PURPOSE AND EFFECT: The purpose of the rule amendment is to implement amendments to Section 464.012(1), F.S..

SUMMARY: Implement amendment to Section 464.012(1), F.S.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board, based upon the expertise and experience of its members and the substance of the rule amendment, determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary because the rule does not impose additional costs, obligations, or duties on any persons or businesses, and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: RULE TITLE:
64B17-6.002 Supervision of Physical Therapist Assistants by Physicians

PURPOSE AND EFFECT: This rule is repealed because the necessary information on the supervision of physical therapist assistants can be found in statutes and existing rules.

SUMMARY: This rule is repealed because the necessary information on the supervision of physical therapist assistants can be found in statutes and existing rules.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule repeal

will not have any impact on licensees and their businesses or the businesses that employ them. The rule repeal will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. The petition alleges that it seeks a Declaratory Statement as to the statutory authority for Department Procedure 501.305 – Word Processing and seeks to resolve a controversy with the implementation of 33-501.301 and 33-501.302, F.A.C., through this procedure Persons whose substantial interests may be affected by a declaratory statement issued in this matter may file a motion to intervene or a petition for administrative hearing within twenty-one (21) days after the publication of this notice.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Alcoholic Beverages and Tobacco

NOTICE IS HEREBY GIVEN that the Department of Business and Professional Regulation, Division of Alcoholic Beverages and Tobacco has declined to rule on the petition for declaratory statement filed by Chris L. Harriman on February 16, 2017. The following is a summary of the agency's declination of the petition:

The Division is the state agency responsible for the administration and enforcement of Chapters 561-568,

collectively known as the Beverage Law, and has jurisdiction over this matter pursuant to the Beverage Law and Section 120.565, Florida Statutes. Petitioner, pursuant to Chapter 28-105, F.A.C, requested that the Division provide a declaratory statement as to the applicability of subsections 61A-3.019(1) and 61A-3.019(3), F.A.C., to Petitioner's set of circumstances; specifically, the Fort Walton Beach VFW Post's refusal of service of alcoholic beverages to Petitioner. Petitioner is a member of the VFW organization; however, he is no longer a member of the Fort Walton Beach VFW post. The statement Petitioner seeks would be generally applicable to Series 11C licensees, and therefore would likely constitute an agency rule. Further, Petitioner appears to seek a statement determining the proper conduct of a third party. Neither of these purposes are appropriate for a declaratory statement, therefore the Division denies the petition. The Final Order on the matter was filed on May 16, 2017.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Department of Business and Professional Regulation, Agency Clerk's Office, 2601 Blair Stone Rd., Tallahassee, FL 32399-2202, (850) 717-1183, AGC.Filing@myfloridalicense.com.
