THE FULL TEXT OF THE PROPOSED RULE IS:

23-21.007 Salient Factor Scoring.

Salient factors (1) through ~~(3)~~, (5), ~~and (6)~~ shall be calculated on the inmate’s criminal record.

(1) NUMBER OF PRIOR CRIMINAL CONVICTIONS:

Recidivist Criminal Factor as defined	=	RCF
Three or more prior convictions	=	2 Points
One or Two prior convictions	=	1 Point
No prior convictions	=	0 Points

(a) ~~Juvenile offenses, juvenile incarcerations, and Misdemeanor convictions or adjudications~~ do not constitute criteria to be used in determining Recidivist Criminal Factor. Further, individual felony convictions or adjudications within a single criminal episode result in the entire criminal episode being considered as one prior felony conviction or adjudication when computing the Recidivist Criminal Factor. Inmates who meet the criteria of the Recidivist Criminal Factor shall not be scored on the remaining six factors as the inmate automatically falls within the Recidivist Criminal Factor time ranges on the matrix. Once an inmate is found to meet the criteria to be scored in the Recidivist Criminal Factor time ranges, all rescoring on subsequent incarcerations must also fall in the Recidivist Criminal Factor time ranges unless it is determined an error was made in an earlier scoring.

(b) through (d) No change.

(e) Count all pleas of guilty, pleas of nolo contendere or convictions or adjudications which result from criminal offenses committed while on bail or probation for the present offense of conviction. Conduct resulting in diversion from the judicial process without a plea of guilty or a plea of nolo contendere or a specific finding of guilt, deferred prosecution, pretrial intervention, probation without plea, is not counted in scoring this item.

(f) through (i) No Change.

(2) NUMBER OF PRIOR INCARCERATIONS:

Two or more prior incarcerations = 2 Points

One prior incarceration = 1 Point

No prior incarceration = 0 Points

(a) No change.

(b) Count all prior incarcerations, including commitments and placements in residential juvenile facilities resulting from a sentence imposed for a conviction or adjudications.

(c) through (d) No change.

(e) Incarcerations resulting from convictions or adjudications which were set aside or pardoned on grounds of innocence are not to be counted nor are incarcerations imposed as a condition of probation.

(3) No change.

(4) ~~AGE AT OFFENSE WHICH LED TO THE FIRST INCARCERATION:~~

~~17 Years or younger 2 Points~~

~~18—25 Years 1 Point~~

~~26 Years or older 0 Points~~

~~(a) Score 2 points if the inmate was less than 18 years of age at the time of the offense which led to the inmate's first incarceration.~~

~~(b) Score 1 point if the inmate was 18 through 25 years old at the time of the offense which led to the inmate's first incarceration.~~

~~(c) Score 0 points if the inmate was 26 years old or older at the time of the offense which led to the inmate's first incarceration.~~

~~(d) For purposes of this item, count only commitments in which the sentence imposed was for 60 days or more.~~

~~(e) For the purposes of this item, if the inmate was placed on probation which later was revoked, use the age of the inmate on the date of the behavior leading to revocation. Do not use the age of the defendant at the time of the offense which led to the probation or the date of the revocation.~~

~~(f) For the purposes of this item, if the inmate has no prior record, the age at the time of the present offense which led to the current incarceration is used, since it is the inmate's first incarceration.~~

~~(g) Do not consider age at time of commission of any offense for which conviction was later set aside or pardoned on grounds of innocence when computing this factor.~~

~~(4)(5) NUMBER OF PROBATION, PAROLE OR MCR REVOCATIONS:~~

~~Two or more revocations = 2 points~~

~~One or more revocations = 1 point~~

~~No revocations = 0 Points~~

~~(a) No change.~~

~~(b) Score 1 if the inmate has ever had parole revoked or if the inmate has ever had an adult probation revoked. However, do not count probation revocations which do not result in a sentence to incarceration for the offense for which probation was being served.~~

~~(c) Score 0 if the inmate has never had parole or probation revoked; if the inmate has only had juvenile probation revoked; or if the inmate's only adult probation revocation did not result in a sentence to incarceration.~~

