RULE NO.: **RULE TITLE:**
64B8-9.018 Mandatory Standardized Informed Consent for Medical Marijuana; Required Documentation for Comparable Medical Conditions; Required Documentation for Smokable Medical Marijuana

PURPOSE AND EFFECT: The proposed rule amendment is intended to incorporate the revised informed consent form into the rule.

SUMMARY: The proposed rule amendment incorporates the revised informed consent form into the rule.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within

one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

THE FULL TEXT OF THE PROPOSED RULE IS:

64B8-9.0181 Practice Standards for the Certification of
Smoking Marijuana as a Route of Administration.

(1) The standards of practice in this rule do not supersede
the level of care, skill, and treatment recognized in general law
related to healthcare licensure. All physicians who are
authorized to issue a certification for the medical use of
marijuana in a form for smoking as defined in s. 381.986(1),
F.S., shall comply with this rule.

(2) Standards. The nature and extent of the requirements
set forth below will vary depending on the practice setting and
circumstances presented to the qualified physician. In addition
to the requirements set forth in s. 381.986(4), F.S., the Board
has adopted the following standards for the issuing of
certifications by qualified physicians for the medical use of
marijuana in a form for smoking:

(a) Evaluation of the Patient. The qualified physician must
conduct a physical examination while physically present in the
same room as the patient and a full assessment of the medical
history of the patient, including family and social history with
an emphasis on substance use disorder and mental health, and
must document this information in the medical record. The
medical record also shall document the presence of one or more
qualifying medical conditions for the use of smokable
marijuana and document previous treatments, if any.

(b) Treatment Plan. The written treatment plan shall
indicate if any further diagnostic evaluations or other treatments
are planned including other medications and therapies if
indicated. After treatment begins, the qualified physician shall
adjust dosing, if necessary, to the individual medical needs of
each patient.

(c) Informed consent. The qualified physician will discuss
and have the patient complete the "Medical Marijuana Consent
Form" (DH-MQA-5026) set forth in Rule 64B8-9.018, F.A.C.
In addition, the qualified physician shall discuss the risks and
benefits of the use of smokable marijuana including the risk of
abuse and addiction, the negative health risks associated with
smoking marijuana as well as physical dependence with the
patient, persons designated by the patient, or with the patient's

surrogate or guardian if the patient is incompetent. The
discussion shall also include expected benefits, duration,
options, and common side effects. Special attention must be
given to those patients who are at risk of misuse or diversion of
their medications.

(d) Periodic Reviews. A qualified physician must evaluate
an existing qualified patient at least once every 30 weeks before
issuing a new physician certification. Based on the
circumstances presented, the qualified physician shall review
the course of treatment and any new information about the
etiology of the need to utilize smokable marijuana.
Continuation or modification of therapy shall depend on the
qualified physician's evaluation of the patient's progress. If
treatment goals are not achieved, despite medication
adjustments, the qualified physician shall reevaluate the patient
and determine the appropriateness of continued treatment. The
qualified physician shall monitor patient compliance of
marijuana usage and related treatment plans.

(e) Consultation. The qualified physician shall refer the
patient as necessary for additional evaluation and treatment in
order to achieve treatment objectives. The management of
patients with a history of substance abuse or with a comorbid
psychiatric disorder requires extra care, monitoring, and
documentation, and may require consultation with or referral to
an expert in the management of such patients.

(f) Medical Records. The qualified physician is required to
keep accurate, legible, and complete records to include, but not
be limited to:

1. The medical history and a physical examination,
including history of drug abuse or dependence, if indicated;
2. Qualifying medical condition or conditions;
3. Determination that the medical use of marijuana would
likely outweigh the potential health risks for the patient; if the
patient is younger than 18, inclusion of concurrence by second
physician;
4. Whether the patient is pregnant;
5. Diagnostic, therapeutic, and laboratory results if
performed by the qualified physician or received from another
practitioner;
6. Evaluations and consultations if performed by the
qualified physician or received from another practitioner;
7. Treatment objectives;
8. Discussion of risks and benefits;
9. Treatments;
10. Medications (including date, type, dosage, and quantity
prescribed);
11. Document that the Prescription Drug Monitoring
Program database was reviewed;
12. Instructions and agreements;
13. Informed written consent;
14. Drug testing results if indicated;

15. Periodic reviews. Records must remain current, maintained in an accessible manner, readily available for review, and must be in full compliance with rule 64B8-9.003, F.A.C., ss. 381.986, 456.057, and 458.331(1)(m), F.S.

