## Section II Proposed Rules

### DEPARTMENT OF FINANCIAL SERVICES

#### Division of Worker’s Compensation

RULE NO.: 69L-5.216  
 RULE TITLE: Provision of Benefits and Safe Working Environment by Self-Insurers

**PURPOSE AND EFFECT:** The proposed language provides a clear understanding of when Form SI-19 (Certification of Servicing for Self-Insurers) is due for one year contracts and continuous servicing contracts.

**SUMMARY:** This amendment clarifies when Form SI-19 (Certification of Servicing for Self-Insurers) is due to the Division of Workers’ Compensation or Florida Self-Insurers Guaranty Association (FSIGA) for current and former self-insurers who contract with Qualified Servicing Entities for one or more years.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: There is neither a cost nor an exemption from cost associated with this rule. The clarification of language should reduce the regulatory burden on the private sector by making the certification requirements more clear. As a result, better compliance by insurers will result in the assessment of fewer penalties for late-filed certifications.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
