**AGENCY FOR HEALTH CARE ADMINISTRATION**

**Health Facility and Agency Licensing**

RULE NOS.:    RULE TITLES:  
59A-9.019     Definitions  
59A-9.020     Licensure Procedures  
59A-9.021     Investigations and License and Validation Inspections

PURPOSE AND EFFECT: The purpose is to modify existing rules to delete definitions defined in statute; update references to an outdated form which has been revised and incorporated in rule; update licensure fee reference; and add references to align with our uniform licensure statute and rule.

SUMMARY: Rule 59A-9.019, F.A.C., is amended to delete definitions clearly defined in statute. Rule 59A-9.020, F.A.C., is amended to add references and align with our uniform licensing statute and rule (Chapter 408, Part II, F.S., and Chapter 59A-35, F.A.C.) and update references to the abortion clinic licensure application form. Rule 59A-9.021, F.A.C., is amended to add references and align with our uniform licensing statute and rule and delete subsection (3) as it is duplicative of fees stated in Rule 59A-9.020, F.A.C.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Agency.

A statement of estimated regulatory costs has been prepared for proposed rule revisions in Rule 59A-9.020 and is available from the person listed below. The following is a summary of the SERC:

For proposed rule subsection 59A-9.020(2), F.A.C., license fees are increased by the Consumer Price Index pursuant to Section 408.805(2), F.S. The biennial licensure fee will increase by \$45.05. Based on the number of currently licensed facilities, the total impact over 5 years will be \$7,433.25. There is no projected growth in licensees.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: A SERC has been prepared by the agency for Rule 59A-9.020, F.A.C. For rules listed where no SERC was prepared, the Agency prepared a checklist for each rule to determine the necessity for a SERC.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
