RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice: On December 14, 2021 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code and Paragraph 5-202.11(A), 2017 FDA Food Code from BE BRICKELL LLC located in Miami. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater. They are requesting to utilize holding tanks to provide potable water at the handwash and dump sinks. The Petition for this variance was published in Vol. 47/241 on December 15, 2021. The Order for this Petition was signed and approved on December 21, 2021. After a complete review of the variance request, the Division finds that the application of

this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash sink is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that the handwash sink is provided with hot and cold running water under pressure, soap, an approved hand drying device and a handwashing sign.

A copy of the Order or additional information may be obtained by contacting: Kasimira.Kelly@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

The practitioner is then exempt from any other continuing education requirements for his or her first renewal except for a 1-hour course on human trafficking and the hours mandated for prevention of medical errors and HIV/AIDS. Board of Psychology

The Board of Psychology hereby gives notice: that on November 30, 2021, an Order was filed on the Petition for Variance or Waiver. The Petition was filed by Zulie Camacho-Acevedo, on October 11, 2021. Petitioner sought a temporary

variance or waiver of subsection 64B19-11.0075(2), F.A.C., which states that the Board may grant an additional twelve (12) months to comply with the requirements of subsection (1), above, of up to 36 months, to any applicant who files a written request for extension and demonstrates that the applicant has made a good faith effort to comply but has failed to comply because of illness or unusual hardship. Petitioner also requested a 24 month extension to complete the Florida laws and rules exam.

The Notice of Petition for Variance or Waiver was published in Vol. 47, No. 199, on October 13, 2021, in the Florida Administrative Register.
