 RULE TITLE: Charter School Corrective Action and School Improvement Plans

PURPOSE AND EFFECT: The purpose of this new rule is to implement the charter school accountability provisions relating to school improvement plans, corrective actions, and waivers of termination. The effect is a rule consistent with Florida Statutes.

RULE NO.:	RULE TITLE:
6A-6.03024	Provision of Occupational or Physical Therapy to Exceptional Students as a Related Service

PURPOSE AND EFFECT: The purpose of this amendment is to address requirements related to both occupational therapy and physical therapy. Rule 6A-6.03024, F.A.C., has been substantially reworded to incorporate requirements related to both occupational therapy and physical therapy currently found in Rules 6A-6.03024 and 6A-6.03025, F.A.C., Special Programs for Exceptional Students who Require Occupational Therapy. The effect will be a rule that updates terminology to clarify that occupational therapy and physical therapy are related services and not special programs and update definitions and revise language to clarify the provision of occupational therapy and physical therapy related to assessment, determination of educational need, and plan of treatment.

SUMMARY: The proposed rule revision deletes lengthy descriptions that are not consistent with the Occupational Therapy Practice Act (Part III, Chapter 468, Florida Statutes) and the Physical Therapy Practice Act (Chapter 486, Florida Statutes). The proposed rule defines occupational and physical therapy as services provided by a licensed therapist or assistant pursuant to the respective Practice Acts. A definition of “related service provider” was added to rule language to identify that occupational or physical therapists are responsible for the assessment and provision of school-based occupational or physical therapy as a related service as defined in Section 1003.01(3)(b), Florida Statutes, and Rule 6A-6.03411, F.A.C. The proposed rule removes reference to “criteria for eligibility.” The proposed rule is consistent with the respective Practice Acts and states that assessments shall be conducted by the related service provider prior to the provision of occupational or physical therapy. The proposed rule removes “procedures for student evaluation” and includes references to rules already in place regarding individual educational plans (IEPs), educational plans (EPs) and individualized family support plans (IFSPs). It also clarifies that assessments by the related service provider have to be conducted before the determination is made that there is an educational need for a related service. The requirement for a medical prescription is removed from the proposed rule. The proposed rule removes language related to the annual assessment of “student

progress.” Instead, the proposed rule includes the requirement that input from the related service provider is required to assist the IEP, EP, or IFSP team when the educational need for therapy as a related service is being determined, and when an IEP, EP, or IFSP for a student who is receiving occupational therapy or physical therapy is reviewed. The proposed rule references the Practice Acts with regard to plan of treatment requirements.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: 1) no requirement for SERC was triggered under Section 120.541(1), Florida Statutes, and; 2) based on past experiences with rules of this nature, the adverse impact or regulatory cost, if any, do not exceed nor would be expected to exceed any one of the economic analysis criteria set forth in Section 120.541(2)(a), Florida Statutes.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: 6A-6.03033
 RULE TITLE: Specialized Instructional Services (SIS) for Voluntary Prekindergarten Children (VPK) with Disabilities

PURPOSE AND EFFECT: Beginning with the 2012-2013 school year, a child who has a disability and enrolls with the early learning coalition under Section 1002.53(3)(d), Florida Statutes, is eligible for specialized instructional services if (a) The child is eligible for the Voluntary Prekindergarten Education Program under Section 1002.53, Florida Statutes; and (b) A current individual educational plan has been developed for the child by the local school board in accordance with rules of the State Board of Education. The purpose of this new rule is to adopt procedures for the Department to approve specialized instructional service providers whose services meet the standards in Section 1002.66(3), Florida Statutes, maintain a list of approved providers, and notify each school district and early learning coalition of the approved provider list. The effect of the rule will allow the parent of a child who is eligible for the prekindergarten program for children with disabilities to select one or more specialized instructional services that are consistent with the child’s individual educational plan. These specialized instructional services may include, but are not limited to (a) Applied behavior analysis as defined in Sections 627.6686 and 641.31098, Florida Statutes, (b) Speech-language pathology as defined in Section 468.1125, Florida Statutes, (c) Occupational therapy as defined in Section 468.203, Florida Statutes, (d) Physical therapy as defined in Section 486.021, Florida Statutes, and (e) Listening and spoken language specialists and an appropriate acoustical environment for a child who is deaf or hard of hearing who has received an implant or assistive hearing device.

