the meaning of Section 373.114(1)(a) or 373.4275, Florida Statutes, may also seek appellate review of the order before the Land and Water Adjudicatory Commission under Section 373.114(1) or 373.4275, Florida Statutes.
