RULE NOS.:	RULE TITLES:

62S-6.012	Discharge Cleanup Organization; Approval
62S-6.022	Notification of Pollutant Discharge
62S-6.033	Terminal Facility Discharge Contingency Plan
62S-6.034	Additional Equipment to Cleanup a 10,000 Gallon Pollutant Discharge

PURPOSE AND EFFECT: The purpose of this amendment is to make the appropriate changes to Chapter 62S-6, F.A.C. In Rule 62S-6.009, F.A.C., subsections 62S-6.009(1), (3)-(25) and (27)-(31), F.A.C., will be repealed since they are no longer used in the rule or restate the statute; subsections (2) and (26) will be appropriately renumbered. In Rule 62S-6.012, F.A.C., pursuant to Section 120.55(1)(a)4., F.S., the Form: Application for Approval as a Discharge Cleanup Organization will be incorporated into subsection 62S-6.012(1), F.A.C., and the reference to Rule 62N-16.026, F.A.C., will be removed since this rule has been repealed. In addition, the Department will provide for electronic retrieval and submittal of the Form: Application for Approval as a Discharge Cleanup Organization. Furthermore, subsections 62S-6.012(3) and (5), F.A.C., will be removed since they duplicate the statute. In Rule 62S-6.022, F.A.C., the references to the Florida Marine Patrol in subsections 62S-6.022(1) and (2), F.A.C., will be removed since it no longer exists and will be replaced with the State Watch Office at (850)413-9911. Furthermore, the reference to Section 370.07, F.S., in the rulemaking authority section will be moved since it is incorrect and will be replaced with the correct citation of Section 376.07, F.S. In Rule 62S-6.033, F.A.C., the reference to October 1, 1992 in subsection 62S-6.033(1), F.A.C., shall be removed since this date is no longer valid. Furthermore, the references to the Florida Marine Patrol in sub-subparagraphs 62S-6.033(1)(b)3.a. and (1)(c)3.a., F.A.C., will be removed since it no longer exists and will be replaced with the State Watch Office at (850) 413-9911. Additionally, subsection 62S-6.033(4), F.A.C., will be repealed. This is due to the fact that Rule 62N-16.036, F.A.C., Vessel Spill Contingency Plan, which is the contingency plan referenced in subsection 62S-6.033(4), F.A.C., no longer exists. Finally, in Rule 62S-6.034, F.A.C., paragraph 62S-6.034(1)(a), F.A.C., will be deleted because Section 376.065(3), F.S., already details the boom requirements.

SUBJECT AREA TO BE ADDRESSED: The rule amendments will do the following: incorporate the appropriate form into the rule, allow for electronic retrieval and submittal of a form, replace an entity from the rule that no longer exists with the appropriate one, correct a citation in the rulemaking

authority, remove certain rule references that no longer exist and repeal certain subsections and sub-subparagraphs that are no longer valid.

THE FULL TEXT OF THE PROPOSED RULE IS:

25-30.120 Regulatory Assessment Fees; Water and Wastewater Utilities.

(1) As applicable and as provided in Section 350.113, F.S., each utility shall remit a fee based upon its gross operating revenue. This fee shall be referred to as a regulatory assessment fee. Each utility shall pay a regulatory assessment

fee in the amount of 0.045 of its gross revenues derived from intrastate business. The gross revenues reported for regulatory assessment fee purposes must agree with the amount reported as operating revenue on Schedule F-3 of the Operating Statement in the company's Annual Report, filed in accordance with Rule 25-30.110, F.A.C. A minimum annual regulatory assessment fee of \$25 shall be imposed if there are no revenues or if revenues are insufficient to generate a minimum annual fee.

(2) The obligation to remit the regulatory assessment fees for any year shall apply to any utility that is subject to this Commission's jurisdiction on or before December 31 of that year or for any part of that year, ~~whether or not the utility has actually applied for or been issued a certificate.~~

(a) For large utilities with annual revenues of \$200,000 or more based on the most recent prior calendar year, regulatory assessment fees shall be filed with the Commission on or before July 30 for the preceding period or any part of the period from January 1 until June 30, and on January 30 for the preceding period or any part of the period from July 1 until December 31. Commission Form PSC/AFD 10-WL (Rev. 04/13) ~~PSC/ECR 10-WL (02/05)~~ entitled "Large Water Utility System Regulatory Assessment Fee Return" is available at: (hyperlink) and Commission Form PSC/AFD 017-WL (Rev. 04/13) ~~PSC/ECR 017-WL (02/05)~~ entitled "Large Wastewater Utility System Regulatory Assessment Fee Return" is available at: (hyperlink). These forms are incorporated into this rule by reference and may also be obtained from the Division of Administrative and Information Technology Services. The failure of a utility to receive a return form shall not excuse the utility from its obligation to timely remit the regulatory assessment fees.

