RULE NO.:       RULE TITLE:

6A-4.0021       Florida Teacher Certification Examinations  
PURPOSE AND EFFECT: To adopt new Florida Teacher Certification Examinations (FTCE) competencies and skills, effective October 1, 2020, for the following FTCE subject areas: Guidance and Counseling PK–12; Hearing Impaired K–12; Music K–12; School Psychologist PK–12; Speech-Language Impaired K–12; and Visually Impaired K–12; and to implement significant registration fee reductions for the General Knowledge Test and the Professional Education Test, as well as for all Subject Area Examinations. The effect will be changes to the affected FTCE competencies and skills for the affected examinations; and fee modifications to all FTCE examinations.

SUMMARY: Adopt the “Competencies and Skills Required for Teacher Certification in Florida, Twenty-Fifth Edition.” The new edition updates the competencies and skills for Guidance and Counseling PK–12, Hearing Impaired K–12, Music K–12, School Psychologist PK–12, Speech-Language Impaired K–12, and Visually Impaired K–12, and will become effective October 1, 2020. This rule is further proposed for amendment to lower the retake registration fees for the General Knowledge Test and the Professional Education Test, as well as lower the first-time and retake registration fees for all Subject Area Examinations.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: No requirement for SERC was triggered under section

120.541(1), F.S., and no new fees are imposed in the proposed rule. Further, since the rule outlines significant fee reductions, the proposed amendments are unlikely to have any adverse impact or to require legislative ratification.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
