PURPOSE AND EFFECT: To implement changes to Sections 1004.04, 1004.85, and 1012.56, Florida Statutes and to update the initial and continued approval procedures and standards for state-approved teacher preparation programs.

SUMMARY: The proposed rule amends the initial and continued approval standards for teacher preparation programs to comply with Senate Bill 7070 by moving from optional to required, the submission of employer and candidate satisfaction surveys for Educator Preparation Institutes and employer and completer satisfaction surveys for Initial Teacher Preparation

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: Based upon agency experience with approval of these programs, the adverse criteria regulatory cost, if any, will not exceed any one of the economic analysis criteria set forth in s. 120.541(2)(a), F.S. and is not expected to require legislative ratification. 61H1-25.001 Responsibility for Other Persons  
PURPOSE AND EFFECT: The Board proposes to repeal the rule.  
SUMMARY: Rule repeal.  
SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
