**Section II
Proposed Rules**

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Florida Building Commission

RULE NO.: 61G20-1.001 **RULE TITLE:** Florida Building Code Adopted

PURPOSE AND EFFECT: To adopt the Florida Building Code, 5th Edition (2014), to address the statutorily required triennial update and “glitch” modifications.

SUMMARY: This rule represents the triennial update to the Florida Building Code and the “glitch” amendment process. The Florida Building Commission has selected the 2012 edition of the model codes developed by the International Code Council as the foundation for this edition of the building code. The Commission has reviewed local amendments to the Code and proposals for modifying the Code and has approved for adoption the Florida Building Code, 5th edition (2014) which incorporates the proposed modifications receiving at least a 75% majority vote of the Commission; and amendments and modifications previously adopted and required by law to be carried into the next edition of the Code. The Code is published and available for review via link on the Commission website, www.floridabuilding.org.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS: The agency is unable to determine whether this rule will have an adverse impact on small business or likely directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of this rule. A SERC has been prepared by the agency. The following is a Summary of the Statement of Estimated Regulatory Costs approved by the agency:

- The rules are not likely to directly or indirectly have an adverse impact on economic growth; private-sector job creation or employment, or private-sector investment in excess of \$1 million in the aggregate within 5 years after the implementation of the rules.
- The rules are not likely to directly or indirectly have an adverse impact on business competitiveness, including the ability of persons doing business in the state to compete with persons doing business in other states or domestic markets, productivity, or innovation in excess of \$1 million in the aggregate within 5 years after the implementation of the rules.
- The rules are likely to directly or indirectly to increase regulatory costs, including any transaction costs, in excess of

\$1 million in the aggregate within 5 years after the implementation of the rules.

- The number of individuals and entities likely to be required to comply with the rules based on the number of building code administrators/inspectors, electrical contractors, engineers, the construction industry, architects, and interior designers over the last two years will be approximately 156,932.
- The agency will not incur any costs for implementing or enforcing the proposed rules.
- The cost to any other state and local government entities of implementing the proposed rules is indeterminate.
- The total estimated costs to the individuals and entities that are required to comply with the rules in a 5 year period is in excess of \$1 million in the aggregate within 5 years after the implementation of the rules.
- The estimated number of small businesses that would be subject to the rules is greater than 5000.
- There are small counties or small cities that will be impacted by the rules.

The agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: the exemption listed in Section 120.541(4), Florida Statutes.

Any person who wishes to provide information regarding the statement of estimated regulatory costs, or to provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 553.73(1), (7) FS.

LAW IMPLEMENTED: 553.37(1), 553.72, 553.73 FS., Sections 32, 33, 34, 36, 44, 46, 48, Chapter 2005-147, Laws of Florida, Section 1, Chapter 2006-65, Laws of Florida, Section 10, Chapter 2007-1, Laws of Florida.

RULE NO.: 64B9-3.015
RULE TITLE: Licensure Examination Preparatory Courses
PURPOSE AND EFFECT: To outline requirements for preparatory courses.
SUMMARY: Outline requirements for preparatory courses.
SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COST AND LEGISLATIVE RATIFICATION: The agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency. The agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board, based upon the expertise and experience of its members, determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

(b) For any offense subsequent to a first offense, a fine of \$1,000 per day shall be imposed until the quality assessment is paid in full, but in no event shall the fine exceed the amount of the quality assessment. A subsequent offense is defined as any offense within a period of five years preceding the most recent quality assessment due date.

(c) An offense is defined as one month's quality assessment payment not received by the 20th day of the next succeeding calendar month.

(d) In the event that a provider fails to report their total number of resident days as defined in Section 409.9082(1)(c), F.S., by the 20th day of the next succeeding calendar month, the fines in paragraphs (a)-(c) apply and the maximum amount of the fines shall be equal to their last submitted quality assessment amount but in no event shall the total fine exceed the amount of the quality assessment.

(5) In addition to the aforementioned fines, providers are also subject to the non-monetary remedies enumerated in Section 409.9083(6), F.S. Imposition of the non-monetary remedies by the agency will be as follows:

(a) For a third subsequent offense, the agency will withhold any medical assistance reimbursement payments until the assessment is recovered.

