**Notice of Development of Proposed Rules**  
**and Negotiated Rulemaking**

**WATER MANAGEMENT DISTRICTS**

**South Florida Water Management District**

RULE NO.:       RULE TITLE:

40E-2.091       Publications Incorporated by Reference

**PURPOSE AND EFFECT:** To amend existing consumptive use permitting criteria to protect water made available by the Loxahatchee River Watershed Restoration Project (LRWRP), a component of the Comprehensive Everglades Restoration Plan (CERP). The proposed rule development involves amending the Applicant’s Handbook for Water Use Permit Applications within the South Florida Water Management District (Applicant’s Handbook) to expand the Lower East Coast Regional Water Availability criteria’s definition of North Palm Beach County/Loxahatchee River Watershed Waterbodies to include several LRWRP project components. The rulemaking effort will also adopt rules to protect the groundwater associated with the project’s aquifer storage and recovery wells that will be located at the C-18W Reservoir site. The need for rulemaking is twofold: 1) the Northwest Fork of the Loxahatchee River MFL [Rule 40E-8.421(6)(a), F.A.C.] identifies the Lower East Coast Regional Water Availability criteria as part of the MFL recovery strategy; and 2) the LRWRP is a CERP effort that requires project water be protected. The existing Lower East Coast Regional Water Availability restricted allocation area boundary includes most, but not all, the areas in the LRWRP.

**SUBJECT AREA TO BE ADDRESSED:** Amending existing rules to provide water resource protection for the LRWRP.

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice: On December 9, 2021 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(2)(a), Florida Administrative Code, subsection 61C-4.010(7) Florida Administrative Code and subsection 61C-4.010(6), Florida Administrative Code, and Section 6-40.11. 2017 FDA Food Code from NAPLES DEL MAR LLC located in Naples. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers and employees. They are requesting to utilize bathrooms located on a different level.

The Petition for this variance was published in Vol. 47/238 on December 10, 2021. The Order for this Petition was signed and approved on December 16, 2021 After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the

Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the public bathrooms located on the second floor are maintained in a clean and sanitary manner and are provided with hot and cold running water under pressure, soap, approved hand drying devices, handwash sign and are available during all hours of operation. The Petitioner shall also ensure that directional signage is installed in the main restaurant area clearly stating the location of the bathrooms.

A copy of the Order or additional information may be obtained by contacting: Kasimira.Kelly@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

NOTICE IS HEREBY GIVEN that on December 15, 2021, the Board of Podiatric Medicine, received a petition for variance or waiver filed by John M. Hurchik. Petitioner seeks a temporary variance or waiver of Rule 64B18-17.005, F.A.C., which requires that during the first biennium or within 24 months of initial licensure, whichever ends later, practitioners are required to obtain five (5) hours of continuing education in the subject area of risk management by attending one full day of a meeting

of the Board of Podiatric Medicine at which disciplinary hearings are conducted. The practitioner is then exempt from any other continuing education requirements for his or her first renewal except for a 1-hour course on human trafficking and the hours mandated for prevention of medical errors and HIV/AIDS. Board of Psychology

The Board of Psychology hereby gives notice: that on December 15, 2021, an Order was filed on the Petition for Variance or Waiver. The Petition was filed by Amanda Fae Frederick, on September 10, 2021. Petitioner sought a variance or waiver of Rule 64B19-11.005, F.A.C., which requires 2 years or 4,000 hours of supervised experience for licensure. The Board recognizes that the applicant’s internship satisfies 1 year or 2,000 of those hours. This rule concerns the remaining 1 year or 2,000 hours.

The Notice of Petition for Variance or Waiver was published in Vol. 47, No. 178, on September 14, 2021, in the Florida Administrative Register. The Board, at its meeting held on October 29, 2021, voted to deny the Petition for Variance or Waiver finding that Petitioner failed to demonstrate that the purpose of the underlying statute had been met; failed to demonstrate that she possesses the required experience; and failed to satisfy the requirements of Section 490.005, F.S., by failing to demonstrate that her Supervisor possesses the experience requirements mandated by Florida law or their equivalent.

The Florida Office of Financial Regulation hereby gives notice: On 12/17/2021, the Florida Office of Financial Regulation issued a Final Order Denying Petition for Waiver of Rule 69W-600.0024, Florida Administrative Code filed by Robert Steingold. The Office finds that the Petition did not demonstrate that application of paragraph 69W-600.0024(6)(b), Florida Administrative Code, as to Petitioner, would create a substantial hardship. The Office finds that the Petition fails to clearly identify or delineate the specific way(s) paragraph 69W-600.0024(6)(b), Florida Administrative Code, violates principles of fairness by affecting Petitioner in a manner significantly different from the way it affects other similarly situated persons who have to take or retake an examination. Based on the Findings of Fact and Conclusions of Law, the Petition is denied. \*\*\*The original petition was published October 5, 2021 in the Florida Administrative Register Volume 47, Number 193.
