Fumigation Inspection Report form FDACS-13629 is being reformatted and expanded to include additional areas of inspection. FDACS-13660 is being incorporated by reference to facilitate collection of information specific to pesticide application activities.

Amendments to 5E-14.110 will incorporate a revised version of the Notification of Fumigation FDACS-13667 which will add additional required information to the Notification of Fumigation, FDACS-13667; proposed amendments to 5E-14.117 will correct an inaccurate reference to the rule section describing completion of wood destroying organisms' inspection reports; amendments to 5E-14.136 will clarify that in order to obtain a Fumigation Special Identification Card a licensee must pay an examination fee rather than an issuance fee; amendments to 5E-14.142(9) will clarify that business licensees must submit an application for Pest Control Employee-Identification Cards with each original or renewal business license application of any business license change; and amendments to 5E-14.1421 will require training in areas of contract regulations and safety related issues specific to structural fumigation for pest control employees who perform fumigation sales.

 SUMMARY: The proposed rule amends Rule 33-601.502, F.A.C. to establish the amount of the discharge gratuity paid under certain circumstances to an inmate upon his or her release from the Department's custody.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice: On March 8, 2021 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for subsection 61C-4.010(7) Florida Administrative Code and subsection 61C-4.010(6), Florida Administrative Code from Habaneros Catering located in Naples. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers and employees. They are requesting to share the bathrooms located within a nearby establishment under a different ownership for use by customers and employees.

The Petition for this variance was published in Vol. 47/69 on March 09, 2021. The Order for this Petition was signed and approved on April 16, 2021. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms located within Collier County Risk Management Department and Tax Collector's Office (3335 Tamiami Trail E. Suite 101, 34112), are maintained in a clean and sanitary manner and are provided with cold running water under pressure, soap, approved hand drying devices, and are available during all hours of operation. The Petitioner shall also ensure that directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of Habaneros Catering (File: 334116) and/or Collier County Risk Management Department and Tax Collector's Office (3335 Tamiami Trail E. Suite 101, 34112), changes, an updated signed agreement for use of the bathroom facilities will be required immediately.

A copy of the Order or additional information may be obtained by contacting: Kasimira.Kelly@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

Armoring shall provide a level of protection compatible with existing topography, not to exceed a 50-year design storm. The facility is located within the Town of Palm Beach along the seaward side of State Road A1A. The petition has been assigned OGC #21-0389.