(g) Compliance with Laws and Rules. Qualified physicians shall at all times, remain in compliance with this rule and all state laws and regulations addressing the issuance of certifications for the medical use of marijuana in a form for smoking.

53ER21-33 Trucks, Bucks and Trips Promotion.

(1) Beginning May 17, 2021, and continuing through August 2, 2021, ("Promotion Period") the Florida Lottery will conduct the Trucks, Bucks and Trips Promotion ("Promotion") in which players can enter non-winning GUY HARVEY \$500,000 FLORIDA CASH Florida Lottery Scratch-Off tickets (also known as instant tickets) into a promotional drawing for a chance to win 2021 Guy Harvey Edition Ford F-150 pickup trucks, VIP trips to Grand Cayman Island and \$1,000 cash prizes. Non-winning Scratch-Off lottery tickets from Game Number 1456, GUY HARVEY \$500,000 FLORIDA CASH may be entered throughout the entire Promotion Period for entry into the next available drawing. Winning Scratch-Off lottery tickets from GUY HARVEY \$500,000 FLORIDA CASH cannot be used for entry into a Trucks, Bucks and Trips promotional drawing.

(2) How to Participate.

(a) To enter a non-winning GUY HARVEY \$500,000 FLORIDA CASH Scratch-Off lottery ticket into one of the Trucks, Bucks and Trips promotional drawings, a player may use the Florida Lottery's website at flalottery.com, or use the Florida Lottery's Mobile Convenience App ("App"). On the home page of the Florida Lottery's website, players are to click on the Second Chance tab, select the Trucks, Bucks and Trips Promotion and follow the directions. Players will be prompted to log-in or register. On the App, players may click on either of the Promotions buttons, select the Trucks, Bucks and Trips Promotion and follow the directions. Players will be prompted to log-in or register if not already logged in. A Promotions button is located on the main menu and also on the bottom navigation bar. Players are to scratch off the coating on the front of the ticket to reveal the 24-digit ticket serial number and enter the entire number in the designated ticket entry area on the website or scan the ticket barcode located under the Scratch-Off ticket coating on the front of the ticket using the App. The 24-digit ticket serial number (4-digit game number and 20-digit

ticket number) is located below the play area on the front of a GUY HARVEY \$500,000 FLORIDA CASH Scratch-Off ticket under the latex covering. Players may enter a qualifying ticket into the Promotion at any time of day during the Promotion Period; however, on occasion, entry capabilities on the website and App may be temporarily unavailable due to routine maintenance or technical difficulties.

(b) Any attempt by a player to use more than one account by using multiple or different email addresses, identities, registrations, logins, or any other methods will subject the player and any associated entries to disqualification.

(c) Regardless of whether a player chooses to participate in the Promotion by mobile device or web browser the following provisions shall apply:

1. the player may use the same account login information to enter tickets;
2. the player will only be required to register one time; and
3. the player's entry history will be cumulative among the entry platforms.

(d) A player may earn multiple entries during the entry period; however, each ticket number can only be entered one time to earn one entry. The odds of winning depend on the number of entries in the drawing. All entries are subject to validation by the Florida Lottery and may be disqualified if eligibility requirements are not met. Lottery tickets should not be mailed to the Lottery for entry into the drawing. Lottery tickets received in the mail by the Florida Lottery will not be entered into the drawing and will not be returned.

(3) Promo Codes. Various promo codes will be available to players during the Promotion via social media, streaming platforms, websites, gas station TV and emails. A player may earn five (5) additional entries by entering a promo code at the time the player enters a non-winning GUY HARVEY \$500,000 FLORIDA CASH Scratch-Off ticket number into a drawing. A non-winning GUY HARVEY \$500,000 FLORIDA CASH Scratch-Off ticket number must be entered to enable the promo code feature, and the ticket number and the promo code must be entered at the same time. Each promo code is only valid for the corresponding entry period for which it is designated and can only be entered one time. (8) Award of Grand Prizes.

