WATER MANAGEMENT DISTRICTS

Suwannee River Water Management District

RULE NO.: RULE TITLE:

40B-12.200 Lobbyist Registration Procedures

PURPOSE AND EFFECT: The Suwannee River Water Management District (District) gives notice that it is initiating rulemaking to develop a rule to describe procedures for registering in order to lobby the District; adopt two forms for use in registration, changing information, renewing registration, and cancelling registration; and incorporate a business classification system.

SUMMARY: Chapter 2014-183, Laws of Florida, requires lobbyists to register with a water management district, if they seek to influence that district with respect to a decision of the district in an area of policy or procurement or seek to obtain the goodwill of a district official or employee. The proposed registration form requests general information about the lobbyist, including the existence of any direct or indirect business or financial relationship between the lobbyist and a District officer or employee.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The District has completed for the Governor’s Office of Fiscal Accountability and Regulatory Reform (OFARR) the “Is a SERC Required?” form and prepared a summary of the proposed rule amendments, which are both available upon request. Based on the completed “Is a SERC Required?” form and summary and the analysis performed by the District in preparing and completing those documents, the proposed rule

amendments are not expected to require legislative ratification pursuant to subsection 120.541(3), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 112.3261(8) FS.

LAW IMPLEMENTED: 112.3261 FS.

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.

Building Code Administrators and Inspectors Board
 NOTICE IS HEREBY GIVEN that the Board of Building Code Administrators and Inspectors has issued an order disposing of the petition for declaratory statement filed by Gregory Yantorno on August 11, 2014. The following is a summary of the agency’s disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Vol. 40, No. 181, of the September 17, 2014, Florida Administrative Register. Petitioner seeks a declaratory statement regarding his responsibilities as a building code administrator according to Section 468.604, Florida Statutes. Specifically asking the following: (a) Does Section 468.604, Florida Statutes, require that Petitioner as the Building Code Administrator/Building Official have direct supervision over permitting staff; (b) If yes, what does direct supervision mean; (c) May someone who is not under the Petitioner’s supervision and is not licensed by the BCIAB be appointed to supervise permitting; (d) If Petitioner as the Building Code Administrator/Building Official no longer directly supervises the permitting process as a result of a permitting jurisdiction’s change in organizational structure, could he be found in violation of Section 468, Florida Statutes; (e) Alternatively could the jurisdiction be found in violation; and (f) Could removing the Petitioner’s direct supervision over the permitting process be considered “interference by any person.” The Board’s Order, filed on December 24, 2014, denies parts “c”, “e” and “f” because Petitioner lacks standing to request the statements sought. As to “a”, review of Chapter 468 Part XII reveals no requirement that a Building Code Administrator “directly supervise” permitting staff. Given his fact “b” is moot. As to “d”, it is denied because “direct supervision” is not a term utilized in the statutory act under review.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Robyn Barineau, Executive Director, Board of Building Code Administrators and Inspectors, 1940 North Monroe Street, Tallahassee, FL 32399-0783, (850)717-1394 or by email: Robyn.Barineau@myfloridalicense.com.
