DEPARTMENT OF LAW ENFORCEMENT
 Criminal Justice Standards and Training Commission

RULE NO. RULE TITLE

11B-27.002 Certification, Employment or Appointment, Reactivation, and Terminating Employment or Appointment of Officers

NOTICE IS HEREBY GIVEN that on January 7, 2014, the Department of Law Enforcement Criminal Justice Standards and Training Commission, received a petition for permanent waiver of paragraph 11B-27.002(2)(a), F.A.C., which states: For law enforcement, correctional, and correctional probation officer applicants who have not been previously certified and who have complied with the certification requirements pursuant to Sections 943.13(1)-(10), F.S., the employing agency shall certify to the Commission that the applicant is eligible for certification by submitting to Commission staff or electronically transmitting through the Commission’s Automated Training Management System (ATMS), a completed Officer Certification Application, form CJSTC-59, revised December 16, 2010 (effective 3/2013), hereby incorporated by reference <https://www.flrules.org/Gateway/reference.asp?No=Ref-02234>, within 30 days of the applicant’s compliance with the certification requirements, notwithstanding whether the applicant is separated from employment. Upon receipt of an Officer Certification Application Deficiency Notification, form CJSTC-259, revised November 8, 2007, hereby incorporated by reference, the employing agency shall maintain on file, a copy of form CJSTC-59 and any other employment documentation. Forms CJSTC-59 and CJSTC-259 can be obtained at the following FDLE Internet address: <http://www.fdle.state.fl.us/Content/CJST/Publications/Professionalism-Program-Forms.aspx>, or by contacting Commission staff at (850)410-8615. The employing agency shall submit a copy of form CJSTC-259 and the missing or deficient documentation to Commission staff within 90 days of the date

the form was signed and issued to the agency. Failure by the employing agency to submit missing or deficient documentation within the required 90 days may result in denial of an applicant's request for certification. An officer applicant shall not work as a sworn officer prior to meeting the requirements of Section 943.13, F.S., except as authorized pursuant to Section 943.131, F.S.

Petitioner also seeks a permanent waiver of subsection 11B-27.002(4), F.A.C., which states: Within four years of the beginning date of a Commission-approved Basic Recruit Training Program, an individual shall successfully complete the program, achieve a passing score on the applicable State Officer Certification Examination, and gain employment as an officer. An individual who is not employed as an officer in the discipline for which training was completed, within four years of the date of beginning such training, shall, as a condition for obtaining employment or appointment, comply with the following requirements: (a) Successfully complete a Commission-approved Basic Recruit Training Program pursuant to Rule 11B-35.002, F.A.C., or qualify for an exemption from a Commission-approved Basic Recruit Training Program, pursuant to Section 943.131(2), F.S., to include demonstration of proficiency in the High-Liability Basic Recruit Training Courses pursuant to Rule 11B-35.0024, F.A.C.; and (b) Achieve a passing score on the State Officer Certification Examination.

Petitioner states that Reserve Officer Mark A. Wolfe attended and successfully completed the 360 hour Auxiliary Law Enforcement Core Course, sequence number 31-2006-211-2 at the Northeast Florida Criminal Justice Center between September 26, 2006 to March 20, 2007. Petitioner states that due to a clerical omission, Reserve Officer Wolfe's required drug screen was never entered as completed therefore, the Jacksonville Sheriff's Office never officially certified him as an auxiliary officer with the department. Petitioner states that Reserve Officer Wolfe has been an exemplary employee since 2007, earning the rank of Sergeant within the Reserve/Auxiliary Unit and has volunteered over 1,722 hours to the department. Petitioner states that once it was discovered that Reserve Officer Wolfe's drug screen paperwork was missing, he attempted to acquire a copy of the drug screen from the provider without success due to a change in ownership. Petitioner states that Officer Wolfe was however able to acquire a copy of a receipt showing payment for the drug screen.

Petitioner states that more than four years have elapsed since Reserve Officer Wolfe attended the academy however, he has maintained all FDLE and Jacksonville Sheriff's Office mandated training requirements. Petitioner states that forcing Reserve Officer Wolfe to comply with the rule and re-take the entire 360 hour basic course because of a mistake by the

Jacksonville Sheriff's Office would create a substantial hardship; violate principles of fairness; and, affect Reserve Officer Wolfe in a manner significantly different from the way it affects other similarly situated persons who are subject to the rule. Petitioner states that granting of the waiver would serve the purposes of the underlying statute.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Linton B. Eason, Assistant General Counsel, Florida Department of Law Enforcement, P.O. Box 1489, Tallahassee, FL 32302, or by telephone at: (850)410-7676.