(b) For small utilities with annual revenues of less than \$200,000 based on the most recent prior calendar year, regulatory assessment fees shall be filed with the Commission on or before March 31 for the preceding year ended December 31. Commission Form PSC/AFD 010-WS (Rev. 04/13) ~~PSC/ECR 010-WS (02/05)~~ entitled "Small Water Utility System Regulatory Assessment Fee Return" is available at: (hyperlink) and Commission Form PSC/AFD 017-WS (Rev. 04/13) ~~PSC/ECR 017-WS (02/05)~~ entitled "Small Wastewater Utility System Regulatory Assessment Fee Return" is available at: (hyperlink). These forms are incorporated into this rule by reference and may also be obtained from the Commission's Division of Administrative and Information Technology Services. The failure of a utility to receive a return form shall not excuse the utility from its obligation to timely remit the regulatory assessment fees.

(c) For the purpose of this rule, a utility operating both a water system and a wastewater system shall consider each system separately in determining the revenue threshold for filing regulatory assessment fees on either an annual or semi-annual basis.

(d) Regulatory assessment fees are considered paid on the date they are postmarked by the United States Postal Service or received and logged in by the Commission's Division of Administrative and Information Technology Services in Tallahassee. Fees are considered timely paid if properly addressed, with sufficient postage and postmarked no later than the due date.

(3) If the due date falls on a Saturday, Sunday, or a legal holiday, the due date is extended to the next business day. If the fees are sent by registered mail, the date of the registration is the United States Postal Service's postmark date. If the fees are sent by certified mail and the receipt is postmarked by a postal employee, the date on the receipt is the United States Postal Service's postmark date. The postmarked certified mail receipt is evidence that the fees were delivered.

(4) Each utility shall have up to and including the due date in which to:

(a) Remit the total amount of its fee; or

(b) Remit an amount which the utility estimates is its full fee.

(5) Any utility that purchases water or wastewater treatment from another utility regulated by the Florida Public Service Commission is allowed to deduct the annual expense for purchased water or wastewater treatment from its gross operating revenues before calculating the amount of the regulatory assessment fees due.

(6) A utility may request either a 15-day or from the Division of Administrative Services a 30-day extension of its due date for payment of regulatory assessment fees or for filing its return form by submitting to the Division of Administrative and Information Technology Services Commission Form PSC/AIT 124 (Rev. 04/13) entitled "Regulatory Assessment Fee Extension Request," which is incorporated into this rule by reference and is available at: (hyperlink). This form may also be obtained from the Commission's Division of Administrative and Information Technology Services, Commission Form PSC/ADM 124 (Rev. 01/01/05), entitled "Regulatory Assessment Fee Extension Request", is incorporated into this rule by reference and may be obtained from the Commission's Division of Administrative Services.

(a) The request for extension must be received by the Division of Administrative and Information Technology Services at least two weeks before the due date. The request for extension will be granted if the utility has applied for the extension within the time required in paragraph (b) below and the utility does not have any unpaid regulatory assessment fees, penalties or interest due from a prior period.

(b) The request for extension will not be granted if the utility has any unpaid regulatory assessment fees, penalties, or interest due from a prior period. The request for extension must be received by the Division of Administrative Services at least two weeks before the due date.

(c) Where a utility receives either a 15-day extension or a 30-day extension of its due date pursuant to this rule, the utility shall remit a charge as set out in Section 350.113(5), F.S., in addition to the regulatory assessment fee, set out in Section 350.113, F.S.

(7) The delinquency of any amount due to the Commission from the utility pursuant to the provisions of Section 350.113, F.S., and this rule, begins with the first calendar day after any date established as the due date either by operation of this rule or by an extension pursuant to this rule.

(a) Pursuant to Section 350.113, F.S., a penalty shall be assessed against any utility that fails to pay its regulatory assessment fee by March 31, in the following manner:

1. Five percent of the fee if the failure is for not more than 30 days, with an additional five percent for each additional 30 days or fraction thereof during the time in which the failure continues, not to exceed a total penalty of 25 percent.

2. The amount of interest to be charged is one percent for each thirty days or fraction thereof, not to exceed a total of 12 percent per annum.

(b) In addition to the penalties and interest otherwise provided, the Commission may impose an additional penalty upon a utility for failure to pay regulatory assessment fees in a timely manner in accordance with Section 367.161, F.S.

(8) Any utility that requests and receives an extension of not more than 30 days or remits, by the due date, an estimated fee payment of at least 90 percent of the actual fee due shall not be charged interest or penalty on the balance due if paid within the extension period.

~~(9) Any utility that fails to pay a penalty within 30 days after its assessment by the Commission shall be subject to interest applied to the penalty up to and including the date of payment of the penalty. Such interest shall be compounded monthly, based on the 30-day commercial paper rate for high grade, unsecured notes sold through dealers by major corporations in multiples of \$1,000 as regularly published in the Wall Street Journal.~~