~~(d) through (e) No change.~~

~~(5)(6) NUMBER OF PRIOR ESCAPE OR ATTEMPTED ESCAPE CONVICTIONS:~~

~~Two One or more prior escape or attempted escape conviction(s) = 2+ Points~~

~~One No prior escape or attempted escape conviction = 10 Points~~

~~(a) Score 2 points if the inmate has two or more prior escape or attempted escape convictions prior to the present offense of conviction.~~

~~(b)(a) Score 1 if the inmate has ever been convicted of an escape or attempted escape prior to the present offense of conviction.~~

~~(c)(b) Score 0 if the inmate has no prior escape convictions or attempted escapes.~~

~~(e) More than one escape conviction shall be considered a negative indicant of parole prognosis and may be used as an aggravating factor.~~

~~(6)(7) BURGLARY OR BREAKING AND ENTERING OR ROBBERY AS THE PRESENT OFFENSE OF CONVICTION:~~

~~Present Offense of Conviction = 1 Point~~

~~includes a conviction for burglary or breaking and entering or robbery~~

~~Otherwise = 0 Points~~

~~(a) Score 1 if the present offense of conviction for which the inmate has been convicted includes burglary or breaking and entering or robbery, whether or not a sentence to incarceration was imposed. Such conviction shall not form the basis for a decision outside the matrix time range.~~

~~(b) Score 0 if the present offense of conviction does not include a burglary or breaking and entering or robbery. Do not point convictions for entering without breaking, attempted burglary, attempted breaking and entering, attempted robbery or possession of burglary tools.~~

(c) More than one conviction for burglary or breaking and entering or robbery may be considered as a basis for a decision outside the matrix time range as a negative indicant of parole prognosis.

(d) Do not score 1 point if the conviction of burglary or breaking and entering or robbery is a consecutive sentence. Such consecutive sentence shall be considered a negative indicant of parole prognosis and the basis for a decision outside of the matrix time range.

SEVERITY OF OFFENSE BEHAVIOR²

1. Misdemeanor (Cumulative Sentence of 1 or More Years)
2. Felony 3^o (Statutory Sentence – Maximum of 5 Years)
3. Felony 2^o (Statutory Sentence – Maximum of 15 Years)
4. Felony 1^o (Statutory Sentence – Maximum of 30 Years)
5. Felony 1^o and Life Felony (Statutory Sent. – Max. Life)
6. Capital Felony

NOTES:

1. To be used when the inmate is sentenced by the court under Chapter 958, F.S. (Youthful Offender Act), ~~or~~ when the inmate is classified as a youthful offender by the Department of Corrections, ~~or when the offender was less than 18 years of age when the primary offense was committed~~ for initial interviews conducted subsequent to the effective date of this rule.

2. Length of Sentence as well as Salient Factor Score shall be considered when determining the Presumptive Parole Release Date.

3. Matrix Time Ranges are reported in months.

NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 40, No. 97, May 19, 2014 issue of the Florida Administrative Register.

Following comment by the Joint Administrative Procedures Committee, the following changes are made:

1. The Purpose and Effect statement is revised to add additional statements regarding the purpose of the amendments, and the Summary statement in the Notice is revised to briefly summarize the proposed rules.
2. Statements are added in paragraphs 69W-700.008(4)(e), (4)(f), and (4)(i) F.A.C., to indicate that certain federal statutes referred to are incorporated by reference in Rule 69W-200.002, F.A.C. In addition, the reference to Chapter 517, F.S. in paragraph 69W-700.008(4)(f) F.A.C., is changed to specify Sections 517.021(13)(a) and 517.12, F.S.
3. Paragraph 69W-700.008(4)(p) F.A.C., is stricken, as “institutional investor” is not defined in any other rule in chapter 69W.

4. The term “Disclosure Document” in paragraphs 69W-700.006(1)(a), 700.008(3), and 700.015(2), F.A.C., is replaced with “prospectus” to keep this terminology consistent throughout the rule chapter.