DEPARTMENT OF LAW ENFORCEMENT
Criminal Justice Standards and Training Commission
RULE NO. RULE TITLE

11B-27.002 Certification, Employment or Appointment, Reactivation, and Terminating Employment or Appointment of Officers

NOTICE IS HEREBY GIVEN that on February 4, 2015, the Florida Department of Law Enforcement Criminal Justice Standards and Training Commission, received a petition for permanent waiver of subsection 11B-27.002(4), F.A.C., by Tom Conner, Orange County Sheriff's Office on behalf of Taylor D. Wilburn. Petitioner wishes to permanently waive that portion of the rule that states within four years of the beginning date of a Commission-approved Basic Recruit Training Program, an individual shall successfully complete the program, achieve a passing score on the applicable State Officer Certification Examination, and gain employment as an officer. An individual who is not employed as an officer in the discipline for which training was completed, within four years of the date of beginning such training, shall, as a condition for obtaining employment or appointment, comply with the following requirements: (a) Successfully complete a Commission-approved Basic Recruit Training Program pursuant to Rule 11B-35.002, F.A.C., or qualify for an exemption from a Commission-approved Basic Recruit Training Program, pursuant to Section 943.131(2), F.S., to include demonstration of proficiency in the High-Liability Basic Recruit Training Courses pursuant to Rule 11B-35.0024, F.A.C.; and (b) Achieve a passing score on the State Officer Certification Examination.

Petitioner states that the Orange County Sheriff's Office is considering Taylor D. Winburn for employment; however, due to the large number of applicants; lengthy background investigation; medical verification and final approval by the Sheriff, Taylor D. Winburn's application processing could not be completed within the four year window. Petitioner states that the applicant was due to be sworn in on February 26, 2015. Petitioner states that a strict application of a rule would create a substantial hardship or would violate principles of

fairness and, that the purpose of the underlying statute will have been achieved if the waiver is granted.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Linton B. Eason, Assistant General Counsel, Florida Department of Law Enforcement, P.O. Box 1489, Tallahassee, FL 32302, or by telephone at: (850)410-7676.

NOTICE IS HEREBY GIVEN that on March 16, 2015, The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants, received a petition for an Emergency Variance for subsection 61C-4.010(5), Florida Administrative Code, paragraph 61C-1.004(1)(a), Florida Administrative Code, Paragraph 5-202.11(A), 2009 FDA Food Code, Paragraph 4-301.12(A), 2009 FDA Food Code, Section 5-203.13, 2009 FDA Food Code, paragraph 61C-1.004(2)(a), Florida Administrative Code, subsection 61C-4.010(7) Florida Administrative Code, subsection 61C-4.010(6), Florida Administrative Code, Section 6-402.11, 2009 FDA Food Code from Jamieson Family Ice Cream located in Port Orange. Division of Pari-Mutuel Wagering

RULE NO. RULE TITLE

61D-11.007 Cardroom Operator License

NOTICE IS HEREBY GIVEN that on March 16, 2015, the Department of Business and Professional Regulation, Division of Pari-Mutuel Wagering, received a petition for variance or waiver from Dania Entertainment Center, LLC, 301 E. Dania Beach Blvd., Dania, FL 33004, Petitioner in DBPR Case No. 2015011763 (VW 2015-063). Petitioner is a pari-mutuel facility which holds an annual cardroom license to conduct authorized card games in Broward County, Florida, pursuant to Sections 550.0251(12) & 849.086(4), Florida Statutes. For the current annual 2015-16 operating license year (until at least December 2015), Petitioner seeks a waiver of the requirement of Rule 61D-11.007, Florida Administrative Code (F.A.C.), that requires written internal controls be filed with a cardroom’s annual operating license application. Petitioner seeks a r waiver of Rule 61D-11.007’s cardroom internal controls requirement because it closed its Broward cardroom and slots facilities in October 2014 and does not expect to re-open its new facility until at least December 2015. Petitioner’s internal controls have to and will be substantially revised to reflect and conform to the substantial renovations of Petitioner’s cardroom facilities prior to its re-opening, but those revised internal controls can’t be finalized until the plans for Petitioner’s new cardroom facility are themselves finalized, and that itself won’t occur until the re-opening of the facility imminent. In addition, Petitioner presently employs no cardroom staff capable of making the internal control revisions deemed necessary by the Division. Further, Petitioner will not be permitted to re-open its cardroom without the necessary approved internal controls, but to require it to revise its internal controls at this time, when they cannot be finalized and when Petitioner would have to further revise them before re-opening, would impose a substantial hardship. Any person interested in the subject matter of the Petition or other agency may file written comments within fourteen (14) days of publication of this notice.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Agency Clerk, Department of Business and Professional Regulation, 1940 North Monroe Street, Tallahassee, Florida 32399-2202, (850)921-0342.
