RULE NO.: 64B8-30.005
RULE TITLE: Physician Assistant Licensure Renewal and Reactivation

PURPOSE AND EFFECT: The proposed rule amendments are intended to address the requirements for reactivation of an inactive license and reactivation of a retired status license.

SUMMARY: The proposed rule amendments clarify language for the requirements for reactivation of an inactive license and reactivation of a retired status license and removes obsolete language from the rule.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

SUMMARY: This rule currently prohibits take and possession of the gopher tortoise which is also outlined in Rule 68A-27.003 F.A.C. It also currently prohibits the possession of painted turtles but not the act of painting the turtle itself. The revised rule will remove language that is already found in other rules and will prohibit the painting of any turtle or tortoise. The revised rule will clarify that take of these species is prohibited unless permitted, except as authorized in Commission approved guidelines. At the July 23, 2020 meeting, the Commission reviewed and approved these rule changes for the gopher tortoise and incorporation of guidelines for the four non-listed reptiles. The intent of this rule revision is to incorporate these guidelines into Rule 68A-25.002, F.A.C., by reference and hyperlink.