SUMMARY: New statutory language (Section 1002.66, F.S.) requires the Department to approve individuals providing specialized instructional services (SIS) to VPK children with

disabilities. Statutory language automatically approves certain providers, and others, outlined in the rule, may apply for approval.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: 1) no requirement for SERC was triggered under Section 120.541(1), Florida Statutes, 2) the application process for approval by a parent or a Specialized Instructional Service provider has no associated regulatory costs; and 3) based on past experiences with the VPK program and rules of this nature, the adverse impact or regulatory cost, if any, do not exceed nor would be expected to exceed any one of the economic analysis criteria set forth in Section 120.541(2)(a), Florida Statutes.

RULE NO.: 53ER12-47
 RULE TITLE: FLORIDA LOTTO™ Gas for Life Promotion

SUMMARY: This emergency rule describes the FLORIDA LOTTO™ Gas for Life Promotion that will begin on May 23, 2012, and continue through July 11, 2012. This emergency rule replaces Emergency Rule 53ER12-41, F.A.C.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Diane D. Schmidt, Legal Analyst, Department of the Lottery, 250 Marriott Drive, Tallahassee, Florida 32399-4011

THE FULL TEXT OF THE EMERGENCY RULE IS:

53ER12-47 FLORIDA LOTTO™ Gas for Life Promotion.

(1) Beginning Wednesday, May 23, 2012, through Wednesday, July 11, 2012, the Florida Lottery will conduct the FLORIDA LOTTO™ Gas for Life Promotion. Players who purchase a single FLORIDA LOTTO™ or FLORIDA LOTTO with XTRA ticket of \$5 or more will receive a \$50 instant winner coupon or an entry voucher with a unique serial number that can be entered in a drawing on the Florida Lottery’s website for a chance to win Gas for Life, Gas for a Year, Gas for a Month, or a VIP Race Package.

(2) Qualifying FLORIDA LOTTO ticket purchases will produce \$50 instant winner coupons or entry vouchers from the beginning of the promotion period until close of game for FLORIDA LOTTO at 10:40 p.m. on July 11, 2012.

(3) Instant \$50 Cash Prize Coupon.

(a) When a FLORIDA LOTTO ticket is produced that entitles the player to an instant prize of \$50, a “winner” audio message will play on the terminal and the FLORIDA LOTTO ticket will contain a Lottery prize alert symbol and a message that the ticket holder is an instant winner. Cancellation of a qualifying FLORIDA LOTTO ticket will cancel an instant winner coupon unless the instant winner coupon has been redeemed. Once the instant winner coupon is redeemed, the FLORIDA LOTTO ticket cannot be cancelled. Should an issue arise concerning the transaction and/or prize, it is the player’s responsibility to seek resolution of the issue with the retailer and the Lottery prior to leaving the retail location.

(b) Winners can redeem a \$50 instant winner coupon at any Florida Lottery retailer or any Florida Lottery office, or call (850)487-7777 [TDD (850)487-7784] for instructions on how to claim the instant winner coupon by mail.

(c) Winners must redeem instant winner coupons by September 9, 2012.

(d) Approximately 7,000 \$50 instant winner coupons will be produced.

(4) Vouchers. The entry voucher will be attached to the bottom of the FLORIDA LOTTO ticket. To enter an entry voucher serial number in a Gas for Life drawing, players must enter on the Lottery’s website at www.flalottery.com. On the home page of the Lottery’s website, players can click on the Gas for Life banner and follow the directions. The entry voucher serial number is located at the bottom on the front of the entry voucher. Players are to enter the first 13-digits of the 19-digit entry voucher serial number. A player will be able to enter his or her entry voucher serial numbers beginning at the top of the hour after the FLORIDA LOTTO ticket is purchased. A player entering an entry voucher serial number prior to the top of the hour after purchase will be directed to return at a later time to enter his or her entry voucher serial number in the drawing. Neither FLORIDA LOTTO tickets nor \$50 instant winner coupons can be used for entry in the drawings. The odds of winning are dependent upon the number of entries received. Entry vouchers should not be mailed to the Lottery unless players are contacted by the Florida Lottery and requested to do so. Entry vouchers or tickets received in the mail by the Florida Lottery will not be entered in the drawing and will not be returned. Cancellation of a qualifying FLORIDA LOTTO ticket will also cancel the associated entry voucher and the entry voucher number will be ineligible for entry into a Gas for Life Promotion drawing. Entry voucher numbers associated with a cancelled FLORIDA LOTTO ticket that are entered into a Gas for Life Promotion drawing will be disqualified.

(5) Drawings.