(b) For a fourth or greater subsequent offense, the agency will seek suspension or revocation of the facility's license.

(6) No change.

(7) The facility may amend any previously submitted quality assessment data, but in no event may an amendment occur more than twelve months after the due date of the assessment. The deadline for submitting an amended assessment shall not relieve the facility from their obligation to pay any amount previously underpaid and shall not waive the Agency's right to recoup any underpaid assessments.

DEPARTMENT OF EDUCATION

Florida State University

NOTICE TO PROFESSIONAL CONSULTANTS

Florida State University announces that Professional Services in the discipline of Architecture will be required for the project listed below:

Project No. FS – 275

Interdisciplinary Research & Commercialization Building
(IRCB)

Florida State University, Tallahassee, Florida

The project consists of the design of approximately 125,000 GSF of space for a new interdisciplinary research building for Florida State University on their southwest campus in Tallahassee, Florida. It is envisioned that the new facility will house interdisciplinary teams by creating a collaborative environment to conduct research and to develop commercialization opportunities to bring products to market. Spaces to be constructed are research labs, imaging/characterization labs, clean room facilities, collaboration spaces, administrative spaces, and building support functions. Researchers in the disciplines of bio-medical engineering, chemistry, chemical engineering and device prototyping will be accommodated. The selected design firm will be expected to provide program verification and coordination, design and construction documents, and construction administration, including BIM implementation. The project budget is approximately \$85,000,000 with a construction budget of \$56,000,000. Master planning the site will also be required to ensure that future growth and expansions are planned for as well as connections to adjacent research facilities. Sustainable design/construction practices including LEED documentation will be required as part of basic services. The project delivery system will be construction management. Blanket professional liability insurance for this project in the amount of \$2,000,000 must be provided as a part of Basic Services.

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit a letter of application.

The letter of application must have attached:

1. A completed Florida State University Professional Qualifications Supplement, dated August, 2003. Applications on any other form, or on versions dated prior to August 2003, will not be considered. The PQS may be downloaded from our website, www.facilities.fsu.edu/depts/designConstr/ Applicant firms are reminded that only civil, mechanical, electrical, and structural engineering, and landscape consultants are allowed on their applications. Architectural and specialty consultants, including lab designers, are prohibited and are cause for disqualification. Firms may submit as a joint venture.
2. A copy of the applicant's current Professional Registration Certificate from the appropriate governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida.

If the applicant is a corporation, it must be chartered by the Florida Department of State to operate in Florida. Note: The location ratings will be based on the following criteria: in-state firms will receive 1 point and out-of-state firms will receive 0 points.

Submit six (6) copies of the above requested data bound in the order listed above and one (1) electronic copy. Applications which do not comply with the above instructions may be disqualified. Application materials will not be returned.

Submittals must be received in the above office, by 2:00 PM local time, on Wednesday, January 7, 2015. Facsimile (FAX) or electronic submittals are not acceptable and will not be considered.

Professional Qualifications Supplement forms, descriptive project information, and selection criteria may be obtained through our website, www.facilities.fsu.edu/depts/designConstr/, or by contacting: Lynetta Mills, Facilities Design & Construction, 969 Learning Way, Florida State University, Tallahassee, Florida 32306-4152, Suite 109 MMA, (850)644-3591 telephone, (850)644-8351 facsimile.

The Project Fact Sheet is available to be downloaded from our website: www.facilities.fsu.edu/depts/designConstr/.

The complete facilities program will be made available for the shortlisted firms. For further information on the project, contact: Lawrence R. Rubin, Director, at the address above, at lrubin@admin.fsu.edu or at (850)644-3591.

The plans and specifications for State University System projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$50,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

Official notification of the results of the short listing will be posted on the FSU Facilities Design & Construction website. Interview times for finalists will be posted at this web site address, as well.

After the interviews, the Selection Committee will make an award recommendation to the University President. Upon approval of the recommendation by the President, official notification of the final ranking of firms shall be posted on the FSU Facilities Design & Construction website. Negotiations will be conducted in accordance with Section 287.055, Florida Statutes.
