Construction Industry Licensing Board

RULE NO.: RULE TITLE:

61G4-16.005 Duration of Validity

The Construction Industry Licensing Board hereby gives notice:

of the issuance of an Order regarding the Petition for Waiver or Variance, filed on May 1, 2019, by John F. Albritton. The Notice of Petition for Waiver or Variance was published in Vol. 45, No. 94, of the May 14, 2019, Florida Administrative Register. Petitioner sought a waiver or variance of Rule 61G4-16.005, F.A.C., entitled "Duration of Validity," that requires for the purpose of certification, a passing grade shall be valid only for a period of four (4) years from the date of the most recently passed portion of the exam.

The Board considered the instant Petition at a duly-noticed public meeting, held July 12, 2019, in Coral Gables, Florida. The Board's Order, filed on August 6, 2019, denied the petition finding that Petitioner had failed to establish that the purpose of

the underlying statute would be met by granting a variance from Rule 61G4-16.005, F.A.C. The Board further found that Petitioner failed to establish that applying the requirements of the aforementioned rule to his circumstances would violate principles of fairness or impose substantial hardship.

A copy of the Order or additional information may be obtained by contacting: Daniel Biggins, Executive Director, Construction Industry Licensing Board, 2601 Blair Stone Road, Tallahassee, Florida 32399-1039 or telephone: (850)487-1395, or by electronic mail to Donald.Shaw@myfloridalicense.com.

Construction Industry Licensing Board

NOTICE IS HEREBY GIVEN that the Construction Industry Licensing Board has issued an order disposing of the petition for declaratory statement filed by Ameriglass, LLC dba AMG Glass Fencing & Railings on August 09, 2019. The following is a summary of the agency's disposition of the petition: The Notice of Petition for Declaratory Statement was published in Vol. 45, No. 99, of the May 21, 2019, Florida Administrative Register. Petitioner was seeking clarification of Sections 489.105 and 489.117, Florida Statutes, regarding the regulation and license requirements for installation of glass systems. The Board considered the Petition at a duly-noticed public meeting held on July 12, 2019, in Coral Gables, Florida. At its meeting, the Board found the Petitioner did not have standing to request a Declaratory Statement from the Board and declined to answer the petition. The Board also stated that even if Petitioner had standing the Board declined to answer the petition due to the following reasons: (1) conduct has already occurred; (2) asking about the conduct of another person; (3) litigation is either ongoing or imminent. The Order was filed on August 6, 2019.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Daniel Biggins, Executive Director, Construction Industry Licensing Board, 2601 Blair Stone Road, Tallahassee, FL 32399-1039, (850)487-1395, or by email at Donald.Shaw@myfloridalicense.com.
