RULE NO.: 65E-14.021 RULE TITLE: Schedule of Covered Services
 PURPOSE AND EFFECT: The purpose of this rulemaking is to amend four specific regulatory elements. This rulemaking

will revise the Measurement Standard applicable to paragraph (4)(f) Crisis Support/Emergency; revise the Measurement Standard applicable to paragraph (4)(m) In-Home and On-Site; revise the Annualized Standard Units applicable to paragraph (4)(i) Drop-in/Self help Centers; and incorporate revised form CF-MH 1045, Feb 2015, Program Description. The effect of revising the Measurement Standards will be to permit a broader range of programmatically appropriate allowable activities for those services. The effect of revising the Annualized Standard Units will be to align a pre-existing exception to the correct measurement standard applicable to the service. The effect of revising the form will be to clarify the distinction between Department-funded service data elements and non-Department-funded service data elements reported in the form. The regulations addressing these elements, as amended on July 27, 2014, have been identified by agencies subject to this rule as creating unintended regulatory burdens during implementation.

SUMMARY: This rulemaking amends: 1) the Measurement Standards applicable to the Crisis Support/Emergency and In-Home and On-Site Covered Services, 2) a pre-existing exception to the Annualized Standard Units applicable to Drop-in/Self help Centers, and 3) the elimination of unnecessary references to "Medicaid services" and adoption of the already defined term "Covered Service" in sections of Form CF-MH 1045.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: Staff analysis of this amendment has identified these changes as technical in nature with no increase to direct or indirect regulatory compliance costs.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Petitions and Dispositions Regarding Rule
Variance or Waiver

DEPARTMENT OF LAW ENFORCEMENT
 Criminal Justice Standards and Training Commission

RULE NO.	RULE TITLE
11B-27.002	Certification, Employment or Appointment, Reactivation, and Terminating Employment or Appointment of Officers

NOTICE IS HEREBY GIVEN that on April 15, 2015, the Florida Department of Law Enforcement Criminal Justice Standards and Training Commission received a petition for permanent waiver of subparagraph 11B-27.002(3)(a)14., F.A.C., by Sheriff John Rutherford, Jacksonville Sheriff's Office, on behalf of Reserve Officer Mark A. Wolfe. Petitioner wishes to waive that portion of the rule that states that a new recruit must provide drug screen results of at least a 7-panel test pursuant to paragraph 11B-27.00225(2)(d), F.A.C. Petitioner also wishes to waive paragraph 11B-27.002(4)(a), F.A.C., on behalf of Reserve Officer Mark A. Wolfe. Petitioner wishes to waive that portion of the rule that states within four years of the beginning date of a Commission-approved Basic Recruit Training Program, an individual shall successfully complete the program, achieve a passing score on the applicable State Officer Certification Examination, and gain employment, and certification as an officer.

Petitioner states that Reserve Officer Mark A. Wolfe attended and successfully completed the 360 hour Auxiliary Law Enforcement Core Course, sequence number 31-2006-211-2 at the Northeast Florida Criminal Justice Center between September 26, 2006 to March 20, 2007. Petitioner states that due to a clerical omission, Reserve Officer Wolfe's required drug screen was never entered as completed, therefore the Jacksonville Sheriff's Office never officially certified him as an auxiliary officer with the department. Petitioner states that Reserve Officer Wolfe has been an exemplary employee since 2007, earning the rank of Sergeant within the Reserve/Auxiliary Unit and has volunteered over 1,722 hours to the department. Petitioner states that once it was discovered that Reserve Officer Wolfe's drug screen paperwork was missing, he attempted to acquire a copy of the drug screen from the provider without success due to a change in ownership. Petitioner states that Officer Wolfe was however able to acquire a copy of a receipt showing payment for the drug screen.

Petitioner states that more than four years have elapsed since Reserve Officer Wolfe attended the academy, however, he has maintained all FDLE and Jacksonville Sheriff's Office mandated training requirements. Petitioner states that forcing Reserve Officer Wolfe to comply with the rule and re-take the entire 360 hour basic course because of a mistake by the Jacksonville Sheriff's Office would create a substantial hardship; violate principles of fairness; and, affect Reserve Officer Wolfe in a manner significantly different from the way it affects other similarly situated persons who are subject to the rule. Petitioner states that granting of the waiver would serve the purposes of the underlying statute.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Linton B. Eason, Assistant General Counsel, Florida Department of Law Enforcement, P.O. Box 1489, Tallahassee, FL 32302, (850)410-7676.

