3. On page 14, item number 12, the Department corrected section “775.0083,” Florida Statutes, to read “775.083,” Florida Statutes.

DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

Division of Licensing

RULE NO.: RULE TITLE:

5N-1.140 Security Officer, Recovery Agent and Private Investigative Intern School Curriculum; Examinations; Retention of Records

The Division of Licensing hereby gives notice:

On February 4, 2016, the Department issued an Order granting a Petition for Variance filed by Invictus, Inc., on November 6, 2015. Notice of the Petition was published on November 13, 2015, in Volume 41, No. 221, of the Florida Administrative Register.

Petitioner sought a permanent variance from paragraph (1)(b) of Rule 5N-1.140, F.A.C, asking to administer more than the two examinations required by rule, at various intervals throughout the training course, while meeting remaining rule requirements. The Division’s order granted Invictus the variance it sought. However, to fully effectuate Petitioner’s request, the Division also granted a variance from paragraph (1)(c) of the rule, as it also establishes requirements relative to the two examinations. Without a variance to (1)(c), Petitioner would still find itself constrained by a rule provision requiring a two-part exam, thus frustrating the purpose behind its variance request. Petitioner will now be able to provide more than two examinations at various intervals, consisting of a total of 170 questions, of which 128 questions must be answered correctly.

A copy of the Order or additional information may be obtained by contacting: John S. Roberts, Government Analyst I, Post Office Box 5647, Tallahassee, Florida 32314, John.Roberts@FreshFromFlorida.com, (850)245-5459.

DEPARTMENT OF LAW ENFORCEMENT  
Criminal Justice Standards and Training Commission

RULE NO.: RULE TITLE:

11B-27.002 Certification, Employment or Appointment, Reactivation, and Terminating Employment or Appointment of Officers

NOTICE IS HEREBY GIVEN that on January 7, 2016, the Criminal Justice Standards and Training Commission, received a petition for temporary waiver of subsection 11B-27.002(4), F.A.C. from Deputy Chief Sean Brammer of the Florida Atlantic University Police Department on behalf of Howard Jenkins. Petitioner wishes to temporarily waive that portion of the rule that states: Within four years of the beginning date of a Commission-approved Basic Recruit Training Program, an individual shall successfully complete the program, achieve a passing score on the applicable State Officer Certification Examination, and gain employment, and certification as an officer. Petitioner states that Mr. Jenkins successfully began a Commission-approved Basic Recruit Training Program on October 17, 2011 and successfully completed the program on April 16, 2012. Petitioner states that Mr. Jenkins passed the State Officer Certification Examination on April 24, 2012. Petitioner states that due to an administrative error, Mr. Jenkins was considered for a law enforcement officer position and a thorough background investigation was conducted under the mistaken belief that he had until April 16, 2016 to be employed as a law enforcement officer.

Petitioner states that due to the administrative error, the applicant was hired on December 21, 2015 in a Temporary Employment Authorization status. Petitioner states that strict application of the rule creates a substantial hardship for both the petitioner and Officer Jenkins. Petitioner states the purpose of the underlying statute will be achieved if the waiver is granted.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Linton B. Eason, Assistant General Counsel, Florida Department of Law Enforcement, P.O. Box 1489, Tallahassee, FL 32302 or by telephone: (850)410-7676.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On December 17, 2015, the Division of Hotels and Restaurants received a Petition for a Routine Variance for Subparagraph 3-305.11(A)(2), 2009 FDA Food Code, Section 3-305.14, 2009 FDA Food Code, Section 6-202.15, 2009 FDA Food Code, Section 6-202.16, 2009 FDA Food Code, subsection 61C-4.010(1), F.A.C., and subsection 61C-4.010(6), F.A.C., from Aklan Buffet & Sushi MFDV located in Miami. The above referenced F.A.C. addresses the requirement for proper handling and dispensing of food. They are requesting to dispense bulk time/temperature control for safety foods from an open air mobile food dispensing vehicle.

The Petition for this variance was published in Vol. 41/245 on December 21, 2015. The Order for this Petition was signed and approved on January 06, 2016. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring that each pan within the steam table is properly covered with an individual lid; the steam table is enclosed within a cabinet with tight-fitting doors, and is protected by an air curtain installed and operated according to the manufacturer's specifications that protects against flying vermin or other environmental contaminants; all steam table foods must be properly reheated for hot holding at approved commissaries and held hot at the proper minimum temperature per the parameters of the currently adopted FDA Food Code; and steam table food is to be dispensed by the operator with no customer self-service. The Petitioner shall also strictly adhere to the operating procedures and copies of the variance and operating procedures are to be present on the MFDV during all periods of operation.

A copy of the Order or additional information may be obtained by contacting: Lydia.Gonzalez@myfloridalicense.com, Division of Hotels and Restaurants, 1940 North Monroe Street, Tallahassee, Florida 32399-1011.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On January 8, 2016, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), F.A.C., Section 5-203.13, 2009 FDA Food Code, Paragraph 5-202.11(A), 2009 FDA Food Code, Paragraph 4-301.12(A), 2009 FDA Food Code, subsection 61C-4.010(5), F.A.C., Subparagraph 3-305.11(A)(2), 2009 FDA Food Code, and subsection 61C-4.010(1), F.A.C., from Disney's Beach Club Resort located in Orlando. The above referenced F.A.C. addresses the requirement that at least one service sink is provided for the cleaning of mops or similar cleaning tools and the disposal of mop water; that each establishment have an approved plumbing system installed to transport potable water and wastewater; that dishwashing facilities for manually washing, rinsing and sanitizing equipment and utensils are provided, and that each establishment have areas for food preparation and storage. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash sink and to share the mop sink, dishwashing, food preparation and food storage areas with another licensed food service establishment under the same ownership and on the same premise.

The Petition for this variance was published in Vol. 42/06 on January 01, 2016. The Order for this Petition was signed and approved on January 20, 2016. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash sink is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that the mop sink, dishwashing sink and food preparation and storage areas within Cape May cCfé (SEA5806117) are maintained in a clean and sanitary manner, all sinks are provided with hot and cold running water under pressure and are available during all hours of operation. The handwash sinks must also be provided with soap, an approved hand drying device and a handwashing sign. If the ownership of Cape May Café and Disney's Beach Club Resort (Walt Disney World) changes, a signed

agreement between the two establishments for the use of the shared facilities must be provided to the division immediately. A copy of the Order or additional information may be obtained by contacting: Lydia.Gonzalez@myfloridalicense.com, Division of Hotels and Restaurants, 1940 North Monroe Street, Tallahassee, Florida 32399-1011.