PURPOSE AND EFFECT: The purpose of these amendments is to increase capital formation in Florida by removing certain regulatory burdens deemed unnecessary for startup businesses while maintaining investor protections. The rules are proposed for amendment to clearly state the forms required for the registration of securities; broaden the types of offerings to be all-inclusive and increase consumer protection; allow companies to determine voting rights of common stock when coupled with adequate disclosure; provide disclosure protections to allow the decision-making to be on the investor; disallow the transfer of options and warrants issued to underwriters to anyone outside of the underwriter; limit the number of shares covered by the underwriter's options and warrants to 10% of shares actually sold; define parameters to provide increased investor protections; add a definition for institutional investor; remove provisions duplicative of statute; incorporate contents and remove cross-reference to another rule; add disclosure language; remove discretion of the Office; repeal Rule 69W-700.028, F.A.C.; and update references to incorporated material to Rule 69W-200.002, F.A.C. Section IV
Emergency Rules

DEPARTMENT OF REVENUE

Property Tax Oversight Program

RULE NO.: RULE TITLE:
12DER14-3 Transfer of Homestead Assessment
 Difference; “Portability”; Sworn Statement
 Required; Denials; Late Applications

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Section 13 of Chapter 2008-173, Laws of Florida, (the “act”), expressly authorizes the Executive Director of the Department of Revenue to adopt emergency rules to implement the act. Emergency Rule 12DER14-3 is being adopted to implement the provisions of the act concerning the transfer of the homestead assessment difference. Section 13 of the act expressly provides that all conditions are deemed met to adopt emergency rules under Sections 120.536(1) and 120.54(4), Florida Statutes, for the purpose of implementing the act. The act further provides that such rules remain in effect for 18 months and can be renewed during the pendency of procedures to adopt rules addressing the subject of the emergency rules.

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: The Legislature expressly authorized the Department of Revenue to adopt emergency rules that implement the provisions of Chapter 2008-173, Laws of Florida. The law provides that these emergency rules remain in effect for a period of 18 months and that they may be renewed during the pendency of procedures to adopt rules addressing the subject of the emergency rules. This emergency rule (Emergency Rule 12DER14-3) renews and replaces Emergency Rule 12DER12-8 (adopted on December 7, 2012), which combined, renewed, and replaced Emergency Rules 12DER11-3 and 12DER11-6 (which were adopted on May 27, 2011). The Department of Revenue originally took several actions to inform interested parties about the forms, procedures, and emergency rules that were adopted on May 27, 2011 to implement this new law, and to give these parties an opportunity to review and comment. These interested parties included Property Appraisers and the professional associations that represent them, taxing authorities, including counties, municipalities, and independent districts, school districts, their associations, and practitioners who have told the Department that they want to receive all information associated with property tax rulemaking. The actions that the Department took when Emergency Rules 12DER11-3 and 12DER11-6 were being prepared for adoption include: making the proposed drafts available via the Internet for public review and comments; and, establishing a new Department email address to make it easier for interested parties to submit comments and questions to the agency. During the period that these emergency rules were in effect, the Department has held rule development workshops and public hearings on a permanent version of this emergency rule. The emergency rule being proposed for adoption is identical to the current draft of the permanent rule, and incorporates changes based on comments from the public during promulgation of the permanent rule.

SUMMARY: The purpose of this emergency rule is to provide procedures for applicant taxpayers and property appraisers regarding denials and late applications of portability. This rule also provides the limitations and special rules to be implemented and the forms to be used by applicant taxpayers and property appraisers for the transfer of assessment limitation difference, when a homestead is abandoned.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Mike Cotton, Department of Revenue, Property Tax Technical Unit, 2450 Shumard Oak Blvd., Tallahassee, Florida 32399-0100, telephone: (850)617-8870, Fax: (850)617-6112, email address: cottonmr@dor.state.fl.us

THE FULL TEXT OF THE EMERGENCY RULE IS:

(Note: This emergency rule renews and replaces Emergency Rule 12DER12-08 (adopted December 7, 2012). Emergency Rule 12DER12-08 renewed and replaced 12DER12-07 (adopted November 26, 2012). Emergency rule 12DER12-07 combined, renewed and replaced Emergency Rules 12DER11-03 and 12DER11-06 (adopted May 27, 2011). This rule will remain in effect during the pendency of procedures to adopt permanent rules addressing the subject matter of this emergency rule.)