(a) Seven weekly computerized drawings will be held during the period from Thursday, May 31, 2012, to Thursday, July 12, 2012, and winners will be randomly selected from entries received during the entry periods shown below. (b) Weekly Drawings. In each of the seven weekly drawings, the first five valid entries drawn will win Gas for a Year and the sixth through the fifty-fifth entries drawn will win Gas for a Month. The sixth through the fifty-fifth valid entries will be used in the order in which they were drawn and as needed to select an alternate Gas for a Year prize winner in the event a Gas for a Year prize cannot be awarded. The Florida Lottery will attempt to notify each Gas for a Year winner by telephone, U.S. mail or email using the contact information provided in the winner's registration data no later than one week after the winners are drawn. If the Florida Lottery is unable to contact a Gas for a Year prize winner within sixty days of the date of the drawing, the winner will forfeit his or her right to claim the prize and the Florida Lottery will award the prize to an alternate winner. This process will continue until an alternate is contacted or the Florida Lottery has exhausted the list of available alternates. If the Lottery is unable to contact an alternate, the Gas for a Year prize will not be awarded. An alternate winner will be awarded the difference in gas cards between the Gas for a Year and Gas for a Month prizes. The Florida Lottery will attempt to notify the Gas for a Month winners by telephone, U.S. mail or email using the contact information provided in the winner's registration data no later than one week after the winner is drawn in order to confirm the winner's mailing address. Gas for a Month winners will also be alternates for the VIP Race Package, and used in the order in which they were drawn, in the event the VIP Package cannot be awarded to the Race Package winner. The Florida Lottery will attempt to notify the VIP Race Package winner and the Gas for a Month winners by telephone, U.S. mail or email using the contact information provided in the winner's registration data no later than one

week after the drawing. If the Florida Lottery is unable to contact the VIP Race Package winner within one week of the date of the drawing, the winner will forfeit his or her right to claim the prize and the Florida Lottery will award the prize to an alternate. If the Lottery is unable to contact a Gas for a Month winner within one week of the date of the drawing, the Gas for a Month winner will forfeit his or her right to serve as an alternate for the VIP Race Package. If the Lottery is unable to contact an alternate, the VIP Race Package prize will not be awarded. If the Florida Lottery is unable to contact a Gas for a Month prize winner within sixty days of the date of the drawing, the winner will forfeit his or her right to claim the Gas for a Month prize. No alternates will be drawn for a Gas for a Month prize. An alternate winner who has not claimed the Gas for a Month prize at the time of notification that he or she is the alternate winner of the VIP Race Package will be awarded only the VIP Race Package prize. An alternate winner who has claimed the Gas for a Month prize at the time of notification will receive the VIP Race Package minus the \$300 in gas cards.

(d) Grand Prize Drawing. In the Grand Prize drawing, the first valid entry drawn will be the winner of the Gas for Life prize and the second and third entries drawn will be the winner of a Gas for a Month prize. Gas for a Month winners will also be alternates for the Gas for Life prize, and used in the order in which they were drawn, in the event the Gas for Life prize cannot be awarded to the winner. The Florida Lottery will attempt to notify the Gas for Life winner by telephone, U.S. mail or email using the contact information provided in the winner's registration data no later than one week after the winner is drawn. If the Florida Lottery is unable to contact the Gas for Life prize winner within sixty days of the date of the drawing, the winner will forfeit his or her right to claim the prize and the Florida Lottery will award the prize to an alternate winner. This process will continue until an alternate is contacted or the Florida Lottery has exhausted the list of available alternates. If the Lottery is unable to contact an alternate, the Gas for Life prize will not be awarded. An alternate winner will be awarded the difference in gas cards between the Gas for a Month and Gas for Life prize, less applicable tax withholding, and in accordance with paragraph (7)(a) below. An alternate winner who elects the cash option for the Gas for Life prize will receive the difference between the value of the cash option Gas for Life prize and the value of the Gas for a Month prize, less applicable tax withholding. The Florida Lottery will attempt to notify the Gas for a Month winners by telephone, U.S. mail or email using the contact

information provided in the winner's registration data no later than one week after the winner is drawn in order to confirm the winner's mailing address. If the Florida Lottery is unable to contact the Gas for a Month prize winner within sixty days of the date of the drawing, the winner will forfeit his or her right to claim the prize. No alternates will be drawn for a Gas for a Month prize.

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice on May 11, 2012, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code and Paragraph 5-202.11(A), 2001 FDA Food Code from Adam's Acai & Health kiosk located in Sanford, FL. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash sink and 3-compartment sink.

The Petition for this variance was published in Vol. 38, No. 21 on May 25, 2012. The Order for this Petition was signed on May 31, 2012, and after a complete review of the variance request, the Division finds that the application of this rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding

tanks for the handwash sink and 3-compartment sink are emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that the front handwash sink is provided with hot and cold running water under pressure; and equipped with soap, approved hand drying device and a handwashing sign.
