Section II Proposed Rules

WATER MANAGEMENT DISTRICTS

St. Johns River Water Management District

RULE NOS.:	RULE TITLES:
40C-8.021	Definitions
40C-8.031	Minimum Surface Water Levels and Flows and Groundwater Levels

PURPOSE AND EFFECT: The purpose and effect of the proposed rule amendment will be to create two new definitions in 40C-8.021 and amend the minimum water levels for Lake Brooklyn and Lake Geneva in Clay and Bradford Counties in 40C-8.031.

SUMMARY: The proposed rules would define “P25” and “P75” and amend minimum water levels for the waterbodies mentioned above pursuant to the mandate of section 373.042, F.S. The terms herein are already defined in Rule Chapter 40C-8, F.A.C. As with all minimum flows and levels established by the District, if adopted, the minimum flows and levels in this rule amendment would be used as a basis for imposing limitations on withdrawals of groundwater and surface water in the consumptive use permit regulatory process and for reviewing proposed surface water management systems in the environmental resource permit regulatory process.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The District has completed for the Governor’s Office of Fiscal Accountability and Regulatory Reform (OFARR) the “Is a SERC Required?” form and prepared a summary of the proposed rule amendments, which are both available upon

request. Based on the completed “Is a SERC Required?” form and summary and the analysis performed by the District in preparing and completing those documents, the proposed rule amendments are not expected to require legislative ratification pursuant to subsection 120.541(3), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 373.044, 373.113 FS.

LAW IMPLEMENTED: 373.042, 373.0421 FS.

A HEARING WILL BE HELD AT THE DATE, TIME AND PLACE SHOWN BELOW:

DATE AND TIME: During the regularly scheduled Governing Board Meeting on May 11, 2021.

PLACE: St. Johns River Water Management District Headquarters, Executive Building, 4049 Reid Street, Palatka, Florida 32177

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least 48 hours before the workshop/meeting by contacting: District Clerk, (386)329-4127. If you are hearing or speech impaired, please contact the agency using the Florida Relay Service, 1(800)955-8771 (TDD) or 1(800)955-8770 (Voice).

THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS: Tom Mayton, Deputy General Counsel, St. Johns River Water Management District, Office of General Counsel, 4049 Reid Street, Palatka, Florida 32177, (386)329-4108 or tmayton@sjrwmd.com, and Mary Ellen Winkler, General Counsel, St. Johns River Water Management District, 4049 Reid Street, Palatka, Florida 32177-2529, (386)312-2340 or mwinkler@sjrwmd.com.

The minimum P25, P50, and P75 levels for Lake Brooklyn are based on the MFLs condition lake level time series (7/17/1957 – 12/31/2018), effective {effective date}, which is incorporated by reference and available at {insert URL} and upon request from the St. Johns River Water Management District, 4049 Reid Street, Palatka, FL 32177-2529.

MFL status of Lake Brooklyn will be assessed by comparing the minimum P25, P50, and P75 to the current P25, P50, and P75, respectively. The current P25, P50, and P75 for Lake Brooklyn are calculated by updating the current-pumping condition lake level time series (7/17/1957 – 12/31/2018) with post-2018 observed data at SJRWMD gage 3360373. The current-pumping condition lake level time series is incorporated by reference and available at {insert URL} and upon request from the St. Johns River Water Management District, 4049 Reid Street, Palatka, FL 32177-2529.

The minimum P50 level for Lake Butler is a long-term median lake level based on the MFLs condition lake level time series (1949 – 2018), effective September 30, 2020, which is incorporated by reference and available at <https://www.flrules.org/Gateway/reference.asp?No=Ref-12168> and upon request from the St. Johns River Water Management District, 4049 Reid Street, Palatka, FL 32177-2529.

MFL status of Lake Butler will be assessed by comparing the minimum P50 to the current P50. The current P50 for Lake Butler is calculated by updating the simulated historical lake level time series (1949 – 2018) with post-2018 observed data at SJRWMD gage 03390378. The simulated historical lake level time series is incorporated by reference and available at <https://www.flrules.org/Gateway/reference.asp?No=Ref-12168> and upon request from the St. Johns River Water Management District, 4049 Reid Street, Palatka, FL 32177-2529.

