PURPOSE AND EFFECT: The grant rules will be repealed because the statutory authority was removed.
SUMMARY: Pursuant to changes in Florida Statutes, the Commission no longer oversees the Marine Turtle Grants Program; therefore, we propose the repeal of the rules that apply to this program.
SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE

RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The repeal of this rule has no substantive impact because the grants program is being run by another entity under separate statutory authority.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

The Department of Management Services, E911 Board hereby gives notice of the issuance of an Order regarding the Petition for Variance or Waiver for Hendry County, filed on October 27, 2015. The Notice of Petition for Variance or Waiver was published in Volume 41, No. 214, of the November 3, 2015, Florida Administrative Register. The Board considered the Petition at a duly-noticed public meeting held on November 18, 2015. Florida Real Estate Commission

NOTICE IS HEREBY GIVEN that The Florida Real Estate Commission has issued an order disposing of the petition for declaratory statement filed by Climer School of Real Estate on September 9, 2015. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Vol. 41, No. 183, of the September 21, 2015, Florida Administrative Register. The Commission considered the Petition at a duly-noticed public meeting held on October 20, 2015. The Petitioner sought the Commission's opinion regarding whether the probable cause panel properly dismissed their complaint which alleged that a competitor used the trade name of "The Climer School of Real Estate" in their advertising, and by doing so, the competitor directed consumers to their school. The Commission denies the petition because the petition for declaratory statement should not be used to determine the conduct of another person or where the conduct complained about has already occurred.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Juana Watkins, Division Director, Division of Real Estate, 400 West Robinson Street, Hurston Building, North Tower, Suite N801, Orlando, Florida 32801.

Florida Real Estate Commission

NOTICE IS HEREBY GIVEN that the Florida Real Estate Commission has issued an order disposing of the petition for declaratory statement filed by Kirsten Smith-Pope on May 22, 2015. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published in Vol. 41, No. 109, of the June 5, 2015, Florida Administrative Register. The Commission considered the Petition at a duly-noticed public meeting held on September 15, 2015 and October 20, 2015. The Petitioner sought the Commission’s opinion that she is required to have a Florida license to sell franchises or business opportunities for compensation or commissions. The Commission denies the petition because the Commission should decline to issue a declaratory statement where the petition calls for a response that is general and consistent as to meet the definition of a “rule.”

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Juana Watkins, Division Director, Division of Real Estate, 400 West Robinson Street, Hurston Building, North Tower, Suite N801, Orlando, Florida 32801.