12DER14-3 Transfer of Homestead Assessment Difference; "Portability"; Sworn Statement Required; Denials; Late Applications.

(1) For purposes of this rule, the following definitions apply.

(a) The "previous property appraiser" means the property appraiser in the county where the taxpayer's previous homestead property was located.

(b) The "new property appraiser" means the property appraiser in the county where the taxpayer's new homestead is located.

(c) The "previous homestead" means the homestead which the assessment difference is being transferred from.

(d) The "new homestead" means the homestead which the assessment difference is being transferred to.

(e) "Assessment difference" means the difference between assessed value and just value attributable to Section 193.155, F.S.

(2) Section 193.155(8), F.S., provides the procedures for the transfer of the homestead assessment difference, within stated limits, when a homestead is abandoned. This rule describes those procedures, which are an alternative to assessment at just value. The amount of the assessment difference is transferred as a reduction to the just value of the

interest owned by taxpayers that qualify and receive homestead exemption on a new homestead.

(a) This rule sets limits and requirements consistent with Section 193.155(8), F.S. A taxpayer may apply for the transfer of an assessment difference from a previous homestead property to a new homestead property if:

1. The taxpayer received a homestead exemption on the previous property on January 1 of one of the last two years before establishing the new homestead; and,

2. The previous property was abandoned as a homestead after that January 1; and,

3. The previous property was, or will be, reassessed at just value or assessed under Section 193.155(8), F.S., as of January 1 of the year after the year in which the abandonment occurred subject to Subsections 193.155(8) and 193.155(3), F.S.; and

4. The taxpayer establishes a new homestead on the property by January 1 of the year they are applying for the transfer.

(b) Under Section 193.155(8), F.S., the transfer is only available from a prior homestead for which a taxpayer previously received a homestead exemption. For these rules:

1. If a husband and wife owned and resided on a previous homestead, each is considered to have received the homestead exemption, even if only one of them applied.

2. For joint tenants with rights of survivorship and for tenants in common, those who applied for, received the exemption, and resided on a previous homestead are considered to have received the exemption.

(3)(a) To apply for portability, the taxpayer must file Form DR-501T, Transfer of Homestead Assessment Difference, (incorporated by reference in Rule 12D-16.002, F.A.C.), including a sworn statement, by March 1. Form DR-501T is submitted as an attachment to Form DR-501, Original Application for Ad Valorem Tax Exemption, (incorporated by reference in Rule 12D-16.002, F.A.C.).

(b) If the taxpayer meets the qualifications and wants to designate the ownership share of the assessment difference to be attributed to him or her as husband and wife for transfer to the new homestead, the taxpayer must also file a copy of Form DR-501TS, Designation of Ownership Shares of Abandoned Homestead (incorporated by reference in Rule 12D-16.002, F.A.C.) that was already filed with the previous property appraiser as described in subsection (5).

(4) Within the limitations for multiple owners in subsection (5), the total which may be transferred is limited as follows:

(a) Upsizing – When the just value of the new homestead equals or is greater than the just value of the previous homestead, the maximum amount that can be transferred is \$500,000.

(b) Downsizing – When the just value of the new homestead is less than the just value of the previous homestead, the maximum amount that can be transferred is \$500,000. Within that limit, the amount must be the same proportion of the new homestead’s just value as the proportion of the assessment difference was of the previous homestead’s just value.

(5)(a) Transferring without splitting or joining – When two or more persons jointly abandon a single homestead and jointly establish a new homestead, the provisions for splitting and joining below do not apply if no additional taxpayers are part of either homestead. The maximum amount that can be transferred is \$500,000.

(b) Splitting – When two or more people who previously shared a homestead abandon that homestead and establish separate homesteads, the maximum total amount that can be transferred is \$500,000. Within that limit, each taxpayer who received a homestead exemption and is eligible to transfer an amount is limited to a share of the previous homestead’s difference between assessed value and just value. The shares of the taxpayers that received the homestead exemption cannot total more than 100 percent.

1. For tenants in common, this share is the difference between just value and assessed value for the tenant’s proportionate interest in the property. This is the just value of the taxpayer’s interest minus the assessed value of the taxpayer’s interest.