The minimum P25, P50, and P75 levels for Lake Geneva are based on the MFLs condition lake level time series (7/1/1957 – 12/31/2018), effective {effective date}, which is incorporated by reference and available at {insert URL} and upon request from the St. Johns River Water Management District, 4049 Reid Street, Palatka, FL 32177-2529.

MFL status of Lake Geneva will be assessed by comparing the minimum P25, P50, and P75 to the current P25, P50, and P75, respectively. The current P25, P50, and P75 for Lake Geneva are calculated by updating the current-pumping condition lake level time series (7/1/1957 – 12/31/2018) with post-2018 observed data at SJRWMD gage 11590497. The current-pumping condition lake level time series is incorporated by reference and available at {insert URL} and upon request from the St. Johns River Water Management District, 4049 Reid Street, Palatka, FL 32177-2529.

The minimum P50 level for Lochloosa Lake is a long-term median lake level based on the MFLs condition lake level time series (1957 – 2015), effective 1-30-19, which is incorporated by reference and available at <https://www.flrules.org/Gateway/reference.asp?No=Ref-10225> and upon request from the St. Johns River Water Management District, 4049 Reid Street, Palatka, FL 32177-2529.

MFL status of Lochloosa Lake will be assessed by comparing the minimum P50 to the current P50. The current P50 for Lochloosa Lake is calculated by updating the simulated historical lake level time series (1957 – 2015) with post-2015 observed data at SJRWMD gage 71481615. The simulated historical lake level time series is incorporated by reference and available at <https://www.flrules.org/Gateway/reference.asp?No=Ref-10225> and upon request from the St. Johns River Water Management District, 4049 Reid Street, Palatka, FL 32177-2529.

RULE NO.: 61G18-30.005
RULE TITLE: Terms of Probation

PURPOSE AND EFFECT: The proposed rule amendment is intended to update and clarify language with regard to the requirements of the terms of probation when a licensee is placed on probation.

SUMMARY: The proposed rule amendment updates and clarifies probation terms.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board, based upon the expertise and experience of its members, determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

THE FULL TEXT OF THE PROPOSED RULE IS:

61G18-30.005 Terms of Probation.

Any licensee determined to have violated the provisions of Chapter 474, F.S., may be ordered to serve probationary terms including any or all of the following:

(1) through (2) No change.

(3) The licensee's probation may be subject to the following terms and conditions:

(a) through (h) No change.

(i) Medical Records Probation: When the violation is related to the failure to keep adequate medical records the Board may impose probation as specified below to monitor and improve the respondent's medical record keeping.

1. The probationer shall complete an approved continuing education course on Medical Record Keeping of at least 4 hours within 30 days of the final order. Respondent must submit information on the course to be taken to the Board Office and it must be approved by the Board Chairman or his designee before the respondent takes the course.

2. As a condition of probation, Respondent shall submit themselves to two (2) unannounced collections of medical records by a Department investigator per year during Respondent's probationary period. During each collection, the Department investigator shall be permitted to select and copy, at the Respondent's expense, the medical records of five (5) patients of the investigator's choosing; said records shall be submitted to the Board office for review and approval by a board member assigned by the Board Chairman. Respondent shall facilitate said inspections in whatever manner required by the Department. Records must include records that were created on or after the date of the final order.

3. If the reviewer finds records to be not in compliance with rule 61G18-18.002, F.A.C. a copy of the reviewers report will be provided to the Respondent and the Board and the respondent will be required to appear for an additional probation appearance at the next regularly schedule meeting of the Board. Violations of rule 61G18-18.002, F.A.C. may result in disciplinary action.

4. Probationer shall appear before the Board at the first meeting after the probation commences, at the last meeting of the Board preceding termination of probation, and at such other times as requested by the Board.

5. In the event Probationer leaves the State of Florida for a period of thirty days or more, or otherwise does not engage in practice in Florida, Probationer's probation shall be tolled and shall remain in a tolled status until Probationer returns to active

practice in the State of Florida, at which time the probationary status shall resume. Probationer must keep current residence and business address on file with the Board. Probationer shall notify the Board within ten (10) days of any changes of said addresses.

