They are requesting to share the bathrooms located within a nearby establishment under a different ownership for use by customers and employees and to utilize the mopsink located within another business under a different ownership.

The Division of Hotels and Restaurants will accept comments concerning the Petition for 5 days from the date of publication of this notice. To be considered, comments must be received before 5:00 p.m.

DEPARTMENT OF BUSINESS AND PROFESSIONAL
REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-4.010: Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On May 1, 2017 the Division of Hotels and Restaurants received a Petition for a Routine Variance for Subparagraph 3-305.11(A)(2), 2009 FDA Food Code, Section 3-305.14, 2009 FDA Food Code, Section 6-202.15, 2009 FDA Food Code, Section 6-202.16, 2009 FDA Food Code, subsection 61C-4.010(1), Florida Administrative Code, and subsection 61C-4.010(6), Florida Administrative Code from Joe's P Box Lunch located in Hialeah. The above referenced F.A.C. addresses the requirement for proper handling and dispensing of food. They are requesting to dispense bulk time/temperature control for safety foods from an open air mobile food dispensing vehicle.

The Petition for this variance was published in Vol. 43/85 on May 2, 2017. The Order for this Petition was signed and approved on May 19, 2017. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring that each pan within the steam table is properly covered with an individual lid; the steam table is enclosed within a cabinet with tight-fitting doors, and is protected by an air curtain installed and operated according to the manufacturer's specifications that protects against flying vermin or other environmental contaminants; all steam table foods must be properly reheated for hot holding at approved commissaries and held hot at the proper minimum temperature per the parameters of the currently adopted FDA Food Code; and steam table food is to be dispensed by the operator with no customer self-service. The Petitioner shall also strictly adhere to the operating procedures and copies of the variance and operating procedures are to be present on the MFDV during all periods of operation.

A copy of the Order or additional information may be obtained by contacting: Daisy.Aleman@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011

To initiate an international money transfer to Mexico, a corporate client must contact Petitioner by phone or email to inquire about current exchange rates. Petitioner does not provide for automated transactions, such as through a website. Upon receiving such an inquiry, Petitioner offers a rate for exchanging dollars to pesos. If the offered rate is acceptable to the client, Petitioner then exchanges its own dollars - in the amount specified by the client - for pesos and transfers those pesos to the Mexican bank account of a recipient designated by the client. Such actions are initiated and handled in Texas. Petitioner then collects reimbursement from its client via electronic transfer for the funds Petitioner exchanged and transferred. Petitioner does not advertise any of its services in Florida, nor does it intentionally perform any direct marketing in Florida." The Petition seeks a declaratory statement as to whether the Petitioner is exempt from licensure under Chapter 560, Florida Statutes.
