DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On October 25, 2018 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for subsection 61C-4.010(7) Florida Administrative Code and subsection 61C-4.010(6), Florida Administrative Code from Primal Organic LLC located in Miami. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers. They are requesting to share the bathrooms located within a nearby establishment under a different ownership for use by customers only.

The Petition for this variance was published in Vol. 44/210 on October 25, 2018. The Order for this Petition was signed and approved on November 1, 2018. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms located within Celebration Adult Daycare (10739 W Flagler St. Miami, FL 33174), are maintained in a clean and sanitary manner and are provided with cold running water under pressure, soap, approved hand drying devices, and are available during all hours of operation. The Petitioner shall also ensure that directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of Primal Organic (Primal Organic LLC) and/or Celebration Adult Daycare (Celebration Adult Daycare Inc.) changes, an updated signed agreement for use of the bathroom facilities will be required immediately.

Board of Optometry

RULE NO.: RULE TITLE:

64B13-4.004 Manner of Application Approved Schools or Colleges

The Board of Optometry hereby gives notice: that on October 23, 2018, a Notice of Intent to Approve Petition for Variance or Waiver with Conditions was filed. The Petition for Waiver or Variance was filed by Carolina Betancurt, O.D., September 7, 2018, seeking a waiver or variance from subsection 64B13-4.004(2), F.A.C., with regard to the requirement that applicants for licensure as a certified optometrist must have graduated

from an approved school or college that is accredited by the Accreditation Council for Optometric Education. The Notice was published in Volume 44, No. 180, of the Florida Administrative Register, on September 14, 2018. The Board, at its meeting held on September 28, 2018, voted to grant the Petition for Waiver or Variance with conditions. The Board finds that granting a variance for the limited purpose of allowing Petitioner to register for the NBEO examination(s), would achieve a specific portion of the underlying purpose of section 463.006, F.S., by other means and would overcome a substantial hardship on Petitioner. Accordingly, the Board determined to grant the Petition for variance or waiver for the limited purpose of allowing Petitioner to register for the NBEO examination(s). As part of this decision, the Board specifically does not make any determination of whether the Petitioner will meet the requirements of paragraphs 463.006(1)(c) or (e), F.S., which are statutory criteria for licensure and thus cannot be waived or varied from pursuant to a section 120.542, F.S., petition.

DATE AND TIME: Monday, November 5, 2018, 1:00 p.m.

GENERAL SUBJECT MATTER TO BE CONSIDERED: Docket No. 20180203-EI, In re: Petition for approval of temporary electric restoration payment program on expedited basis, by Florida Public Utilities Company.

The purpose of the meeting is to afford the Commission an opportunity to review and consider the Petition for Approval of Temporary Electric Restoration Payment Program on an Expedited Basis filed by Florida Public Utilities Company (FPUC) on November 1, 2018, in Docket No. 20180203-EI. In its petition, FPUC is offering temporary financial assistance to all of its residential customers within Jackson, Calhoun, and Liberty Counties, who are unable to take electric service from FPUC as a result of damage sustained to customer-owned equipment as a result of Hurricane Michael. This meeting is being held on an emergency basis pursuant to subsection 120.525(3), Florida Statutes. Due to the catastrophic effects of Hurricane Michael, a substantial number of FPUC's customers in Jackson, Calhoun, and Liberty Counties are unable to take electric service from FPUC. The proposed optional payment plan is intended to assist these customers in expediting the

repair of the customer-owned equipment necessary for the resumption of essential electric service, the continued interruption of which is an immediate danger to the public health, safety, and welfare. The Commission finds it necessary and fair under the circumstances to conduct this meeting on an emergency basis in order to protect the public interest.

One or more of the Commissioners of the Florida Public Service Commission may attend and participate in this meeting. For questions, contact Commission staff Elisabeth Draper at (850)413-6706 (technical) or Jennifer Crawford at (850)413-6228 (legal).