2. For joint tenancy with right of survivorship and for a husband and wife, the share is the assessed value of the homestead portion of the property, divided by the number of owners that received the exemption, unless another interest share is on the title. In that case, the portion of the amount that may be transferred is the difference between just value and assessed value for the stated share.

3. Subparagraphs 1. and 2. do not apply if a husband and wife abandon jointly titled property and designate their respective ownership shares by completing and filing Form DR-501TS. When a complete and valid Form DR-501TS is filed as provided in this subparagraph, the designated ownership shares are irrevocable.

If a husband and wife abandon jointly titled property and want to designate their respective ownership shares they must:

a. Be married to each other on the date the jointly titled property is abandoned.

b. Each execute the sworn statement designating the person’s ownership share on Form DR-501TS.

c. File a complete and valid Form DR-501TS with the previous property appraiser before either person applies for portability on Form DR-501T with the new property appraiser.

d. Include a copy of Form DR-501TS with the homestead exemption application filed with the new property appraiser as described in subsection (3).

4. Except when a complete and valid designation form DR-501TS is filed, the shares of the assessment difference cannot be sold, transferred, or pledged to any taxpayer. For example, if a husband and wife divorce and both abandon the homestead, they each take their share of the assessment difference with them. The property appraiser cannot accept a stipulation otherwise.

(c) If two or more persons who have each received a homestead exemption as of January 1 of either of the 2 immediately preceding years and who would otherwise be eligible to have a new homestead property assessed under this subsection establish a single new homestead, the reduction from just value is limited to the higher of the difference between the just value and the assessed value of either of the prior eligible homesteads as of January 1 of the year in which either of the eligible prior homesteads was abandoned, but may not exceed \$500,000.

(6) Abandonment.

(a) To transfer an assessment difference, a homestead owner must abandon the homestead before January 1 of the year the new application is made.

(b) In the case of joint tenants with right of survivorship, if only one owner moved and the other stayed in the original homestead, the homestead would not be abandoned. The one who moved could not transfer any assessment difference.

(c) To receive an assessment reduction under Section 193.155(8), F.S., a taxpayer may abandon his or her homestead even though it remains his or her primary residence by providing written notification to the property appraiser of the county where the homestead is located. This notification must be delivered before or at the same time as the timely filing of a new application for homestead exemption on the property. This abandonment will result in reassessment at just value as provided in subparagraph (2)(a)3. of this rule.

(7) Only the difference between assessed value and just value attributable to Section 193.155, F.S., can be transferred.

(a) If a property has both the homestead exemption and an agricultural classification, a taxpayer cannot transfer the difference that results from an agricultural classification.

(b) If a homeowner has a homestead and is receiving a reduction in assessment for living quarters for parents or grandparents under Section 193.703, F.S., the reduction is not included in the transfer. When calculating the amount to be transferred, the amount of that reduction must be added back into the assessed value before calculating the difference.

(8) Procedures for property appraiser:

(a) If the previous homestead was in a different county than the new homestead, the new property appraiser must transmit a copy of the completed Form DR-501T with a completed Form DR-501 to the previous property appraiser. If the previous homesteads of taxpayers applying for transfer were in more than one county, each taxpayer from a different county must fill out a separate Form DR-501T.

1. The previous property appraiser must complete Form DR-501RVSH, Certificate for Transfer of Homestead Assessment Difference (incorporated by reference in Rule 12D-16.002, F.A.C.). By April 1 or within two weeks after receiving Form DR-501T, whichever is later, the previous property appraiser must send this form to the new property appraiser. As part of the information returned on Form DR-501RVSH, the previous property appraiser must certify that the amount transferred is part of a previous homestead that has been or will be reassessed at just value as of January 1 of the year after the year in which the abandonment occurred as described in subparagraph (2)(a)3. of this rule.

2. Based on the information provided on Form DR-501RVSH from the previous property appraiser, the new property appraiser calculates the amount that may be transferred and applies this amount to the January 1 assessment of the new homestead for the year applied for.

(b) If the transfer is from the same county as the new homestead, the property appraiser retains Form DR-501T. Form DR-501RVSH is not required. For a taxpayer that applied on time for the transfer of assessment difference, the property appraiser updates the ownership share information using the share methodology in this rule.

