DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Board of Employee Leasing Companies

RULE NO.: RULE TITLE:
61G7-10.0015 Alternative Reporting Compliance by
Accredited Employee Leasing Companies.
NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the proposed rule in Vol. 40, No. 73, April 15, 2014 issue of the Florida Administrative Register.

The corrections are as follows:

1. The Rule Development publication date listed in the Notice of Proposed Rulemaking should read: DATE NOTICE OF PROPOSED RULE DEVELOPMENT PUBLISHED IN THE FAR: March 26, 2014.
2. On line 8 of the rule, the comma will be removed after the word “company.”
3. On line 10 of the rule, the word “a” will be changed to “an” before the word “authorization.”
4. On line 12 of the rule, the word “with” will be changed to “within” before the phrase “five (5) working days.”

THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS: Richard Morrison, Executive Director, Board of Employee Leasing Companies, 1940 North Monroe Street, Tallahassee, Florida 32399-0783

DEPARTMENT OF ENVIRONMENTAL PROTECTION

RULE NOS.: RULE TITLES:
62-761.350 Operator Training and Certification
62-761.400 Registration and Financial Responsibility
NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph

120.54(3)(d)1., F.S., published in Vol. 40, No. 51, March 14, 2014 issue of the Florida Administrative Register.

62-761.350 Operator Training and Certification.

(1) through (2) No change.

(a) No change

(b) Class B Operator.

1. No change.

2. Qualifications and Training. Class B operators must be trained in and have detailed knowledge of the requirements of applicable UST regulations, including, but not limited to registration, system components, product compatibility, spill and overfill prevention, corrosion protection, release detection, recordkeeping, notification, release reporting and response, temporary and permanent closure, operator training and financial responsibility. A UST facility owner or operator may designate as its Class B operator a third party (i.e., an individual who is an independent contractor or consultant and is not affiliated with the facility owner or operator) only if that individual is Certified Contractor who also holds a current "A" or "A/B" license and who either is, or is employed by, a registered Certified Contractor. However, designation of an independent or not affiliated Class B operator in this manner does not also entitle that individual to certification as a Class A operator for a facility.

(c) No change.

(3) No change.

(a) Acceptable Training for Class A and Class B operators.

Class A and Class B operators must complete a Department approved operator training course which provides the information required by subparagraph 62-761.350(2)(a)2., and 62-761.350(2)(b)2., F.A.C., respectively. Courses or processes may include in-person or on-line training performed by, contracted for, or approved by the Department, and must include an evaluation of operator knowledge through testing, practical demonstration, ~~or other tools deemed acceptable by the Department. In order for a non-contracted provider to be approved by the Department, the provider of a training course or process must be sponsored by an association or industry organization recognized nationwide or statewide with regard to its affiliation with regulated petroleum UST systems.~~ All providers will also be required to provide training documentation, including on-going maintenance of records of certified operators. Those records will be required to be accessible to the Department on an on-going basis. The Department Secretary or designee shall issue an order granting or denying the request for approval of a Class A or Class B operator training course. This order shall be agency action, reviewable in accordance with Sections 120.569 and 120.57, F.S.

(b) Acceptable Training for Class C Operators.

1. Class B operators must provide training which provides the information required by subparagraph 62-761.350(2)(c)2., F.A.C., or ensure that the UST facility's Class C operators otherwise complete training in emergency procedures. Class C operator training programs may include in-class, hands-on, on-line, or any other training format deemed acceptable by the Class B operator.

2. No change.

(4) No change.

(a) No change.

(b) Class C Operators. A designated Class B operator for a given facility must provide the facility owner or operator with signed and dated written verification in the form of a list of all Class C operators who have been trained for that facility, which includes the date of that training. Owners and operators must ensure that a current and correct list of trained Class C operators is maintained at each facility for inspection by the Department.

(5) No change.

(a) No change.

