RULE NO.: RULE TITLE:
12AER14-5 Sales of Clothing, School Supplies, and
Personal Computers during the Period
August 1 through August 3, 2014
NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the summary of the emergency rule in Vol. 40, No. 140, July 21, 2014 issue of the Florida Administrative Register.

The correction to the summary is as follows:

Emergency Rule 12AER14-5 notifies the general public and retailers of the exemption during the period from 12:01 a.m., August 1, 2014 through 11:59 p.m., August 3, 2014, for sales of clothing, wallets, or bags having a selling price of \$100 or less per item, for sales of school supplies having a selling price of \$15 or less per item, and for the first \$750 of the sales price of personal computers and certain related accessories.

The reason for the change to the summary is as follows:

No rule language has been changed. The summary has been revised to correct a typographical error listing the maximum exempt selling price of an item of clothing, wallet, or bag as \$75, rather than the correct maximum exempt selling price of \$100 as provided in the rule.

THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS: Kimberly Bevis, Revenue Program Administrator I, Technical Assistance and Dispute Resolution, Department of Revenue, P. O. Box 7443, Tallahassee, Florida 32314-7443, telephone: (850)717-7082.

Section V
Petitions and Dispositions Regarding Rule
Variance or Waiver

DEPARTMENT OF LAW ENFORCEMENT

Criminal Justice Standards and Training Commission

RULE NO.: RULE TITLE:
11B-27.002 Certification, Employment or Appointment,
Reactivation, and Terminating Employment or Appointment of
Officers

NOTICE IS HEREBY GIVEN that on July 25, 2014, the Florida Department of Law Enforcement Criminal Justice Standards and Training Commission received a petition for a permanent variance and/or waiver of paragraph 11B-27.002(4)(a), F.A.C., and Section 943.131(2), F.S., from Luz Borges, Esq., on behalf of Bradie S. Allen. The Petitioner wishes to waive that portion of the rule which states: within four years of the beginning date of a Commission-approved Basic Recruit Training Program, an individual shall successfully complete the program, achieve a passing score on the applicable State Officer Certification Examination, and gain employment, and certification as an officer. Petitioner also seeks an exemption from the requirements of Section 943.131(2), F.S., which provides: If an applicant seeks an exemption from completing a commission-approved basic recruit training program, the employing agency or criminal justice selection center must verify that the applicant has successfully completed a comparable basic recruit training program for the discipline in which the applicant is seeking certification in another state or for the Federal Government or a previous Florida basic recruit training program. Further, the employing agency or criminal justice selection center must verify that the applicant has served as a full-time sworn officer in another state or for the Federal Government for at least 1 year provided there is no more than an 8-year break in employment or was a previously certified Florida officer provided there is no more than an 8-year break in employment, as measured from the separation date of the most recent qualifying employment to the time a complete application is submitted for an exemption under this section. When the employing agency or criminal justice selection center obtains written documentation regarding the applicant's criminal justice experience, the documentation must be submitted to the commission. The commission shall adopt rules that establish criteria and procedures to determine if the applicant is exempt from completing the commission-approved basic recruit training program and, upon making a determination, shall notify the employing agency or criminal justice selection center. An applicant who is exempt from completing the commission-approved basic recruit training program must demonstrate proficiency in the high-liability areas, as defined by commission rule, and must complete the requirements of Section 943.13(10), F.S., within 1 year after receiving an exemption. If the proficiencies and requirements of Section 943.13(10), F.S., are not met within the 1st year, the applicant must seek an additional exemption pursuant to the requirements of this subsection. Except as provided in subsection (1), before the employing agency may employ or appoint the applicant as an officer, the applicant must meet the minimum qualifications described in Section 943.13(1)-(8) and must fulfill the requirements of Section 943.13(10), F.S.

Petitioner states that Allen has successfully met all enumerated requirements for employment as a law enforcement officer and, but for the misconception by Allen and instructors of employing agencies that the mandatory four year period began at completion of training and examination rather than the beginning as stated in the rule, she would have been employed by a law enforcement agency. Petitioner states that application of the rule creates a substantial hardship and violates the principles of fairness.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Linton B. Eason, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302-1489 or by telephone: (850)410-7676.