(4) No change.

RULE NO.: 64B2-13.004
RULE TITLE: Continuing Education

PURPOSE AND EFFECT: The purpose of the rule amendment is to update the rule language to allow for online classes or through live synchronous streaming.

SUMMARY: Update rule text.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Agency.

In summary, the SERC found that the 5 responding CE providers, of a total approved number of 27, generate approximately \$1.8 million per year in revenues from in-person CE attendance. The rule amendments allow for all CE hours to be obtained online or through live synchronous streaming. The prices that will be charged per hour for that method of delivery are unknown, but the SERC estimates those hours will be offered at a lower price than live hours, which will reduce the cost impact on the Board’s approximately 6,500 licensees. This will correspondingly reduce the revenues of the providers of in-person CE. However, providers of online CE hours, including those currently providing live hours, will gain revenues from online hours, which will offset the losses of live hour revenues. Overall, the SERC is unable to estimate the overall effect, other than an expected net reduction to the licensees who pay per hour, with a corresponding net reduction to the CE providers.

In addition, the SERC estimates that one-time and reoccurring costs to implement and maintain online learning platforms will cost \$565,000 over a five year period. Those costs will be offset by the revenues received from providing online CE hours. Overall, the Board determined the overall effect from the rule amendments will be positive, since reducing the cost of CE hours necessary to renew a license will have a positive benefit, in addition to the benefits of not requiring licensees to travel to in-person meetings during the Covid-19 crisis.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs.

No person or interested party submitted additional information regarding the economic impact at the public meeting.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

THE FULL TEXT OF THE PROPOSED RULE IS:

64B2-13.004 Continuing Education.

(1) Required Hours. For the purpose of renewing a license, an applicant must demonstrate to the Board that he or she participated in at least forty (40) contact classroom hours (twenty-four (24) for Certified Chiropractic Physicians Assistants) of continuing chiropractic education during the past two (2) years. Only those contact classroom hours earned at Board approved continuing education courses or which comply with the provisions of this rule are acceptable. For purpose of this rule, the term “contact classroom hour” shall mean fifty (50) minutes of instruction offered through in-person courses or through online attendance continuing education courses complying with subsection (3). Through the current licensure renewal biennium which ends March 31, 2022, live, synchronous online (“virtual live”) courses shall be considered to be in-person courses, and shall be approved pursuant to the approval criteria for in-person courses. Beginning with the next

renewal biennium, beginning April 1, 2022, the current rule requirements regarding in-person vs. online are restored.

(2) No change.

(3) Online Attendance Continuing Education.

(a) No change.

(b) Challenge questions. Challenge questions are offered during each credit hour of a course to verify the licensee’s attendance. A minimum of seventy-five percent (75%) of the challenge questions asked during each credit hour must be answered by the attendee to receive credit for that hour of content. If an attendee fails to answer at least 75% of the challenge questions, the attendee must retake the entire credit hour, and each credit hour must be completed before the next credit hour of content may be attempted. Challenge questions must be related to that credit hour’s content.

~~(c) Post-test. A post-test must be offered at the completion of the course to assess the attendee’s mastery of the course content. A minimum score of seventy five percent (75%) of the post test questions must be answered correctly for an attendee to obtain credit for the course.~~

~~(c)(4) Online Hours Allowed. During the current biennium which ends March 31, 2022, a licensee may elect to obtain all required continuing education hours through online attendance continuing education courses. Beginning April 1, 2022, the current limitation of ten (10) online attendance continuing education hours is restored. Each licensee may elect to obtain no more than ten (10) general hours each biennium through online attendance continuing education courses.~~

(d) No online attendance continuing education course may be repeated for credit within the same biennium; this limitation does not apply to live, synchronous online courses.

(4) through (7) No change.

PURPOSE AND EFFECT: The purpose of the rule amendment is to update the language for disciplinary guidelines and add out-of-state telehealth discipline guidelines.

SUMMARY: To update and add new language.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board, based upon the expertise and experience of its members, determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

THE FULL TEXT OF THE PROPOSED RULE IS:

64B3-12.001 Disciplinary Guidelines.

