 NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the proposed rule in Vol. 47 No. 26, February 9, 2021 issue of the Florida Administrative Register.

Correction is made to the SUMMARY, which inadvertently referenced the Rainbow River System instead of the Lower Peace River.

EXECUTIVE OFFICE OF THE GOVERNOR
 Division of Emergency Management
 Hazard Mitigation Grant Program Post-Fire NOFA (FM-5307)
M E M O R A N D U M
 To: Local Governments, State and Regional Agencies, Indian Tribal Governments, Local Mitigation Strategy Working Groups, and Private Non-Profit Organizations Submitting Hazard Mitigation Grant Program Post-Fire Applications (FM-5307)
 From: Jared Moskowitz, State Coordinating Officer
 Subject: Hazard Mitigation Grant Program Notice of Funding Availability
 Date: February 8, 2021
 Program Summary
 The Florida Division of Emergency Management (the Division) is pleased to announce the availability of the Hazard Mitigation Grant Program (HMGP) Post-Fire, authorized by Section 20602 of the Bipartisan Budget Act of 2018. The incident period includes those counties that have been declared for a Fire Management Assistance (FMA) between the dates of May 6th, 2020 through May 13th, 2020. The State of Florida received

three FMA declarations during this time period: FM-5307 (5 Mile Swamp Fire), FM-5308 (Mussett Bayou Fire), and FM-5309 (36th Avenue Fire). The State of Florida was awarded a flat amount of HMGP funding per declaration (\$629,681.00), which was then aggregated into one HMGP Post-Fire declaration, FM-5307-FL.

Eligible project types are the same as HMGP, although FEMA encourages the use of these funds for the mitigation of wildfire and related hazards, such as flood or erosion. Please note that projects will be funded in the order listed in their county’s endorsement letter, regardless of project type.

The projects may take place outside of the declared county, or counties, so long as the risk reduction benefits the declared county or counties. If funding cannot be used in these declared counties, then it will be made available to the rest of the state.

COVID-19 Update

Due to the current risk from COVID-19, the Division has set up a system for submitting applications 100% digitally to avoid the need to handle any physical items such as hard-copies, flashdrives, and/or CDs. Applications are currently being accepted through the Division’s filesharing system and would not require an additional hard-copy submission. To request access to the filesharing system, you must email DEM_HazardMitigationGrantProgram@em.myflorida.com.

Hard-copy applications are permitted pursuant to the Florida Administrative Code 27P-22; however, the Division highly encourages all applications to solely be uploaded through the filesharing system. If an applicant chooses to submit a hard-copy of their application, a digital submission through the Division’s filesharing site will still be required. Applicants should disregard any contrary language found in the State of Florida Hazard Mitigation Grant Program Application (Attachment G) regarding application submission requirements. The Division will use the requirements outlined below.

Application Timeline

The application period will close May 10, 2021. The Division encourages potential applicants to submit complete applications before the close of the application period. Applications will only be accepted from eligible applicants as defined in the Minimum Program Eligibility section of this notice.

Online Filesharing Submission: Please use the HMGP Application (Attachment G) to collect all the information necessary for your project. When you’re ready to submit, use the email address below to request access to the filesharing system using the script and following the submission guidance provided in the Attachment H. If an application is submitted through the filesharing system, no hard-copies will be required. The email address to begin the submission process for the Division’s filesharing system is DEM_HazardMitigationGrantProgram@em.myflorida.com.

A complete digital submission of your applications, and all necessary supporting documentation, must be uploaded to the filesharing system no later than May 10, 2021, 11:59 p.m. ET. It is imperative that your access request for the filesharing system is received by the Division no later than 5:00 p.m. ET on May 10, 2021 in order to meet the application deadline.

Hard-copy Filing: If a hard-copy is filed, please provide just one original of the State of Florida Hazard Mitigation Grant Program Application and all appropriate attachments. In addition, submit a full digital copy of the completed application and all relevant documentation to the filesharing system using the directions detailed above.

Any hard-copy applications sent by mail or other carrier must be postmarked on or before May 10, 2021. Hand-delivered applications must be stamped in at the Division no later than 5:00 p.m. ET on May 10, 2021.

Any completed hard-copy applications must be sent to the following address: ATTN: Kathleen Marshall, Hazard Mitigation Grant Program, Florida Division of Emergency Management, Mitigation Bureau, 2555 Shumard Oak Boulevard, Tallahassee, Florida 32399-2100

The HMGP application and all other pertinent resources for completing the application may be obtained at the Division’s website located at <https://www.floridadisaster.org/dem/mitigation/hazard-mitigation-grant-program/> in the section HMGP Application and Resources.

Questions regarding the filesharing system may be directed to: Jared Jaworski, (850)544-8372, Jared.jaworski@em.myflorida.com
