Petitions and Dispositions Regarding Rule Variance or Waiver

DEPARTMENT OF LAW ENFORCEMENT

Criminal Justice Standards and Training Commission

RULE NO.: RULE TITLE:

11B-27.00212: Maintenance of Officer Certification

The Criminal Justice Standards and Training Commission hereby gives notice: That on October 5, 2012, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of Rule 11B-27.00212(14), F.A.C., from Broward County Sheriff's Office on behalf of 59 officers for the 2008, 2010, and 2012 reporting periods (7/1/2006 – 6/30/2008; 7/1/2008 – 6/30/2010; 7/1/2010-6/30/2012). Rule 11B-27.00212(14), F.A.C., requires officers to requalify with a firearm every two years on a course of fire mandated by Commission rule and supervised by a CJSTC-certified firearms instructor. The petition supported the requested waiver by stating that the 59 officers at issue did successfully complete the course of fire, however, the instructors supervising the requalifications had not completed all requirements to become CJSTC-certified firearms instructors. Petitioner stated that the 59 officers would suffer a substantial hardship if their certifications were rendered inactive as a result of this situation. Petitioner further stated that it would violate the principles of fairness to fail to recognize that the 59 officers did successfully complete the requirement simply because non-CJSTC-certified firearms instructors supervised the 2008, 2010, and 2012 mandatory firearms requalifications for the officers. Notice of receipt of this petition was published in the Florida Administrative Weekly, Volume Number 38, Issue Number 46, on October 9, 2012.

On November 1, 2012, pursuant to notice, at its regularly scheduled Business Agenda meeting held in Sarasota, Florida, the Commission found that the Petitioner's situation is unique. The Petitioner demonstrated that the strict application of the Commission's rules in this case would violate the principles of fairness. The Petitioner's officers had, in fact, completed the Commission's course of fire and achieved a passing score. The only deficiency in the officers' firearms requalifications was to be supervised by non-CJSTC-certified firearms instructors. The Commission found that the purposes of the underlying statute, to ensure that officers receive adequate and timely retraining, will be met by granting this waiver request. The Commission issued an order granting the Petitioner's waiver.

A copy of the Order or additional information may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302, or by telephoning (850) 410-7676.

EXECUTIVE OFFICE OF THE GOVERNOR

Governor’s Commission on Community Service
(Volunteer Florida)

The Governor’s Commission on Community Service (Volunteer Florida) is pleased to announce the availability of 2013-2014 grant funding for AmeriCorps Competitive State programs.

AmeriCorps State programs engage AmeriCorps members in direct service and capacity-building activities to address unmet community needs. Local programs design service activities for a team of members who have each committed to one year of service. AmeriCorps programs support local community efforts by addressing education, environmental, homeland security, public safety or other human needs. Sample activities include tutoring and mentoring youth, assisting crime victims, building homes, and restoring parks. AmeriCorps members also mobilize community volunteers and strengthen the capacity of the organizations where they serve.

If you have any questions regarding AmeriCorps Programs or the funding process, please contact americorpsrfrp@volunteerflorida.org.

A full grant application is available after November 2, 2012 on the Volunteer Florida website www.volunteerflorida.org. Proposals are due in the federal eGrants system by December 3, 2012, 5:00 p.m. eastern standard time.

Volunteer Florida, The Governor’s Commission on Community Service was established in 1994 by the Florida Legislature to administer grants under the National and Community Service Trust Act of 1993. The Commission administers the state’s AmeriCorps programs; promotes volunteerism in emergency management and preparedness; and helps to strengthen and expand Volunteer Centers in Florida.

AmeriCorps is a program funded by the U.S. Congress under the Catalog of Federal Domestic Assistance number 94.006. The national public/private partnership supporting AmeriCorps is the Corporation for National and Community Service (CNCS).