(c) The new property appraiser must record the following in the assessment roll submitted to the Department according to Section 193.1142, F.S., for the year the transfer is made to the homestead parcel:

1. Flag for current year assessment difference transfer;

2. Number of owners among whom the previous assessment difference was split. Enter 1 if previous difference was not split;

3. Assessment difference value transferred;

4. County number of previous homestead;

5. Parcel ID of previous homestead;

6. Year from which assessment difference value was transferred;

(d) Property appraisers that have information sharing agreements with the Department are authorized to share confidential tax information with each other under Section 195.084, F.S., including social security numbers and linked information on Forms DR-501, DR-501T, and DR-501RVSH.

(9) The transfer of an assessment difference is not final until all values on the assessment roll on which the transfer is based are final. If the values are final after the procedures in these rules are exercised, the property appraiser(s) must make appropriate corrections and send a corrected assessment notice. Any values that are in administrative or judicial review must be noticed to the tribunal or court for accelerated hearing and resolution so that the intent of Section 193.155(8), F.S. may be fulfilled. This rule does not authorize the consideration or adjustment of the just, assessed, or taxable value of the previous homestead property.

(10) Additional provisions.

(a) If the information from the previous property appraiser is provided after the procedures in this section are exercised, the new property appraiser must make appropriate corrections and send a corrected assessment notice.

(b) The new property appraiser must promptly notify a taxpayer if the information received or available is insufficient to identify the previous homestead and the transferable amount. This notice must be sent by July 1.

(c) If the previous property appraiser supplies enough information to the new property appraiser, the information is considered timely if provided in time to include it on the notice of proposed property taxes sent under Sections 194.011 and 200.065(1), F.S.

(d) If the new property appraiser has not received enough information to identify the previous homestead and the transferable amount in time to include it on the notice of proposed property taxes, the taxpayer may file a petition with the value adjustment board in the county of the new homestead.

(11) Denials.

(a) If the taxpayer is not qualified for transfer of any assessment difference, the new property appraiser must send Form DR-490PORT, Notice of Denial of Transfer of Homestead Assessment Difference, (incorporated by reference in Rule 12D-16.002, F.A.C.) to the taxpayer by July 1 and include the reasons for the denial.

(b) Any property appraiser who sent a notice of denial by July 1 because he or she did not receive sufficient information to identify the previous homestead and the amount which is transferable, may grant the transfer after receiving information from the previous property appraiser showing the taxpayer was qualified. If a petition was filed based on a timely application for the transfer of an assessment difference, the value adjustment board must refund the taxpayer the \$15.

(c) Petitions of denials may be filed with the value adjustment board as provided in Rule 12D-9.028, F.A.C.

(12) Late applications.

(a) Any taxpayer qualified to have property assessed under Section 193.155(8), F.S., who fails to file for a new homestead on time in the first year following eligibility may file in a

subsequent year. The assessment reduction must be applied to assessed value in the year the transfer is first approved. A refund may not be given for previous years.

(b) Any taxpayer who is qualified to have his or her property assessed under Section 193.155(8), F.S., who fails to file an application by March 1, may file an application for assessment under that subsection and, under Section 194.011(3), F.S., may file a petition with the value adjustment board requesting the assessment be granted. The petition may be filed at any time during the taxable year by the 25th day following the mailing of the notice by the property appraiser as provided in Section 194.011(1), F.S. In spite of Section 194.013, F.S., the taxpayer must pay a nonrefundable fee of \$15 when filing the petition, as required by paragraph (j) of Section 193.155(8), F.S. After reviewing the petition, the property appraiser or the value adjustment board may grant the assessment under Section 193.155(8), F.S., if the property appraiser or value adjustment board find the taxpayer is qualified and demonstrates particular extenuating circumstances to warrant granting the assessment. Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On May 21, 2014, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code, and Paragraph 5-202.11(A), 2009 FDA Food Code from Pizzakones located in Miami. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash and three-compartment sinks.

