Section II Proposed Rules

DEPARTMENT OF STATE

Division of Library and Information Services

RULE NO.: RULE TITLE:

1B-2.011 Library Grant Programs

PURPOSE AND EFFECT: The purpose of this amendment is to modify State Aid to Libraries Grant, Library Construction Grant, Library Cooperative Grant, and the Library Services and Technology Act (“LSTA”) Grant program rules.

SUMMARY: Guidelines and agreements to State Aid to Libraries Grant, Library Construction Grant, Library Cooperative Grant, and the Library Services and Technology Act (“LSTA”) Grant programs will be updated and revised.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: Upon completing a SERC checklist, it was determined that the proposed amendment will not have a direct or indirect adverse financial impact on small business.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

University of Florida

UAA-60 Soccer Team Facilities & Lacrosse Facility Improvements

NOTICE TO PROFESSIONAL CONSULTANTS:

The University of Florida Board of Trustees announces that Professional Services in the discipline of architecture will be required for the project listed below:

Project: UAA-60 Soccer Team Facilities & Lacrosse Facility Improvements

The University Athletic Association desires to construct improvements to the existing Lacrosse and Soccer Practice

facility. The Lacrosse facility improvements will include a reception area, added coaches offices, storage and work areas, and relocated officials area. The existing maintenance for the complex will be removed and a Soccer Facility constructed to provide all Soccer program functions such as coaches offices, locker room, training area, and equipment storage. This area will allow the Soccer program to relocate from both other UAA facilities and temporary facilities to their practice field area. In addition to the individual program upgrades a common multi-purpose classroom/team meeting room is proposed at the south end of the Lacrosse stadium.

The estimated construction budget is approximately \$5.8M, including demolition, minimal site improvements, and utility services. The project will be delivered using the Construction Manager At-Risk method. Minimum of Gold LEED (Leadership in Energy and Environmental Design) certification by the U.S. Green Building Council is mandatory.

The selected firm will provide design, construction documents and construction administration services for the referenced project. Plans and specifications for University of Florida projects are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes.

Blanket design professional liability insurance will be required from the architect, mechanical, electrical, plumbing, fire protection, structural, geotechnical and civil engineering consultants for this project and will be provided as a part of Basic Services. The selected applicant will also be required to provide insurance coverage for General Liability, Automotive Liability, and Workers' Compensation as indicated in the General Terms and Conditions.

Applicants will be evaluated on the basis of their past performance, experience, personnel, design ability, references, workload, and responses to questions posed both in the shortlist and interview phases. The Selection Committee may reject all proposals and stop the selection process at any time.

At the time of application, the applicant and its landscape architectural and engineering consultants must possess current design licenses from the appropriate governing board and be properly registered to practice its profession in the State of Florida. If the applicant is a corporation, must be chartered by the Florida Department of State to operate in Florida.

Applicants desiring to provide professional services for the project shall submit a proposal only after thoroughly reviewing the facilities program, Project Fact Sheet, and other background information. The proposal shall be prepared as specified in the PQS Instructions and shall include:

1. A Letter of Application that concisely illustrates the applicant's understanding of the scope of services, design intent, schedule, and other goals and considerations as outlined in the Project Fact Sheet and facilities program.

2. A completed, project-specific "Professional Qualifications Supplement" (PQS) proposal with signed certification. Applications on any other form will not be considered.
3. Resumes, LEED accreditation, and other pertinent credentials for all proposed staff (applicant and consultants).
4. Proof of the applicant's corporate status in Florida (if applicable) and copies of current licenses for applicant firm and all engineering and landscape architecture consultants (firms) from the appropriate governing board.
5. Proof of the applicant's and all engineering consultants' ability to be insured for the level of professional liability coverage demanded for this project.

As required by Section 287.133, Florida Statutes, an applicant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected professional must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$15,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list. Incomplete proposals will be disqualified. Submittal materials will not be returned.

Additional information to assist the applicant in preparing a complete proposal – including the project-specific PQS forms, instructions, Project Fact Sheet, facilities program, UF Design and Commissioning Services Guide, UF Design and Construction Standards, standard University of Florida Owner-Professional agreement, and other project and process information – can be found on the Planning Design& Construction website.

Finalists may be provided with supplemental interview requirements and criteria as needed.

Provide the number of copies prescribed in the Project Fact Sheet. Submittals must be received electronically by UF Planning Design & Construction by 3:00 p.m. local time, on Tuesday, January 23, 2020. Hard copies or facsimile (FAX) submittals are not acceptable and will not be considered.

UF Planning Design & Construction, 245 Gale Lemerand Drive / P.O. Box 115050, Gainesville, FL 32611-5050, Telephone: (352)273-400, Internet: www.facilities.ufl.edu.
