Each access for a referred person requires a new authorization form. Authorizations for impaired practitioner program participants can be in effect no longer than the duration of the monitoring contract with the impaired practitioner program. If approved, the program manager will return the information on the referred or participating person to the impaired practitioner consultant or authorized user through the secure E-FORCSE® web portal. 61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On June 23, 2016, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for subsection 61C-4.010(7), Florida Administrative Code and subsection 61C-4.010(6), Florida Administrative Code, from La Belle Moe Restaurant & Bakery, Inc. located in Lauderhill. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers. They are requesting to share the bathrooms located within a nearby establishment under a different ownership for use by customers only.

The Petition for this variance was published in Vol. 42/136 on July 14, 2016. The Order for this Petition was signed and approved on July 22, 2016. The Petitioner shall also ensure directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of La Belle Moe Restaurant & Bakery, Inc. or JSPG Laundry Services changes, an updated signed agreement for use of the bathroom facilities will be required immediately.
