Section II
Proposed Rules

DEPARTMENT OF HEALTH

Board of Medicine

RULE NOS.: **RULE TITLES:**

64B8-4.009 Applications

64B8-4.025 Licensure Under Supervision

PURPOSE AND EFFECT: The proposed rule amendments in Rule 64B8-4.009 are intended to address the revised application forms; clarify language with regard to direct verification for medical school education; and delete language

requiring prevention of medical errors education at the time of initial licensure. The proposed rule amendments in Rule 64B8-4.025 are intended to clarify requirements for a practice plan for those physicians who are licensed under the supervision of another physician.

SUMMARY: The proposed rule amendments in Rule 64B8-4.009 address the revised application forms; clarify language with regard to direct verification for medical school education; and delete language requiring prevention of medical errors education at the time of initial licensure. The proposed rule amendments in Rule 64B8-4.025 set forth requirements for a practice plan for those physicians who are licensed under the supervision of another physician.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On June 30, 2016, the Division of Hotels and Restaurants received a Petition for a Routine Variance for subsection 61C-4.010(7), Florida Administrative Code, and subsection 61C-4.010(6), Florida Administrative Code, from Philly Fire Station located in Cocoa Beach. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers. They are requesting to share the bathrooms located within a nearby establishment under a different ownership for use by customers only.

The Petition for this variance was published in Vol. 42, No. 135, F.A.R., on July 13, 2016. The Order for this Petition was signed and approved on July 27, 2016. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms located within Juice 'N Java Cafe (JAVA JENNY'S, INC, SEA150587) 75 N Orlando Ave., Cocoa Beach FL, 32931, are maintained in a clean and sanitary manner and are provided with cold running water under pressure, soap, approved hand drying devices, and are available during all hours of operation. The Petitioner shall also ensure directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of Philly Fire Station (K & T Concessions, LLC) or Juice 'N Java Cafe (JAVA JENNY'S, INC, SEA150587) changes, an updated signed agreement for use of the bathroom facilities will be required immediately.

A copy of the Order or additional information may be obtained by contacting: George.Koehler@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.