(1) Purpose. The Board provides within this rule disciplinary guidelines which shall be imposed upon applicants, registrants or licensees whom it regulates under Chapter 483, Part II, F.S., or a telehealth provider registered under section

~~456.47(4), F.S.~~ The purpose of this rule is to notify applicants, registrants and licensees of the ranges of penalties which will routinely be imposed unless the Board finds it necessary to deviate from the guidelines for the stated reasons given within this rule. The ranges of penalties provided below are based upon a single count violation of each provision listed and also are provided for repeat violations; multiple counts of the violated provisions or a combination of the violations may result in a higher penalty than that for a single, isolated violation. Each range includes the lowest and highest penalty and all penalties falling between. The purposes of the imposition of discipline are to punish the applicants, registrants or licensees for violations and to deter them from future violations; to offer opportunities for rehabilitation, when appropriate; and to deter other applicants, registrants or licensees from violations. For the purposes of this rule, the descriptions of the violations are abbreviated, and the full statute or rule cited should be consulted to determine the prohibited conduct.

(2) Violations and Range of Penalties. For applicants, all violations are sufficient for refusal to certify an application for licensure. For registrants or licensees, the imposition of probation as a penalty shall ordinarily require compliance with conditions such as restitution, continuing education and/or training, indirect or direct supervision by a Board-approved monitor, restrictions on practice, submission of reports, appearances before the Board, and/or hours of community service. As appropriate, such conditions of probation also shall be required following any period of suspension. In addition to any other discipline imposed, the Board shall assess the actual costs related to the investigation and prosecution of a case. In imposing discipline pursuant to Sections 120.57(1) and (2), F.S., the Board shall act in accordance with the following disciplinary guidelines and shall impose a penalty as authorized by Section 456.072(2), F.S., within the range corresponding to the violations set forth below. Offense identifications are descriptive only; the full language of each statutory provision must be considered in order to determine the conduct included.

(a) Section 483.825(1)(a) or 456.072(1)(h), F.S.: Attempting to obtain, obtaining, or renewing a license or registration under this part by bribery, by fraudulent misrepresentation, or through an error of the department or the board—from a minimum fine of \$500 and/or up to two years of probation to a maximum of permanent revocation. ~~After the first offense, from a minimum fine of \$5,000 up to a maximum fine of \$10,000 and/or permanent revocation.~~

~~1. Fraudulent misrepresentation—~~from six months probation and a fine of \$10,000 to a maximum of permanent revocation and a fine of \$10,000. For a second offense, a fine of \$10,000 and permanent revocation.

~~2. Error of the Department or the Board—~~from a minimum letter of concern and/or a \$500 fine up to a maximum of

~~suspension for one year followed by two years of probation and a fine of \$5,000. For a second offense, from a minimum fine of \$3,000 to permanent revocation of license. After the second offense, up to a maximum fine of \$10,000 and/or permanent revocation.~~

64B3-12.0015 Out-of-State Telehealth Discipline

(1) The following disciplinary guidelines shall be followed by the board in imposing disciplinary penalties upon out-of-state telehealth providers registered pursuant to section

456.47(4), F.S., for violation of the below mentioned statutes and rules. For the purposes of this rule, the descriptions of the violations are abbreviated, and the full statute or rule cited should be consulted to determine the prohibited conduct.

<u>VIOLATION</u>	<u>PENALTY RANGE</u>	
	<u>FIRST VIOLATION</u>	<u>SECOND AND SUBSEQUENT VIOLATIONS</u>
<u>1. Fails to notify the applicable board, or the department if there is no board, of any adverse actions taken against his or her license. (Section 456.47(4)(i), F.S.);</u>	<u>Letter of Concern to suspension and a corrective action plan</u>	<u>Suspension and a corrective action plan to revocation</u>
<u>2. Has restrictions placed on or disciplinary action taken against his or her license in any state or jurisdiction. (Section 456.47(4)(i), F.S.)</u>	<u>Letter of concern to revocation as closely as possible to same penalty as imposed in other jurisdiction</u>	<u>Letter of concern to revocation as closely as possible to same penalty as imposed in other jurisdiction to revocation</u>
<u>3. Violates any of the requirements of section 456.47, F.S. (Section 456.47(4)(i), F.S.)</u>	<u>Letter of Concern to suspension and a corrective action plan</u>	<u>Suspension and a corrective action plan to revocation</u>
<u>4. Commits any act that constitutes grounds for disciplinary action under s. 456.072(1), or</u>	<u>As stated in rule 64B3-12.001(2), F.A.C.</u>	<u>As stated in rule 64B3-12.001(2), F.A.C.</u>

s. 491.009(1), F.S.		
------------------------	--	--

(2) The range of disciplinary action for registered out-of-state telehealth providers shall be, in ascending order of severity, letter of concern, reprimand, suspension, and revocation.