(b) Class A or Class B operators shall be designated by a UST facility owner or operator after the effective date of this rule, within 30 calendar days of assuming operation and maintenance responsibilities at the UST facility.

(c) Class C operators shall be designated by a UST facility owner or operator after the effective date of this rule, prior to assuming unsupervised responsibility for responding to emergencies at UST system facilities.

(6) No change.

(7) Documentation.

Owners and operators of underground storage tank facilities, ~~(except unmanned facilities),~~ must maintain required training certification documentation as described in this rule on-site and must provide it upon request to the Department. Documentation may be maintained electronically off-site if that facility has the capability of producing a clear printed copy which can be provided to the Department within 72 hours. Owners and operators of unmanned facilities must provide documentation as requested by the Department.

Rulemaking Authority 376.30, 376.303 FS. Law Implemented 376.30, 376.303 FS. History–New_____.

62-761.400 Registration and Financial Responsibility.

(1) through (3) No change.

(4) No change.

(a) through (d) No change.

(e) Maintain adequate financial responsibility pursuant to subsection Rule 62-761.400(3), F.A.C.

The Department shall provide written notice to the owner of the facility 30 business days prior to denying or revoking ~~suspending~~ a registration placard. Owners of facilities shall give written notice to the Department when such deficiencies are corrected and the Department shall re-inspect the facility within two business days of receiving such notice. The Department shall release revoked ~~suspended~~ registration placards within three business days of the re-inspection if all deficiencies have been corrected to the Department's satisfaction. The Department shall establish, maintain, and post on its web site a list of previously registered facilities that do not have a valid registration placard. This list will not include previously registered facilities for which all storage tank systems have been closed or removed in accordance with Department rules.

(5) No change.

(a) through (b) No change.

Rulemaking Specific Authority 376.303, 376.322(2) FS. Law Implemented 376.303, 376.309, 376.323, 376.3077 FS. History–New 12-10-90, Formerly 17-761.400, Amended 9-30-96, 7-13-98, 6-21-04,_____.

DEPARTMENT OF HEALTH

Board of Pharmacy

RULE NO.: RULE TITLE:

64B16-27.797 Standards of Practice for Compounding Sterile Preparations (CSPs)

NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 40, No. 48, March 11, 2014 issue of the Florida Administrative Register.

The change is in response to written comments submitted by the staff of the Joint Administrative Procedures Committee and input at the hearing. The changes are as follows:

1. The following language will be added to the end of the paragraph located above subsection (2):

The Board has determined that posting the incorporated material on the Internet would constitute a violation of federal copyright law. At the time of adoption, the copyrighted incorporated material will be available for public inspection and examination, but may not be copied, at the Department of Health, 4052 Bald Cypress Way, Tallahassee, Florida 32399-3254 and at the Department of State, Administrative Code and Register Section, Room 701, The Capitol, Tallahassee, Florida 32399-0250.

2. Subsection (3) shall now read as follows:

(3) Current Good Manufacturing Practices: The Board deems that this rule is complied with for any sterile products that are compounded in strict accordance with Current Good Manufacturing Practices per 21 U.S.C. § 351 (2012), adopted and incorporated herein by reference, available at <http://www.flrules.org/Gateway/reference.asp?No=Ref-> and 21 C.F.R. Parts 210 and 211 (2011), adopted and incorporated herein by reference, available at <http://www.flrules.org/Gateway/reference.asp?No=Ref->.