The Petition for this variance was published in Vol. 40, No. 102 on May 27, 2014. The Order for this Petition was signed and approved on June 2, 2014. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash and three-compartment sinks is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that the handwash and three-compartment sinks are provided with hot and cold running water under pressure; the handwash sink is provided with soap, an approved hand drying device and a handwashing sign.

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On May 23, 2014, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for Subparagraph 3-305.11(A)(2), 2009 FDA Food Code, Section 3-305.14, 2009 FDA Food Code, Section 6-202.15, 2009 FDA Food Code, Section 6-202.16, 2009 FDA Food Code, subsection 61C-4.010(1), Florida Administrative Code, and subsection 61C-4.010(6), Florida Administrative Code, from German Covarrubias Elizalde MFDV located in Bartow. The above referenced F.A.C. addresses the requirement for proper handling and dispensing of food. They are requesting to dispense bulk time/temperature control for safety foods other than frankfurters from an open air mobile food dispensing vehicle.

The Petition for this variance was published in Vol. 40/104 on May 29, 2014. The Order for this Petition was signed and approved on June 04, 2014. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring

that each pan within the steam table is properly covered with an individual lid; the steam table is enclosed within a cabinet with tight-fitting doors, and is protected by an air curtain installed and operated according to the manufacturer’s specifications that protects against flying vermin or other environmental contaminants; all steam table foods must be properly reheated for hot holding at approved commissaries and held hot at the proper minimum temperature per the parameters of the currently adopted FDA Food Code; and steam table food is to be dispensed by the operator with no customer self-service. The Petitioner shall also strictly adhere to the operating procedures and copies of the variance and operating procedures are to be present on the MFDV during all periods of operation.

The Department of Environmental Protection announces a workshop to which all persons are invited.

DATE AND TIME: June 25, 2014, 9:00 a.m. – 4:00 p.m.

PLACE: Room 609, Bob Martinez Building, 2600 Blair Stone Road, Tallahassee, FL

GENERAL SUBJECT MATTER TO BE CONSIDERED: At the workshop we will discuss the Department’s proposed changes to the Underground Storage Tank Systems rule, Chapter 62-761, F.A.C. (rule). The Department proposes

modifying the rule for clarity, revising references and removing language that is no longer applicable. In the "Definition" section, the revisions remove definition terms that are in the statute or no longer used in rule and added certain terms for clarity. Revising title "Reference Standards" to "Reference Requirements," and internet web addresses were added for those technical requirements providing digital access to industry. These technical requirements to be incorporated by reference have been updated to conform to revisions published and adopted by the American Society of Mechanical Engineers, Petroleum Equipment Institute, National Fire Protection Association, National Institute of Standards and Technology and the National Work Group on Leak Detection. In the "Applicability" section, revisions remove terms and text that are redundant or not applicable to the regulation and clarify text that may conflict with other regulations found in 62-780, F.A.C. This section further clarifies rule language by defining "small quantities" of regulated substances under exemptions and expands the pipeline definition, reducing Department regulatory oversight of that industry sector. Additionally, this proposed revision adds exemptions for storage tank systems that contain a regulated substance at low concentration. In the "Registration" section, registration requirements are clarified and provide detail about valid registration placards. The Financial Responsibility subsection is proposed to be relocated into a stand-alone Rule 62-761.420, F.A.C. The "Notification" section creates a complete list for when the Department is noticed and eliminates the term "reporting." "Incidents" and "Discharges" are separated for clarity and extend time for the tank owner to conduct an initial incident investigation, thereby expanding time for notification to the Department for unresolved incidents. Language is revised to define types of discharges and broadens discharge response to coordinate with language and tables in Chapter 62-780, F.A.C. The proposed revisions for "Release Detection" combines two subsections into one rule, thereby creating a comprehensive list for release detection requirements for clarity. It also clarifies the topic of integrity testing under operation and maintenance, including a schedule for containment and integrity testing. The proposed revision eliminates confusing or outdated language in the "Recordkeeping" section. The "Out of Service and Closure Requirements" is proposed to replace the closure assessment requirement with a closure integrity test of the tank system. "Alternative Requirements and Equipment Registration" is proposed to be revised from an approval process to a simpler registration process. This would reduce Department regulatory oversight of industry and cost while maintaining adequate safeguards.