(3) A suspension may be for a definite term or may be accompanied by a corrective action plan, as stated in rule 64B3-12.001(2), F.A.C.

(4) A suspension for a definite term may be terminated early only upon approval of the Board. A suspension accompanied by a corrective action plan may be lifted upon successful compliance with the corrective action or otherwise determined by the Board.

(5) A “corrective action plan” must accompany a suspension and include rehabilitative provisions established by the Board which are narrowly tailored to address the conduct which resulted in the underlying disciplinary violations. In order to satisfy a corrective action plan, the Registrant must provide proof of successful completion of all provisions to the Board. A corrective action plan may follow a suspension for a definite term and require continued suspension until successful compliance with the corrective action plan. Nothing in this paragraph shall be interpreted as restricting the Board’s ability to impose a suspension for a definite term absent or accompanied by a corrective action plan.

Regarding Declaratory Statements

DEPARTMENT OF HIGHWAY SAFETY AND MOTOR VEHICLES

NOTICE IS HEREBY GIVEN that the Department of Highway Safety and Motor Vehicles has received the petition for declaratory statement from James Watkins on April 7, 2021. The petition seeks the agency's position or opinion as to whether the agency's procedures, policies, and guidelines require local building departments to issue permits for certain repair or remodel of mobile homes and whether the agency's procedures, policies, and guidelines mandate local building departments to require engineering plans for certain repair or remodel of mobile homes. The petition also seeks the agency's position or opinion as to what legal provisions authorize local building departments to require a permit for certain repair or remodel of mobile homes and whether a change in requirements for certain repair or remodel of mobile homes occurs when the title of a mobile home is retired. Motions for leave to intervene pursuant to Rule 28-1005.0027, Florida Administrative Code, must be filed within 21 days of the date of publication of this notice. A copy of the Petition for Declaratory Statement may be obtained by contacting: Joseph R. DEPARTMENT OF EDUCATION

Florida International University

FIU-FM-180351 – HMGP PC WIND RETROFIT-A/E

The Florida International University Board of Trustees announces that services in the discipline of Architecture/Engineering are required for the project identified below:

Project Name and Number: FM-180351 – HMGP PC WIND RETROFIT

Project Location: Modesto Maidique Campus, Miami, Florida

Project Description: The first building constructed for the then new Florida International University was appropriately named “Primera Casa” or First House in Spanish. The building was later renamed for the first FIU president, Charles E. Perry on September 18, 1994, but is still most commonly referred to as “PC.” Intended to be a multipurpose building, it originally housed the library, student union, classrooms, laboratories offices and administrative space. Construction drawings were completed by the Miami architectural firm of Greenleaf-Telesca in September 1970 and the 5-story Brutalist-style concrete building was occupied in September 14, 1972. The building received a first-place award from the Construction Specifications Institute, a 1973 Award of Excellence for outstanding concrete building in Florida and was featured in College Management magazine in February 1973. A large metal sculpture called “Las Cuatro Razas” (The Four Races) was created for the north façade by Miami-sculptor Albert Vrana. That artwork was intended to reflect the University’s mission of providing quality education to all races.