GENERAL SUBJECT MATTER TO BE CONSIDERED: Proposed Amendment to Florida's 1115 Managed Medical Assistance Waiver

SUMMARY DESCRIPTION OF PROPOSED AMENDMENT: The State is seeking federal authority to amend Florida's 1115 Managed Medical Assistance (MMA) Waiver (Project Number 11-W-00206/4) to redesign the Low Income Pool (LIP) and extend the program from July 1, 2015 until June 30, 2017. The newly redesigned LIP program ensures access to care for low income populations that are not eligible to participate in Medicaid or other subsidized coverage programs and complements the MMA program by strengthening connections between critical safety net providers and the MMA program.

The State contracted with Navigant Consulting Incorporated to conduct the Centers for Medicare and Medicaid Services (CMS) required study on the LIP program. The study concluded that the LIP program would need to continue in Florida even if all coverage options were fully exploited. In response to these findings and discussions with CMS, the redesigned LIP program contains the following features:

- Reduced linkage of payments to local source of funding;
- Continued focus on maintaining access and quality of care to vulnerable populations.

The State is not requesting authority to make any changes to the MMA program as authorized under this waiver. The State is seeking waiver and expenditure authority to redesign and extend the LIP program until June 30, 2017. Specifically, the State seeks expenditure authority of Section 1115(a)(2) of the Social Security Act for expenditures for uncompensated care costs incurred by providers for health care services to uninsured and or underinsured, and associated projects to support such care through the redesigned LIP program.

The request to redesign and continue funding of the LIP program is in response to discussions with the Centers for Medicare and Medicaid Services (CMS) about how best to structure the pool in light of new and different coverage opportunities for low income Floridians: Florida's Medicaid program's shift to the MMA program as well as opportunities available under the Affordable Care Act (ACA).

To view the full description of the proposed amendment request please see the public notice document published on the Agency's website at the following link:

http://ahca.myflorida.com/medicaid/statewide_mc/mma_fed_auth_amend_waiver_2015-04.shtml.

PUBLIC NOTICE AND PUBLIC COMMENT PERIOD: The Agency for Health Care Administration (Agency) will conduct a 30-day public notice and comment period prior to the submission of the proposed amendment request to Federal CMS. The Agency will consider all public comments received regarding the proposed amendment request. The 30-day public notice and public comment period is from April 21, 2015 through May 22, 2015. This public notice and public comment period is being held to solicit public input from recipients, providers and all stakeholders and interested parties on the development of the proposed amendment request to Florida's 1115 MMA Waiver.

To submit comments by postal service or internet email, please follow the directions outlined below. for Health Care Administration, 2727 Mahan Drive, MS 8, Tallahassee, Florida 32308. Email your comments and suggestions to FLMedicaidWaivers@ahca.myflorida.com.

SUMMARY DESCRIPTION OF THE 1115 MMA WAIVER: Florida's 1115 Research and Demonstration Waiver was initially approved by Federal CMS October 19, 2005 to operate for the period from July 1, 2006 to June 30, 2010. Implementation of the waiver occurred in Broward and Duval counties on July 1, 2006 with expansion to Baker, Clay and Nassau counties occurring July 1, 2007. Federal CMS granted temporary extensions of the waiver until December 15, 2011, when final approval of the extension request was granted, for the period from December 16, 2011 to June 30, 2014.

On June 14, 2013, Federal CMS approved an amendment to the waiver that allows for implementation of an improved statewide model of managed care in 2014 and the continuation of the LIP program. The amendment also changed the name of the waiver to the Florida Managed Medical Assistance Waiver.

On November 27, 2013, the Agency submitted another three-year waiver extension request to Federal CMS to extend Florida's 1115 MMA Waiver for the period July 1, 2014 to June 30, 2017. With the submission of the three-year waiver extension request, the State is seeking federal authority to extend Florida's 1115 MMA Waiver for the period July 1, 2014 to June 30, 2017. The waiver is designed to implement a new statewide managed care delivery system without increasing costs and to continue the LIP program. The program is guided by principles designed to improve coordination and patient care while fostering fiscal responsibility.