(a) Upon the Florida Lottery's timely receipt of a grand prize winner's required documentation, the Lottery will award a grand prize of a 2021 Ford F-150 Guy Harvey Edition Pickup Truck (or "Ford F-150"). The Florida Lottery will pay tax, tag, and title fees on the vehicle as well as applicable federal income tax withholding on the retail value of the grand prize. The retail value of the grand prize is estimated at \$60,369.40 (MSRP of the Ford F-150 is \$55,920, plus sales tax, tag, title, and inspection fees) but may vary based on the geographic location of the dealership where the vehicle is picked up. Federal income tax withholding is estimated at \$19,064.02 for a U.S. citizen. The reportable taxable value of the grand prize is estimated at \$79,433.42 for a U.S. citizen. The prizewinner may choose from one of three predetermined colors for the exterior of the truck at the time of initial contact with the dealership. The prizewinner must go to the dealership to pick up the prize within 30 days of being notified that the vehicle is ready to be picked up. If the prizewinner is unable to provide proof of a valid driver's license, the vehicle must be removed by trailer or similar transport equipment provided by

the prizewinner or driven by a person who is able to provide proof of a valid driver’s license. The cost of travel to take possession of a truck prize shall be the responsibility of the prizewinner. Neither the Florida Lottery nor Guy Harvey provide any warranty, maintenance plan or additional accessories (beyond the “Guy Harvey Package”) for the Ford F-150 prize. If the prizewinner chooses to purchase any additional options beyond what comes with the Guy Harvey Package, he or she will be responsible for the cost and applicable taxes. (l) If the prizewinner chooses not to travel or becomes unavailable for any reason, the prizewinner may appoint a proxy, provided there is sufficient time, by completing a Proxy Appointment and Acknowledgement form DOL-491-B, revised 5/21. Form DOL-491-B and a completed Trip Prize Proxy Release, Acknowledgement and Authorization form DOL-474-GH-P-Trip, effective 5/21, must be received by the Lottery at least two weeks prior to the booking deadline. If the prizewinner or appointed proxy fails to book the trip prior to the

booking deadline, the prizewinner will forfeit the trip and will remain taxable on the entire value of the Trip Prize. In the event a proxy is appointed, the original prizewinner shall receive the meal stipend gift cards and shopping spree gift card as described in (9)(e) and (f) above; and the entire value of the Trip Prize shall remain taxable income to the original prizewinner. Should the proxy, for any reason, be unable to travel, neither the prizewinner nor the proxy may appoint another proxy; and the trip portion of the prize shall be forfeited. In such case, however, the prizewinner will still receive the gift cards and the entire value of the Trip Prize shall remain taxable income to the original prizewinner.

(m) If the prizewinner claims the prize with the Florida Lottery but fails to make travel arrangements with the fulfillment company by April 29, 2022, the Trip Prize shall be forfeited except for the gift cards. In such case, the meal stipend gift cards and the shopping spree gift card will be mailed and emailed, respectively, to the prizewinner immediately after the booking timeframe has passed and the entire value of the Trip Prize will remain taxable income to the prizewinner.

(n) Except as provided herein for a proxy, no prize element substitution, cash substitution, assignment, or transfer of the trip portion of the prize or any elements thereof is permitted. Any unused elements of the trip portion of the prize will be forfeited, will not be redeemable for cash, and will not reduce the second prize value awarded for tax purposes.

(o) A cash option is not available in lieu of a Trip Prize.

 LAND DEVELOPMENT REGULATIONS
 ADOPTED BY CITY OF KEY WEST, FLORIDA,
 ORDINANCE NO. 21-06

FINAL ORDER
APPROVING CITY OF KEY WEST ORDINANCE NO. 21-06

The Department of Economic Opportunity (“Department”) hereby issues its Final Order, pursuant to subsection 380.05(6), Florida Statutes, approving the requested changes to land development regulations (“LDRs”), adopted by the City of Key West, Florida (“City”) by Ordinance No. 21-06 (“Ordinance”).

FINDINGS OF FACT

1. Rule 28-36.002, Florida Administrative Code, designates the City as an area of critical state concern.
2. The City adopted the Ordinance on March 23, 2021.
3. The Ordinance amends Chapter 112 of the Land Development Regulations (“LDRs”), entitled “Zoning”, Article IV, to establish an additional historic zoning subdistrict under “Districts”, Division 8, named the “Historic Neighborhood Commercial District Bahama Village Truman Waterfront” (HNC-4). The Ordinance creates Subdivision V, Section 122-871 through Section 122-895 to set forth dimensional requirements and permitted, conditional, and prohibited uses for subdistrict HNC-4. Additionally, the Ordinance amends Section 122-92, Section 122-1111, Section 122-1112, and Section 122-1151 to incorporate HNC-4 therein. HNC-4 expands the Bahama Village community and links the Historic Bahama Village with the Truman Waterfront. HNC-4 provides open spaces linked with multimodal green ways, public access to the Truman Waterfront, affordable housing, neighborhood retails, social services, and historical and educational nodes.

CONCLUSIONS OF LAW

4. The City may amend its LDRs, but the amendment becomes effective only upon approval by the Department. § 380.05(6), Fla. Stat.
5. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. The