The PC building has undergone many interior alterations and renovations and a small addition added three additional

elevators to the building on the southeast corner. As of April 2019 the building had 224,229 gross square feet with a total of 18 classrooms, 518 offices, 21 research lab spaces, 24 teaching lab spaces, 6 study areas, 192 non-assignable work spaces and a total of 782 rooms, 4 full-height stairways and 5 elevators. The building houses the main FIU data center as well as administrative office space. The second floor has four 50-seat classrooms with the bulk of the floor being office spaces. The third floor has 5 classrooms and multiple seminar rooms, study spaces, computer labs, teaching labs and offices. The fourth floor has 13 classrooms, 7 computer labs, seminar rooms, study spaces and offices. The fifth floor has administrative offices including the original Office of the President, the CFO and Provost offices, General Counsel, External Relations, the main university data center, IT offices and many other departments. The lowest ground level floor elevation is 8 foot 6 inches which is below current standards and the highest occupied floor level is 67 feet six inches above grade which is lower than the “high-rise” threshold of 75 feet. The top of the main roof parapet is 83 feet above grade. The height from ground floor to second floor is 17 feet and other floor-to-floor heights are 14 feet.

The PC building is the nerve center of Florida International University and is essential to University operations. The building has prestressed concrete piles with concrete pile caps and concrete grade beams as the foundation system. The ground floor is a 4-inch concrete slab is poured on compacted fill. Overall vertical construction is cast-in place concrete exterior walls with a board-formed decorative texture. Floors and roof structure are all reinforced cast-in-place concrete “waffle” slabs. The nature of the building’s concrete structure mass makes it highly wind resistant except for openings. This wind retrofit project will harden the building to greatly reduce the possibility of future storm damage due to breached openings. This project will decrease the building's vulnerability to property loss and increase occupant safety.

The project includes replacement of all existing non-impact-rated, non-product-approved doors, windows, storefronts, louvers and vents with new products, similar in appearance to the existing, that are Florida-Product Approved for Large-Missile-Impact in a High-Velocity Hazard Zone in accordance with wind calculations and Florida Building Code Risk Factor for the building. The project includes replacement of roof nailers and flashings, curbs, skylights, roof hatches and HVAC tie-downs with new Code-compliant components. Repair of interior and exterior finishes surrounding openings damaged by replacement work and extension and reconnection of roof equipment electrical will also be required. Portions of the building lightning protection system will need repair or replacement where affected by the work. Building security system components such as door monitors/sensors, electromagnetic door locks, power operators, access control

keypads, magnetic card readers and motion sensors and push buttons will be removed/reinstalled/replaced in conjunction with replacement of exterior openings.

Original roofing materials on the Primera Casa building contained asbestos fibers. The building has undergone more than one re-roofing project in the 48 years since it was constructed. It is unknown if any asbestos-containing materials remain below newer existing roofing materials. Any asbestos monitoring and abatement that may be required will be performed by the Owner under a separate contract, but work of this project may be required to coordinate with Owner's asbestos abatement work.

Project Delivery: The Project will be advertised for competitive bids by qualified General Contractors licensed in the State of Florida.

Note: Applicants are hereby notified that FIU has received a federal grant from the Federal Emergency Management Agency to partially fund this project. The selected consultant will be bound by all applicable state and federal laws and regulations and by the terms of Federally-Funded Subaward and Grant Agreement between The Florida International University Board of Trustees and the State of Florida Division of Emergency Management. A copy of this agreement may be obtained at <https://facilities.fiu.edu/projects/FM-18-0351.htm>.

Applicants are hereby notified that in the event the University is unable to secure full funding, the University intends to proceed only with design and construction of fully funded project components, if any.

INSTRUCTIONS:

Firms desiring to apply for consideration shall submit copies of a Letter of Intent and Summary with an Introduction Narrative highlighting qualifications/legal nature of organization including a proposed organization chart and the following required proposal data attached:

1. A completed "Florida International University Professional Qualifications Supplement (FIUPQS)." The latest version of official FIUPQS forms (FIUPQS_08_2015) must be downloaded from the FIU web site at <https://facilities.fiu.edu/projects/FM-18-0351.htm>.

Applications on any other form will not be considered.

2. A copy of the applicant's current Professional Registration Certificate from the appropriate Governing board. An applicant must be properly registered at the time of application to practice its profession in the State of Florida. If the applicant is a corporation, it must be properly chartered by the Florida Department of State to operate in Florida.

Submit eight (8) bound copies of the required proposal data and one electronic copy in Adobe Acrobat PDF format of the requested qualifications to: Selection Committee, Florida International University, Facilities Planning, Campus Support Complex, 11555 S.W. 17th St., Room CSC-142, Modesto A.