3. For subsection (4), subparagraph (c) will be added and shall read as follows:

(c) USP Chapter 797 provides as follows in the “Facility Design and Environmental Controls” section: “An ISO Class 7 (see Table 1) buffer area and ante-area supplied with HEPA-filtered air shall receive an ACPH of not less than 30. The PEC is a good augmentation to generating air changes in the air supply of an area but cannot be the sole source of HEPA-filtered air. If the area has an ISO Class 5 (see Table 1) recirculating device, a minimum of 15 ACPHs through the area supply HEPA filters is adequate, providing the combined ACPH is not less than 30. More air changes may be required, depending on the number of personnel and processes. HEPA-filtered supply air shall be introduced at the ceiling, and returns should be mounted low on the wall, creating a general top-down dilution of area air with HEPA-filtered make-up air. Ceiling-mounted returns are not recommended.” Notwithstanding the quoted provision, pharmacies that meet the standards set forth in the section quotes as of the effective date of this rule are not required to change the location of supply air or return filters or ducts so long as the ISO standards are maintained.

4. Subsections (5) and (6) shall be removed in their entirety.
 5. The language that reads “THIS RULE SHALL TAKE EFFECT OCTOBER 1, 2014” shall now read as follows: “PROPOSED EFFECTIVE DATE: OCTOBER 1, 2014.”

THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS: Patrick Kennedy, Executive Director, Board of Pharmacy, 4052 Bald Cypress Way, Bin #C04, Tallahassee, Florida 32399-3254

NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the proposed rule in Vol. 40, No. 59, March 26, 2014 issue of the Florida Administrative Register.

The correction is as follows:

The Summary of Statement of Estimated Regulatory Costs and Legislative Ratification should have read: SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COST AND LEGISLATIVE RATIFICATION: The agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency. The agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this proposed rule at its Board meeting, the Board, with input from the public, determined that record maintenance for 4 years would not have an adverse effect on small business, and that there would not be a regulatory cost of \$200,000 in the aggregate to any entity. Change of ownership documentation and quality assurance program reports and analyses are not high volume records and would not pose a burden to maintain an additional two years. The 4 year maintenance of prescription records is required by Section 465.022(12)(b), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS: Patrick Kennedy, Executive Director, Board of Pharmacy, 4052 Bald Cypress Way, Bin #C04, Tallahassee, Florida 32399-3254

DEPARTMENT OF EDUCATION

University of Florida

Project: UF – 590, College of Veterinary Medicine – Clinical Techniques and Skills Assessment Laboratory Addition

NOTICE TO DESIGN/BUILDER:

The University of Florida Board of Trustees announces that Design/Build services will be required for the project listed below:

Project: UF-590, College of Veterinary Medicine – Clinical Techniques and Skills Assessment Laboratory (Gainesville, FL – Main Campus)

This project is reserved for participation by either a Small Business or a joint venture between a Small Business and a Large Business as described in the Project Fact Sheet. The project consists of a second and third floor addition to the existing College of Veterinary Medical Teaching Hospital (“CVM”) building 1017. The second floor is a Clinical Techniques and Skills Assessment Lab, which is a CVM accreditation requirement for 2015. The third floor is to increase quality research labs in support of the growth of research, specifically in the One Health area, of which the UF CVM is the lead college for the current UF preeminent hire program for One Health.

The total project budget is \$4,000,000.00 including site improvements, underground utilities, fees, surveys & tests, total project commissioning, furnishings & equipment, and contingencies. Construction shall be “fast-tracked” to December 2014 and be completed in July 2015. (Gold) LEED (Leadership in Energy and Environmental Design) Commercial Interiors Certification by the U.S. Green Building Council is mandatory.

The contract for design/build services will consist of two parts. Part one services include design, construction administration, value engineering, constructability analyses, development of a cost model, estimating, and the development of a Guaranteed Maximum Price (GMP) proposal based on 100% Construction Documents, for which the design/builders will be paid a fixed fee.

If the GMP is accepted, part two, the construction phase, will be implemented. In part two of the contract, the design/builders becomes the single point of responsibility for completion of the construction documents, performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for part one of the contract, or to arrive at an acceptable GMP within the time provided in the agreement may result in the termination of the design/builders’ contract.