Maidique Campus, Miami, Florida 33199. Applications that do not comply with the above instructions will not be considered. Application material will not be returned. The University reserves the right to suspend or discontinue the selection process at any time and to return or reject any or all submissions of qualifications without obligation to the respondent. The award of this contract is subject to availability of funds.

The plans and specifications prepared by the A/E are subject to reuse in accordance with the provisions of Section 287.055, Florida Statutes. As required by Section 287.133, Florida Statutes, a consultant may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected consultant must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of in excess of the threshold amount provided in Section 287.017, Florida Statutes for CATEGORY TWO in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

FIU HAS CREATED STANDARD CONTRACT FORMS AND STANDARD INSURANCE REQUIREMENTS APPLICABLE TO AE SERVICES TO PROVIDE FOR AN EFFICIENT AND EFFECTIVE PROCESS. THESE FORMS ARE AVAILABLE FOR REVIEW, AND CAN BE FOUND AT <http://facilities.fiu.edu/formsandstandards.htm>.

ALL APPLICANTS SHOULD REVIEW THE APPLICABLE FIU CONTRACT FORM AND STANDARD INSURANCE REQUIREMENTS CAREFULLY PRIOR TO MAKING A DECISION AS TO WHETHER OR NOT TO RESPOND TO THIS ADVERTISEMENT. PLEASE BE AWARE THAT FIU IS IN THE PROCESS OF UPDATING THE CONTRACT FORMS, AND THE FORM AT THE TIME OF THE AWARD MAY BE DIFFERENT THAN THE FORM AT THE TIME OF THIS ADVERTISEMENT.

Pursuant to §448.095, Fla. Stat., the selected consultant will have to certify that it is registered with and uses the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the consultant during the term of its contract with FIU. If the consultant enters into a contract with a subcontractor to perform work or provide services pursuant to its contract with FIU, the consultant shall likewise require the subcontractor to comply with the requirements of §448.095, Fla. Stat., and the subcontractor shall provide to the consultant an affidavit stating that the subcontractor does not employ, contract with or subcontract with an unauthorized alien. The consultant shall maintain a copy of such affidavit for the duration of its Contract with FIU. This section serves as notice to the consultant regarding the requirements of §448.095, Fla. Stat., and FIU's obligation to terminate the contract if it has a good faith belief that the consultant has knowingly violated §448.095, Fla. Stat.

If terminated for such reason, the consultant will not be eligible for award of a public contract for at least one year after the date of such termination. Further, FIU has an obligation to order the immediate termination of any contract between the consultant and a subcontractor performing work on its behalf should FIU develop a good faith belief that the subcontractor has knowingly violated §448.095, Fla. Stat. FIU reserves the right to request documentation from the consultant evidencing its compliance with §448.095, Fla. Stat. at any time during the term of the contract.

All applicants should review Section 448.095, Fla. Stat., carefully.

Florida A&M University, on behalf of its Board of Trustees, announces that Construction Management services will be required for the project listed below:

PROJECT DESCRIPTION: Phase II – Skybox/ Concession Stand/ADA Restrooms Repair/ Seating and Structural Upgrades/ Renovation of Bragg Memorial Stadium.

PROJECT PHASING: This phase includes the removal and replacement of the existing press box and seating. The concession stands/restroom renovation would be to upgrade and modernize the existing restrooms and concession stands. The project time frame anticipates a November 2021 construction start with completion and occupancy August of 2022. The contract for Construction Management Services shall consist of a pre-construction services phase and a construction phase. The pre-construction services phase, for which the Construction Manager will be paid a fixed fee, will include value engineering, constructability analysis, development of cost models, estimating, and the development of a Guaranteed Maximum Price (GMP) at the 75% Construction Document phase. If the GMP is accepted, the Construction Phase will be implemented. Early bid packages for fast track and multi-phase development may be required to meet project goals. In the Construction Phase of the contract, the Construction Manager becomes the single point of responsibility for performance of the construction of the project and shall publicly bid trade contracts. Failure to negotiate an acceptable fixed fee for Phase II of the contract, or to arrive at an acceptable GMP within the time provided in the agreement, may result in the termination of the Construction Manager's contract.

Selection of finalists for interviews will be made on the basis of Construction Manager qualifications, including experience and ability related to additions and new construction; past experience; applicant's ability to provide service, bonding capacity; record-keeping, administrative ability, critical path scheduling expertise; cost estimating; cost control ability; quality control capability; qualification of the firm's personnel, and staff and consultants. Finalist may request a copy of the standard Florida A&M University Agreement Between Owner and Construction Management.

Blanket professional liability insurance will be required for this project in the amount of \$1,000,000.00 and will be provided as a part of Basic Services.

A copy of the Project FACT Sheet can be obtained by contacting Craig Talton, Director of Facilities, Planning, Construction and, Safety 2400 Wahnish Way, Suite 100, Tallahassee, Florida 32307, phone: (850)412-7509, fax:(850)561-2289, email: craig.talton@famuedu. Craig Talton, Director.

INSTRUCTIONS: The approved FAMU CM PQS form is available by contacting the University's Director for this project, Mr. Craig Talton, 2400 Wahnish Way, Suite 100, 850-412-7509, craig.talton@famuedu. From the date of issuance of this Notice until a final selection of a Construction Manager is made or a notice of cancellation is posted, the Construction

Manager must not make available or discuss its proposal, or any part thereof, with any member of the Selection Committee or any University officials or staff, unless permitted by the Project Manager, in writing, for purposes of clarification only, as set forth herein. Any individual associated with a Construction Manager who contacts members of the Selection Committee or any University officials or staff, regarding any aspect of this project, whether such contact be in person, telephone, or through electronic or written correspondence, may be determined to have violated the terms and conditions of this solicitation. If that determination is made, any proposal received from such an individual OR their company may be rejected as non-responsive and not subject to evaluation. If there are any changes or additions to the Project Managers information at any time in the process, participating Construction Manager’s will be notified via an addendum to the Notice.

The Florida A&M University is an equal opportunity institution, and, as such, strongly encourages the lawful use of certified Minority and Women-owned Business Enterprises (“MBEs”) in the provision of design and construction- related services by providing a fair and equal opportunity to compete for, or for participation in, design and/or construction-related services.

Questions regarding the Notice and/or process should be submitted via fax or email to the Project Manager. No oral communications shall be considered as a change to the Notice. FAMU may respond to questions deemed by the University to be material in nature via a written addendum to the Notice. Interpretation of the wording of this document shall be the responsibility of FAMU and that interpretation shall be final. All postings referred to in this Notice will be posted electronically on the FAMU Procurement website: <http://www.famu.edu/index.cfm?Purchasing>. At all times it shall remain the responsibility of the Construction Manager participating in this solicitation to check the website for postings of addenda, short lists, and award decisions. No further notice will be given.

The Selection Committee may reject all proposals and stop the selection process at any time. The Construction Manager shall have no ownership, entrepreneurial or financial affiliation with the selected architect/engineer involved with this project.

Firms desiring to provide Construction Management services for the project shall submit a letter of application and a completed “Florida A&M University Construction Manager Qualification Supplement” (FAMU-CM- PQS Revised 8/7/13). Proposals must not exceed 40 pages, including the Construction Manager Qualifications Supplement and letter of application and any other pertinent information. Pages must be numbered consecutively. Submittals that do not comply with these

requirements or do not include the requested data will not be considered. No submittal material will be returned.

All applicants must be licensed to practice as general contractors in the State of Florida at the time of application. Corporations must be registered to operate in the State of Florida by the Department of State, Division of Corporations, at the time of application. As required by Section 287.133, Florida Statutes, a Construction Management firm may not submit a proposal for this project if it is on the convicted vendor list for a public entity crime committed within the past 36 months. The selected Construction Management firm must warrant that it will neither utilize the services of, nor contract with, any supplier, subcontractor, or consultant in excess of \$35,000.00 in connection with this project for a period of 36 months from the date of their being placed on the convicted vendor list.

1 email copy of the required proposal data shall be submitted and addressed to: The Office of Facilities Planning and Construction, Florida A&M University, 2400 Wahnish Way, Suite 100, Tallahassee, Florida 32307.