Blanket design professional liability insurance in the amount of \$1,000,000 will be required from the architect, mechanical, electrical, plumbing, fire protection and structural engineering sub-consultants for this project and will be provided as a part of Basic Services. Plans and specifications for University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

Applicants will be evaluated on the basis of their past performance, experience, personnel, design and construction ability, references, bonding capacity, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

At the time of application, the applicant must be licensed to practice as a general contractor in the State of Florida and the applicant or its architectural, landscape architectural, and engineering consultants must possess current design licenses from the appropriate governing board and be properly registered to practice its profession in the State of Florida. If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida.

Applicants desiring to provide design/build services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be prepared as specified in the DBQS Instructions and shall include:

1. A Letter of Application that concisely illustrates the applicant’s understanding of the scope of services, schedule, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.
2. Company information and signed certification.
3. A completed, project-specific “Design/Builder Qualifications Supplement” (DBQS) proposal. Applications on any other form will not be considered.
4. Resumes, LEED accreditation, and other pertinent credentials for all proposed staff (applicant and consultants).
5. Proof of the applicant’s corporate status in Florida (if applicable) and copies of current licenses for all construction, architectural, landscape architectural, and engineering entities (applicant and consultants) from the appropriate governing board.
6. Proof of bonding capacity and proof of all design entities’ or consultants’ (architecture and engineering) ability to be insured for the level of professional liability coverage demanded for this project.

As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected design/build must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list. Incomplete proposals will be disqualified. Submittal materials will not be returned.

Additional information to assist the applicant in preparing a complete proposal – including the project-specific DBQS forms, instructions, Project Fact Sheet, facilities program, UF Design Services Guide, UF Design and Construction Standards, standard University of Florida Owner-Design/Builder agreement, and other project and process information – can be found on the Facilities Planning & Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

Electronic submission of the required proposal must be received by the University of Florida Planning, Design, & Construction Division at UF590@connect.ufl.edu no later than the deadline of 3:00 p.m. local time on Friday, July 18, 2014, per the Fact Sheet Process Information instructions. Hard-copy or facsimile (FAX) submittals are not acceptable and will not be considered.

The schedule of the selection process is as follows:

Pre-proposal conference (non-mandatory): July 11, 2014, 9:00 p.m.

Vet. Med. Academic Building, Auditorium V1-101 Gainesville, FL

Questions tendered in writing (email sufficient) by 5:00 p.m. on Tuesday, July 15, 2014, will be answered in an addendum by 5:00 p.m. on Wednesday, July 16, 2014.

Applications due: July 18, 2014, 3:00 p.m. local time, electronic address listed above

Shortlist meeting: Week of August 4, 2014, UF PD&C, 235 Stadium

Final Interviews: Week of August 25, 2014, UF PD&C, 235 Stadium

Selection Deliberations/Scoring: continuously through interview process following each discipline’s interviews

Further information may be obtained from the UF PD&C website: www.facilities.ufl.edu or by contacting Fred Rowe, Project Manager, UF Planning, Design, & Construction, 245 Gale Lemerand Drive, Box 115050, Gainesville, FL 32611, Phone: (352)273-4029, email: frowe@ufl.edu.

Proposed Amendments to Florida's Home and Community Based Waivers and Preliminary Transition Plan for implementing Home and Community Based Services (HCBS) Final Rule CMS 2249-F

The Agency for Health Care Administration (Agency) is seeking public input on the Preliminary Transition Plan to implement HCBS Final Rule CMS 2249-F.

BACKGROUND

The new Federal HCBS rule finalized January 10, 2014, defines requirements for: person centered planning in service plan development; home-like environments for residential settings in assisted living facilities and other residential settings; and community inclusion of program recipients. The rule describes and aligns home and community-based settings across programs authorized under Section 1915 (c), (i) and (k) Medicaid authorities and establishes five-year renewal cycle. The rule also increases public notification requirements for waivers and other amendments to CMS approved program documents.

SUMMARY DESCRIPTION OF PROPOSED AMENDMENTS:

The Agency will be amending or renewing all home and community based waivers to come into compliance with the new rule. The waivers will be amended as follows:

1915(b)(c) Long-term Care Waiver

The Agency will submit an amendment to increase the number of individuals who can be served in the upcoming fiscal year. The program will be amended to allow plan members to; participate in person-centered care planning; permit choices of personal schedules and visitation for persons receiving services in assisted living settings and other residential settings not owned by the plan member; and encourage plan member inclusion in local community events.

1915(c) Model Waiver

The Agency will amend the Model waiver to update the quality performance measures to bring this waiver into compliance with the new rule.

1915(c) Project AIDS Care Waiver

The Agency will amend the Project AIDS Care waiver to include an updated enrollment process, updated acuity level determination and updated quality performance measures in order to bring this waiver into compliance with the new rule.

1915(c) Traumatic Brain and Spinal Cord Injury (TBI) Waiver

The Agency will amend to the TBI waiver to increase the number of recipients eligible to enroll in the waiver and include updated quality performance measures.

1915(c) Adult Cystic Fibrosis Waiver

The Agency will amend the Adult Cystic Fibrosis waiver to update the quality performance measures to bring this waiver into compliance with the new rule.

1915(c) Familial Dysautonomia Waiver

The Agency will request a renewal of the Familial Dysautonomia waiver for an additional five years. During the renewal the Agency will be updating the quality performance measures to bring this waiver into compliance with the new rule.

1915(c) DD Individual Budgeting Waiver

The Agency will be submitting an amendment to the DD Individual Budgeting Waiver to increase the adult training service rate and quality performance measures to bring this waiver into compliance with the new rule.

1915(i) HCBS State Plan Service/Redirection

This state plan service was approved as of March 2013 and no further amendments are required at this time.

Public Notice and Public Comment Period: June 25, 2014 – July 25, 2014

The Agency will conduct a 30-day public notice and comment period prior to the submission of the proposed amendment request to Federal CMS. The Agency will consider all public comments received regarding the proposed amendment request and the Preliminary Transition Plan. The 30-day public notice and public comment period begins June 25, 2014 and ends July 25, 2014. This public notice and public comment period is being held to solicit public input from recipients, providers and all stakeholders and interested parties on the development of the proposed amendment requests to Florida's HCBS Waivers as well as comments on the Preliminary Transition Plan.

The Preliminary Transition Plan can be viewed on the Agency's website at the following link: http://ahca.myflorida.com/Medicaid/hcbs_waivers/index.shtml.

To submit comments by postal service or internet e-mail, please follow the directions outlined below. When providing comments regarding the proposed amendment or the Preliminary Transition Plan, please have 'HCBS Preliminary Transition Plan' referenced in the subject line. Mail comments and suggestions to:

FISH AND WILDLIFE CONSERVATION COMMISSION

AVAILABILITY OF GRANT FUNDS

The Florida Fish and Wildlife Conservation Commission (FWC) is accepting applications for grant funding through the Boating Infrastructure Grant (BIG) Program fiscal year 2015-16. The deadline for receiving applications is 5:00 p.m., August 22, 2014. Applications received after the deadline will be ineligible for consideration.

NOTE: Applications must be submitted to FWC and NOT direct to Grants.gov. This additional time is allowed for review, corrections, and evaluation prior to submitting the grant to Grants.gov by the deadline of September 19, 2014.

The BIG Program is funded from the US Fish and Wildlife Service for the construction and renovation of tie-up facilities for transient boaters in vessels 26 feet or more in length. Information on the BIG Program, Program Guidelines, and Request for Applications and Clarification of Applications Requirements are available at <http://myfwc.com/boating/grant-programs/bigp/>. Email questions to bigp@myfwc.com or phone: (850)488-5600.

DEPARTMENT OF FINANCIAL SERVICES
Division of Rehabilitation and Liquidation
